# Minnesota Rules: Amendments and Additions

## NOTICE: How to Follow State Agency Rulemaking in the State Register

The *State Register* is the official source, and only complete listing, for all state agency rulemaking in its various stages. State agencies are required to publish notice of their rulemaking action in the *State Register*. Published every Monday, the *State Register* makes it easy to follow and participate in the important rulemaking process. Approximately 80 state agencies have the authority to issue rules. Each agency is assigned specific **Minnesota Rule** chapter numbers. Every odd-numbered year the **Minnesota Rules** are published. Supplements are published to update this set of rules. Generally speaking, proposed and adopted exempt rules do not appear in this set because of their short-term nature, but are published in the *State Register*.

An agency must first solicit **Comments on Planned Rules** or **Comments on Planned Rule Amendments** from the public on the subject matter of a possible rulemaking proposal under active consideration within the agency (*Minnesota Statutes* §§ 14.101). It does this by publishing a notice in the *State Register* at least 60 days before publication of a notice to adopt or a notice of hearing, or within 60 days of the effective date of any new statutory grant of required rulemaking.

When rules are first drafted, state agencies publish them as **Proposed Rules**, along with a notice of hearing, or a notice of intent to adopt rules without a hearing in the case of noncontroversial rules. This notice asks for comment on the rules as proposed. Proposed emergency rules, and withdrawn proposed rules, are also published in the *State Register*. After proposed rules have gone through the comment period, and have been rewritten into their final form, they again appear in the *State Register* as **Adopted Rules**. These final adopted rules are not printed in their entirety, but only the changes made since their publication as Proposed Rules. To see the full rule, as adopted and in effect, a person simply needs two issues of the *State Register*, the issue the rule appeared in as proposed, and later as adopted.

The *State Register* features partial and cumulative listings of rules in this section on the following schedule: issues #1-13 inclusive; issues #14-25 inclusive (issue #26 cumulative for issues #1-26); issues #27-38 inclusive (issue #39, cumulative for issues #1-39); issues #40-52 inclusive, with final index (#1-52, or 53 in some years). An annual subject matter index for rules was separately printed usually in August, but starting with Volume 19 now appears in the final issue of each volume. For copies or subscriptions to the *State Register*, contact Minnesota's Bookstore, 660 Olive Street (one block east of I-35E and one block north of University Ave), St. Paul, MN 55155, phone: (612) 297-3000, or toll-free 1-800-657-3757. # Expedited Emergency Rules

Provisions exist for the Commissioners of some state agencies to adopt expedited emergency rules when conditions exist that do not allow the Commissioner to comply with the requirements for emergency rules. The Commissioner must submit the rule to the attorney general for review and must publish a notice of adoption that includes a copy of the rule and the emergency conditions. Expedited emergency rules are effective upon publication in the State Register, and may be effective up to seven days before publication under certain emergency conditions.

Expedited emergency rules are effective for the period stated or up to 18 months. Specific *Minnesota Statute* citations accompanying these expedited emergency rules detail the agency's rulemaking authority.

**KEY: Proposed Rules** - Underlining indicates additions to existing rule language. ~~Strikeouts~~ indicate deletions from existing rule language. If a proposed rule is totally new, it is designated "all new material." **Adopted Rules** - Underlining indicates additions to proposed rule language. ~~Strikeout~~ indicates deletions from proposed rule language.

The governor's authority is specified in the *Constitution of the State of Minnesota*, Article V, and in *Minnesota Statutes* § 4.035. Emergency Executive Orders, for protection from an imminent threat to health and safety, become effective immediately, are filed with the secretary of state, and published in the *State Register* as soon as possible after they are issued. Other Executive Orders become effective 15 days after publication in the *State Register* and filing with the secretary of state. Unless otherwise specified, an executive order expires 90 days after the date the governor who issued the order vacates office.

### Educational Grants Unit

#### Notice of Availability of Funds and Request for Proposals (RFP) for Assistance to Institutions Serving Individuals with Disabilities or Offenders to Support Career and Technical Education Services and Activities

Minnesota State Colleges & Universities is authorized to provide, under the auspices of the Carl D. Perkins Career and Technical Education Act of 2006, assistance to **institutions serving individuals with disabilities or offenders to support career and technical education services and activities**. Currently MnSCU is requesting proposals from institutions that meet the following eligibility:

1. Correctional institutions (i.e. adult or youth facilities);
2. Entities providing services to individuals transitioning from correctional facilities including group transitional facilities or other organizations serving ex-offenders;
3. State institutions serving individuals with disabilities;
4. Other organizations that serve individuals with disabilities (e.g. nonprofit, school-affiliated)

This initiative has two primary goals to address persistent disparities among these populations: (1) To provide assistance to institutions which will assist persons through career and technical education services and activities that will upgrade the skills and increase career opportunities in order to increase personal economic self-sufficiency and (2) To assist in the development of career and technical education services and activities, which could be **replicated or adopted** elsewhere in the State.

For FY 2016, funds in the amount of **\$50,000** have been set-aside to further this programmatic objective. MnSCU anticipates making two grant awards to interested parties. This request for proposals does not obligate MnSCU to award a contract, and MnSCU reserves the right to cancel the solicitation if it is considered to be in its best interest. **Any contract executed under this RFP will be dependent upon the amount of funds received from the Carl D. Perkins Federal Grant.**

Parties interested in pursuing this grant should refer to the request for proposals and online application. **Grant applications will be accepted ONLINE ONLY.** To apply online, go to <https://sites.google.com/site/correctionsrfp/>. Click on "Related Links", then "Grant Opportunities" and select "FY16 Funding for Corrections and Disabilities". The grant term is effective July 15, 2015 through June 30, 2016.

Please contact Eva Scates-Winston at 651-201-1680 regarding any questions. If you experience any technical difficulties with the online application process, please contact Jared Reise at 651-201-1711.
