13.19 Federal Register by the United States Department of Health and Human Services under
13.20 the authority of United States Code, title 42, section 9902(2); or

13.21 (4) the defendant, through any combination of liquid assets and current income,
13.22 would be unable to pay the reasonable costs charged by private counsel in that judicial
13.23 district for a defense of the same matter.

13.24 (b) Upon a request for the appointment of counsel, the court shall make appropriate
13.25 inquiry into the financial circumstances of the applicant, who shall submit a financial
13.26 statement under oath or affirmation setting forth the applicant's assets and liabilities,
13.27 including the value of any real property owned by the applicant, whether homestead or
13.28 otherwise, less the amount of any encumbrances on the real property, the source or sources
13.29 of income, and any other information required by the court. The applicant shall be under
13.30 a continuing duty while represented by a public defender to disclose any changes in the
13.31 applicant's financial circumstances that might be relevant to the applicant's eligibility for a
13.32 public defender. The state public defender shall furnish appropriate forms for the financial
13.33 statements. The forms must contain conspicuous notice of the applicant's continuing duty
13.34 to disclose to the court changes in the applicant's financial circumstances. The forms must
13.35 also contain conspicuous notice of the applicant's obligation to make a co-payment for the

services of the district public defender, as specified under paragraph (c). The information contained in the statement shall be confidential and for the exclusive use of the court and the public defender appointed by the court to represent the applicant except for any prosecution under section 609.48. A refusal to execute the financial statement or produce financial records constitutes a waiver of the right to the appointment of a public defender. The court shall not appoint a district public defender to a defendant who is financially able to retain private counsel but refuses to do so.

An inquiry to determine financial eligibility of a defendant for the appointment of the district public defender shall be made whenever possible prior to the court appearance and by such persons as the court may direct. This inquiry may be combined with the prerelease investigation provided for in Minnesota Rule of Criminal Procedure 6.02, subdivision 3. In no case shall the district public defender be required to perform this inquiry or investigate the defendant's assets or eligibility. The court has the sole duty to conduct a financial inquiry. The inquiry must include the following:

- (1) the liquidity of real estate assets, including the defendant's homestead;
- (2) any assets that can be readily converted to cash or used to secure a debt;
- (3) the determination of whether the transfer of an asset is voidable as a fraudulent conveyance; and

- (4) the value of all property transfers occurring on or after the date of the alleged offense. The burden is on the accused to show that he or she is financially unable to afford counsel. Defendants who fail to provide information necessary to determine eligibility shall be deemed ineligible. The court must not appoint the district public defender as advisory counsel.

(c) Upon disposition of the case, an individual who has received public defender services shall pay to the court a \$28 co-payment for representation provided by a public defender, unless the co-payment is, or has been, waived by the court.

The co-payment must be credited to the general fund. If a term of probation is imposed as a part of an offender's sentence, the co-payment required by this section must not be made a condition of probation. The co-payment required by this section is a civil obligation and must not be made a condition of a criminal sentence.

EFFECTIVE DATE. This section is effective July 1, 2009.

Sec. 6. Minnesota Statutes 2008, section 611.18, is amended to read:

611.18 APPOINTMENT OF PUBLIC DEFENDER.

If it appears to a court that a person requesting the appointment of counsel satisfies the requirements of this chapter, the court shall order the appropriate public defender to represent the person ~~at all further stages of the proceeding through appeal, if any.~~ For a person appealing from a conviction, or a person pursuing a postconviction proceeding and who has not already had a direct appeal of the conviction, according to the standards of sections 611.14, clause (2), and 611.25, subdivision 1, paragraph (a), clause (2), the ~~state chief appellate~~ public defender shall be appointed. For a person covered by section 611.14, clause (1), (3), or (4), a district public defender shall be appointed to represent that person. ~~If (a) conflicting interests exist, (b) the district public defender for any other reason is unable to act, or (c) the interests of justice require, the state public defender may be ordered to represent a person. When the state public defender is directed by a court to represent a defendant or other person, the state public defender may assign the representation to any district public defender.~~ If at any stage of the proceedings, ~~including an appeal,~~ the court finds that the defendant is financially unable to pay counsel whom the defendant had retained, the court may appoint the appropriate public defender to represent the defendant, as provided in this section. Prior to any court appearance, a public defender may represent a person accused of violating the law, who appears to be financially unable to obtain counsel, and shall continue to represent the person unless it is subsequently determined that the person is financially able to obtain counsel. The representation may be made available at the discretion of the public defender, upon the request of the person or someone on the person's behalf. Any law enforcement officer may notify the public defender of the arrest of any such person.

EFFECTIVE DATE. This section is effective July 1, 2009.

Sec. 7. Minnesota Statutes 2008, section 611.20, subdivision 3, is amended to read:

Subd. 3. **Reimbursement.** In each fiscal year, the commissioner of finance shall deposit the payments in the general fund and credit them to a separate account with the Board of Public Defense. The amount credited to this account is appropriated to the Board of Public Defense, except that reimbursements collected in the Fourth Judicial District shall be returned to Hennepin County to offset the county's contribution to pay for the public defender system under section 611.26, subdivision 3a, paragraph (c).

The balance of this account does not cancel but is available until expended. Expenditures by the board from this account for each judicial district public defense office must be based on the amount of the payments received by the state from the courts in each judicial district. A district public defender's office that receives money under this subdivision shall use the money to supplement office overhead payments to part-time

attorneys providing public defense services in the district. By January 15 of each year, the Board of Public Defense shall report to the chairs and ranking minority members of the senate and house of representatives divisions having jurisdiction over criminal justice funding on the amount appropriated under this subdivision, the number of cases handled by each district public defender's office, the number of cases in which reimbursements were ordered, the average amount of reimbursement ordered, and the average amount of money received by part-time attorneys under this subdivision.

EFFECTIVE DATE. This section is effective July 1, 2009.

Sec. 8. Minnesota Statutes 2008, section 611.21, is amended to read:

611.21 SERVICES OTHER THAN COUNSEL.

(a) ~~Counsel~~ For purposes of this section, "counsel" means a public defender appointed by the court for an indigent defendant, or an attorney who is working for a public defense corporation under section 611.216 and is representing a defendant who, at the outset of the prosecution, has an annual income not greater than 125 percent of the poverty line established under United States Code, title 42, section 9902(2).

(b) Counsel may file an ex parte application requesting investigative, expert, or other services necessary to an adequate defense in the case. Upon finding, after appropriate inquiry in an ex parte proceeding, that the services are necessary and that the defendant is financially unable to obtain them, the court shall authorize counsel to obtain the services on behalf of the defendant. The court may establish a limit on the amount which may be expended or promised for such services. The court may, in the interests of justice, and upon a finding that timely procurement of necessary services could not await prior authorization, ratify such services after they have been obtained, but such ratification shall be given only in unusual situations. The court shall determine reasonable compensation for the services and direct payment by the county in which the prosecution originated, to the organization or person who rendered them, upon the filing of a claim for compensation supported by an affidavit specifying the time expended, services rendered, and expenses incurred on behalf of the defendant, and the compensation received in the same case or for the same services from any other source.

~~(b)~~ (c) The compensation to be paid to a person for such service rendered to a defendant under this section, or to be paid to an organization for such services rendered by an employee, may not exceed \$1,000, exclusive of reimbursement for expenses reasonably incurred, unless payment in excess of that limit is certified by the court as necessary to provide fair compensation for services of an unusual character or duration and the amount

of the excess payment is approved by the chief judge of the district. The chief judge of the judicial district may delegate approval authority to an active district judge.

~~(e)~~ (d) If the court denies authorizing counsel to obtain services on behalf of the defendant, the court shall make written findings of fact and conclusions of law that state the basis for determining that counsel may not obtain services on behalf of the defendant. When the court issues an order denying counsel the authority to obtain services, the defendant may appeal immediately from that order to the Court of Appeals and may request an expedited hearing.

EFFECTIVE DATE. This section is effective July 1, 2009.

Sec. 9. **[634.36] EVIDENCE OF VIDEOTAPES, AUDIOTAPES, OR OTHER RECORDINGS.**

18.26 to the licensee's driving ability or other restrictions applicable to the licensee as the
18.27 commissioner may determine to be appropriate to assure the safe operation of a motor
18.28 vehicle by the licensee.

18.29 (b) Payments by participants in the diversion program of the reinstatement fee and
18.30 surcharge under Minnesota Statutes, section 171.29, subdivision 2, paragraph (b), must be

19.15 violation or failure to provide vehicle insurance;

19.16 (2) the third-party administrator of the diversion program informs the court and the

19.20 commissioner of public safety that the individual has met all conditions of the diversion
19.21 program including, at a minimum, satisfactory fulfillment of the components in subdivision

A school hiring authority deciding to receive payment may, at its discretion, accept payment in the form of a negotiable instrument other than a money order or check and shall pay the superintendent of the Bureau of Criminal Apprehension directly to conduct the background check. The superintendent of the Bureau of Criminal Apprehension shall conduct the background check by retrieving criminal history data ~~maintained in the criminal justice~~

~~information system computers~~ as defined in section 13.87. Such individuals must provide an executed criminal history consent form and a money order, check, or other negotiable instrument payable to the school hiring authority in an amount equal to the actual cost to the government agencies and the school district of conducting the criminal history background check. Notwithstanding section 299C.62,

subdivision 1, the cost of the criminal history background check under this paragraph is the responsibility of the individual.

(e) At the beginning of each school year or when a student enrolls, a school hiring authority must notify parents and guardians about the school hiring authority's policy requiring a criminal history background check on employees and other individuals who provide services to the school, and identify those positions subject to a background check and the extent of the hiring authority's discretion in requiring a background check. The school hiring authority may include the notice in the student handbook, a school policy guide, or other similar communication.
