relating to environment; modifying Petrofund program; amending Minnesota Statutes 2006, sections 115C.04, subdivision 3; 115C.09, subdivision 3h, by adding a subdivision; repealing Minnesota Statutes 2006, section 115C.09, subdivision 3j.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2006, section 115C.04, subdivision 3, is amended to read:

Subd. 3. **Agency Cost recovery; subrogation.** Reasonable and necessary expenses incurred by the agency in taking a corrective action, including costs of investigating a release, administrative and legal expenses, and reimbursement costs described in subdivision 1, paragraph (b), may be recovered in a civil action in district court brought by the ~~attorney general~~ board against a responsible person. The agency's certification of expenses is prima facie evidence that the expenses are reasonable and necessary. If the responsible person has petroleum tank leakage or spill insurance coverage that insures against the liability provided in this section, the ~~agency~~ board is subrogated to the rights of the responsible person with respect to that insurance coverage, to the extent of the expenses incurred by the agency and described in this subdivision. The ~~agency~~ board may request the attorney general to bring an action in district court against the insurer to enforce this subrogation right. Expenses that are recovered under this section must be deposited in the fund.

The reimbursement may not exceed \$10,000 per bulk plant. The board may provide reimbursement under this paragraph for work completed after November 1, 2003, if the work was contracted for prior to that date and was not completed by that date as a result of an unanticipated situation, provided that an application for reimbursement under this paragraph, which may be a renewal of an application previously denied, is submitted prior to December 31, 2005.~~
