

A bill for an act
relating to health; requiring the commissioner of health to develop health risk
limits for certain perfluorochemicals; requiring a report on the health effects and
health risk limits for perfluorochemicals.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **HEALTH RISK LIMITS REQUIRED.**

By August 1, 2007, the commissioner of health shall develop and adopt by rule,
pursuant to Minnesota Statutes, section 14.388, clause (1), health risk limits, as defined
in Minnesota Statutes, section 103H.005, subdivision 3, for perfluorooctanoic acid, and
perfluorooctane sulfonate. The commissioner shall develop and adopt the health risk
limits according to Minnesota Statutes, section 144.0751, and ensure that the health risk
limits are based on currently available toxicity and exposure data.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 2. **HEALTH RISK LIMITS FOR PERFLUOROCHEMICALS; REPORT.**

By January 15, 2008, the commissioner of health shall provide a report to the house
of representatives and senate committees with jurisdiction over health and environmental
policy on the commissioner's progress in determining the health effects and the
development of the health risk limits, as defined in Minnesota Statutes, section 103H.005,
subdivision 3, for perfluorochemicals. By September 30, 2007, the commissioner shall
provide an interim status report to the committees. The report shall include, but is not
limited to:

(1) the health effects and health risk limits adopted for perfluorooctanoic acid and
perfluorooctane sulfonate;

2.1 (2) the health effects and the need to develop health risk limits for perfluorobutanoic
2.2 acid and other perfluorochemicals;

2.3 (3) the health effects and the need to develop health risk limits for combinations of
2.4 perfluorochemicals; and

2.5 (4) a comparison of health based values for perfluorochemicals established in
2.6 Minnesota and the values established for those chemicals in other states including the
2.7 state of New Jersey.

2.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.
