

119B.025 DUTIES OF COUNTIES.

Subdivision 1. **Factors which must be verified.** (a) The county shall verify the following at all initial child care applications using the universal application:

- (1) identity of adults;
- (2) presence of the minor child in the home, if questionable;
- (3) relationship of minor child to the parent, stepparent, legal guardian, eligible relative caretaker, or the spouses of any of the foregoing;
- (4) age;
- (5) immigration status, if related to eligibility;
- (6) Social Security number, if given;
- (7) income;
- (8) spousal support and child support payments made to persons outside the household;
- (9) residence; and
- (10) inconsistent information, if related to eligibility.

(b) If a family did not use the universal application or child care addendum to apply for child care assistance, the family must complete the universal application or child care addendum at its next eligibility redetermination and the county must verify the factors listed in paragraph (a) as part of that redetermination. Once a family has completed a universal application or child care addendum, the county shall use the redetermination form described in paragraph (c) for that family's subsequent redeterminations. Eligibility must be redetermined at least every six months. A family is considered to have met the eligibility redetermination requirement if a complete redetermination form and all required verifications are received within 30 days after the date the form was due. When the 30th day after the date the form was due falls on a Saturday, Sunday, or legal holiday, the 30-day time period is extended to include the next succeeding day that is not a Saturday, Sunday, or legal holiday. Assistance shall be payable retroactively from the redetermination due date. For a family where at least one parent is under the age of 21, does not have a high school or general equivalency diploma, and is a student in a school district or another similar program that provides or arranges for child care, as well as parenting, social services, career and employment supports, and academic support to achieve high school graduation, the redetermination of eligibility shall be deferred beyond six months, but not to exceed 12 months, to the end of the student's school year. If a family reports a change in an eligibility factor before the family's next regularly scheduled redetermination, the county must recalculate eligibility without requiring verification of any eligibility factor that did not change. Changes must be reported as required by section 256P.07. A change in income occurs on the day the participant received the first payment reflecting the change in income.

(c) The commissioner shall develop a redetermination form to redetermine eligibility and a change report form to report changes that minimize paperwork for the county and the participant.

[See Note.]

Subd. 2. **Social Security numbers.** The county must request Social Security numbers from all applicants for child care assistance under this chapter. A county may not deny child care assistance solely on the basis of failure of an applicant to report a Social Security number.
