

A bill for an act

relating to environment; requiring plastic yard waste bags to be compostable;
establishing biodegradable and compostable standards for certain plastics;
providing civil penalties; amending Minnesota Statutes 2008, section 115A.931;
proposing coding for new law in Minnesota Statutes, chapter 325E.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2008, section 115A.931, is amended to read:

115A.931 YARD WASTE PROHIBITION.

(a) Except as authorized by the agency, in the metropolitan area after January 1, 1990, and outside the metropolitan area after January 1, 1992, a person may not place yard waste:

(1) in mixed municipal solid waste;

(2) in a disposal facility; or

(3) in a resource recovery facility except for the purposes of reuse, composting, or cocomposting.

(b) [Renumbered 115A.03, subd 38]

(c) On or after January 1, 2010, a person may not place yard waste or source-separated compostable materials generated in a metropolitan county in a plastic bag delivered to a transfer station or yard waste compost facility unless the bag meets all the specifications in ASTM Standard Specification for Compostable Plastics (D6400). For purposes of this paragraph, "metropolitan county" has the meaning given in section 473.121, subdivision 4, and "ASTM" has the meaning given in section 296A.01, subdivision 6.

(d) A person who immediately empties a plastic bag containing yard waste or source-separated compostable materials delivered to a transfer station or yard waste compost facility and removes the plastic bag from the transfer station or yard waste compost facility is exempt from paragraph (c).

(e) A city of the first class with an organized collection system for collecting solid waste is exempt from paragraph (c) until January 1, 2013.

Sec. 2. [325E.046] STANDARDS FOR LABELING PLASTIC BAGS.

Subdivision 1. **Biodegradable label.** A person may not offer for sale in this state a plastic bag labeled "biodegradable," "degradable," or any form of those terms, or in any way imply that the bag will chemically decompose into innocuous elements in a reasonably short period of time in a landfill, composting, or other terrestrial environment unless a scientifically based standard for biodegradability is developed and the bags are certified as meeting the standard.

Subd. 2. **Compostable label.** A person may not offer for sale in this state a plastic bag labeled "compostable" unless, at the time of sale, the bag meets the ASTM Standard Specification for Compostable Plastics (D6400). Each bag must be labeled to reflect that it meets the standard. For purposes of this subdivision, "ASTM" has the meaning given in section 296A.01, subdivision 6.

Subd. 3. **Enforcement; civil penalty; injunctive relief.** (a) A person who willfully violates this section is subject to a civil penalty of \$100 for each violation up to a maximum of \$5,000 and may be enjoined from such violations.

(b) The attorney general may bring an action in the name of the state in a court of competent jurisdiction for recovery of civil penalties or for injunctive relief as provided in this subdivision. The attorney general may accept an assurance of discontinuance of acts in violation of this section in the manner provided in section 8.31, subdivision 2b.

Sec. 3. EFFECTIVE DATE.

Sections 1 and 2 are effective January 1, 2010.
