

6262.3050 REQUIRED RECORD KEEPING.

Licensed Lake Superior fishing guides must keep accurate records on forms provided by the commissioner. Records must be kept on a monthly basis and must be submitted by the licensee so that they are received by the Lake Superior area fisheries supervisor on or before the tenth day of each month for the preceding month. Records must be submitted whether or not the licensee engaged in guiding during the reporting month, except that records need not be submitted for the months of November through April unless the licensee has engaged in guiding during those months.

Failure to submit any required records three times or more in a two-year period will invalidate any subsequent application for licensure as a guide for up to a three-year period, upon determination by the commissioner.
