

A bill for an act
relating to human services; providing assistive technology for people with
disabilities; requiring the Minnesota State Council on Disability to undertake a
statewide study; requiring reports; appropriating money.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **ASSISTIVE TECHNOLOGY STUDY AND REPORT.**

Subdivision 1. **Study.** (a) During the biennium ending June 30, 2009, the Council on Disability shall facilitate a statewide study of the assistive technology needs of people with disabling conditions, and seniors. As part of the study, the council shall identify community-based service providers, state agencies, and other entities involved in providing assistive technology supports. The study shall also examine the creation of an assistive technology pretax savings account to allow disabled persons to set aside pretax and unearned income to purchase assistive technology devices, equipment, and services.

(b) The council shall provide oversight and direction to the Minnesota Regions Assistive Technology Collaborative during the biennium ending June 30, 2009.

Subd. 2. **Report.** The council shall present to the chairs of the house and senate committees having jurisdiction over human services, by January 1, 2009, a report of the findings of the study, including proposed legislation creating a statewide comprehensive plan to meet the assistive technology needs of people with disabling conditions and seniors. The statewide plan must include steps to coordinate and streamline assistive technology services and the creation of an assistive technology pretax savings account.

Sec. 2. **APPROPRIATIONS.**
