(2) once every five years after the appointment, if the person continues to serve as a guardian or conservator.

(b) The background study must include:

(1) criminal history data from the Bureau of Criminal Apprehension, other criminal history data held by the commissioner of human services, and data regarding whether the person has been a perpetrator of substantiated maltreatment of a vulnerable adult or minor;

(c) If the guardian or conservator is not an individual, the background study must be done on all individuals currently employed by the proposed guardian or conservator who will be responsible for exercising powers and duties under the guardianship or conservatorship.

(d) If the court determines that it would be in the best interests of the person subject to guardianship or conservatorship to appoint a guardian or conservator before the background study can be completed, the court may make the appointment pending the results of the study, however, the background study must then be completed as soon as reasonably possible after appointment, no later than 30 days after appointment.

(f) The requirements of this subdivision do not apply if the guardian or conservator is:

(1) a state agency or county;

(2) a parent or guardian of a person proposed to be subject to guardianship or conservatorship who has a developmental disability, if the parent or guardian has raised the person proposed to be subject to guardianship or conservatorship in the family home until the time the petition is filed, unless counsel appointed
