An enrollee must provide all the information needed to redetermine eligibility by the first day of the month that ends the eligibility period. If there is no change in circumstances, the enrollee may renew eligibility at designated locations that include community clinics and health care providers' offices. ~~Families~~ Parents enrolled in MinnesotaCare under section 256L.04, subdivision 1, whose income increases above 275 percent of the federal poverty guidelines, are no longer eligible for the program and shall be disenrolled by the commissioner. Beginning January 1, 2008, individuals enrolled in MinnesotaCare under section 256L.04, subdivision 7, whose income increases above 200 percent of the federal poverty guidelines or 250 percent of the federal poverty guidelines on or after July 1, 2009, are no longer eligible for the program and shall be disenrolled by the commissioner. Subd. 2. **Must not have access to employer-subsidized coverage.** (a) To be eligible, a family or individual must not have access to subsidized health coverage through an employer and must not have had access to employer-subsidized coverage through a current employer for 18 months prior to application or reapplication. A family or individual whose employer-subsidized coverage is lost due to an employer terminating health care coverage as an employee benefit during the previous 18 months is not eligible.

(b) This subdivision does not apply to a family or individual who was enrolled in MinnesotaCare within six months or less of reapplication and who no longer has employer-subsidized coverage due to the employer terminating health care coverage as an employee benefit. This subdivision does not apply to children with family gross incomes that are equal to or less than 200 percent of federal poverty guidelines.

(c) For purposes of this requirement, subsidized health coverage means health coverage for which the employer pays at least 50 percent of the cost of coverage for the employee or dependent, or a higher percentage as specified by the commissioner. Children are eligible for employer-subsidized coverage through either parent, including the noncustodial parent. The commissioner must treat employer contributions to Internal Revenue Code Section 125 plans and any other employer benefits intended to pay health care costs as qualified employer subsidies toward the cost of health coverage for employees for purposes of this subdivision.

Sec. 10. Minnesota Statutes 2008, section 256L.07, subdivision 3, is amended to read:

Subd. 3. **Other health coverage.** (a) Families and individuals enrolled in the MinnesotaCare program must have no health coverage while enrolled ~~or for at least four months prior to application and renewal.~~ Children with family gross incomes greater than 200 percent of federal poverty guidelines, and adults, must have had no health coverage for at least four months prior to application and renewal. Children enrolled in the original children's health plan and children in families with income equal to or less than ~~150~~ 200

(iii) prescription drug coverage;

(iv) dental coverage; or

(v) vision coverage;

(2) requires a deductible of \$100 or more per person per year; or

(3) lacks coverage because the child has exceeded the maximum coverage for a particular diagnosis or the policy excludes a particular diagnosis.

The commissioner may change this eligibility criterion for sliding scale premiums in order to remain within the limits of available appropriations. The requirement of no health coverage does not apply to newborns.

(b) Medical assistance, general assistance medical care, and the Civilian Health and Medical Program of the Uniformed Service, CHAMPUS, or other coverage provided under United States Code, title 10, subtitle A, part II, chapter 55, are not considered insurance or health coverage for purposes of the four-month requirement described in this subdivision.

(c) For purposes of this subdivision, an applicant or enrollee who is entitled to Medicare Part A or enrolled in Medicare Part B coverage under title XVIII of the Social Security Act, United States Code, title 42, sections 1395c to 1395w-152, is considered to have health coverage. An applicant or enrollee who is entitled to premium-free Medicare Part A may not refuse to apply for or enroll in Medicare coverage to establish eligibility for MinnesotaCare.

(d) Applicants who were recipients of medical assistance or general assistance medical care within one month of application must meet the provisions of this subdivision and subdivision 2.

Sec. 11. Minnesota Statutes 2008, section 256L.07, is amended by adding a subdivision to read:

Subd. 8. **Automatic eligibility for certain children.** Any child who was residing in foster care or a juvenile residential facility on the child's 18th birthday is automatically

10.1 deemed eligible for MinnesotaCare upon termination or release and exempt from the
10.2 requirements of this section until the child reaches the age of 21.

10.3 Sec. 12. Minnesota Statutes 2008, section 256L.15, subdivision 2, is amended to read:

10.4 Subd. 2. **Sliding fee scale; monthly gross individual or family income.** (a) The
10.5 commissioner shall establish a sliding fee scale to determine the percentage of monthly
10.6 gross individual or family income that households at different income levels must pay to
10.7 obtain coverage through the MinnesotaCare program. The sliding fee scale must be based
10.8 on the enrollee's monthly gross individual or family income. The sliding fee scale must
10.9 contain separate tables based on enrollment of one, two, or three or more persons. Until
10.10 June 30, 2009, the sliding fee scale begins with a premium of 1.5 percent of monthly gross
10.11 individual or family income for individuals or families with incomes below the limits for
10.12 the medical assistance program for families and children in effect on January 1, 1999, and
10.13 proceeds through the following evenly spaced steps: 1.8, 2.3, 3.1, 3.8, 4.8, 5.9, 7.4, and
10.14 8.8 percent. These percentages are matched to evenly spaced income steps ranging from
10.15 the medical assistance income limit for families and children in effect on January 1, 1999,
10.16 to 275 percent of the federal poverty guidelines for the applicable family size, up to a
10.17 family size of five. The sliding fee scale for a family of five must be used for families of
10.18 more than five. The sliding fee scale and percentages are not subject to the provisions of
10.19 chapter 14. If a family or individual reports increased income after enrollment, premiums
10.20 shall be adjusted at the time the change in income is reported.

10.21 (b) Children in families whose gross income is above 275 percent of the federal
10.22 poverty guidelines shall pay the maximum premium. The maximum premium is defined
10.23 as a base charge for one, two, or three or more enrollees so that if all MinnesotaCare
10.24 cases paid the maximum premium, the total revenue would equal the total cost of
10.25 MinnesotaCare medical coverage and administration. In this calculation, administrative
10.26 costs shall be assumed to equal ten percent of the total. The costs of medical coverage
10.27 for pregnant women and children under age two and the enrollees in these groups shall
10.28 be excluded from the total. The maximum premium for two enrollees shall be twice the
10.29 maximum premium for one, and the maximum premium for three or more enrollees shall
10.30 be three times the maximum premium for one.

10.31 (c) Beginning July 1, 2009, MinnesotaCare enrollees shall pay premiums according
10.32 to the premium scale specified in paragraph (d) with the exception that children in families
10.33 with income at or below ~~150~~ 200 percent of the federal poverty guidelines shall pay
10.34 ~~a monthly premium of \$4~~ no premiums. For purposes of paragraph (d), "minimum"
10.35 means a monthly premium of \$4.

(d) The following premium scale is established for individuals and families with gross family incomes of 300 percent of the federal poverty guidelines or less:

Federal Poverty Guideline Range	Percent of Average Gross Monthly Income
0-45%	minimum
46-54%	1.1%
55-81%	1.6%
82-109%	2.2%
110-136%	2.9%
137-164%	3.6%
165-191%	4.6%
192-219%	5.6%
220-248%	6.5%
249-274%	7.2%
275-300%	8.0%

Sec. 13. Minnesota Statutes 2008, section 256L.15, subdivision 3, is amended to read:

Subd. 3. **Exceptions to sliding scale.** Children in families with income at or below ~~150~~ 200 percent of the federal poverty guidelines shall pay a no monthly premium of \$4 premiums.

Sec. 14. Minnesota Statutes 2008, section 256L.17, subdivision 5, is amended to read:

Subd. 5. **Exemption.** This section does not apply to pregnant women or children.
For purposes of this subdivision, a woman is considered pregnant for 60 days postpartum.

Sec. 15. **FEDERAL APPROVAL.**

The commissioner of human services shall resubmit for federal approval the following:

- (1) the elimination of depreciation for self-employed farmers in determining income eligibility for MinnesotaCare passed in Laws 2007, chapter 147, article 5, section 33; and
