

8235.0200 RECOUNTS.

This chapter establishes procedures for the conduct of all publicly funded and discretionary recounts provided for in Minnesota Statutes, sections 204C.35 and 204C.36. The secretary of state or secretary of state's designee is the recount official for recounts conducted by the State Canvassing Board. The county auditor or auditor's designee is the recount official for recounts conducted by the county canvassing board. The county auditor or auditor's designee shall conduct recounts for county offices. The municipal clerk or clerk's designee is the recount official for recounts conducted by the municipal governing body. The school district clerk or clerk's designee is the recount official for recounts conducted by the school board, or by a school district canvassing board as provided in Minnesota Statutes, section 205A.10, subdivision 5. A recount official may delegate the duty to conduct a recount to a county auditor or municipal clerk by mutual consent. When the person who would otherwise serve as recount official is a candidate or is the spouse, child, parent, grandparent, grandchild, stepparent, stepchild, sibling, half-sibling, or stepsibling of a candidate for the office to be recounted, the appropriate canvassing board shall select a county auditor or municipal clerk from another jurisdiction to conduct the recount. "Legal adviser" means counsel to the recount official and the canvassing board for the office being recounted. The scope of a publicly funded or discretionary recount is limited to the recount of the ballots cast and the declaration of the person nominated or elected. The ballots in the envelope labeled "Original ballots from which duplicates are to be or were made" are not within the scope of the recount and this envelope must not be opened during the recount.
