

7610.0850 REGISTRATION.

A gas utility serving ultimate consumers and an interstate gas pipeline company serving a utility in Minnesota must file a registration statement with the commissioner. A utility or interstate pipeline company that begins operation in the state shall file a registration statement with the commissioner within 30 days after beginning operation. The registration statement must be on forms issued by the commissioner and available from the department. The registration statement must contain the name and headquarters address of the utility or interstate pipeline company, the names and addresses of officers of the utility or interstate pipeline company, and the name, address, and telephone number of a person who may be contacted for information about the utility or interstate pipeline company.
