

342.72 SUBSTANCE USE TREATMENT, RECOVERY, AND PREVENTION GRANTS.

Subdivision 1. **Account established; appropriation.** A substance use treatment, recovery, and prevention grant account is created in the special revenue fund. Money in the account, including interest earned, is appropriated to the office for the purposes specified in this section. Of the amount transferred from the general fund to the account, the office may use up to five percent for administrative expenses.

Subd. 2. **Acceptance of gifts and grants.** Notwithstanding sections 16A.013 to 16A.016, the office may accept money contributed by individuals and may apply for grants from charitable foundations to be used for the purposes identified in this section. The money accepted under this section must be deposited in the substance use treatment, recovery, and prevention grant account created under subdivision 1.

Subd. 3. **Disposition of money; grants.** (a) Money in the substance use treatment, recovery, and prevention grant account must be distributed as follows:

(1) at least 75 percent of the money is for grants for substance use disorder and mental health recovery and prevention programs. Funds must be used for recovery and prevention activities and supplies that assist individuals and families to initiate, stabilize, and maintain long-term recovery from substance use disorders and co-occurring mental health conditions. Recovery and prevention activities may include prevention education, school-linked behavioral health, school-based peer programs, peer supports, self-care and wellness, culturally specific healing, community public awareness, mutual aid networks, telephone recovery checkups, mental health warmlines, harm reduction, recovery community organization development, first episode psychosis programs, and recovery housing; and

(2) up to 25 percent of the money is for substance use disorder treatment programs as defined in chapter 245G and may be used to implement, strengthen, or expand supportive services and activities that are not covered by medical assistance under chapter 256B, MinnesotaCare under chapter 256L, or the behavioral health fund under chapter 254B. Services and activities may include adoption or expansion of evidence-based practices; competency-based training; continuing education; culturally specific and culturally responsive services; sober recreational activities; developing referral relationships; family preservation and healing; and start-up or capacity funding for programs that specialize in adolescent, culturally specific, culturally responsive, disability-specific, co-occurring disorder, or family treatment services.

(b) The office shall consult with the Governor's Advisory Council on Opioids, Substance Use, and Addiction; the commissioner of human services; and the commissioner of health to develop an appropriate application process, establish grant requirements, determine what organizations are eligible to receive grants, and establish reporting requirements for grant recipients.

Subd. 4. **Reports to the legislature.** By January 15, 2024, and each January 15 thereafter, the office must submit a report to the chairs and ranking minority members of the committees of the house of representatives and the senate having jurisdiction over health and human services policy and finance that details grants awarded from the substance use treatment, recovery, and prevention grant account, including the total amount awarded, total number of recipients, and geographic distribution of those recipients.
