Subd. 7. **Records management program.** A records management program for the application of efficient and economical management methods to the creation, utilization, maintenance, retention, preservation, and disposal of official records shall be administered by the commissioner of administration with assistance from the director of the historical society. The state records center which stores and services state records not in state archives shall be administered by the commissioner of administration. The commissioner of administration is empowered to (1) establish standards, procedures, and techniques for effective management of government records, (2) make continuing surveys of paper work operations, and (3) recommend improvements in current records management practices including the use of space, equipment, and supplies employed in creating, maintaining, preserving and disposing of government records. It shall be the duty of the head of each state agency and the governing body of each county, municipality, and other subdivision of government to cooperate with the commissioner in conducting surveys and to establish and maintain an active, continuing program for the economical and efficient management of the records of each agency, county, municipality, or other subdivision of government. When requested by the commissioner, public officials shall assist in the preparation of an inclusive inventory of records in their custody, to which shall be attached a schedule, approved by the head of the governmental unit or agency having custody of the records and the commissioner, establishing a time period for the retention or disposal of each series of records. When the schedule is unanimously approved by the records disposition panel, the head of the governmental unit or agency having custody of the records may dispose of the type of records listed in the schedule at a time and in a manner prescribed in the schedule for particular records which were created after the approval. A list of records disposed of pursuant to this subdivision shall be maintained by the governmental unit or agency.
