It shall be signed by the chair of the town board, attested by the clerk and published once in a qualified newspaper having general circulation within the town. If the town board determines that publication of the title and a summary of an ordinance would clearly inform the public of the intent and effect of the ordinance, the town board may by a two-thirds vote of its members, or a four-fifths vote in a town having a five-member board, direct that only the title of the ordinance and a summary be published with notice that a printed copy of the ordinance is available for inspection by any person during regular office hours of the town clerk and at any other location which the town board designates. The text of the summary shall be published in a body type no smaller than eight-point type. Proof of the publication shall be attached to and filed with the ordinance. If before the end of that time, a petition asking for an election on the proposition signed by voters equal to ten percent of the number of voters at the last regular town election is filed with the clerk, the certificates shall not be issued until the proposition of their issuance has been approved by a majority of the votes cast on the question at a regular or special election. When there has been no petition, the resolution may be adopted only by a vote of four-fifths of all members of the board of supervisors. No such vacation shall be made unless it appears in the interest of the public to do so after a hearing preceded by two weeks' published and posted notice. The board shall cause written notice of the hearing to be mailed to each property owner affected by the proposed vacation at least ten days before the hearing. The notice must contain, at minimum, a copy of the petition or proposed resolution as well as the time, place, and date of the hearing. In addition, if the street, alley, public grounds, public way, or any part of it, terminates at or abuts upon any public water, no vacation shall be made unless written notice of the petition or proposed resolution is served by certified mail upon the commissioner of natural resources at least 30 days before the hearing on the matter. The notice to the commissioner of natural resources is for notification purposes only and does not create a right of intervention by the commissioner. After a resolution of vacation is adopted, the clerk shall prepare a notice of completion of the proceedings which shall contain the name of the town, an identification of the vacation, a statement of the time of completion thereof and a description of the real estate and lands affected. The notice shall be presented to the county auditor who shall enter it in the transfer records and note upon the instrument, over the auditor's official signature, the words "entered in the transfer record." The notice shall then be filed with the county recorder. Failure to file the notice shall not invalidate the vacation proceedings.

Subd. 26. **Fines and penalties.** All fines, forfeitures, and penalties recovered for violation of a statute or ordinance to which the town is entitled by law shall be paid into the town treasury. Every court or officer receiving money for a violation, shall return it under oath in accordance with law, and be entitled to duplicate receipts for the amounts paid. One of the receipts shall be filed with the town clerk.

Subd. 27. **Power of eminent domain.** A town that has special powers under this section may acquire private property within or without its limits by eminent domain for any purpose for which it is authorized by law to take or hold property by purchase or gift. located and the secretary of state. The written notice shall be filed by the county auditor and the secretary of state as a public record.

Subd. 31. **Continuing authority to exercise powers.** If a town exercises a power under this section it may continue to exercise the power notwithstanding any later change in population.
