

**62A.4514 FILING REQUIREMENTS FOR AUTHORIZED ENTITIES.**

(a) An entity authorized under the laws of this state to operate a health maintenance organization, an accident and health insurance company, a nonprofit health service plan corporation, a fraternal benefit society, or a multiple employer welfare arrangement, and that is not otherwise authorized under the laws of this state to offer limited health services on a per capita or fixed prepayment basis, may do so by filing for approval with the commissioner the information requested by section 62A.4512, clauses (4), (5), (7), (8), and (10), and any subsequent material modification or addition to those provisions.

(b) If the commissioner disapproves the filing, the procedures provided in section 62A.4513, subdivision 2, must be followed.

**History:** *2005 c 17 art 2 s 5*
