relating to education; establishing a P-20 education partnership; proposing
coding for new law in Minnesota Statutes, chapter 127A.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[127A.70] MINNESOTA P-20 EDUCATION PARTNERSHIP.**

Subdivision 1. **Establishment; membership.** (a) A P-20 education partnership is
established to create a seamless system of education that maximizes achievements of
all students, from early childhood through elementary, secondary, and postsecondary
education, while promoting the efficient use of financial and human resources. The
partnership consists of the following members:

(1) the commissioner of education;

(2) the president of the University of Minnesota;

(3) the chancellor of the Minnesota State Colleges and Universities;

(4) the chairs of the house and senate committees having jurisdiction over
prekindergarten through grade 12 education policy or their designees;

(5) the chairs of the house and senate committees having jurisdiction over higher
education policy or their designees;

(6) one legislator who is a member of the house minority party appointed by the
house minority leader and one legislator who is a member of the senate minority party
appointed by the senate minority leader;

(7) one member from the Minnesota Chamber of Commerce;

(8) one member from the Citizen's League;

(9) one member from the Minnesota Council of Foundations;

(10) one member from the Minnesota Business Partnership;

- (11) one member from the Minnesota Independent School Forum;

- (26) one representative from the governor's office selected by the governor.
- (b) Partnership members must be the chief executives of their respective organizations or the chief executive's designee. The partnership must meet at least once a quarter, with all related expenses reimbursed by members' sponsoring organizations or by the members themselves. The partnership may select a chairperson by a majority vote of all partnership members.
- Subd. 2. Powers and duties; report.** (a) The partnership shall develop recommendations to the governor and the legislature to create a seamless system of education that begins in early childhood and ends after postsecondary education including the following:
- (1) improving access to and the quality of early childhood offerings, and smoothing the transition from early learning to elementary education;
- (2) improving the transition from high school to postsecondary education by:
- (i) reducing the need for remediation;
- (ii) building the capacity of schools and districts to prepare all students for postsecondary education;
- (iii) enhancing awareness of the importance of preparing for postsecondary success in a global knowledge economy; and

3.1 (iv) identifying strategies for closing gaps in postsecondary readiness and success
3.2 among demographic groups as defined by race, income, home language, and other
3.3 relevant factors;

3.4 (3) improving educator quality;

3.5 (4) improving student persistence through and completion of college and other forms
3.6 of postsecondary education; and

3.7 (5) developing a statewide student data system following student progress from early
3.8 childhood through postsecondary education, to allow policy makers to make informed
3.9 decisions on improving student success across all education levels.

3.10 (b) The partnership shall submit a report to the legislature and the governor by
3.11 November 15 of each year that summarizes the council's progress in meeting its goals
3.12 and includes any recommendations for legislation necessary to further the goal of the
3.13 partnership to maximize student achievement while promoting efficient use of resources.
