Subdivision 1. **Motor pools.** The commissioner shall manage a central motor pool of passenger motor vehicles and trucks used by state agencies with principal offices in the city of St. Paul and may provide for branch central motor pools at other places within the state. For purposes of this section, (1) "agencies" includes the Minnesota State Colleges and Universities, and (2) "truck" means a pickup or panel truck up to one ton carrying capacity.

Subd. 2. **Vehicles.** (a) The commissioner may direct an agency to make a transfer of a passenger motor vehicle or truck currently assigned to it. The transfer must be made to the commissioner for use in the central motor pool. The commissioner shall reimburse an agency whose motor vehicles have been paid for with funds dedicated by the Constitution for a special purpose and which are assigned to the central motor pool. The amount of reimbursement for a motor vehicle is its average wholesale price as determined from the midwest edition of the National Automobile Dealers Association official used car guide.

(b) To the extent that funds are available for the purpose, the commissioner may purchase or otherwise acquire additional passenger motor vehicles and trucks necessary for the central motor pool. The title to all motor vehicles assigned to or purchased or acquired for the central motor pool is in the name of the Department of Administration.

(c) On the request of an agency, the commissioner may transfer to the central motor pool any passenger motor vehicle or truck for the purpose of disposing of it. The department or agency transferring the vehicle or truck must be paid for it from the motor pool revolving account established by this section in an amount equal to two-thirds of the average wholesale price of the vehicle or truck as determined from the midwest edition of the National Automobile Dealers Association official used car guide.

(d) The commissioner shall provide for the uniform marking of all motor vehicles. Motor vehicle colors must be selected from the regular color chart provided by the manufacturer each year. The commissioner may further provide for the use of motor vehicles without marking by:

Subd. 5. **Use of motor vehicles.** The motor vehicles in the central motor pool are for official state business only. An agency requiring the services of a motor vehicle shall request it from the central motor pool on either a temporary or permanent basis. No privately owned motor vehicle may be used for official state business except when authorized by the commissioner.

Subd. 6. **Schedule of charges.** An agency using the facilities of the central motor pool shall periodically reimburse the commissioner for the services, in accordance with the schedule of charges the commissioner establishes. This schedule of charges must be based on the costs incurred in operating the central motor pool, including reasonable overhead costs, vehicle depreciation, insurance for public liability and property damage, and other costs. The commissioner must retain records and reports and all schedules used as a basis for charging state agencies for the services furnished.

Subd. 7. **Exceptions.** This section does not apply to motor vehicles of the State Patrol or the University of Minnesota, or to motor vehicles of any other agency which are specially equipped for the needs of that agency.

Subd. 8. **Motor pool revolving account.** (a) **Account established.** Money or reimbursements the commissioner receives from the operation of the central motor pool is deposited in the state treasury and credited to a motor pool revolving account. Money in the account is annually appropriated to the commissioner to carry out this section. The motor pool revolving account may be used to provide material transfer services to agencies.

(b) **Unobligated excess transferred.** When the unobligated amount of money in the state treasury credited to the motor pool revolving account exceeds the average monthly operating expense at the end of the fiscal year, the unobligated amount in excess of one month's operating expense must be transferred to the general fund in the state treasury.
