

5225.0300 EXPIRATION AND RENEWALS.

Subpart 1. **Timing.** Licenses for operating engineers, unless revoked, are valid for one year from the date of issuance, with privilege of renewal without examination, upon application to the division and payment of a renewal fee within 30 calendar days of the expiration date. The renewal license must be given an issue number and the same monthly date as the original issue. An application for renewal may not be presented before 60 days preceding the expiration date of the license. Engineers who fail to renew their licenses before the 30-day grace period has expired are subject to subparts 2 and 3.

Subp. 2. **Renewal application within one year of expiration.** A license that has expired may be renewed within one year of expiration without an examination by filing an application for renewal, and submitting the expired renewal fee required in part 5225.8600, subpart 2, item C.

Subp. 3. **Application beyond one year of expiration.** After one year after expiration of a license, the license will not be renewed. An applicant must reapply as provided in part 5225.0100.
