relating to education; amending school background check requirements;

Subd. 3. **Definitions.** For purposes of this section:

(a) "School" means a school as defined in section 120A.22, subdivision 4, except
a home school, and includes a school receiving tribal contract or grant school aid under
section 124D.83; school, for the purposes of this section, also means a service cooperative,
a special education cooperative, or an education district under Minnesota Statutes 1997
Supplement, section 123.35, a charter school under section 124D.10, an intermediate
school district under section 136D.01, and a joint powers district under section 471.59.

(b) "School hiring authority" means the school principal or other person having
general control and supervision of the school.

to prevent the access, use, retention, or dissemination of information in violation of the
security and management control outsourcing standard established by the state compact
officer under section 299C.58, article I, paragraph (2)(B). A third-party contractor that has
engaged in security violations is ineligible to participate under this section and a school
hiring authority must not contract with such a contractor.

Sec. 2. Minnesota Statutes 2006, section 123B.03, is amended by adding a subdivision
to read:

2.1 Subd. 4. **Third-party contractors; responsibility for criminal history record**

2.6 contractor and a copy of the proposed contract;
2.7 (2) determine from the state compact officer whether the proposed contractor has
2.8 engaged in security violations; and
2.9 (3) request and receive permission from the state compact officer to enter into the
2.10 contract with the proposed contractor.
2.11 (b) The contract must specify the purposes for which the background check
2.12 information may be made available and shall incorporate into the contract by reference
2.13 the management control outsourcing standard under subdivision 3, paragraph (c). A
2.14 third-party contractor under this section is subject to section 13.05, subdivision 11.
2.15 (c) A school hiring authority must inform an individual who is the subject of a
2.16 criminal history background check by a third-party contractor that the individual has the
2.17 right to request and obtain from the school hiring authority a copy of the background
2.18 check report. A school hiring authority may charge the individual for the actual cost of
2.19 providing a copy of the report. An individual who is the subject of a criminal history
2.20 background check by a third-party contractor has the right to challenge the accuracy and
2.21 completeness of any information contained in the background check report, consistent
2.22 with section 13.04, subdivision 4.
