Section 1. **[256L.031] DEFINED CONTRIBUTION PROGRAM.**

Subdivision 1. Defined contributions to enrollees. (a) Beginning January 1,
2011, or upon federal approval, whichever is later, the commissioner shall provide each

(b) Enrollees eligible under paragraph (a) are exempt from the insurance barriers

of section 256L.12.

(c) Sections 256L.03 and 256L.05, subdivision 3, do not apply to enrollees eligible

3.33 Administration benefits.

Sec. 3. **MINNESOTACARE COVERAGE FOR LOWER-INCOME
MINNESOTACARE ENROLLEES.**

The commissioner of human services shall develop and present to the legislature, by December 15, 2010, a plan to redesign service delivery for MinnesotaCare enrollees with incomes less than or equal to 133 percent of the federal poverty guidelines. The plan must be designed to improve continuity and quality of care, reduce unnecessary emergency room visits, and reduce average per-enrollee costs. In developing the plan, the commissioner shall consider innovative methods of service delivery, including but not limited to increasing the use and choice of private sector health plan coverage and encouraging the use of community health clinics, as defined in the federal Community Health Care Act of 1964, as health care homes.
