

9520.0919 DEVELOPMENT OF ADULT'S INDIVIDUAL COMMUNITY SUPPORT PLAN.

Subpart 1. **Required plan.** The development of the adult's individual community support plan must comply with Minnesota Statutes, section 245.4711, subdivision 4. Any other service plan developed by an agency providing services to the adult may substitute for the adult's individual community support plan if the other service plan meets the requirements for an individual community support plan. The plan must incorporate the adult's individual treatment plans, if any. The individual community support plan must focus on the desired changes in the level of the adult's functioning. The plan must specify the desired outcomes of the services and how the services will be assessed and monitored on an ongoing basis.

Subp. 2. **Review and revision.** With the assistance of the case management team, if any, the case manager shall review and, if necessary, revise the adult's functional assessment, the adult's individual community support plan specified in subpart 1, and the adult's service needs based on evidence of the adult's progress toward the desired service outcomes. The review and, if necessary, the revision shall occur at least once every 90 calendar days after the development of the adult's first individual community support plan. Whenever possible, the outcome of the review and revision of the adult's services must identify, and assure the coordination of, services needed to obtain the desired service outcomes.
