

477A.14 USE OF FUNDS.

Subdivision 1. **General distribution.** Except as provided in subdivision 2 or in section 97A.061, subdivision 5, 40 percent of the total payment to the county shall be deposited in the county general revenue fund to be used to provide property tax levy reduction. The remainder shall be distributed by the county in the following priority:

(a) 64.2 cents for each acre of county-administered other natural resources land shall be deposited in a resource development fund to be created within the county treasury for use in resource development, forest management, game and fish habitat improvement, and recreational development and maintenance of county-administered other natural resources land. Any county receiving less than \$5,000 annually for the resource development fund may elect to deposit that amount in the county general revenue fund;

(b) from the funds remaining, within 30 days of receipt of the payment to the county, the county treasurer shall pay each organized township 51.3 cents for each acre of acquired natural resources land and each acre of land described in section 477A.12, subdivision 1, paragraph (b), and 12.8 cents for each acre of other natural resources land and each acre of land utilization project land located within its boundaries. Payments for natural resources lands not located in an organized township shall be deposited in the county general revenue fund. Payments to counties and townships pursuant to this paragraph shall be used to provide property tax levy reduction, except that of the payments for natural resources lands not located in an organized township, the county may allocate the amount determined to be necessary for maintenance of roads in unorganized townships. Provided that, if the total payment to the county pursuant to section 477A.12 is not sufficient to fully fund the distribution provided for in this clause, the amount available shall be distributed to each township and the county general revenue fund on a pro rata basis; and

(c) any remaining funds shall be deposited in the county general revenue fund. Provided that, if the distribution to the county general revenue fund exceeds \$35,000, the excess shall be used to provide property tax levy reduction.

Subd. 2. **Distribution for consolidated conservation lands.** In the case of payments for consolidated conservation land, at least 15 percent of the amount paid on account of that land under section 477A.12 must be distributed to the county for use as provided in section 84A.51, subdivision 4, clause (1). The remainder of the payment under section 477A.12 will be distributed in proportion to the distributions described in subdivision 1.
