## 103I.401 ELEVATOR BORINGS.

Subdivision 1. **Permit required.** (a) A person may not construct an elevator boring until a permit for the hole or excavation is issued by the commissioner.

- (b) The elevator boring permit preempts local permits except local building permits, and counties and home rule charter or statutory cities may not require a permit for elevator borings.
- Subd. 2. **License required.** A person may not construct an elevator boring unless the person possesses a well contractor's license or an elevator boring contractor's license issued by the commissioner
- Subd. 3. **Sealing.** A well contractor or elevator boring contractor must seal a hole or excavation that is no longer used for an elevator boring. The sealing must be done according to rules adopted by the commissioner.
- Subd. 4. **Report.** Within 30 days after completion or sealing of an elevator boring, the person doing the work must submit a report to the commissioner on forms provided by the commissioner.
