15.012 STATE AGENCIES; DESIGNATION BY TYPE.

A multimember state agency hereafter created whose membership includes two or more appointed members shall be named according to the following:

(a) An agency in the executive branch, other than a department, whose primary purpose is to perform prescribed official or representative functions shall be designated a "board." To be classified as a board, an

agency must have at least one of the following powers: (i) the power to perform administrative acts, which may include the expenditure of state money, (ii) the power to issue and revoke licenses or certifications, (iii) the power to make rules, or (iv) the power to adjudicate contested cases or appeals.

(b) An agency in the executive branch whose primary purpose is to advise state officers, departments, boards, or other agencies shall be designated a "committee." To be classified as a committee, an agency must have none of the powers available to boards other than the power to compensate its members.

(c) A committee of which at least one-half of the members are required to be certain officers or representatives of specified businesses, occupations, industries, political subdivisions, organizations, or other groupings of persons other than geographical regions shall be designated a "council."

(d) An agency in the legislative branch composed exclusively of members of the legislature shall be designated a "legislative commission."

(e) An agency in the executive branch other than a department whose primary purpose is to issue bonds for the financing, ownership and development of facilities within the state shall be designated an "authority."

(f) A committee or council scheduled upon its creation to expire two years after the effective date of the act creating it or the date of appointment of its members, whichever is later, unless a shorter term is specified in statute, shall be designated an "advisory task force."

History: 1975 c 271 s 2; 1976 c 149 s 3

15.014 ADVISORY TASK FORCES.

Subdivision 1. **Policy.** It is the policy of the legislature to encourage state agencies to solicit and receive advice from members of the public. This advice can best be rendered by an advisory task force of a reasonable number of persons working for a limited duration on a specific and clearly defined subject. By this section it is the intent of the legislature to provide for a common nomenclature scheme, facilitate the gathering of advice, and limit the proliferation of costly, unnecessary or outmoded advisory agencies.

Subd. 2. **Creation; limitations.** A commissioner of a state department, a state board or other agency having the powers of a board as defined in section 15.012, may create advisory task forces to advise the commissioner or agency on specific programs or topics within the jurisdiction of the department or agency. A task force so created shall have no more than 15 members. The task force shall expire and the terms and removal of members shall be as provided in section 15.059, subdivision 6. The members of no more than four task forces created pursuant to this section in a department or agency may be paid expenses in the same manner and amount as authorized by the commissioner's plan adopted according to section 43A.18, subdivision 2. Task forces mandated by court order must not be counted for purposes of the limit on the number of task forces whose members may be paid expenses. No member of a task force shall be compensated for services in a manner not provided for in statute. A commissioner, board, council, committee, or other state agency may not create any other multimember agency unless specifically authorized by statute or unless the creation of the agency is authorized by federal law as a condition precedent to the receipt of federal money.

15.0145 ETHNIC COUNCILS.

Subdivision 1. **Three ethnic councils; creation.** (a) The Minnesota Council on Latino Affairs includes public members with an ethnic heritage from Mexico, any of the countries in Central or South America, Cuba, the Dominican Republic, or Puerto Rico.

(b) The Council for Minnesotans of African Heritage includes public members of black African ancestry.

(c) The Council on Asian-Pacific Minnesotans includes public members with an ethnic heritage from any of the countries east of, and including, Afghanistan or the Pacific Islands.

Subd. 2. **Membership.** (a) Each council has 15 voting members. Eleven members of each council are public members appointed by the governor. Four members of each council are legislators.

(b) The governor shall appoint 11 members of each council as follows:

(1) the Minnesota Council on Latino Affairs must include one member representing each of the state's congressional districts and three members appointed at large. The council must include at least five women. The governor must attempt to ensure that the demographic composition of council members accurately reflects the demographic composition of Minnesota's Latino community, including recent immigrants, as determined by the state demographer;

(2) the Council for Minnesotans of African Heritage must include members who are broadly representative of the African heritage community of the state. The council must include at least five women. At least three members must be first or second generation African immigrants, who generally reflect the demographic composition of these African immigrants, as determined by the state demographer; and

(3) the Council on Asian-Pacific Minnesotans must include one member from each of the five ancestries with the state's highest percentages of Asian-Pacific populations, as determined by the state demographer. The other six members must be broadly representative of the rest of the Asian-Pacific population, with no more than one council member from any one ancestry. The council must include at least five women. For purposes of this clause, ancestry refers to heritage that is commonly accepted in Minnesota as a unique population.

(c) Four legislators are voting members of each council. The speaker of the house and the house minority leader shall each appoint one member to each council. The Subcommittee on Committees of the senate Committee on Rules and Administration shall appoint one member of the majority caucus and one member of the minority caucus to each council.

(d) The governor may appoint a commissioner of a state agency or a designee of that commissioner to serve as an ex-officio, nonvoting member of a council.

Subd. 3. **Appointments; terms; removal.** (a) In making appointments to a council, the governor shall consider an appointee's proven dedication and commitment to the council's community and any expertise possessed by the appointee that might be beneficial to the council, such as experience in public policy, legal affairs, social work, business, or management. The executive director of a council and legislative members may offer advice to the governor on applicants seeking appointment.

(b) Terms, compensation, and filling of vacancies for members appointed by the governor are as provided in section 15.059. Removal of members appointed by the governor is governed by section 15.059, except that: (1) a member who missed more than half of the council meetings convened during a 12-month period automatically is removed from the council; and (2) a member appointed by the governor may be removed

by a vote of three of the four legislative members of the council. The chair of a council shall inform the governor of the need for the governor to fill a vacancy on the council. Legislative members serve at the pleasure of their appointing authority.

(c) A member appointed by the governor may serve no more than a total of eight years on a council. A legislator may serve no more than eight consecutive years or 12 nonconsecutive years on any one council.

Subd. 4. Training; executive committee; meetings; support. (a) A member appointed by the governor must attend orientation training within the first six months of service for the member's initial term. The commissioner of administration must arrange for the training to include but not be limited to the legislative process, government data practices, open meeting law, Robert's Rules of Order, fiscal management, and human resources. The governor must remove a member who does not complete the training.

(b) Each council shall annually elect from among the members appointed by the governor a chair and other officers it deems necessary. These officers and one legislative member selected by the council shall serve as the executive committee of the council.

(c) Forty percent of voting members of a council constitutes a quorum. A quorum is required to conduct council business. A council member may not vote on any action if the member has a conflict of interest under section 10A.07.

(d) Each council shall receive administrative support from the commissioner of administration under section 16B.371. The council may contract in its own name but may not accept or receive a loan or incur indebtedness except as otherwise provided by law. Contracts must be approved by a majority of the members of the council and executed by the chair and the executive director. The council may apply for, receive, and expend in its own name grants and gifts of money consistent with the powers and duties specified in this section.

(e) The attorney general shall provide legal services to the councils on behalf of the state on all matters relating to the councils, including matters relating to the state as the employer of the executive directors of the council, and other council staff.

Subd. 5. Executive director; staff. (a) The Legislative Coordinating Commission must appoint an executive director for each council. The executive director must be experienced in administrative activities and familiar with the challenges and needs of the ethnic council's larger community. The executive director serves in the unclassified service at the pleasure of the Legislative Coordinating Commission.

(b) The Legislative Coordinating Commission must establish a process for recruiting and selecting applicants for the executive director positions. This process must include consultation and collaboration with the applicable council.

(c) The executive director and applicable council members must work together in fulfilling council duties. The executive director must consult with the commissioner of administration to ensure appropriate financial, purchasing, human resources, and other services for operation of the council.

(d) Once appointed, each council is responsible for supervising the work of its director. The council chair must report to the chair of the Legislative Coordinating Commission regarding the performance of the executive director, including any recommendations regarding disciplinary actions. The executive director must appoint and supervise the work of other staff necessary to carry out the duties of the council. The executive director must consult with the council chair prior to taking the following disciplinary actions with council staff: written reprimand, suspension, demotion, or discharge. The executive director and other council staff are executive branch employees.

(e) The executive director must submit the council's biennial budget request to the commissioner of management and budget as provided under chapter 16A.

(f) The Legislative Coordinating Commission may delegate its responsibilities under this section to a subcommittee or subgroup of the commission or the chair of the council.

Subd. 6. Duties of council. (a) A council must work for the implementation of economic, social, legal, and political equality for its constituency. The council shall work with the legislature and governor to carry out this work by performing the duties in this section.

(b) A council shall advise the governor and the legislature on issues confronting the constituency of the council. This may include, but is not limited to, presenting the results of surveys, studies, and community forums to the appropriate executive departments and legislative committees.

(c) A council shall advise the governor and the legislature of administrative and legislative changes needed to improve the economic and social condition of the constituency of the council. This may include but is not limited to working with legislators to develop legislation to address these issues and to work for passage of the legislation. This may also include making recommendations regarding the state's affirmative action program and the state's targeted group small business program, or working with state agencies and organizations to develop business opportunities and promote economic development for the constituency of the council.

(d) A council shall advise the governor and the legislature of the implications and effect of proposed administrative and legislative changes on the constituency of the council. This may include but is not limited to tracking legislation, testifying as appropriate, and meeting with executive departments and legislators.

(e) A council shall serve as a liaison between state government and organizations that serve the constituency of the council. This may include but is not limited to working with these organizations to carry out the duties in paragraphs (a) to (d), and working with these organizations to develop informational programs or publications to involve and empower the constituency in seeking improvement in their economic and social conditions.

(f) A council shall perform or contract for the performance of studies designed to suggest solutions to the problems of the constituency of the council in the areas of education, employment, human rights, health, housing, social welfare, and other related areas.

(g) In carrying out duties under this subdivision, councils may act to advise on issues that affect the shared constituencies of more than one council.

Subd. 7. Duties of council members. A council member shall:

- (1) attend and participate in scheduled meetings and be prepared by reviewing meeting notes;
- (2) maintain and build communication with the community represented;
- (3) collaborate with the council and executive director in carrying out the council's duties; and
- (4) participate in activities the council or executive director deem appropriate and necessary to facilitate the goals and duties of the council.

Subd. 8. Reports. A council must report on the measurable outcomes achieved in the council's current strategic plan to meet its statutory duties, along with the specific objectives and outcome measures proposed for the following year. The council must submit the report by January 15 each year to the chairs of the

committees in the house of representatives and the senate with primary jurisdiction over state government operations. Each report must cover the calendar year of the year before the report is submitted. The specific objectives and outcome measures for the following current year must focus on three or four achievable objectives, action steps, and measurable outcomes for which the council will be held accountable. The strategic plan may include other items that support the statutory purposes of the council but should not distract from the primary statutory proposals presented. The biennial budget of each council must be submitted to the Legislative Coordinating Commission by February 1 in each odd-numbered year.

15.039 EFFECT OF TRANSFER OF POWERS AMONG AGENCIES.

Subdivision 1. **Application of section.** The provisions of this section apply whenever the responsibilities of an agency are transferred by law to another agency unless the act directing the transfer provides otherwise. The term "responsibilities" includes powers, duties, rights, obligations, and other authority imposed by law on an agency. The term "new agency" means the agency to which responsibilities have been transferred from another agency.

Subd. 2. **In general.** The new agency is a continuation of the former agency as to those matters within the jurisdiction of the former agency that are transferred to the new agency. Following a transfer the new agency shall carry out the assigned responsibilities as though the responsibilities of the former agency had not been transferred. A transfer is not a new authority for the purpose of succession to all responsibilities of the former agency as constituted at the time of the transfer.

Subd. 3. **Rules.** All rules adopted pursuant to responsibilities that are transferred to another agency remain effective and shall be enforced until amended or repealed in accordance with law by the new agency. Any rulemaking authority that existed to implement the responsibilities that are transferred is transferred to the new agency.

Subd. 4. **Court actions.** Any proceeding, court action, prosecution, or other business or matter pending on the effective date of a transfer of responsibilities may be conducted and completed by the new agency in the same manner under the same terms and conditions, and with the same effect, as though it involved or were commenced and conducted or completed by the former agency prior to the transfer.

Subd. 5. **Contracts; records.** The agency whose responsibilities are transferred shall give all contracts, books, maps, plans, papers, records, and property of every description relating to the transferred responsibilities and within its jurisdiction or control to the new agency. The new agency shall accept the material presented. The transfer shall be made in accordance with the directions of the new agency.

Subd. 5a. **Obligations.** The new agency is the legal successor in all respects of the agency whose responsibilities are transferred. The bonds, resolutions, contracts, and liabilities of the agency whose responsibilities are transferred become the bonds, resolutions, contracts, and liabilities of the new agency.

Subd. 6. **Unexpended funds.** The unexpended balance of any appropriation to an agency for the purposes of any responsibilities that are transferred to another agency are reappropriated under the same conditions as the original appropriation to the new agency effective on the date of the transfer of responsibilities. If the

responsibilities are transferred to more than one agency, the commissioner of management and budget shall allocate any unexpended appropriation to the agencies affected. The new agencies shall pay all valid claims presented against those appropriations.

Subd. 7. **Personnel.** All classified and unclassified positions associated with the responsibilities being transferred are transferred with their incumbents to the new agency. The approved complement for the agency whose responsibilities are being transferred is decreased accordingly. The approved complement for the new agency is increased accordingly. Personnel changes are effective on the date of transfer of responsibilities. Nothing in this subdivision shall be construed as abrogating or modifying any rights now enjoyed by affected employees under the managerial or commissioner's plan under section 43A.18 or the terms of an agreement between an exclusive representative of public employees and the state or one of its appointing authorities.

Subd. 8. **Transfer of property; sales tax.** All transfers of motor vehicles or other tangible personal property between agencies or political subdivisions under this section are exempt from the motor vehicle sales tax under chapter 297B and the general sales tax under chapter 297A.

15.0395 INTERAGENCY AGREEMENTS AND INTRA-AGENCY TRANSFERS.

(a) By October 15, 2018, and annually thereafter, the head of each agency must provide reports to the chairs and ranking minority members of the legislative committees with jurisdiction over the department or agency's budget on:

(1) interagency agreements or service-level agreements and any renewals or extensions of existing interagency or service-level agreements with another agency if the cumulative value of those agreements is more than \$100,000 in the previous fiscal year; and

(2) transfers of appropriations between accounts within or between agencies, if the cumulative value of the transfers is more than \$100,000 in the previous fiscal year.

The report must include the statutory citation authorizing the agreement, transfer or dollar amount, purpose, and effective date of the agreement, the duration of the agreement, and a copy of the agreement.

(b) As used in this section, "agency" includes the departments of the state listed in section 15.01, a multimember state agency in the executive branch described in section 15.012, paragraph (a), the Department of Information Technology Services, and the Office of Higher Education.

The appointing authority shall appoint as nearly as possible one-fourth of the members to terms expiring each year. If the number of members is not evenly divisible by four, the greater number of members, as necessary, shall be appointed to terms expiring in the year of commencement of the governor's term and the year or years immediately thereafter. (b) Members who are state employees or employees of the political subdivisions of the state must not receive the daily payment for activities that occur during working hours for which they are compensated by the state or political subdivision. However, a state or political subdivision employee may receive the daily payment if the employee uses vacation time or compensatory time accumulated in accordance with a collective bargaining agreement or compensation plan for board activities. Members who are state employees or employees of the political subdivisions of the state may receive the expenses provided for in this subdivision unless the expenses are reimbursed by another source. Members who are state employees or employees of political subdivisions of the state may be reimbursed for child care expenses only for time spent on board activities that are outside their working hours.

(1) a state board, commission, council, committee, authority, task force, including an advisory task force established under section 15.014 or 15.0593, other multimember agency, however designated, established by statute or order and having statewide jurisdiction;

(2) the Metropolitan Council established by section 473.123, a metropolitan agency as defined in section 473.121, subdivision 5a, or a multimember body, however designated, appointed by the Metropolitan Council or a metropolitan agency if the membership includes at least one person who is not a member of the council or the agency;

(3) a multimember body whose members are appointed by the legislature if the body has at least one nonlegislative member; and

(4) any other multimember body established by law with at least one appointed member, without regard to the appointing authority.

(b) "Secretary" means the secretary of state.

Subd. 2. Registration of new agencies. Within 30 days after the appointment of members to a new agency, the appointing authority shall register the agency with the secretary, providing the information required in subdivision 4, paragraph (a).

Subd. 3. Annual registration of existing agencies. Unless an agency has submitted its initial registration under subdivision 2 within the last 90 days, the chair of an existing agency shall register the agency with

the secretary by July 15 of each year, providing the information required in subdivision 4, paragraph (b), and updating, if necessary, any of the information previously provided in accordance with subdivision 4, paragraph (a).

Subd. 4. Registration; information required. (a) The appointing authority of a newly established agency or the authority's designee shall provide the secretary with the following information:

- (1) the name, mailing address, electronic mail address, and telephone number of the agency;
- (2) the legal authority for the establishment of the agency and the name and the title of the person or persons appointing agency members;

- (8) the dates of commencement and expiration of membership terms and the expiration date of the agency, if any;
- (9) the compensation of members and appropriations or other money available to the agency;
- (10) the name of the state agency or other entity, if any, required to provide staff or administrative support to the agency;

The publication requirement under clause (5) may be met by publishing a member's home or business address and telephone number, the address and telephone number of the agency to which the member is appointed, the member's electronic mail address, or any other information that would enable the public to communicate with the member.

(b) The chair of an existing agency or the chair's designee shall provide information, covering the fiscal year in which it is registering, on the number of meetings it has held, its expenses, and the number of staff hours, if any, devoted to its support. (c) The secretary shall provide electronic forms for the reporting of information required by this subdivision and may require reporting by electronic means.

Subd. 4a. **Eligibility for compensation.** The members of an agency that submits all the information required by this section by the prescribed deadlines are eligible to receive compensation, but no compensation, including reimbursement for expenses, may be paid to members of an agency not in compliance with this section. If an agency has not submitted all required information by its applicable deadline, the secretary shall notify the agency that it is not in compliance and that it has 30 days from the date of the notice to achieve compliance. If the agency is out of compliance at the end of the 30-day period, the secretary shall notify the commissioner of management and budget that members of the agency are not entitled to compensation. If the agency subsequently complies with this section, the secretary shall notify the commissioner that the agency's members are eligible for compensation from the date of compliance. No retroactive compensation may be paid, however, for any period during which the agency was out of compliance.

Subd. 5. **Reporting by secretary.** By October 15 of each year, the secretary shall furnish copies and a summary of the information collected under subdivision 4 to the Legislative Reference Library.

Subd. 6. **Electronic publication.** Any material that under sections 15.0597 to 15.0599 is required to be published in the State Register may instead be published on the World Wide Web.

15.06 APPOINTMENT OF DEPARTMENT HEADS; TERMS; DEPUTIES.

Subdivision 1. **Applicability.** This section applies to the following departments or agencies: the Departments of Administration, Agriculture, Commerce, Corrections, Education, Employment and Economic Development, Health, Human Rights, Labor and Industry, Management and Budget, Natural Resources, Public Safety, Human Services, Revenue, Transportation, and Veterans Affairs; the Housing Finance and Pollution Control Agencies; the Office of Commissioner of Iron Range Resources and Rehabilitation; the Department of Information Technology Services; the Bureau of Mediation Services; and their successor departments and agencies. The heads of the foregoing departments or agencies are "commissioners."

Subd. 1a. [Repealed, 2013 c 134 s 31]

Subd. 2. **Term of office; successor.** The term of a commissioner shall end with the term of the office of governor. In addition, the term shall end if the governor vacates office. The appointing authority shall submit to the president of the senate the name of an appointee as permanent commissioner as provided by section 15.066, subdivision 2, within 45 legislative days after the end of the term of a commissioner and within 45 legislative days after the occurrence of a vacancy. The appointee shall take office as permanent commissioner when the senate notifies the appointing authority that it has consented to the appointment. A commissioner shall serve at the pleasure of the appointing authority.

Subd. 3. **Vacancy; temporary commissioner.** The purpose of this subdivision is to provide a procedure to insure the immediate accession to office of a temporary commissioner in the event of a vacancy in the office of commissioner. If at the end of a term of a commissioner the incumbent commissioner is not designated as acting commissioner pursuant to subdivision 4, or if a vacancy occurs in the office of a commissioner, the deputy commissioner as defined in subdivision 7 shall immediately become temporary commissioner without further official action. If there is more than one deputy commissioner, the appointing

authority of the commissioner shall designate which of the deputies shall be temporary commissioner. If there is no deputy commissioner, the appointing authority of the commissioner shall designate a temporary commissioner.

Subd. 4. End of term; vacancy; acting commissioner. The purpose of this subdivision is to provide alternative means whereby an appointing authority may designate a person other than a temporary commissioner to serve as acting commissioner until advice and consent of the senate is received in respect to a permanent appointee. These alternative means include the following:

(1) At the end of the term of a commissioner, the incumbent commissioner may at the discretion of the appointing authority serve as acting commissioner until a successor is appointed and qualifies.

(2) An appointing authority may appoint a person other than a deputy to serve as acting commissioner and to replace any other acting or temporary commissioner designated pursuant to subdivision 3 or 4.

(3) Prior to the advice and consent of the senate, the appointing authority may designate the permanent appointee as commissioner.

Subd. 5. Effect of designation of acting or temporary commissioner. A person who is designated acting commissioner or temporary commissioner pursuant to subdivisions 3 or 4 shall immediately have all the powers and emoluments and perform all the duties of the office. A person who is designated permanent commissioner shall have all the powers and may perform all the duties of the office upon receipt of the letter of appointment by the president of the senate pursuant to section 15.066. Upon the appointment of a permanent commissioner or acting commissioner to succeed any other acting or temporary commissioner, the subsequent appointee shall immediately take the place of any other acting or temporary commissioner. No person shall serve as a permanent commissioner or acting commissioner after the senate has voted to refuse to consent to the person's appointment as permanent commissioner. Notice of the designation of a commissioner or acting commissioner, or the assumption of office by a temporary commissioner, shall be filed with the president of the senate and the speaker of the house with a copy delivered to the secretary of state and published in the next available edition of the State Register.

Subd. 6. General powers of commissioners. Except as otherwise expressly provided by law, a commissioner shall have the following powers:

(1) to delegate to any subordinate employee the exercise of specified statutory powers or duties as the commissioner may deem advisable, subject to the commissioner's control; provided, that every delegation shall be made by written order, filed with the secretary of state; and further provided that only a deputy commissioner may have all the powers or duties of the commissioner;

(2) to appoint all subordinate employees and to prescribe their duties; provided, that all departments and agencies shall be subject to the provisions of chapter 43A;

(3) with the approval of the commissioner of administration, to organize the department or agency as deemed advisable in the interest of economy and efficiency; and

(4) to prescribe procedures for the internal management of the department or agency to the extent that the procedures do not directly affect the rights of or procedure available to the public.

Subd. 7. Deputy commissioner. For purposes of this section, a "deputy commissioner" shall also include a "deputy director" when the department head bears the title "director". A deputy commissioner of a department or agency specified in subdivision 1 shall be in the unclassified civil service and shall be immediately subordinate to the commissioner. The deputy commissioner shall have all the powers and

authority of the commissioner unless the commissioner directs otherwise, and shall speak for the commissioner within and without the department or agency. The primary duty of a deputy shall be to assist the commissioner in the general management of the entire department or agency or of major parts thereof, and shall not consist of operating single functional areas. A deputy commissioner serves at the pleasure of the commissioner.

Subd. 8. **Number of deputy commissioners.** Unless specifically authorized by statute, no department or agency specified in subdivision 1 shall have more than one deputy commissioner.

Subd. 9. **Private employment.** No former commissioner or deputy commissioner may, within one year after leaving the position of commissioner or deputy commissioner in a department or agency, appear or participate in proceedings of that department or agency representing the interests of private persons.

15.17 OFFICIAL RECORDS.

Subdivision 1. **Must be kept.** All officers and agencies of the state, counties, cities, towns, school districts, municipal subdivisions or corporations, or other public authorities or political entities within the state, hereinafter "public officer," shall make and preserve all records necessary to a full and accurate knowledge of their official activities. Government records may be produced in the form of computerized records. All government records shall be made on a physical medium of a quality to insure permanent records. Every public officer is empowered to reproduce records if the records are not deemed to be of permanent or archival value by the commissioner of administration and the records disposition panel under section 138.17. The public officer is empowered to reproduce these records by any photographic, photostatic, microphotographic, optical disk imaging system, microfilming, or other reproduction method that clearly and accurately reproduces the records. Each public officer may order that those photographs, photostats, microphotographs, microfilms, optical images, or other reproductions, be substituted for the originals of them. The public officer may direct the destruction or sale for salvage or other disposition of the originals from which they were made, in accordance with the disposition requirements of section 138.17. Photographs, photostats, microphotographs, microfilms, optical images, or other reproductions are for all purposes deemed the original recording of the papers, books, documents, and records reproduced when so ordered by any public officer and are admissible as evidence in all courts and proceedings of every kind. A facsimile or exemplified or certified copy of a photograph, photostat, microphotograph, microfilm, optical image, or other reproduction, or an enlargement or reduction of it, has the same effect and weight as evidence as would a certified or exemplified copy of the original.

Subd. 2. **Responsibility for records.** The chief administrative officer of each public agency shall be responsible for the preservation and care of the agency's government records, which shall include written or printed books, papers, letters, contracts, documents, maps, plans, computer-based data, and other records made or received pursuant to law or in connection with the transaction of public business. It shall be the duty of each agency, and of its chief administrative officer, to carefully protect and preserve government records from deterioration, mutilation, loss, or destruction. Records or record books may be repaired, renovated, or rebound when necessary to preserve them properly.

15.71 PUBLIC CONTRACTS; DEFINITIONS.

Subdivision 1. **Scope.** For the purposes of sections 15.71 to 15.74 unless the context clearly indicates otherwise, the terms defined in this section have the meanings given them.

Subd. 2. **Public contract.** "Public contract" means any purchase, lease or sale by a public agency of personal property, public improvements or services, other than agreements which are exclusively for personal services.

Subd. 3. **Public agency.** "Public agency" or "public contracting agency" means any agency of the state of Minnesota or any of its political subdivisions authorized by law to enter into public contracts.

Subd. 4. **Public improvement.** "Public improvement" means any construction of improvements on real property or highways by or for a public agency.

Subd. 5. **Retainage.** "Retainage" means the difference between the amount earned by the contractor on a public contract and the amount paid on the contract by the public contracting agency.

History: 1980 c 464 s 1

15.72 PROGRESS PAYMENTS ON PUBLIC CONTRACTS; RETAINAGE.

Subdivision 1. **Monthly payments.** Unless the terms of the contract provide otherwise, a public contracting agency shall make progress payments on a public contract for a public improvement monthly as the work progresses. Payments shall be based upon estimates of work completed as approved by the public contracting agency. A progress payment shall not be considered acceptance or approval of any work or waiver of any defects therein.

Subd. 2. **Retainage.** (a) A public contracting agency may reserve as retainage from any progress payment on a public contract for a public improvement an amount not to exceed five percent of the payment. A public

contracting agency may reduce the amount of the retainage and may eliminate retainage on any monthly contract payment if, in the agency's opinion, the work is progressing satisfactorily.

(b) The public contracting agency must release all retainage no later than 60 days after substantial completion, subject to the terms of this subdivision. If the public contracting agency reduces the amount of retainage, the contractor must reduce retainage for any subcontractors at the same rate.

(c) A contractor on a public contract for a public improvement must pay all remaining retainage to its subcontractors no later than ten days after receiving payment of retainage from the public contracting agency, unless there is a dispute about the work under a subcontract. If there is a dispute about the work under a subcontract, the contractor must pay out retainage to any subcontractor whose work is not involved in the dispute, and must provide a written statement detailing the amount and reason for the withholding to the affected subcontractor.

(d) Upon written request of a subcontractor, the public contracting agency shall notify the subcontractor of a progress payment, retainage payment, or final payment made to the contractor.

(e) After substantial completion, a public contracting agency may withhold no more than:

(1) 250 percent of the cost to correct or complete work known at the time of substantial completion; and

(2) one percent of the value of the contract or \$500, whichever is greater, pending completion and submission of all final paperwork by the contractor or subcontractor. For purposes of this subdivision, "final paperwork" means documents required to fulfill contractual obligations, including, but not limited to, operation manuals, payroll documents for projects subject to prevailing wage requirements, and the withholding exemption certificate required by section 270C.66.

If the public contracting agency withholds payment under this paragraph, the public contracting agency must promptly provide a written statement detailing the amount and basis of withholding to the contractor. The public contracting agency and contractor must provide a copy of this statement to any subcontractor that requests it. Any amounts withheld under clause (1) must be paid within 60 days after completion of the work. Any amounts withheld under clause (2) must be paid within 60 days after submission of all final paperwork.

(f) As used in this subdivision, "substantial completion" shall be determined as provided in section 541.051, subdivision 1, paragraph (a). For construction, reconstruction, or improvement of streets and highways, including bridges, substantial completion means the date when construction-related traffic devices and ongoing inspections are no longer required.

(g) Withholding retainage for warranty work is prohibited. This provision does not waive any rights for warranty claims.

(h) For a project funded with federal or state aid, the public contracting agency is not required to pay that portion of the contract funded by federal or state aid until the federal or state aid payments have been received.

(i) Nothing in this section requires payment for a portion of a contract that is not complete or for which an invoice has not been submitted.

History: 1980 c 464 s 2; 1Sp2019 c 7 art 9 s 1

15.73 ALTERNATIVE FORM OF RETAINAGE.

Subdivision 1. **Contractor's option.** At the option of the contractor, retainage shall be paid to the contractor in accordance with this section.

Subd. 2. **Security.** The contractor may deposit bonds or securities with the public contracting agency or in any bank or trust company to be held in lieu of cash retainage for the benefit of the public contracting agency. In that event the public agency shall reduce the retainage in an amount equal to the value of the bonds and securities and pay the amount of the reduction to the contractor. Interest on the bonds or securities shall be payable to the contractor as it accrues.

Subd. 3. **Approval required.** Bonds and securities deposited or acquired in lieu of retainage, as permitted by subdivision 2, shall be of a character approved by the commissioner of management and budget, including but not limited to:

- (1) bills, certificates, notes or bonds of the United States;
- (2) other obligations of the United States or its agencies;
- (3) obligations of any corporation wholly owned by the federal government; or
- (4) indebtedness of the Federal National Mortgage Association.

Subd. 4. **Recovery of additional costs.** If the public agency incurs additional costs as a result of the exercise of the option described in this section, the agency may recover the costs from the contractor by reducing the final payment due under the contract. As work on the contract progresses, the agency shall, upon demand, inform the contractor of all accrued costs.

15.74 EXCEPTIONS TO APPLICATION.

Sections 15.71 to 15.73 apply to all public contracts except those contracts in which receipt of federal financing is conditioned on adherence to terms and conditions which are inconsistent with sections 15.71 to 15.73.

15.75 CONTRACTS WITH REGIONAL ORGANIZATIONS.

Subdivision 1. **Purpose.** The purpose of this section is to promote efficient and effective delivery of government services throughout greater Minnesota by encouraging state agencies to cooperate in the provision of services with a system of regional organizations that have the capacity to coordinate state resources with resources of local government units.

Subd. 2. **Authority.** A state agency may contract with a system of regional organizations in greater Minnesota for delivery of services not currently delivered at the regional level on behalf of the state agency.

Subd. 3. **Designation of service delivery area.** For the purposes of this section, the service delivery areas of the system are the challenge grant regions designated under section 116J.415, subdivision 2.

Subd. 4. **Designation of regional organization.** (a) The system of regional organizations that may provide services for state agencies in service delivery areas are as established in paragraphs (b) to (e).

(b) If a service delivery area is identical to the region designated under section 462.385, the regional development commission established under section 462.387 shall perform the services.

(c) If a service delivery area contains more than one region designated under section 462.385, services must be performed on the basis of contractual agreements among all regional development commissions in the service delivery area.

(d) If a service delivery area is only partially served by active regional development commissions, state funds for the service must first be offered to potential service providers in the area not served by an active commission. If no provider agrees to provide the service, an active commission or other regional entity in the area not served by an active commission, may, on the basis of an agreement with local units of government in the service delivery area, perform the services.

(e) If a service delivery area does not contain an active regional development commission, state funds for the service must first be offered to potential service providers in the area. If no provider agrees to provide the service, a state agency may enter into an agreement with another regional entity to provide services. In this case, the regional entity providing services shall create an advisory committee which includes elected officials of counties, cities, and towns in the region.

(f) This subdivision does not limit the authority of a state agency to enter into contractual agreements for services with other agencies or with local units of government.

Subd. 5. Agreements with Department of Employment and Economic Development. The commissioner of employment and economic development may enter into agreements with regional entities established under subdivision 4 to prepare plans to ensure coordination of the department's business development, community development, workforce development, and trade functions with programs of local units of government and other public and private development agencies in the regions. The plans will identify regional development priorities and serve as a guide for the implementation of the department's programs in the regions.

Subd. 3. **Client plans.** An agency plan for eliminating violence by affecting attitudes and behavior of persons that the agency serves or regulates may include, but is not limited to, the following:

(1) educational programs;

(2) incorporating the policy of zero tolerance of violence into the agency's direct service and regulatory programs; and

(3) attempting to assure that persons and businesses receiving grants from or providing goods or services to the agency adopt zero tolerance of violence policies.

Subd. 4. **Liability.** This section does not create any civil liability on the part of the state of Minnesota.

15.98 INDOOR ICE FACILITIES.

This section applies to an indoor ice arena operated by a political subdivision, a state agency, the University of Minnesota, a state higher education institution, or any other organization that makes an arena available to the public. If the arena provides more prime ice time to groups of one gender than to groups of the other gender, the arena may not deny a request for prime ice time from the group of the underrepresented gender, provided that the group of the underrepresented gender pays the same price charged to groups of

the other gender. An underrepresented gender group must be allowed up to 15 percent of prime ice time for the 1994-1995 season, up to 30 percent by the 1995-1996 season, and up to 50 percent by the 1996-1997 season. This section does not: (1) require an arena to allocate more time to any one group than is generally allocated to other groups; or (2) affect a political subdivision's ability to grant preference to groups based in the political subdivision, provided this preference is not based on gender. For purposes of this section, prime ice time means the hours of 4:00 p.m. to 10:00 p.m. Monday to Friday and 9:00 a.m. to 8:00 p.m. on Saturdays and Sundays. Any group that generates revenue as a result of tickets sold to persons in attendance at arena events must be excluded in determining if the arena provides more prime ice time to groups of one gender than the other.

15.985 ADVISORY INSPECTIONS.

(a) Upon the voluntary request of a person to a state agency for an advisory inspection for the purpose of complying with state law, the agency must, except as provided in paragraphs (f) and (g), conduct an advisory inspection. An agency is not required to conduct an advisory inspection if the agency has a regularly scheduled inspection that would occur within 90 days after the request for the advisory inspection, or if before an advisory inspection is requested, the agency has notified the person that it will be conducting an inspection within 45 days. If an advisory inspection results in findings that potentially could make a person subject to a fine or other penalty imposed by the agency, the agency must notify the person in writing of those findings within ten days of the inspection.

(1) Except as provided in clause (2), if within 60 days of receiving notice, the person notifies the agency that it has corrected the situation that made the person potentially subject to the fine or penalty, and the agency later determines that the situation is corrected, the agency may not impose a fine or penalty as a result of the findings in the advisory inspection.

(2) For violations of chapter 177, if the person notifies the agency within the time period for remedying violations required under the applicable section of chapter 177 that it has corrected the situation that made the person potentially subject to the fine or penalty, and the agency later determines that the situation is corrected, the agency may not impose a fine or penalty as a result of the finding in the advisory inspection.

(3) A person may not request more than one advisory inspection from the same agency in a calendar year. A person may not request an advisory inspection after an inspection resulting in a fine or other penalty has been determined and the violator notified of the amount to be paid, until fines or penalties have been paid or settled.

(b) For purposes of this section:

(1) "inspection" includes an examination of real or personal property or an audit or other examination of financial or other documents;

(2) "penalty" includes a civil or administrative fine or other financial sanction;

(3) "person" includes a real person and businesses, including corporations, partnerships, limited liability companies, and unincorporated associations; and

(4) "state agency" means a department, agency, board, commission, constitutional office, or other group in the executive branch of state government.

(c) If an agency revises, amends, extends, or adds additional violations to a notice, the person has 60 days from the date of those changes to correct the situation without fine or penalty. For violations of chapter 177, the person has the time period for remedying violations under the applicable section of chapter 177 to correct the situation without fine or penalty.

(d) An agency conducting an inspection under this section may impose and collect from the person requesting the inspection a fee equal to the costs incurred by the agency related to the inspection. Fees under this section shall be considered charges for goods and services provided for the direct and primary use of a private individual, business, or other entity under section 16A.1283, paragraph (b), clause (3). Fee revenue collected under this section must be deposited in an appropriate fund other than the general fund and is appropriated from that fund to the agency collecting the fee for the purpose of conducting inspections under this section.

(e) Nothing in this section shall prohibit or interfere with an agency offering similar programs that allow independent audits or inspections, including the environmental improvement program under chapter 114C. If a person conducts a self-audit under chapter 114C, the terms and conditions of this section do not apply. For advisory inspections conducted by the Pollution Control Agency, terms and conditions of sections 114C.20 to 114C.28 shall be used instead of those in paragraphs (a) to (c) and (g).

(f) If agency staff resources are limited, an agency must give higher priority to the agency's regular inspections over advisory inspections under this section. Insofar as conducting advisory inspections reduces an agency's costs, the savings must be reflected in the charges for advisory inspections. Before hiring additional staff complement for purposes of this section, an agency must report to the chairs and ranking minority members of the legislative budget committees with jurisdiction over the agency documenting: (1) the demand for advisory inspections and why additional staff complement is needed to meet the demand; and (2) that the revenue generated by advisory inspections will cover the expenses of the additional staff complement. If a person requests an advisory inspection, but the agency does not have staff resources necessary to conduct the advisory inspection before a regular inspection is conducted, and the regular inspection results in findings that could make a person subject to a fine or penalty, the agency must take into account the person's request for an advisory inspection and the person's desire to take corrective action before taking any enforcement action against the person.

(g) This section does not apply to:

(1) criminal penalties;

(2) situations in which implementation of this section is prohibited by federal law or would result in loss of federal funding or in other federal sanctions or in which implementation would interfere with multistate agreements, international agreements, or agreements between state and federal regulatory agencies;

(3) conduct constituting fraud;

(4) violations in a manner that endangers human life or presents significant risk of major injury or severe emotional harm to humans;

(5) violations that are part of a pattern that has occurred repeatedly and shows willful intent;

(6) violations for which it may be demonstrated that the alternative inspections process is being used to avoid enforcement;

(7) violations that occur within three years of violating an applicable law;

- (8) the Department of Revenue;
- (9) the Workers' Compensation Division at the Department of Labor and Industry;
- (10) violations of vehicle size weight limits under sections 169.80 to 169.88;
- (11) commercial motor vehicle inspections under section 169.781 and motor carrier regulations under chapter 221;
- (12) state inspections or surveys of hospitals, nursing homes, outpatient surgical centers, supervised living facilities, board and lodging with special services, home care, housing with services and assisted living settings, hospice, and supplemental nursing services agencies;
- (13) examinations of health maintenance organizations or county-based purchasing entities regulated under chapter 62D;
- (14) special transportation services under section 174.30; and
- (15) entities regulated by the Department of Commerce's Financial Institutions and Insurance Divisions for purposes of regulatory requirements of those divisions.

If an agency determines that this section does not apply due to situations specified in clause (2), the agency must report the basis for that determination to the chairs and ranking minority members of the legislative committees with jurisdiction over the agency.

(h) An agency may terminate an advisory inspection and proceed as if an inspection were a regular inspection if, in the process of conducting an advisory inspection, the agency finds a situation that the agency determines: could lead to criminal penalties; endangers human life or presents significant risk of major injury or severe emotional harm to humans; presents a severe and imminent threat to animals, food, feed, crops, commodities, or the environment; or evidences a pattern of willful violations.

AGENCY SERVICE REQUIREMENTS

15.99 TIME DEADLINE FOR AGENCY ACTION.

Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms shall have the meanings given.

(b) "Agency" means a department, agency, board, commission, or other group in the executive branch of state government; a statutory or home rule charter city, county, town, or school district; any metropolitan agency or regional entity; and any other political subdivision of the state.

(c) "Request" means a written application related to zoning, septic systems, watershed district review, soil and water conservation district review, or the expansion of the metropolitan urban service area, for a permit, license, or other governmental approval of an action. A request must be submitted in writing to the agency on an application form provided by the agency, if one exists. The agency may reject as incomplete a request not on a form of the agency if the request does not include information required by the agency. A request not on a form of the agency must clearly identify on the first page the specific permit, license, or other governmental approval being sought. No request shall be deemed made if not in compliance with this paragraph.

(d) "Applicant" means a person submitting a request under this section. An applicant may designate a person to act on the applicant's behalf regarding a request under this section and any action taken by or notice given to the applicant's designee related to the request shall be deemed taken by or given to the applicant.

Subd. 2. Deadline for response. (a) Except as otherwise provided in this section, section 462.358, subdivision 3b, or 473.175, or chapter 505, and notwithstanding any other law to the contrary, an agency must approve or deny within 60 days a written request relating to zoning, septic systems, watershed district review, soil and water conservation district review, or expansion of the metropolitan urban service area for a permit, license, or other governmental approval of an action. Failure of an agency to deny a request within 60 days is approval of the request. If an agency denies the request, it must state in writing the reasons for the denial at the time that it denies the request.

(b) When a vote on a resolution or properly made motion to approve a request fails for any reason, the failure shall constitute a denial of the request provided that those voting against the motion state on the record the reasons why they oppose the request. A denial of a request because of a failure to approve a resolution or motion does not preclude an immediate submission of a same or similar request.

(c) Except as provided in paragraph (b), if an agency, other than a multimember governing body, denies the request, it must state in writing the reasons for the denial at the time that it denies the request. If a multimember governing body denies a request, it must state the reasons for denial on the record and provide the applicant in writing a statement of the reasons for the denial. If the written statement is not adopted at the same time as the denial, it must be adopted at the next meeting following the denial of the request but before the expiration of the time allowed for making a decision under this section. The written statement must be consistent with the reasons stated in the record at the time of the denial. The written statement must be provided to the applicant upon adoption.

Subd. 3. Application; extensions. (a) The time limit in subdivision 2 begins upon the agency's receipt of a written request containing all information required by law or by a previously adopted rule, ordinance, or policy of the agency, including the applicable application fee. If an agency receives a written request that does not contain all required information, the 60-day limit starts over only if the agency sends written notice within 15 business days of receipt of the request telling the requester what information is missing.

(b) If a request relating to zoning, septic systems, watershed district review, soil and water conservation district review, or expansion of the metropolitan urban service area requires the approval of more than one state agency in the executive branch, the 60-day period in subdivision 2 begins to run for all executive branch agencies on the day a request containing all required information is received by one state agency. The agency receiving the request must forward copies to other state agencies whose approval is required.

(c) An agency response, including an approval with conditions, meets the 60-day time limit if the agency can document that the response was sent within 60 days of receipt of the written request. Failure to satisfy the conditions, if any, may be a basis to revoke or rescind the approval by the agency and will not give rise to a claim that the 60-day limit was not met.

(d) The time limit in subdivision 2 is extended if a state statute, federal law, or court order requires a process to occur before the agency acts on the request, and the time periods prescribed in the state statute, federal law, or court order make it impossible to act on the request within 60 days. In cases described in this paragraph, the deadline is extended to 60 days after completion of the last process required in the applicable statute, law, or order. Final approval of an agency receiving a request is not considered a process for purposes of this paragraph.

(e) The time limit in subdivision 2 is extended if: (1) a request submitted to a state agency requires prior approval of a federal agency; or (2) an application submitted to a city, county, town, school district, metropolitan or regional entity, or other political subdivision requires prior approval of a state or federal agency. In cases described in this paragraph, the deadline for agency action is extended to 60 days after the required prior approval is granted.

(f) An agency may extend the time limit in subdivision 2 before the end of the initial 60-day period by providing written notice of the extension to the applicant. The notification must state the reasons for the extension and its anticipated length, which may not exceed 60 days unless approved by the applicant.

(g) An applicant may by written notice to the agency request an extension of the time limit under this section.

Subdivision 1. **Definitions.** For purposes of this section and section 15.992:

(1) "business license" or "license" has the meaning given it in section 116J.70, subdivision 2;

(2) "customer" means an individual; a small business as defined in section 645.445, but also including a nonprofit corporation that otherwise meets the criteria in that section; a family farm, family farm corporation, or family farm partnership as defined in section 500.24, subdivision 2; or a political subdivision as defined in section 103G.005, subdivision 14b;

(3) "initial agency" means the state agency to which a customer submits an application for a license or inquires about submitting an application; and

(4) "responsible agency" means the initial agency or another state agency that agrees to be designated the responsible agency.

Subd. 2. Responsibility for customer needs. (a) When a customer applies to a state agency for a license to engage in activity, the agency is responsible for providing the customer with information the customer needs from the state to complete the application, including information on any other agency or agencies that must take action before the license may be granted or that must issue a separate license before the customer may proceed with the activity. The employee of the initial agency or responsible agency who accepts the customer's application or inquiry regarding an application shall provide the customer with the employee's name, title, and work telephone number and shall inform the customer that the employee will be available to provide assistance and information as the customer proceeds with the application and awaits the agency's action on it.

(b) If the responsible agency determines that another state agency or agencies must act on an application, the responsible agency shall forward all necessary application forms and other required information to the other agency or agencies and shall coordinate with the other agency or agencies in an effort to assure that all action on the application is completed within the time specified in section 15.992.

(c) At the request of a customer, the responsible agency shall prepare a written work plan, which is not a binding contract, setting out the steps necessary for the customer to complete the application, the time when the responsible agency may be expected to take action on the application, the steps the responsible agency will take to forward an application or required information to any other state agency or agencies that

must take action, and the process by which the other agency or agencies may be expected to act. The work plan must include information on the deadline for agency action under section 15.992 and on the result of agency failure to meet the deadline. The work plan must be provided to a customer no later than 20 working days after the customer requested the plan.

History: 1995 c 248 art 19 s 1; 1996 c 305 art 1 s 8; 2014 c 271 art 2 s 1; 1Sp2015 c 4 art 4 s 148

15.992 TIME LIMITATION.

Subdivision 1. **Deadline for action.** Unless a shorter period is provided by law, all state agencies that must act on a customer's application for a license shall take final action on it within 60 days after the customer's submission of a completed application to the responsible agency or within 60 days after the customer has been provided with a work plan under section 15.991, subdivision 2, paragraph (c), whichever is later. If action on the application is not completed within 60 days, the license is deemed to be granted. The time period specified in this subdivision does not begin to run until the customer has completed any required application in complete, correct form and has provided any additional required information or documentation.

Subd. 2. **Longer time limits.** An agency may provide for a longer time for the conclusion of action on an application, by itself and by another agency or agencies, if:

(1) the agency states in writing to the customer that a longer time is needed to protect against serious and significant harm to the public health, safety, or welfare, states the reason why, and specifies the additional time needed;

(2) the agency states in writing to the customer that a longer time is needed to comply with state or federal requirements, states the requirements, and specifies the additional time needed; or

(3) an agency that must take action on an application is a multimember board that meets periodically, in which case the agency must complete its action within 60 days after its first meeting after receipt of the application, or within a longer period established under clause (1) or (2).

Subd. 3. **Exclusions.** This section does not apply to an application requiring one or more public hearings or an environmental impact statement or environmental assessment worksheet.

Subd. 4. **Compliance.** When a license is deemed granted under subdivision 1, this section does not limit the right of an agency to suspend, limit, revoke, or change a license for failure of the customer to comply with applicable laws or rules.

Subd. 5. **Limit on review.** A decision of an agency under subdivision 2 that a time longer than 60 days is needed to complete action on an application is not subject to judicial review.
