Subd. 3. **Teacher licensure agreements with adjoining states.** (a) Notwithstanding any other law to the contrary, the Professional Educator Licensing and Standards Board must enter into a National Association of State Directors of Teacher Education and Certification (NASDTEC) interstate agreement and other interstate agreements for teacher licensure to allow fully certified teachers from adjoining states to transfer their certification to Minnesota. The board must enter into these interstate agreements only after determining that the rigor of the teacher licensure or certification requirements in the adjoining state is commensurate with the rigor of Minnesota's teacher licensure requirements.
