

326B.49 APPLICATIONS, FEES.

Subdivision 1. **Application, examination, and license fees.** (a) Applications for plumber's license shall be made to the commissioner, with fee. Unless the applicant is entitled to a renewal, the applicant shall be licensed by the commissioner only after passing a satisfactory examination developed and administered by the commissioner, based upon rules adopted by the Plumbing Board, showing fitness. Examination fees for both journeyman and master plumbers shall be \$50 for each examination. Upon being notified of having successfully passed the examination for original license the applicant shall submit an application, with the license fee herein provided. The license fee for each initial master plumber's license shall be \$240. The license fee for each initial journeyman plumber's license shall be \$110.

(b) All initial master and journeyman plumber's licenses shall be effective for more than one calendar year and shall expire on December 31 of the year after the year in which the application is made. The license fee for each renewal master plumber's license shall be \$120 for one year or \$240 for two years. The license fee for each renewal journeyman plumber's license shall be \$55 for one year or \$110 for two years. The commissioner shall in a manner determined by the commissioner, without the need for any rulemaking under chapter 14, phase in the renewal of master and journeyman plumber's licenses from one year to two years. By June 30, 2011, all renewed master and journeyman plumber's licenses shall be two-year licenses.

(c) Any licensee who does not renew a license within two years after the license expires is no longer eligible for renewal. Such an individual must retake and pass the examination before a new license will be issued.
