

A bill for an act

relating to public health; establishing a volunteer fragrance-free schools education campaign.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **FRAGRANCE-FREE SCHOOLS EDUCATION CAMPAIGN.**

The commissioner of health, in collaboration with the commissioner of education and the working group created in Laws 2007, chapter 147, article 17, section 4, shall develop language for a fragrance-free schools education campaign, and shall select school districts, from among volunteers, to participate in a fragrance-free schools education campaign. The education campaign must include providing fragrance-free information in a variety of formats, including, but not limited to, letters to parents, fact sheets, posted signs, electronic mail, and Web sites.

The commissioners of health and education, in consultation with the fragrance-free working group, shall select at least one school district from each of the following areas, in addition to the Minneapolis Public Schools, to implement the fragrance-free schools education campaign: urban, suburban, and rural areas. The districts must be chosen from among districts that volunteer to implement the fragrance-free schools education campaign.
