relating to human services; modifying programs and licensure provisions for services to persons with disabilities; amending Minnesota Statutes 2008, section 326B.43, subdivision 2; Minnesota Statutes 2009 Supplement, sections 245A.03, subdivision 7; 245A.11, subdivision 7b; 256D.44, subdivision 5; Laws 2009, chapter 79, article 8, section 81.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2009 Supplement, section 245A.03, subdivision 7, is amended to read:

Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter for a physical location that will not be the primary residence of the license holder for the entire period of licensure. If a license is issued during this moratorium, and the license holder changes the license holder's primary residence away from the physical location of the foster care license, the commissioner shall revoke the license according to section 245A.07. Exceptions to the moratorium include:

(1) foster care settings that are required to be registered under chapter 144D;

(2) foster care licenses replacing foster care licenses in existence on May 15, 2009, and determined to be needed by the commissioner under paragraph (b);

(3) new foster care licenses determined to be needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/MR, or regional treatment center;

(4) new foster care licenses determined to be needed by the commissioner under paragraph (b) for persons requiring hospital level care; ~~or~~

(5) new foster care licenses determined to be needed by the commissioner for the transition of people from personal care assistance to the home and community-based services; or

(6) foster care licenses under section 245A.11, subdivision 7a.

(b) The commissioner shall determine the need for newly licensed foster care homes as defined under this subdivision. As part of the determination, the commissioner shall consider the availability of foster care capacity in the area in which the licensee seeks to operate, and the recommendation of the local county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) Residential settings that would otherwise be subject to the moratorium established in paragraph (a), that are in the process of receiving an adult or child foster care license as of July 1, 2009, shall be allowed to continue to complete the process of receiving an adult or child foster care license. For this paragraph, all of the following conditions must be met to be considered in the process of receiving an adult or child foster care license:

(1) participants have made decisions to move into the residential setting, including documentation in each participant's care plan;

(2) the provider has purchased housing or has made a financial investment in the property;

(3) the lead agency has approved the plans, including costs for the residential setting for each individual;

(4) the completion of the licensing process, including all necessary inspections, is the only remaining component prior to being able to provide services; and

(5) the needs of the individuals cannot be met within the existing capacity in that county.

To qualify for the process under this paragraph, the lead agency must submit documentation to the commissioner by August 1, 2009, that all of the above criteria are met.

(d) The commissioner shall study the effects of the license moratorium under this subdivision and shall report back to the legislature by January 15, 2011.

Sec. 2. Minnesota Statutes 2009 Supplement, section 245A.11, subdivision 7b, is amended to read:

Subd. 7b. **Adult foster care data privacy and security.** (a) An adult foster care license holder who creates, collects, records, maintains, stores, or discloses any individually identifiable recipient data, whether in an electronic or any other format,

must comply with the privacy and security provisions of applicable privacy laws and regulations, including:

(1) the federal Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-1; and the HIPAA Privacy Rule, Code of Federal Regulations, title 45, part 160, and subparts A and E of part 164; and

(2) the Minnesota Government Data Practices Act as codified in chapter 13.

(b) For purposes of licensure, the license holder shall be monitored for compliance with the following data privacy and security provisions:

(1) the license holder must control access to data on foster care recipients according to the definitions of public and private data on individuals under section 13.02; classification of the data on individuals as private under section 13.46, subdivision 2; and control over the collection, storage, use, access, protection, and contracting related to data according to section 13.05, in which the license holder is assigned the duties of a government entity;

(2) the license holder must provide each foster care recipient with a notice that meets the requirements under section 13.04, in which the license holder is assigned the duties of the government entity, and that meets the requirements of Code of Federal Regulations, title 45, part 164.52. The notice shall describe the purpose for collection of the data, and to whom and why it may be disclosed pursuant to law. The notice must inform the recipient that the license holder uses electronic monitoring and, if applicable, that recording technology is used;

(3) the license holder must not install monitoring cameras in bathrooms;

(4) electronic monitoring cameras must not be concealed from the foster care recipients; and

(5) electronic video and audio recordings of foster care recipients shall not be stored by the license holder for more than five days unless the recording is pertinent to an investigation of a reported incident of abuse or neglect under section 626.556 or 626.557, or if requested by a recipient for a specific reported incident of abuse or neglect.

(c) The commissioner shall develop, and make available to license holders and county licensing workers, a checklist of the data privacy provisions to be monitored for purposes of licensure.

Sec. 3. Minnesota Statutes 2009 Supplement, section 256D.44, subdivision 5, is amended to read:

Subd. 5. **Special needs.** In addition to the state standards of assistance established in subdivisions 1 to 4, payments are allowed for the following special needs of recipients of

Minnesota supplemental aid who are not residents of a nursing home, a regional treatment center, or a group residential housing facility.

(a) The county agency shall pay a monthly allowance for medically prescribed diets if the cost of those additional dietary needs cannot be met through some other maintenance benefit. The need for special diets or dietary items must be prescribed by a licensed physician. Costs for special diets shall be determined as percentages of the allotment for a one-person household under the thrifty food plan as defined by the United States Department of Agriculture. The types of diets and the percentages of the thrifty food plan that are covered are as follows:

- (1) high protein diet, at least 80 grams daily, 25 percent of thrifty food plan;
- (2) controlled protein diet, 40 to 60 grams and requires special products, 100 percent of thrifty food plan;
- (3) controlled protein diet, less than 40 grams and requires special products, 125 percent of thrifty food plan;
- (4) low cholesterol diet, 25 percent of thrifty food plan;
- (5) high residue diet, 20 percent of thrifty food plan;
- (6) pregnancy and lactation diet, 35 percent of thrifty food plan;
- (7) gluten-free diet, 25 percent of thrifty food plan;
- (8) lactose-free diet, 25 percent of thrifty food plan;
- (9) antidumping diet, 15 percent of thrifty food plan;
- (10) hypoglycemic diet, 15 percent of thrifty food plan; or
- (11) ketogenic diet, 25 percent of thrifty food plan.

(b) Payment for nonrecurring special needs must be allowed for necessary home repairs or necessary repairs or replacement of household furniture and appliances using the payment standard of the AFDC program in effect on July 16, 1996, for these expenses, as long as other funding sources are not available.

(c) A fee for guardian or conservator service is allowed at a reasonable rate negotiated by the county or approved by the court. This rate shall not exceed five percent of the assistance unit's gross monthly income up to a maximum of \$100 per month. If the guardian or conservator is a member of the county agency staff, no fee is allowed.

(d) The county agency shall continue to pay a monthly allowance of \$68 for restaurant meals for a person who was receiving a restaurant meal allowance on June 1, 1990, and who eats two or more meals in a restaurant daily. The allowance must continue until the person has not received Minnesota supplemental aid for one full calendar month or until the person's living arrangement changes and the person no longer meets the criteria for the restaurant meal allowance, whichever occurs first.

(e) A fee of ten percent of the recipient's gross income or \$25, whichever is less, is allowed for representative payee services provided by an agency that meets the requirements under SSI regulations to charge a fee for representative payee services. This special need is available to all recipients of Minnesota supplemental aid regardless of their living arrangement.

(f)(1) Notwithstanding the language in this subdivision, an amount equal to the maximum allotment authorized by the federal Food Stamp Program for a single individual which is in effect on the first day of July of each year will be added to the standards of assistance established in subdivisions 1 to 4 for adults under the age of 65 who qualify as shelter needy and are: (i) relocating from an institution, or an adult mental health residential treatment program under section 256B.0622; (ii) eligible for the self-directed supports option as defined under section 256B.0657, subdivision 2; or (iii) home and community-based waiver recipients ~~living in their own home or rented or leased apartment which is not owned, operated, or controlled by a provider of service not related by blood or marriage.~~

(2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the shelter needy benefit under this paragraph is considered a household of one. An eligible individual who receives this benefit prior to age 65 may continue to receive the benefit after the age of 65.

(3) "Shelter needy" means that the assistance unit incurs monthly shelter costs that exceed 40 percent of the assistance unit's gross income before the application of this special needs standard. "Gross income" for the purposes of this section is the applicant's or recipient's income as defined in section 256D.35, subdivision 10, or the standard specified in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient of a federal or state housing subsidy, that limits shelter costs to a percentage of gross income, shall not be considered shelter needy for purposes of this paragraph.

(g) Notwithstanding this subdivision, to access housing and services as provided in paragraph (f), the recipient may choose housing that may or may not be owned, operated, or controlled by the recipient's service provider ~~if the housing is located in a multifamily building of six or more units. In a multiunit building of six or more units,~~ the maximum number of units that may be used by recipients of this program shall be 50 percent of the units in a building. ~~The department shall develop an exception process to the 50 percent maximum.~~ This paragraph expires on June 30, ~~2011~~ 2012.
