

A bill for an act

relating to education; requiring school districts that offer cardiopulmonary resuscitation or automatic external defibrillator instruction to use instruction developed by the American Heart Association, the American Red Cross, or uses nationally recognized, evidence-based guidelines; proposing coding for new law in Minnesota Statutes, chapter 120B.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. **[120B.236] CARDIOPULMONARY RESUSCITATION**

INSTRUCTION.

School districts are encouraged to include cardiopulmonary resuscitation and automatic external defibrillator instruction as part of their curriculum and may seek the cooperation of trained local law enforcement officials or emergency medical technicians in providing the instruction. Schools offering cardiopulmonary resuscitation or automatic external defibrillator instruction must use cardiopulmonary resuscitation or automatic external defibrillator training that has been developed:

(1) by the American Heart Association or the American Red Cross and incorporate psychomotor skills to support the instruction; or

(2) using nationally recognized, evidence-based guidelines for cardiopulmonary resuscitation and incorporates psychomotor skills to support the instruction.
