Subdivision 1. **Plates; design, visibility, periods of issuance.** (a) The commissioner, upon approval and payment, shall issue to the applicant the plates required by this chapter, bearing the state name and an assigned vehicle registration number. The number assigned by the commissioner may be a combination of a letter or sign with figures. The color of the plates and the color of the abbreviation of the state name and the number assigned must be in marked contrast. The plates must be lettered, spaced, or distinguished to suitably indicate the registration of the vehicle according to the rules of the commissioner.

(b) When a vehicle is registered on the basis of total gross weight, the plates issued must clearly indicate by letters or other suitable insignia the maximum gross weight for which the tax has been paid.

(c) Plates issued to a noncommercial vehicle must bear the inscription "noncommercial" unless the vehicle is displaying a special plate authorized and issued under this chapter.

(d) A one-ton pickup truck that is used for commercial purposes and is subject to section 168.185, is eligible to display special plates as authorized and issued under this chapter.

(e) The plates must be so treated as to be at least 100 times brighter than the conventional painted number plates. When properly mounted on an unlighted vehicle, the plates, when viewed from a vehicle equipped with standard headlights, must be visible for a distance of not less than 1,500 feet and readable for a distance of not less than 110 feet.

(f) The commissioner shall issue plates for the following periods:

(1) New plates issued pursuant to section 168.012, subdivision 1, must be issued to a vehicle for as long as the vehicle is owned by the exempt agency and the plate shall not be transferable from one vehicle to another but the plate may be transferred with the vehicle from one tax-exempt agency to another.

(2) Plates issued for passenger automobiles must be issued for a seven-year period. All plates issued under this paragraph must be replaced if they are seven years old or older at the time of registration renewal or will become so during the registration period.

(3) Plates issued under sections 168.053 and 168.27, subdivisions 16 and 17, must be for a seven-year period.

(4) Plates issued under subdivisions 2c and 2d and sections 168.123, 168.1235, and 168.1255 must be issued for the life of the veteran under section 169.79.

(5) Plates for any vehicle not specified in clauses (1) to (3) must be issued for the life of the vehicle.

(g) In a year in which plates are not issued, the commissioner shall issue for each registration a sticker to designate the year of registration. This sticker must show the year or years for which the sticker is issued, and is valid only for that period. The plates and stickers issued for a vehicle may not be transferred to another vehicle during the period for which the sticker is issued, except when issued for a vehicle registered under section 168.187.

(h) Despite any other provision of this subdivision, plates issued to a vehicle used for behind-the-wheel instruction in a driver education course in a public school may be transferred to another vehicle used for the same purpose without payment of any additional fee. The public school shall notify the commissioner of each transfer of plates under this paragraph. The commissioner may prescribe a format for notification.

- (5) pays a fee in the amount specified for special plates under subdivision 5, for each set of special plates and any other fees required by this chapter; and
- (6) complies with this chapter and rules governing the registration of motor vehicles and licensing of drivers.

(b) In lieu of the registration number required for identification under subdivision 1, the plates must indicate the official amateur call letters of the applicant, as assigned by the Federal Communications Commission, and the words "AMATEUR RADIO."

(c) This provision for the issue of special plates applies only if the applicant's motor vehicle is already registered in Minnesota so that the applicant has valid regular Minnesota plates issued for that motor vehicle under which to operate it during the time that it will take to have the necessary special plates made.

(d) If owning more than one motor vehicle of the type specified in this subdivision, the applicant may apply for special plates for each motor vehicle and, if each application complies with this subdivision, the commissioner shall furnish the applicant with the special plates, indicating the official amateur call letters and other distinguishing information as the commissioner considers necessary, for each of the motor vehicles.

(e) The commissioner may make reasonable rules governing the use of the special plates as will assure the full compliance by the owner of the special plates, with all existing laws governing the registration of motor vehicles and the transfer and use of the plates.

(f) Despite any contrary provision of subdivision 1, the special plates issued under this subdivision may be transferred by an owner to another motor vehicle listed in paragraph (a) and registered to the same owner, upon the payment of a fee of \$5. The commissioner must be notified before the transfer and may prescribe a format for the notification.

Subd. 2a. **Personalized plates; rules.** (a) The commissioner may issue personalized plates or, if requested for special plates issued under section 168.123 for veterans, 168.124 for medal of honor recipients, or 168.125 for former prisoners of war, applicable personalized special veterans plates, to an applicant who:

(b) The commissioner shall charge a replacement fee for personalized license plates and personalized special veterans plates issued under section 168.123 as specified in subdivision 5. This fee must be paid by the applicant whenever the personalized plates are required to be replaced by law, except that as provided in section 168.124, subdivision 3, and 168.125, subdivision 1b, no fee may be charged to replace plates issued under those sections.

(c) In lieu of the registration number assigned as provided in subdivision 1, personalized plates and personalized special veterans plates must have imprinted on them a series of not more than seven numbers and letters, or five numbers and letters for personalized special veterans plates, in any combination and, as applicable, satisfy the design requirements of section 168.123, 168.124, or 168.125. When an applicant has once obtained personalized plates or personalized special veterans plates, the applicant shall have a prior claim for similar personalized plates or personalized special veterans plates in the next succeeding year as long as current motor vehicle registration is maintained.

(d) The commissioner shall adopt rules in the manner provided by chapter 14, regulating the issuance and transfer of personalized plates and personalized special veterans plates. No words or combination of letters placed on these plates may be used for commercial advertising, be of an obscene, indecent, or immoral nature, or be of a nature that would offend public morals or decency. The call signals or letters of a radio or television station are not commercial advertising for the purposes of this subdivision.

(e) Despite the provisions of subdivision 1, personalized plates and personalized special veterans plates issued under this subdivision may be transferred to another motor vehicle listed in paragraph (a) and owned by the applicant, upon the payment of a fee of \$5.

(f) The commissioner may by rule specify the format for notification.

(g) A personalized plate or personalized special veterans plate issued for a classic car, pioneer car, collector car, street rod, or classic motorcycle may not be transferred to a vehicle not eligible for such a plate.

(h) Despite any law to the contrary, if the personalized license plates are lost, stolen, or destroyed, the applicant may apply and must be issued duplicate license plates bearing the same combination of letters and numbers and the same design as (1) the former personalized plates or personalized special veterans plates under section 168.123 upon the payment of the fee required by section 168.29 or (2) the former personalized special veterans plates issued under section 168.124 or 168.125, without charge.
