245C.06 INDIVIDUAL PREVIOUSLY STUDIED.

Subdivision 1. **Facility request.** At the option of the licensed facility, rather than initiating another background study on an individual required to be studied who has indicated to the licensed facility that a background study by the commissioner was previously completed, the facility may make a request to the commissioner for documentation of the individual's background study status, provided that:

- (1) the facility makes this request using a form provided by the commissioner;
- (2) in making the request, the facility informs the commissioner that either:

History: 2003 c 15 art 1 s 6

245C.07 STUDY SUBJECT AFFILIATED WITH MULTIPLE FACILITIES.

(a) When a license holder owns multiple facilities that are licensed by the Department of Human Services, only one background study is required for an individual who provides direct contact services in one or more of the licensed facilities if:

- (1) the license holder designates one individual with one address and telephone number as the person to receive sensitive background study information for the multiple licensed programs that depend on the same background study; and
- (2) the individual designated to receive the sensitive background study information is capable of determining, upon request of the department, whether a background study subject is providing direct contact services in one or more of the license holder's programs and, if so, at which location or locations.

(b) When a background study is being initiated by a licensed facility or a foster care provider that is also registered under chapter 144D, a study subject affiliated with multiple licensed facilities may attach to the background study form a cover letter indicating the additional facilities' names, addresses, and background study identification numbers.

When the commissioner receives a notice, the commissioner shall notify each facility identified by the background study subject of the study results.

The background study notice the commissioner sends to the subsequent agencies shall satisfy those facilities' responsibilities for initiating a background study on that individual.

Subdivision 1. **Determining immediate risk of harm.** (a) If the commissioner determines that the individual studied has a disqualifying characteristic, the commissioner shall review the information immediately available and make a determination as to the subject's immediate risk of harm to persons served by the program where the individual studied will have direct contact.

(b) The commissioner shall consider all relevant information available, including the following factors in determining the immediate risk of harm:

- (1) the recency of the disqualifying characteristic;
- (2) the recency of discharge from probation for the crimes;
- (3) the number of disqualifying characteristics;
- (4) the intrusiveness or violence of the disqualifying characteristic;
- (5) the vulnerability of the victim involved in the disqualifying characteristic;
- (6) the similarity of the victim to the persons served by the program where the individual studied will have direct contact; and
- (7) whether the individual has a disqualification from a previous background study that has not been set aside.

(c) This section does not apply when the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the subject is determined to be responsible for substantiated maltreatment under section 626.556 or 626.557.

- (1) the information the commissioner relied upon in determining the underlying conduct that gave rise to the disqualification is incorrect;
- (2) for maltreatment, the information the commissioner relied upon in determining that maltreatment was serious or recurring is incorrect; or
- (3) the subject of the study does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter, by addressing the information required under section 245C.22, subdivision 4.

Subd. 4. **Notice of request for reconsideration.** Upon request, the commissioner may inform the applicant, license holder, or other entities as provided in this chapter who received a notice of the individual's disqualification under section 245C.17, subdivision 3, or has the consent of the disqualified individual, whether the disqualified individual has requested reconsideration.

245C.22 REVIEW AND ACTION ON A RECONSIDERATION REQUEST.

Subdivision 1. **Commissioner's time frame for responding to disqualification reconsideration requests.** (a) The commissioner shall respond in writing or by electronic transmission to all reconsideration requests for which the basis for the request is that the information the commissioner relied upon to disqualify is incorrect or inaccurate within 30 working days of receipt of a request and all relevant information.

(b) If the basis for a disqualified individual's reconsideration request is that the individual does not pose a risk of harm, the commissioner shall respond to the request within 15 working days after receiving the request for reconsideration and all relevant information.

(c) If the disqualified individual's reconsideration request is based on both the correctness or accuracy of the information the commissioner relied upon to disqualify the individual and the individual's risk of harm, the commissioner shall respond to the request within 45 working days after receiving the request for reconsideration and all relevant information.

Subd. 2. **Incorrect information; rescission.** The commissioner shall rescind the disqualification if the commissioner finds that the information relied upon to disqualify the subject is incorrect.

Subd. 3. **Preeminent weight given to safety of persons being served.** In reviewing a request for reconsideration of a disqualification, the commissioner shall give preeminent weight to the safety of each person served by the license holder, applicant, or other entities as provided in this chapter over the interests of the disqualified individual, license holder, applicant, or other entity as provided in this chapter, and any single factor under subdivision 4, paragraph (b), may be determinative of the commissioner's decision whether to set aside the individual's disqualification.

Subd. 4. **Risk of harm; set aside.** (a) The commissioner may set aside the disqualification if the commissioner finds that the individual has submitted sufficient information to demonstrate that the individual does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter.

(b) In determining whether the individual has met the burden of proof by demonstrating the individual does not pose a risk of harm, the commissioner shall consider:

- (1) the nature, severity, and consequences of the event or events that led to the disqualification;
- (2) whether there is more than one disqualifying event;
- (3) the age and vulnerability of the victim at the time of the event;
- (4) the harm suffered by the victim;
- (5) the similarity between the victim and persons served by the program;

- (6) the time elapsed without a repeat of the same or similar event;
- (7) documentation of successful completion by the individual studied of training or rehabilitation pertinent to the event; and
- (8) any other information relevant to reconsideration.

(c) If the individual requested reconsideration on the basis that the information relied upon to disqualify the individual was incorrect or inaccurate and the commissioner determines that the information relied upon to disqualify the individual is correct, the commissioner must also determine if the individual poses a risk of harm to persons receiving services in accordance with paragraph (b).

Subd. 5. Scope of set aside. If the commissioner sets aside a disqualification under this section, the disqualified individual remains disqualified, but may hold a license and have direct contact with or access to persons receiving services. The commissioner's set aside of a disqualification is limited solely to the licensed program, applicant, or agency specified in the set aside notice under section 245C.23, unless otherwise specified in the notice.

Subd. 6. Rescission of set aside. The commissioner may rescind a previous set aside of a disqualification under this section based on new information that indicates the individual may pose a risk of harm to persons served by the applicant, license holder, or other entities as provided in this chapter. If the commissioner rescinds a set aside of a disqualification under this subdivision, the appeal rights under sections 245C.21, 245C.27, subdivision 1, and 245C.28, subdivision 3, shall apply.

Subd. 7. Classification of certain data. (a) Notwithstanding section 13.46, upon setting aside a disqualification under this section, the identity of the disqualified individual who received the set-aside and the individual's disqualifying characteristics are public data if the set-aside was:

- (1) for any disqualifying characteristic under section 245C.15, when the set-aside relates to a child care center or a family child care provider licensed under chapter 245A; or
- (2) for a disqualifying characteristic under section 245C.15, subdivision 2.

(b) Notwithstanding section 13.46, upon granting a variance to a license holder under section 245C.30, the identity of the disqualified individual who is the subject of the variance, the individual's disqualifying characteristics under section 245C.15, and the terms of the variance are public data, when the variance:

- (1) is issued to a child care center or a family child care provider licensed under chapter 245A; or
- (2) relates to an individual with a disqualifying characteristic under section 245C.15, subdivision 2.

(c) The identity of a disqualified individual and the reason for disqualification remain private data when:

- (1) a disqualification is not set aside and no variance is granted;
- (2) the data are not public under paragraph (a) or (b);
- (3) the disqualification is rescinded because the information relied upon to disqualify the individual is incorrect; or

(4) the disqualification relates to a license to provide relative child foster care. As used in this clause, "relative" has the meaning given it under section 260C.007, subdivision 27.

(d) Licensed family child care providers and child care centers must provide notices as required under section 245C.301.

(e) Notwithstanding paragraphs (a) and (b), the identity of household members who are the subject of a disqualification related set-aside or variance is not public data if:

- (1) the household member resides in the residence where the family child care is provided;
- (2) the subject of the set-aside or variance is under the age of 18 years; and
- (3) the set-aside or variance only relates to a disqualification under section 245C.15, subdivision 4, for a misdemeanor-level theft crime as defined in section 609.52.

245C.23 COMMISSIONER'S RECONSIDERATION NOTICE.

Subdivision 1. **Disqualification that is rescinded or set aside.** If the commissioner rescinds or sets aside a disqualification, the commissioner shall notify the applicant, license holder, or other entity in writing or by electronic transmission of the decision. In the notice from the commissioner that a disqualification has been rescinded, the commissioner must inform the applicant, license holder, or other entity that the information relied upon to disqualify the individual was incorrect. In the notice from the commissioner that a disqualification has been set aside, the commissioner must inform the applicant, license holder, or other entity of the reason for the individual's disqualification and that information about which factors under section 245C.22, subdivision 4, were the basis of the decision to set aside the disqualification are available to the license holder upon request without the consent of the background study subject.

Subd. 2. **Commissioner's notice of disqualification that is not set aside.** (a) The commissioner shall notify the license holder of the disqualification and order the license holder to immediately remove the individual from any position allowing direct contact with persons receiving services from the license holder if:

(1) the individual studied does not submit a timely request for reconsideration under section 245C.21;

(2) the individual submits a timely request for reconsideration, but the commissioner does not set aside the disqualification for that license holder under section 245C.22;

(3) an individual who has a right to request a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14 for a disqualification that has not been set aside, does not request a hearing within the specified time; or

(4) an individual submitted a timely request for a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14, but the commissioner does not set aside the disqualification under section 245A.08, subdivision 5, or 256.045.

(b) If the commissioner does not set aside the disqualification under section 245C.22, and the license holder was previously ordered under section 245C.17 to immediately remove the disqualified individual from direct contact with persons receiving services or to ensure that the individual is under continuous, direct supervision when providing direct contact services, the order remains in effect pending the outcome of a hearing under sections 245C.27 and 256.045, or 245C.28 and chapter 14.

245C.24 DISQUALIFICATION; BAR TO SET ASIDE A DISQUALIFICATION; REQUEST FOR VARIANCE.

Subdivision 1. **Minimum disqualification periods.** The disqualification periods under subdivisions 3 and 4 are the minimum applicable disqualification periods. The commissioner may determine that an individual should continue to be disqualified from licensure because the individual continues to pose a risk of harm to persons served by that individual, even after the minimum disqualification period has passed.

Subd. 2. **Permanent bar to set aside a disqualification.** (a) Except as provided in paragraph (b), the commissioner may not set aside the disqualification of any individual disqualified pursuant to this chapter, regardless of how much time has passed, if the individual was disqualified for a crime or conduct listed in section 245C.15, subdivision 1.

(b) For an individual in the chemical dependency field who was disqualified for a crime or conduct listed under section 245C.15, subdivision 1, and whose disqualification was set aside prior to July 1, 2005, the commissioner must consider granting a variance pursuant to section 245C.30 for the license holder for a program dealing primarily with adults. A request for reconsideration evaluated under this paragraph must include a letter of recommendation

from the license holder that was subject to the prior set-aside decision addressing the individual's quality of care to children or vulnerable adults and the circumstances of the individual's departure from that service.

Subd. 3. **Ten-year bar to set aside disqualification.** (a) The commissioner may not set aside the disqualification of an individual in connection with a license to provide family child care for children, foster care for children in the provider's home, or foster care or day care services for adults in the provider's home if: (1) less than ten years has passed since the discharge of the sentence imposed, if any, for the offense; or (2) when disqualified based on a preponderance of evidence determination under section 245A.14, subdivision 1, paragraph (a), clause (2), or an admission under section 245A.14, subdivision 1, paragraph (a), clause (1), and less than ten years has passed since the individual committed the act or admitted to committing the act, whichever is later; and (3) the individual has committed a violation of any of the following offenses: sections 609.165 (felon ineligible to possess firearm); criminal vehicular homicide under 609.21 (criminal vehicular homicide and injury); 609.215 (aiding suicide or aiding attempted suicide); felony violations under 609.223 or 609.2231 (assault in the third or fourth degree); 609.713 (terroristic threats); 609.235 (use of drugs to injure or to facilitate crime); 609.24 (simple robbery); 609.255 (false imprisonment); 609.562 (arson in the second degree); 609.71 (riot); 609.498, subdivision 1 or 1b (aggravated first degree or first degree tampering with a witness); burglary in the first or second degree under 609.582 (burglary); 609.66 (dangerous weapon); 609.665 (spring guns); 609.67 (machine guns and short-barreled shotguns); 609.749, subdivision 2 (gross misdemeanor harassment; stalking); 152.021 or 152.022 (controlled substance crime in the first or second degree); 152.023, subdivision 1, clause (3) or (4) or subdivision 2, clause (4) (controlled substance crime in the third degree); 152.024, subdivision 1, clause (2), (3), or (4) (controlled substance crime in the fourth degree); 609.224, subdivision 2, paragraph (c) (fifth-degree assault by a caregiver against a vulnerable adult); 609.23 (mistreatment of persons confined); 609.231 (mistreatment of residents or patients); 609.2325 (criminal abuse of a vulnerable adult); 609.233 (criminal neglect of a vulnerable adult); 609.2335 (financial exploitation of a vulnerable adult); 609.234 (failure to report); 609.265 (abduction); 609.2664 to 609.2665 (manslaughter of an unborn child in the first or second degree); 609.267 to 609.2672 (assault of an unborn child in the first, second, or third degree); 609.268 (injury or death of an unborn child in the commission of a crime); 617.293 (disseminating or displaying harmful material to minors); a felony-level conviction involving alcohol or drug use, a gross misdemeanor offense under 609.324, subdivision 1 (other prohibited acts); a gross misdemeanor offense under 609.378 (neglect or endangerment of a child); a gross misdemeanor offense under 609.377 (malicious punishment of a child); or 609.72, subdivision 3 (disorderly conduct against a vulnerable adult).

(b) The commissioner may not set aside the disqualification of an individual if less than ten years have passed since the individual's aiding and abetting, attempt, or conspiracy to commit any of the offenses listed in paragraph (a) as each of these offenses is defined in Minnesota Statutes.

(c) The commissioner may not set aside the disqualification of an individual if less than ten years have passed since the discharge of the sentence imposed for an offense in any other state or country, the elements of which are substantially similar to the elements of any of the offenses listed in paragraph (a).

Subd. 4. **Seven-year bar to set aside disqualification.** The commissioner may not set aside the disqualification of an individual in connection with a license to provide family child care for children, foster care for children in the provider's home, or foster care or day care services for adults in the provider's home if within seven years preceding the study:

(1) the individual committed an act that constitutes maltreatment of a child under section 626.556, subdivision 10e, and the maltreatment resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence; or

(2) the individual was determined under section 626.557 to be the perpetrator of a substantiated incident of maltreatment of a vulnerable adult that resulted in substantial bodily harm as defined in section 609.02, subdivision 7a, or substantial mental or emotional harm as supported by competent psychological or psychiatric evidence.

245C.25 CONSOLIDATED RECONSIDERATION OF MALTREATMENT DETERMINATION AND DISQUALIFICATION.

(a) If an individual is disqualified on the basis of a determination of maltreatment under section 626.556 or 626.557, which was serious or recurring, and the individual requests reconsideration of the maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and also requests reconsideration of the disqualification under section 245C.21, the commissioner shall consolidate the reconsideration of the maltreatment determination and the disqualification into a single reconsideration.

(b) For maltreatment and disqualification determinations made by county agencies, the county agency shall conduct the consolidated reconsideration. If the county agency has disqualified an individual on multiple bases, one of which is a county maltreatment determination for which the individual has a right to request reconsideration, the county shall conduct the reconsideration of all disqualifications.

(c) If the county has previously conducted a consolidated reconsideration under paragraph (b) of a maltreatment determination and a disqualification based on serious or recurring maltreatment, and the county subsequently disqualifies the individual based on that determination, the county shall conduct the reconsideration of the subsequent disqualification. The scope of the subsequent disqualification shall be limited to whether the individual poses a risk of harm in accordance with section 245C.22, subdivision 4.

245C.26 RECONSIDERATION OF A DISQUALIFICATION FOR AN INDIVIDUAL LIVING IN A LICENSED HOME.

245C.27 FAIR HEARING RIGHTS.

Subdivision 1. **Fair hearing when disqualification is not set aside.** (a) If the commissioner does not set aside a disqualification of an individual under section 245C.22 who is disqualified on the basis of a preponderance of evidence that the individual committed an act or acts that meet the definition of any of the crimes listed in section 245C.15; for a determination under section 626.556 or 626.557 of substantiated maltreatment that was serious or recurring under section 245C.15; or for failure to make required reports under section 626.556, subdivision 3; or 626.557, subdivision 3, pursuant to section 245C.15, subdivision 4, paragraph (b), clause (1), the individual may request a fair hearing under section 256.045, unless the disqualification is deemed conclusive under section 245C.29.

(b) The fair hearing is the only administrative appeal of the final agency determination for purposes of appeal by the disqualified individual. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) If the individual was disqualified based on a conviction or admission to any crimes listed in section 245C.15, subdivisions 1 to 4, the reconsideration decision under section 245C.22 is the final agency determination for purposes of appeal by the disqualified individual and is not subject to a hearing under section 256.045. If the individual was disqualified

based on a judicial determination, that determination is treated the same as a conviction for purposes of appeal.

(d) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

(e) Notwithstanding paragraph (c), if the commissioner does not set aside a disqualification of an individual who was disqualified based on both a preponderance of evidence and a conviction or admission, the individual may request a fair hearing under section 256.045, unless the disqualifications are deemed conclusive under section 245C.29. The scope of the hearing conducted under section 256.045 with regard to the disqualification based on a conviction or admission shall be limited solely to whether the individual poses a risk of harm, according to section 256.045, subdivision 3b.

Subd. 2. Consolidated fair hearing for maltreatment determination and disqualification not set aside. (a) If an individual who is disqualified on the bases of serious or recurring maltreatment requests a fair hearing on the maltreatment determination under section 626.556, subdivision 10i, or 626.557, subdivision 9d, and requests a fair hearing under this section on the disqualification, which has not been set aside, the scope of the fair hearing under section 256.045 shall include the maltreatment determination and the disqualification.

(b) A fair hearing is the only administrative appeal of the final agency determination. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

History: 2003 c 15 art 1 s 27; 1Sp2003 c 14 art 6 s 6; 2004 c 288 art 1 s 69,70; 1Sp2005 c 4 art 1 s 41

245C.28 CONTESTED CASE HEARING RIGHTS.

Subdivision 1. License holder. (a) If a maltreatment determination or a disqualification for which reconsideration was requested and which was not set aside is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612.

(b) The license holder must submit the appeal in accordance with section 245A.05 or 245A.07, subdivision 3. As provided under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the disqualification and the licensing sanction or denial of a license.

(c) If the disqualification was based on a determination of substantiated serious or recurring maltreatment under section 626.556 or 626.557, the appeal must be submitted in accordance with sections 245A.07, subdivision 3, and 626.556, subdivision 10i, or 626.557, subdivision 9d. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing must include the maltreatment determination, the disqualification, and the licensing sanction or denial of a license. In such cases, a fair hearing must not be conducted under section 256.045.

Subd. 2. Individual other than license holder. If the basis for the commissioner's denial of a license under section 245A.05 or a licensing sanction under section 245A.07 is a maltreatment determination or disqualification that was not set aside under section 245C.22, and the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under section 245C.03, the hearing of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

Subd. 3. Employees of public employer. (a) If the commissioner does not set aside the disqualification of an individual who is an employee of an employer, as defined in section 179A.03, subdivision 15, the individual may request a contested case hearing under chapter 14. The request for a contested case hearing must be made in writing and must be postmarked

and sent within 30 calendar days after the employee receives notice that the disqualification has not been set aside. If the individual was disqualified based on a conviction or admission to any crimes listed in section 245C.15, the scope of the contested case hearing shall be limited solely to whether the individual poses a risk of harm pursuant to section 245C.22.

(b) If the commissioner does not set aside a disqualification that is based on a maltreatment determination, the scope of the contested case hearing must include the maltreatment determination and the disqualification. In such cases, a fair hearing must not be conducted under section 256.045.

(c) Rules adopted under this chapter may not preclude an employee in a contested case hearing for a disqualification from submitting evidence concerning information gathered under this chapter.

(d) When an individual has been disqualified from multiple licensed programs and the disqualifications have not been set aside under section 245C.22, if at least one of the disqualifications entitles the person to a contested case hearing under this subdivision, the scope of the contested case hearing shall include all disqualifications from licensed programs which were not set aside.

(e) In determining whether the disqualification should be set aside, the administrative law judge shall consider all of the characteristics that cause the individual to be disqualified in order to determine whether the individual poses a risk of harm. The administrative law judge's recommendation and the commissioner's order to set aside a disqualification that is the subject of the hearing constitutes a determination that the individual does not pose a risk of harm and that the individual may provide direct contact services in the individual program specified in the set aside.

Subd. 4. Final agency order. The commissioner's final order under section 245A.08, subdivision 5, is conclusive on the issue of maltreatment and disqualification, including for purposes of subsequent background studies. The contested case hearing under this section is the only administrative appeal of the final agency determination, specifically, including a challenge to the accuracy and completeness of data under section 13.04.

245C.29 CONCLUSIVE DETERMINATIONS OR DISPOSITIONS.

Subdivision 1. Conclusive maltreatment determination or disposition. Unless otherwise specified in statute, a maltreatment determination or disposition under section 626.556 or 626.557 is conclusive, if:

(1) the commissioner has issued a final order in an appeal of that determination or disposition under section 245A.08, subdivision 5, or 256.045;

(2) the individual did not request reconsideration of the maltreatment determination or disposition under section 626.556 or 626.557; or

(3) the individual did not request a hearing of the maltreatment determination or disposition under section 256.045.

Subd. 2. Conclusive disqualification determination. (a) Unless otherwise specified in statute, a determination that:

(1) the information the commissioner relied upon to disqualify an individual under section 245C.14 was correct based on serious or recurring maltreatment;

(2) a preponderance of the evidence shows that the individual committed an act or acts that meet the definition of any of the crimes listed in section 245C.15; or

(3) the individual failed to make required reports under section 626.556, subdivision 3, or 626.557, subdivision 3, is conclusive if:

(i) the commissioner has issued a final order in an appeal of that determination under section 245A.08, subdivision 5, or 256.045, or a court has issued a final decision;

(ii) the individual did not request reconsideration of the disqualification under section 245C.21; or

(iii) the individual did not request a hearing on the disqualification under section 256.045 or chapter 14.

(b) When a licensing action under section 245A.05, 245A.06, or 245A.07 is based on the disqualification of an individual in connection with a license to provide family child care, foster care for children in the provider's own home, or foster care services for adults in the provider's own home, that disqualification shall be conclusive for purposes of the licensing action if a request for reconsideration was not submitted within 30 calendar days of the individual's receipt of the notice of disqualification.

(c) If a determination that the information relied upon to disqualify an individual was correct and is conclusive under this section, and the individual is subsequently disqualified under section 245C.15, the individual has a right to request reconsideration on the risk of harm under section 245C.21. Subsequent determinations regarding the risk of harm shall be made according to section 245C.22 and are not subject to another hearing under section 256.045 or chapter 14.

245C.30 VARIANCE FOR A DISQUALIFIED INDIVIDUAL.

Subdivision 1. **License holder variance.** (a) Except for any disqualification under section 245C.15, subdivision 1, when the commissioner has not set aside a background study subject's disqualification, and there are conditions under which the disqualified individual may provide direct contact services or have access to people receiving services that minimize the risk of harm to people receiving services, the commissioner may grant a time-limited variance to a license holder.

(b) The variance shall state the reason for the disqualification, the services that may be provided by the disqualified individual, and the conditions with which the license holder or applicant must comply for the variance to remain in effect.

(c) Except for programs licensed to provide family child care, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home, the variance must be requested by the license holder.

Subd. 2. **Disclosure of reason for disqualification.** (a) The commissioner may not grant a variance for a disqualified individual unless the applicant or license holder requests the variance and the disqualified individual provides written consent for the commissioner to disclose to the applicant or license holder the reason for the disqualification.

(b) This subdivision does not apply to programs licensed to provide family child care for children, foster care for children in the provider's own home, or foster care or day care services for adults in the provider's own home. When the commissioner grants a variance for a disqualified individual in connection with a license to provide the services specified in this paragraph, the disqualified individual's consent is not required to disclose the reason for the disqualification to the license holder in the variance issued under subdivision 1.

Subd. 3. **Consequences for failing to comply with conditions of variance.** When a license holder permits a disqualified individual to provide any services for which the subject is disqualified without complying with the conditions of the variance, the commissioner may terminate the variance effective immediately and subject the license holder to a licensing action under sections 245A.06 and 245A.07.

Subd. 4. **Termination of a variance.** The commissioner may terminate a variance for a disqualified individual at any time for cause.

Subd. 5. **Final decision.** The commissioner's decision to grant or deny a variance is final and not subject to appeal under the provisions of chapter 14.

245C.301 NOTIFICATION OF SET-ASIDE OR VARIANCE.

(a) Except as provided under paragraph (b), family child care providers and child care centers must provide a written notification to parents considering enrollment of a child or

parents of a child attending the family child care or child care center if the program employs or has living in the home any individual who is the subject of either a set-aside or variance.

(b) Notwithstanding paragraph (a), family child care license holders are not required to disclose that the program has an individual living in the home who is the subject of a set-aside or variance if:

- (1) the household member resides in the residence where the family child care is provided;

245C.31 INDIVIDUAL REGULATED BY A HEALTH-RELATED LICENSING BOARD; DISQUALIFICATION BASED ON MALTREATMENT.

Subdivision 1. Board determines disciplinary or corrective action. (a) When the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the commissioner determines that the regulated individual is responsible for substantiated maltreatment under section 626.556 or 626.557, instead of the commissioner making a decision regarding disqualification, the board shall make a determination whether to impose disciplinary or corrective action under chapter 214.

(b) This section does not apply to a background study of an individual regulated by a health-related licensing board if the individual's study is related to child foster care, adult foster care, or family child care licensure.

Subd. 2. Commissioner's notice to board. (a) The commissioner shall notify the health-related licensing board:

- (1) upon completion of a background study that produces a record showing that the individual was determined to have been responsible for substantiated maltreatment;
- (2) upon the commissioner's completion of an investigation that determined the individual was responsible for substantiated maltreatment; or
- (3) upon receipt from another agency of a finding of substantiated maltreatment for which the individual was responsible.

(b) The commissioner's notice to the health-related licensing board shall indicate whether the commissioner would have disqualified the individual for the substantiated maltreatment if the individual were not regulated by the board.

(c) The commissioner shall concurrently send the notice under this subdivision to the individual who is the subject of the background study.

Subd. 3. Commissioner's or local agency's referral to board. (a) When the commissioner or a local agency has reason to believe that the direct contact services provided by an individual may fall within the jurisdiction of a health-related licensing board, the commissioner or local agency shall refer the matter to the board as provided in this section.

(b) If, upon review of the information provided by the commissioner, a health-related licensing board informs the commissioner that the board does not have jurisdiction to take disciplinary or corrective action, the commissioner shall make the appropriate disqualification decision regarding the individual as otherwise provided in this chapter.

Subd. 4. Facility monitoring. (a) The commissioner has the authority to monitor the facility's compliance with any requirements that the health-related licensing board places on regulated individuals practicing in a facility either during the period pending a final decision on a disciplinary or corrective action or as a result of a disciplinary or corrective action. The commissioner has the authority to order the immediate removal of a regulated individual from direct contact or access when a board issues an order of temporary suspension based on

a determination that the regulated individual poses an immediate risk of harm to persons receiving services in a licensed facility.

(b) A facility that allows a regulated individual to provide direct contact services while not complying with the requirements imposed by the health-related licensing board is subject to action by the commissioner as specified under sections 245A.06 and 245A.07.

(c) The commissioner shall notify a health-related licensing board immediately upon receipt of knowledge of a facility's or individual's noncompliance with requirements the board placed on a facility or upon an individual regulated by the board.
