

356A.06 INVESTMENTS; ADDITIONAL DUTIES.

Subdivision 1. **Authorized holder of assets; title to assets.** (a) Assets of a covered pension plan may be held only by:

- (1) the plan treasurer;
- (2) the State Board of Investment;
- (3) the depository agent of the plan;
- (4) a security broker or the broker's agent with, in either case, insurance equal to or greater than the plan assets held from the Securities Investor Protection Corporation or from excess insurance coverage; or
- (5) the depository agent of the State Board of Investment.

(b) Legal title to plan assets must be vested in the plan, the State Board of Investment, the governmental entity that sponsors the plan, the nominee of the plan, or the depository agent. The holder of legal title shall function as a trustee for a person or entity with a beneficial interest in the assets of the plan.

Subd. 2. **Diversification.** The investment of plan assets must be diversified to minimize the risk of substantial investment losses unless the circumstances at the time an investment is made clearly indicate that diversification would not be prudent.

Subd. 3. **Absence of personal profit.** No fiduciary may personally profit, directly or indirectly, as a result of the investment or management of plan assets. This subdivision, however, does not preclude the receipt by a fiduciary of reasonable compensation, including membership in or the receipt of benefits from a pension plan, for the fiduciary's position with respect to the plan.

Subd. 4. **Economic interest statement.** (a) Each member of the governing board of a covered pension plan and the chief administrative officer of the plan shall file with the plan a statement of economic interest.

(b) For a covered pension plan other than a plan specified in paragraph (c), the statement must contain the information required by section 10A.09, subdivision 5, and any other information that the fiduciary or the governing board of the plan determines is necessary to disclose a reasonably foreseeable potential or actual conflict of interest.

(c) For a covered pension plan governed by sections 69.771 to 69.776 or a covered pension plan governed by section 69.77 with assets under \$8,000,000, the statement must contain the following:

- (1) the person's principal occupation and principal place of business;
- (2) whether or not the person has an ownership of or interest of ten percent or greater in an investment security brokerage business, a real estate sales business, an insurance agency, a bank, a savings and loan, or another financial institution; and
- (3) any relationship or financial arrangement that can reasonably be expected to give rise to a conflict of interest.

(d) The statement must be filed annually with the chief administrative officer of the plan and be available for public inspection during regular office hours at the office of the pension plan.

(e) A disclosure form meeting the requirements of the federal Investment Advisers Act of 1940, United States Code, title 15, sections 80b-1 to 80b-21 as amended, and filed with the State Board of Investment or the pension plan meets the requirements of this subdivision.

(f) The chief administrative officer of each covered pension plan, by January 15, annually, shall transmit a certified listing of all individuals who have filed statements of economic interest with the plan under this subdivision during the preceding 12 months and the address of the office referenced in paragraph (d) to the Campaign Finance and Public Disclosure Board.

Subd. 5. Investment business recipient disclosure. The chief administrative officer of a covered pension plan, with respect to investments made by the plan, and the executive director of the State Board of Investment, with respect to investments of plan assets made by the board, shall annually disclose in writing the recipients of investment business placed with or investment commissions allocated among commercial banks, investment bankers, brokerage organizations, or other investment managers. The disclosure document must be prepared within 60 days after the close of the fiscal year of the plan and must be available for public inspection during regular office hours at the office of the plan. The disclosure document must also be filed with the executive director of the Legislative Commission on Pensions and Retirement within 90 days after the close of the fiscal year of the plan. For the State Board of Investment and a first class city teacher retirement fund association, a disclosure document included as part of a regular annual report of the board or of the first class city teacher retirement fund association when filed with the executive director of the Legislative Commission on Pensions and Retirement is considered to have been filed on a timely basis.

Subd. 6. Limited list of authorized investment securities. (a) Except to the extent otherwise authorized by law, a covered pension plan may invest its assets only in investment securities authorized by this subdivision if the plan does not:

(1) have assets with a book value in excess of \$1,000,000;

(2) use the services of an investment advisor registered with the Securities and Exchange Commission in accordance with the Investment Advisers Act of 1940, or registered as an investment advisor in accordance with sections 80A.58, and 80A.60, for the investment of at least 60 percent of its assets, calculated on book value;

(3) use the services of the State Board of Investment for the investment of at least 60 percent of its assets, calculated on book value; or

(4) corporate obligations, including bonds, notes, debentures, or other regularly issued and readily marketable evidences of indebtedness issued by a corporation organized under the laws of any state that during the preceding five years has had on average annual net pretax earnings at least 50 percent greater than the annual interest charges and principal payments on the total issued debt of the corporation during that period and that, for the obligation in question, has issued an obligation rated in one of the top three quality categories by Moody's Investors Service, Incorporated, or Standard and Poor's Corporation; and

(5) shares in an open-end investment company registered under the federal Investment Company Act of 1940, if the portfolio investments of the company are limited to investments that meet the requirements of clauses (1) to (4).

(e) **Other obligations.** (1) The covered pension plan may invest funds in bankers acceptances, certificates of deposit, deposit notes, commercial paper, mortgage participation certificates and pools, asset backed securities, repurchase agreements and reverse repurchase agreements, guaranteed investment contracts, savings accounts, and guaranty fund certificates, surplus notes, or debentures of domestic mutual insurance companies if they conform to the following provisions:

The covered pension plan may also enter into a commitment with the agency, at the time of any issue of bonds or notes, to purchase at a specified future date, not exceeding 12 years from the date of the issue, the amount of mortgage loans then outstanding and not in default that have been made or purchased from the proceeds of the bonds or notes. The covered pension plan may charge reasonable fees for any such commitment and may agree to purchase the mortgage loans at a price sufficient to produce a yield to the covered pension plan comparable, in its judgment, to the yield available on similar mortgage loans at the date of the bonds or notes. The covered pension plan may also enter into agreements with the agency for the investment of any portion of the funds of the agency. The agreement must cover the period of the investment, withdrawal privileges, and any guaranteed rate of return.

Subd. 7a. Restrictions. Any agreement to lend securities must be concurrently collateralized with cash or securities with a market value of not less than 100 percent of the market value of the loaned securities at the time of the agreement. For a covered pension authorized to purchase put and call options and futures contracts under subdivision 7, any agreement for put and call options and futures contracts may only be entered into with a fully offsetting amount of cash or securities. Only securities authorized by this section, excluding those under subdivision 7, paragraph (g), clause (1), items (i) to (iv), may be accepted as collateral or offsetting securities.

Subd. 8. Minimum liquidity requirements. A covered pension plan described by subdivision 6 or 7, in order to pay benefits as they come due, shall invest a portion of its assets in authorized short-term debt obligations that can be immediately liquidated without accrual of a substantial determinable penalty or loss and that have an average maturity of no more than 90 days. (b) Before a covered pension plan may complete an investment transaction with or in accord with the advice of a broker, the covered pension plan shall provide annually to the broker a written statement of investment restrictions applicable under state law to the covered pension plan or applicable under the pension plan governing board investment policy.

(c) A broker must acknowledge in writing annually the receipt of the statement of investment restrictions and must agree to handle the covered pension plan's investments and assets in accord with the provided investment restrictions. A covered pension plan may not enter into or continue a business arrangement with a broker until the broker has provided this written acknowledgment to the chief administrative officer of the covered pension plan.

(d) If any portion of the plan's assets are held by a security broker or its agent, the security broker or its agent must acknowledge in writing annually that sufficient insurance has been obtained from the Securities Investor Protection Corporation, supplemented by additional insurance, if necessary, to cover the full amount of covered pension plan assets held by the security broker or its agent. Uniform acknowledgment forms prepared by the state auditor shall be used by covered pension plans and brokers to meet the requirements of this subdivision.

(5) the transfer of plan assets to a plan fiduciary for use by or for the benefit of the fiduciary, other than the payment of retirement plan benefits to which a fiduciary is entitled or the payment to a fiduciary of a reasonable salary and of necessary and reasonable expenses incurred by the fiduciary in the performance of the fiduciary's duties; and

(6) the sale, exchange, loan, or lease of any item of value between a plan and a fiduciary of the plan other than for a fair market value and as a result of an arm's-length transaction.

Subd. 10. **Defined contribution plans; application.** (a) To the extent that a plan governed by chapter 352D, 353D, 354B, 354C, or 354D permits a participant or beneficiary to select among investment products for the person's account and the participant or beneficiary exercises that investment self-direction, no fiduciary is liable for any loss which may result from the participant's or beneficiary's exercise of that investment self-direction.
