relating to human services; modifying the payment rate for certain nursing facility residents who are ventilator-dependent; amending Minnesota Statutes 2007 Supplement, section 256B.431, subdivision 2e.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2007 Supplement, section 256B.431, subdivision 2e, is amended to read:

Subd. 2e. **Contracts for services for ventilator-dependent persons.** (a)

The commissioner may negotiate with a nursing facility eligible to receive medical assistance payments to provide services to a ventilator-dependent person identified by the commissioner according to criteria developed by the commissioner, including:

(1) nursing facility care has been recommended for the person by a preadmission screening team;

(2) the person has been hospitalized and no longer requires inpatient acute care hospital services; and

(3) the commissioner has determined that necessary services for the person cannot be provided under existing nursing facility rates.

The commissioner may negotiate an adjustment to the operating cost payment rate for a nursing facility with a resident who is ventilator-dependent, for that resident.

The negotiated adjustment must reflect only the actual additional cost of meeting the specialized care needs of a ventilator-dependent person identified by the commissioner for whom necessary services cannot be provided under existing nursing facility rates and which are not otherwise covered under Minnesota Rules, parts 9549.0010 to 9549.0080 or 9505.0170 to 9505.0475. For persons who are initially admitted to a nursing facility before
