

A bill for an act
relating to health; modifying essential community provider designation;
amending Minnesota Statutes 2006, section 62Q.19, subdivision 2.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2006, section 62Q.19, subdivision 2, is amended to read:

Subd. 2. **Application.** (a) Any provider may apply to the commissioner for designation as an essential community provider by submitting an application form developed by the commissioner. Except as provided in paragraph (d), applications must be accepted within two years after the effective date of the rules adopted by the commissioner to implement this section.

(b) Each application submitted must be accompanied by an application fee in an amount determined by the commissioner. The fee shall be no more than what is needed to cover the administrative costs of processing the application.

(c) The name, address, contact person, and the date by which the commissioner's decision is expected to be made shall be classified as public data under section 13.41. All other information contained in the application form shall be classified as private data under section 13.41 until the application has been approved, approved as modified, or denied by the commissioner. Once the decision has been made, all information shall be classified as public data unless the applicant designates and the commissioner determines that the information contains trade secret information.

(d) The commissioner shall accept an application for designation as an essential community provider until June 30, ~~2004~~ 2007, from one applicant that is a nonprofit ~~community services agency certified as a medical assistance provider that provides mental health, behavioral health, chemical dependency, employment, and health wellness services~~

2.1 to the ~~underserved Spanish-speaking Latino families and individuals with locations in~~
2.2 ~~Minneapolis and St. Paul~~ county mental health services center certified as a medical
2.3 assistance provider of behavioral health services and wrap-around eligibility support
2.4 services to an underserved population with chemical dependency and serious mental
2.5 illness.
