6.17 Sec. 6. [473J.01] PURPOSE.

6.18 The purpose of this chapter is to provide for the construction, financing, and
6.19 long-term use of a stadium and related stadium infrastructure as a venue for professional
6.20 football and a broad range of other civic, community, athletic, educational, cultural,
6.21 and commercial activities. The legislature finds and declares that the expenditure of
6.22 public money for this purpose is necessary and serves a public purpose, and that property
6.23 acquired by the Minnesota Stadium Authority for the construction of the stadium and
6.24 related stadium infrastructure is acquired for a public use or public purpose under chapter
6.25 117. The legislature further finds and declares that any provision in a lease or use
6.26 agreement with a professional football team that requires the team to play all of its home
6.27 games in a publicly funded stadium for the duration of the lease or use agreement, with the
6.28 occasional exception of a game played elsewhere as set forth in such agreement, serves
6.29 a unique public purpose for which the remedies of specific performance and injunctive
6.30 relief are essential to its enforcement. The legislature further finds and declares that
6.31 government assistance to facilitate the presence of professional football provides to the
6.32 state of Minnesota and its citizens highly valued intangible benefits that are virtually
6.33 impossible to quantify and, therefore, not recoverable even if the government receives
6.34 monetary damages in the event of a team's breach of contract. Minnesota courts are,

7.1 therefore, charged with protecting those benefits through the use of specific performance
7.2 and injunctive relief as provided in this chapter and in the lease and use agreements.

8.26 the chair, and any other officers the authority determines are necessary or convenient.

8.27 Subd. 5. **Removal.** A member, other than the chair, may be removed by the
8.28 appointing authority only for misfeasance, malfeasance, or nonfeasance in office, upon
8.29 written charges, and after an opportunity to be heard in defense of the charges.

10.25 property, services, and grants or loans of money or other property from the United States,
10.26 the state, any subdivision of the state, any agency of those entities, or any person for any
10.27 of its purposes, and may enter into any agreement required in connection with the gifts,
10.28 grants, or loans. The authority shall hold, use, and dispose of the money, property, or
10.29 services according to the terms of the monetary contributions, grant, loan, or agreement.

10.30 Subd. 8. **Use agreements.** The authority may lease, license, or enter into use
10.31 agreements and may fix, alter, charge, and collect rents, fees, and charges for the use,
10.32 occupation, and availability of part or all of any premises, property, or facilities under
10.33 its ownership, operation, or control for purposes that will provide athletic, educational,
10.34 cultural, commercial, or other entertainment, instruction, or activity for the citizens of
10.35 Minnesota and visitors. The use agreements may provide that the other contracting party
10.36 has exclusive use of the premises at the times agreed upon, as well as the right to retain

11.1 some or all revenues from ticket sales, suite licenses, concessions, advertising, naming
11.2 rights, NFL team designated broadcast/media, club seats, signage, and other revenues
11.3 derived from the stadium. The lease or use agreement with an NFL team must provide for
11.4 the payment by the NFL team of an agreed-upon portion of operating and maintenance
11.5 costs and expenses and provide other terms in which the authority and NFL team agree. In
11.6 no case may a lease or use agreement permit smoking in the stadium.

11.7 Subd. 9. **Research.** The authority may conduct research studies and programs;
11.8 collect and analyze data; prepare reports, maps, charts, and tables; and conduct all
11.9 necessary hearings and investigations in connection with its functions.

11.10 Subd. 10. **Insurance.** The authority may require any employee to obtain and file
11.11 with the authority an individual bond or fidelity insurance policy. The authority may
11.12 procure insurance in the amounts the authority considers necessary against liability of the
11.13 authority or its officers and employees for personal injury or death and property damage or
11.14 destruction, consistent with chapter 466, and against risks of damage to or destruction of
11.15 any of its facilities, equipment, or other property.

11.16 Subd. 11. **Exemption from Metropolitan Council review; Business Subsidy Act.**
11.17 The acquisition and betterment of a stadium and stadium infrastructure by the authority
11.18 must be conducted pursuant to this chapter and are not subject to sections 473.165 and
11.19 473.173. Section 116J.994 does not apply to any transactions of the authority or other
11.20 governmental entity related to the stadium or stadium infrastructure or to any tenant or
11.21 other users of the stadium or stadium infrastructure.

11.22 Subd. 12. **Incidental powers.** In addition to the powers expressly granted in this
11.23 chapter, the authority has all powers necessary or incidental thereto.

11.24 Subd. 13. **Transfers to the authority.** In addition to any other payments required
11.25 under this act, for operating years 2016 to 2020, the NFL team shall annually transfer to
11.26 the authority amounts equal to the city of Minneapolis share of operating costs and capital
11.27 reserves. These amounts shall be repaid to the NFL team by the state on behalf of the city
11.28 of Minneapolis through a repayment schedule to be specified in law, and agreed to in all
11.29 subsequent agreements between the city and the NFL team.

11.30 **Sec. 11. [473J.11] STADIUM DESIGN AND CONSTRUCTION.**

11.31 Subdivision 1. **Contracts.** (a) The design, development, and construction of the
11.32 stadium shall be a collaborative process between the authority and the NFL team. The
11.33 authority and the NFL team shall establish a process to reach consensus on key elements
11.34 of the stadium program and design, development, and construction.

11.35 (b) Unless the authority and the NFL team agree otherwise:

12.1 (1) the authority shall create a stadium design and construction group, including
12.2 representatives of the authority and the NFL team, to manage the design of the stadium
12.3 and oversee construction;

12.4 (2) this group shall engage an owner's representative to act on behalf of the group.
12.5 The cost of the owner's representative shall be a stadium cost; and

12.6 (3) the authority and the NFL team shall enter into a development administration
12.7 agreement providing for rights and responsibilities of the authority and the NFL team, the
12.8 design and construction group, and the owner's representative for design and construction
12.9 of the stadium, including but not limited to establishment of minimum design standards.
12.10 This development administration agreement shall provide for binding arbitration in
12.11 the event that the authority and the NFL team are unable to agree on minimum design
12.12 standards or other material aspects of the design.

12.13 (c) The authority may enter into an agreement with the NFL team and any other
12.14 entity relating to the design, construction, financing, operation, maintenance, and use of
12.15 the stadium and related facilities and stadium infrastructure. The authority may contract
12.16 for materials, supplies, and equipment in accordance with section 471.345, except that
12.17 the authority may employ or contract with persons, firms, or corporations to perform one
12.18 or more or all of the functions of architect, engineer, construction manager, or program
12.19 manager with respect to all or any part of the design, construction, financing, operation,
12.20 maintenance, and use of the stadium and stadium infrastructure under the traditional
12.21 separate design and build, integrated design-build, construction manager at risk, or
12.22 public/private partnership (P3) structures, or a combination thereof.

12.23 (d) The authority and the NFL team shall prepare a request for proposals for one or
12.24 more of the functions described in paragraph (c). The request must be published in the
12.25 State Register and shall include, at a minimum, such requirements that are agreed to by
12.26 the authority and the NFL team. The authority and the NFL team may prequalify offerors
12.27 by issuing a request for qualifications, in advance of the request for proposals, and select a
12.28 short list of responsible offerors prior to discussions and evaluations.

12.29 (e) As provided in the request for proposals, the authority, and the NFL team, may
12.30 conduct discussions and negotiations with responsible offerors in order to determine
12.31 which proposal is most advantageous to the authority and the NFL team and to negotiate
12.32 the terms of an agreement. In conducting discussions, there shall be no disclosure of any
12.33 information derived from proposals submitted by competing offerors and the content of all
12.34 proposals is nonpublic data under chapter 13 until such time as a notice to award a contract
12.35 is given by the authority. The agreement shall be subject to the approval of the NFL team.

13.1 (f) Prior to the time the authority enters into a construction contract with a
13.2 construction manager or program manager certifying a maximum price and a completion
13.3 date as provided in paragraph (h), at the request of the NFL team, the authority may
13.4 authorize, such authorization not to be unreasonably withheld or delayed, the NFL team
13.5 to provide for management of the construction of the stadium and related stadium
13.6 infrastructure, in which event the NFL team must assume the role and responsibilities
13.7 of the authority for completion of construction in a manner consistent with the agreed
13.8 minimum design standards and design documents, subject to the terms of this act,
13.9 including responsibility for cost overruns.

13.10 (g) The construction manager or program manager may enter into contracts with
13.11 contractors for labor, materials, supplies, and equipment for the construction of the
13.12 stadium and related stadium infrastructure through the process of public bidding, except
13.13 that the construction manager or program manager may, with the consent of the authority
13.14 or the NFL team if the NFL team has assumed responsibility for construction:

13.15 (1) narrow the listing of eligible bidders to those which the construction manager
13.16 or program manager determines to possess sufficient expertise to perform the intended
13.17 functions;

13.18 (2) award contracts to the contractors that the construction manager or program
13.19 manager determines provide the best value under a request for proposals as described in
13.20 section 16C.28, subdivision 1, paragraphs (a), clause (2), and (c), which are not required
13.21 to be the lowest responsible bidder; and

13.22 (3) for work the construction manager or program manager determines to be critical
13.23 to the completion schedule, award contracts on the basis of competitive proposals, or
13.24 perform work with its own forces without soliciting competitive bids if the construction
13.25 manager or program manager provides evidence of competitive pricing.

13.26 (h) The authority and the NFL team shall require that the construction manager or
13.27 program manager certify, before the contract is signed, a fixed and stipulated construction
13.28 price and completion date to the authority and post a performance bond in an amount
13.29 at least equal to 100 percent of the certified price or such other security satisfactory to
13.30 the authority, to cover any costs which may be incurred in excess of the certified price
13.31 including, but not limited to, costs incurred by the authority or loss of revenues resulting
13.32 from incomplete construction on the completion date. The authority may secure surety
13.33 bonds as provided in section 574.26, securing payment of just claims in connection with
13.34 all public work undertaken by the authority. Persons entitled to the protection of the
13.35 bonds may enforce them as provided in sections 574.28 to 574.32 and are not entitled to a
13.36 lien on any property of the authority under the provisions of sections 514.01 to 514.16.

14.1 The construction of the stadium is a project as that term is defined in section 177.42,
14.2 subdivision 2, and is subject to the prevailing wage law under sections 177.41 to 177.43.

14.3 Subd. 2. **Changes.** Unless otherwise agreed to by the authority and the NFL team,
14.4 if either party requests an agreed upon change in minimum design standards, and this
14.5 change is responsible for requiring the project to exceed the stated budget, the requesting
14.6 party is liable for any cost overruns or associated liabilities.

14.7 Subd. 3. **Stadium design.** The stadium and stadium infrastructure shall be designed
14.8 and constructed incorporating the following general program and design elements:

14.9 (1) Unless otherwise agreed to by the authority and the NFL team, the stadium
14.10 shall comprise approximately 1,500,000 square feet with approximately 65,000 seats,
14.11 expandable to 72,000, shall meet or exceed NFL program requirements, and include
14.12 approximately 150 suites and approximately 7,500 club seats or other such components as
14.13 agreed to by the authority and the NFL team;

14.14 (2) space for NFL team-related exhibitions and sales, which shall include the
14.15 following: NFL team museum and Hall of Fame, retail merchandise and gift shop retail
14.16 venues, and themed concessions and restaurants;

14.17 (3) year-round space for the NFL team administrative operations, sales, and
14.18 marketing, including a ticket office, team meeting space, locker, and training rooms;

14.19 (4) space for administrative offices of the authority;

14.20 (5) 2,000 parking spaces within one block of the stadium, connected by skyway or
14.21 tunnel to the stadium, and 500 parking spaces within two blocks of the stadium, with a
14.22 dedicated walkway on game days;

14.23 (6) elements sufficient to provide community and civic uses as determined by the
14.24 authority; and

14.25 (7) a roof that is fixed or retractable, provided that if the roof is retractable, it is
14.26 accomplished without any increase to the funding provided by the state or the city.

14.27 Subd. 4. **Cost overruns, savings.** The authority may accept financial obligations
14.28 relating to cost overruns associated with acquisition of the stadium site, stadium
14.29 infrastructure, and stadium design, development, and construction, provided that the
14.30 authority shall not accept responsibility for cost overruns and shall not be responsible for
14.31 cost overruns if the authority has authorized the NFL team to provide for management
14.32 of construction of the stadium under section 473J.11, subdivision 1. Cost savings or
14.33 additional funds obtained by the authority or the NFL team for the stadium or stadium
14.34 infrastructure may be used first to fund additional stadium or stadium infrastructure, as
14.35 agreed to by the authority and the NFL team, if any, and then to fund capital reserves.

15.1 Sec. 12. **[473J.112] COMMEMORATIVE BRICKS.**

15.2 The authority shall sell commemorative bricks to be displayed at a prominent
15.3 location in the new stadium, for an amount to be determined by the authority. The
15.4 authority shall work with the commissioner to ensure that purchase of a brick is a tax
15.5 deductible donation on the part of the donating person or organization. Funds raised
15.6 through this section shall be appropriated to the commissioner of management and budget
15.7 for a grant to the Minnesota Stadium Authority.

15.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

15.9 Sec. 13. **[473J.12] EMPLOYMENT.**

15.10 Subdivision 1. **Hiring and recruitment.** In the design, development, construction,
15.11 management, operation, maintenance and capital repair, replacement and improvement of
15.12 the stadium and stadium infrastructure, the authority shall make every effort to employ,
15.13 and cause the NFL team, the construction manager and other subcontractors, vendors, and
15.14 concessionaires to employ women and members of minority communities when hiring.
15.15 Further, goals for construction contracts to be awarded to women- and minority-owned
15.16 businesses will be in a percentage at least equal to the minimum used for city of
15.17 Minneapolis development projects, and the other construction workforce will establish
15.18 workforce utilization goals at least equal to current city goals and include workers from
15.19 city zip codes that have high rates of poverty and unemployment.

15.20 Subd. 2. **Other required agreements.** The NFL team or the authority shall give
15.21 food, beverage, retail, and concession workers presently employed by the NFL team or
15.22 the Metropolitan Sports Facilities Commission or its vendors at the existing football
15.23 stadium the opportunity to continue their employment in comparable positions at the new
15.24 stadium. Workers who are presently represented under a collective bargaining agreement
15.25 may seek to continue such representation in the facility and designate such, or another
15.26 collective bargaining unit, as their representative.

15.27 Sec. 14. **[473J.13] STADIUM OPERATIONS; CAPITAL IMPROVEMENTS.**

15.28 Subdivision 1. **Stadium operation.** The stadium shall be operated in a first-class
15.29 manner, similar to and consistent with other comparable NFL stadiums, such as the
15.30 stadium currently known as Lucas Oil Field. The authority and the team will mutually
15.31 agree on a third-party management company or individual to manage the stadium and on
15.32 certain major vendors to the stadium. The authority, with the approval of the NFL team,
15.33 may enter into an agreement with a program manager for management of the stadium, for
15.34 a maximum of 30 years.

16.1 Subd. 2. **Operating expenses.** (a) The authority must pay or cause to be paid
16.2 all operating expenses of the stadium. The authority must require in the lease or use
16.3 agreement with the NFL team that the NFL team pay the authority, beginning January 1,
16.4 2016, or other date as mutually agreed upon by the parties, toward operating costs of the
16.5 stadium, \$8,500,000 each year, increased by a three percent annual inflation rate.

16.6 (b) Beginning January 1, 2016, or other date as mutually agreed upon by the
16.7 parties, and continuing through 2020, the NFL team shall pay the authority operating
16.8 expenses, \$6,000,000 each year, increased by an annual adjustment factor. The payment
16.9 of \$6,000,000 per year beginning in 2016 is a payment by the team, which shall be repaid
16.10 to the team by the state, using funds as provided under section 297A.994, subdivision 4,
16.11 clause (4). After 2020, the state shall assume this payment, using funds generated in
16.12 accordance with the city of Minneapolis as specified under section 287A.994.

16.13 (c) The authority may establish an operating reserve to cover operating expense
16.14 shortfalls and may accept funds from any source for deposit in the operating reserve. The
16.15 establishment or funding of an authority operating reserve must not decrease the amounts
16.16 required to be paid to the authority toward operating costs under this subdivision unless
16.17 agreed to by the authority.

16.18 (d) The authority will be responsible for operating cost overruns.

16.19 (e) After the joint selection of the third-party manager or program manager, the
16.20 authority may agree with a program manager or other third-party manager of the stadium
16.21 on a fixed cost operating, management, or employment agreement with operating
16.22 cost protections under which the program manager or third-party manager assumes
16.23 responsibility for stadium operating costs and shortfalls. The agreement with the manager
16.24 must require the manager to prepare an initial and ongoing operating plan and operating
16.25 budgets for approval by the authority in consultation with the NFL team. The manager
16.26 must agree to operate the stadium in accordance with the approved operating plan and
16.27 operating budget.

16.28 Subd. 3. **Public access.** The authority will work to maximize access for public and
16.29 amateur sports, community, and civic events, and other public events in type and on terms
16.30 consistent with those currently held at the existing football stadium, as defined in section
16.31 473.551, subdivision 9. The authority may provide that these events have exclusive use
16.32 of the premises at agreed-upon times subject to the scheduling rights of the NFL team
16.33 under the lease or use agreement.

16.34 Subd. 4. **Capital improvements.** (a) The authority shall establish a capital
16.35 reserve fund. The authority shall be responsible for making, or for causing others to
16.36 make, all capital repairs, replacements, and improvements for the stadium and stadium

17.1 infrastructure. The authority shall maintain, or cause others to maintain, the stadium and
17.2 stadium infrastructure in a safe, clean, attractive, and first-class manner so as to cause
17.3 them to remain in a condition comparable to that of other comparable NFL facilities of
17.4 similar design and age. The authority shall make, or cause others to make, all necessary
17.5 or appropriate repairs, renewals, and replacements, whether structural or nonstructural,
17.6 interior or exterior, ordinary or extraordinary, foreseen or unforeseen, in a prompt and
17.7 timely manner. In addition, the authority, with approval of the NFL team, may enter into
17.8 an agreement with a program manager to perform some or all of the responsibilities of the
17.9 authority in this subdivision and to assume and accept financial liability for the cost of
17.10 performing the responsibilities.

17.11 (b) The NFL team must contribute \$1,500,000 each year, beginning in 2016 or as
17.12 otherwise determined for the term of the lease or use agreement to the operating reserve
17.13 fund, increased by a three percent annual inflation rate.

17.14 (c) The state shall contribute \$1,500,000 each year, beginning in 2016 or as otherwise
17.15 determined for the term of the lease to the operating reserve fund. The contributions of the
17.16 state are subject to increase by an annual adjustment factor. The contribution under this
17.17 paragraph shall be assumed by the team from 2016 through 2020, and repaid to the team
17.18 by the state using funds in accordance with section 297A.994, subdivision 4, clause (4).

17.19 (d) The authority with input from the NFL team shall develop short-term and
17.20 long-term capital funding plans and shall use those plans to guide the future capital needs
17.21 of the stadium and stadium infrastructure. The authority shall make the final determination
17.22 with respect to funding capital needs. Any capital improvement proposed by the NFL
17.23 team intended primarily to provide revenue enhancements to the NFL team shall be paid
17.24 for by the NFL team, unless otherwise agreed to with the authority.

17.25 Subd. 5. **Game-day payments.** In addition to operating expense contributions
17.26 of the NFL team under subdivision 2, the NFL team shall pay all NFL game day, NFL
17.27 team-owned major league soccer, as provided in section 473J.15, subdivision 15, and
17.28 other NFL team-sponsored event expenses within the stadium and stadium plaza areas.

17.29 Subd. 6. **Cooperation with financing.** The authority will cooperate with the
17.30 NFL team to facilitate the financing of the NFL team's contribution. Such agreement to
17.31 cooperate shall not require the authority to incur any additional costs or provide conduit
17.32 financing. The lease, license, and other transaction documents shall include provisions
17.33 customarily required by lenders in stadium financings.

17.34 Sec. 15. **[473J.15] CRITERIA AND CONDITIONS.**

18.1 Subdivision 1. **Binding and enforceable.** In developing the stadium and entering
18.2 into related contracts, the authority must follow and enforce the criteria and conditions in
18.3 this section, provided that a determination by the authority that those criteria or conditions
18.4 have been met under any agreement or otherwise shall be conclusive.

18.5 Subd. 2. **NFL team/private contribution; timing of expenditures.** (a) The NFL
18.6 team/private contribution, including stadium builder license proceeds, for stadium costs
18.7 must be made in cash in the amount of at least \$427,000,000.

18.8 (b) Prior to the initial deposit of funds under this section, the team must provide
18.9 security or other credit worthiness in the amount of \$50,000,000, subject to the satisfaction
18.10 of the authority. Prior to the first issuance of bonds under section 16A.965, the first portion
18.11 of the NFL team/private contribution in the amount of \$50,000,000 must be deposited as
18.12 costs are incurred to the construction fund to pay for the initial stadium costs.

18.13 (c) After the first \$50,000,000 of stadium costs have been paid from the initial
18.14 NFL team/private contribution, state funds shall be deposited as costs are incurred to the
18.15 construction fund to pay for the next \$50,000,000 of costs of the project. Prior to any state
18.16 funds being deposited in the construction fund, the NFL team must provide security or a
18.17 financing commitment reasonably satisfactory to the authority for the balance of the
18.18 required NFL team/private contribution and for payment of cost overruns if the NFL
18.19 team assumes responsibility for stadium construction under section 473J.11. Thereafter,
18.20 budgeted project costs shall be borne by the authority and the NFL team/private
18.21 contributions in amounts proportionate to their remaining funding commitments.

18.22 (d) In the event the project terminates before the initial \$100,000,000 in contributions
18.23 are expended by the parties under this subdivision, the parties shall be reimbursed in the
18.24 amounts they have deposited to the construction fund proportionate to project funding
18.25 percentages, in the amounts of 56 percent by the authority and 44 percent by the NFL
18.26 team/private contributions.

18.27 Subd. 3. **Lease or use agreements; 30-year term.** The authority must enter into
18.28 a long-term lease or use agreement with the NFL team for the NFL team's use of the
18.29 stadium. The NFL team must agree to play all preseason, regular season, and postseason
18.30 home games at the stadium. Training facilities must remain in Minnesota during the term
18.31 of the lease or use agreement. The lease or use agreement must be for a term of at least
18.32 30 years from the date of substantial completion of the stadium for professional football
18.33 games. The lease or use agreement may provide options for the NFL team to extend the
18.34 term for up to four additional periods of five years. The lease or use agreement must
18.35 include terms for default, termination, and breach of the agreement. Recognizing that
18.36 the presence of professional football provides to the state of Minnesota and its citizens

19.1 highly valued, intangible benefits that are virtually impossible to quantify and, therefore,
19.2 not recoverable in the event of the NFL team owner's breach of contract, the lease and
19.3 use agreements must provide for specific performance and injunctive relief to enforce
19.4 provisions relating to use of the stadium for professional football and must not include
19.5 escape clauses or buyout provisions. The NFL team must not enter into or accept any
19.6 agreement or requirement with or from any entity that is inconsistent with the NFL team's
19.7 binding commitment to the 30-year term of the lease or use agreement or that would in
19.8 any manner dilute, interfere with, or negate the provisions of the lease or use agreement,
19.9 providing for specific performance or injunctive relief. The legislature conclusively
19.10 determines, as a matter of public policy, that the lease or use agreement, and any grant
19.11 agreement under this chapter that includes a specific performance clause:

- 19.12 (1) explicitly authorizes specific performance as a remedy for breach;
19.13 (2) is made for adequate consideration and upon terms which are otherwise fair
19.14 and reasonable;
19.15 (3) has not been included through sharp practice, misrepresentation, or mistake;
19.16 (4) if specifically enforced, does not cause unreasonable or disproportionate hardship
19.17 or loss to the NFL team or to third parties; and
19.18 (5) involves performance in a manner and the rendering of services of a nature and
19.19 under circumstances that the beneficiary cannot be adequately compensated in damages.

19.20 **Subd. 4. Lease or use agreements; revenues, payments.** A lease or use agreement
19.21 shall include rent and other fees and expenses to be paid by the NFL team. The authority
19.22 shall agree to provide in the lease or use agreement for the NFL team to receive all NFL
19.23 and team event related revenues, including but not limited to, suite revenues, advertising,
19.24 concessions, signage, broadcast and media, and club seat revenue. The agreement shall
19.25 also provide that all naming rights to the stadium are retained by the NFL team, subject to
19.26 the approval of the name or names by the authority consistent with those criteria set out
19.27 in the lease or use agreement. The agreement shall provide for the authority to receive
19.28 all general ticket revenues and other event revenues other than from NFL team games,
19.29 NFL team-owned major league soccer games, and other NFL team events agreed to by
19.30 the authority. The stadium authority, or any company managing the stadium facilities on
19.31 behalf of the authority, shall provide a public notice and seek a formal solicitation for
19.32 requests for proposals for any contracts for goods, services, sponsorships, or advertising
19.33 or signage rights at the stadium in excess of \$25,000 in accordance with the definitions
19.34 and terms set forth in chapter 16C, with the stadium authority acting as the responsible
19.35 authority for seeking any such formal solicitations and awarding any such contracts
19.36 pursuant to such solicitations.

20.1 Subd. 5. **Notice of breach or default.** Until 30 years from the date of stadium
20.2 completion, the NFL team must provide written notice to the authority not less than 180
20.3 days prior to any action, including any action imposed upon the NFL team by the NFL,
20.4 which would result in a breach or default of provisions of the lease or use agreements
20.5 required to be included under subdivision 3. If this notice provision is violated and the
20.6 NFL team has already breached or been in default under the required provisions, the
20.7 authority or the state of Minnesota may specifically enforce the lease or use agreement
20.8 and Minnesota courts shall fashion equitable remedies so that the NFL team fulfills the
20.9 conditions of the lease and use agreements.

20.10 Subd. 6. **Enforceable financial commitments.** The authority must determine before
20.11 stadium construction begins that all public and private funding sources for construction,
20.12 operating expenses, and capital improvements and repairs of the stadium are included in
20.13 written agreements. The committed funds must be adequate to design, construct, furnish,
20.14 and equip the stadium, and pay projected operating expenses and the costs of capital
20.15 improvements and repairs during the term of the lease or use agreement with the NFL
20.16 team. The NFL team must provide the authority access to NFL team financial or other
20.17 information, which the authority deems necessary for such determination. Any financial
20.18 information obtained by the authority under this subdivision is nonpublic data under
20.19 section 13.02, subdivision 9.

20.20 Subd. 7. **Environmental requirements.** The authority must comply with all
20.21 environmental requirements imposed by regulatory agencies for the stadium, site, and
20.22 structure, except as provided by section 473J.09, subdivision 11, or by section 473J.17.

20.23 Subd. 8. **Public share on sale of NFL team.** The lease or use agreement must
20.24 provide that, if the NFL team is sold or an interest in the NFL team is sold after the
20.25 effective date of this chapter, a portion of the sale price must be paid to the authority and
20.26 deposited in a reserve fund for improvements to the stadium or expended as the authority
20.27 may otherwise direct. The portion required to be so paid to the authority is 18 percent
20.28 of the amount in excess of the purchase price of the NFL team by the selling owner or
20.29 owners, declining to zero 15 years after commencement of stadium construction in
20.30 increments of 1.2 percent each year. The agreement must provide exceptions for sales
20.31 to members of the owners' family and entities and trusts beneficially owned by family
20.32 members, sales to employees of equity interests aggregating up to ten percent, sales related
20.33 to capital infusions not distributed to the owners, and sales amongst existing owners not
20.34 exceeding 20 percent equity interest in the NFL team.

20.35 Subd. 9. **Authority's access to NFL team financial information.** A notice
20.36 provision for a material breach shall be agreed to between the authority and the NFL team.

21.1 In the event there is a material breach by the NFL team under the lease or use agreement,
21.2 the lease or use agreement must provide the authority access to audited financial statements
21.3 of the NFL team and other financial information that the authority deems necessary to
21.4 enforce the terms of any lease or use agreements. Any financial information obtained by
21.5 the authority under this subdivision is nonpublic data under section 13.02, subdivision 9.

21.6 Subd. 10. **NFL team name retained.** The lease or use agreement must provide
21.7 that the NFL team and NFL will transfer to the state of Minnesota the Minnesota Vikings'
21.8 heritage and records, including the name, logo, colors, history, playing records, trophies,
21.9 and memorabilia in the event of relocation of the NFL team is in violation of the lease
21.10 or use agreement.

21.11 Subd. 11. **Stadium design.** (a) The authority and the NFL team will strive to build a
21.12 stadium that is environmentally and energy efficient and will make an effort to build a
21.13 stadium that is eligible to receive the Leadership in Energy and Environmental Design
21.14 (LEED) certification for environmental design, and to the extent practicable, will strive to
21.15 make the stadium design architecturally significant.

21.16 (b) The stadium design must, to the extent feasible, follow sustainable building
21.17 guidelines established under section 16B.325.

21.18 (c) The authority and the team must ensure that the stadium be built with
21.19 American-made steel that is made from Minnesota iron ore.

21.20 Subd. 12. **Necessary approvals.** The authority and the NFL team must secure
21.21 any necessary approvals to the terms of the lease and use agreement and the design and
21.22 construction plans for the stadium, including prior approval of the NFL.

21.23 Subd. 13. **Affordable access.** The lease or use agreement must provide for an
21.24 agreed-upon number of affordable tickets to the professional sporting events held in the
21.25 stadium.

21.26 Subd. 14. **Stadium builder's licenses.** The authority shall own and retain the
21.27 exclusive right to sell stadium builder's licenses in the stadium. The authority will retain
21.28 the NFL team to act as the authority's agent in marketing and selling such licenses.

21.29 Subd. 15. **Major league soccer.** The authority shall, for five years after the first
21.30 NFL team home game is played in the stadium, grant the NFL team the exclusive right to
21.31 establish major league soccer at the stadium. The authority and the NFL team may enter
21.32 into an agreement providing the terms and conditions of such an arrangement, provided:

21.33 (1) if any of the NFL team owners whose family owns at least three percent of
21.34 the NFL team purchases full or partial ownership in a major league soccer franchise,
21.35 such franchise may play in the stadium under a use agreement with similar terms as are
21.36 applicable to the NFL team at no additional rent, but including a provision of payment

22.1 of game-day costs and reasonable marginal costs incurred by the authority as a result of
22.2 the major league soccer team; and

22.3 (2) capital improvements required by a major league soccer franchise must be
22.4 financed by the owners of the major league soccer team, unless otherwise agreed to by
22.5 the authority.

22.6 Subd. 16. **NFL team-related entities.** Subject to the prior approval of the authority,
22.7 which shall not be unreasonably withheld, any of the obligations by the NFL team may
22.8 be performed by the NFL team, a related entity, or a third party, and the NFL team, any
22.9 entity related to the NFL team or third party may receive any revenues to which the NFL
22.10 team is entitled hereunder; provided, however, the NFL team shall remain liable if any
22.11 obligations are assigned to a related entity or third party.

22.12 Sec. 16. **[473J.17] MUNICIPAL ACTIVITIES.**

22.13 Subdivision 1. **Property acquisition and disposition.** The city may, to the extent
22.14 legally permissible, acquire land, air rights, and other property interests within the
22.15 development area for the stadium site and stadium infrastructure and convey it to the
22.16 authority with or without consideration, prepare a site for development as a stadium, and
22.17 acquire and construct any related stadium infrastructure. To the extent property parcels or
22.18 interests acquired are more extensive than the stadium infrastructure requirements, the city
22.19 may sell or otherwise dispose of the excess.

22.20 Subd. 2. **Claims.** Except as may be mutually agreed to by the city and the authority,
22.21 the city has no interest in or claim to any assets or revenues of the authority.

22.22 Subd. 3. **Environmental; planning and zoning.** The authority is the responsible
22.23 governmental unit for an environmental impact statement for the stadium prepared under
22.24 section 116D.04, if an environmental impact statement is necessary. Notwithstanding
22.25 section 116D.04, subdivision 2b, and implementing rules: (1) the environmental
22.26 impact statement shall not be required to consider alternative stadium sites; and (2) the
22.27 environmental impact statement must be determined to be adequate before commencing
22.28 work on the foundation of the stadium, but the stadium and stadium infrastructure may
22.29 otherwise be started and all preliminary and final government decisions and actions may
22.30 be made and taken including, but not limited to, acquiring land; obtaining financing;
22.31 granting permits or other land use approvals; entering into grant, lease, or use agreements;
22.32 or preparing the site or related stadium infrastructure prior to a determination of the
22.33 adequacy of the environmental impact statement.

22.34 Subd. 4. **Local government expenditure.** The city may make expenditures or
22.35 grants for other costs incidental and necessary to further the purposes of this chapter and

23.1 may, by agreement, reimburse in whole or in part, any entity that has granted, loaned, or
23.2 advanced funds to the city to further the purposes of this chapter. The city may reimburse
23.3 the authority or a local governmental entity or make a grant to the authority or such a
23.4 governmental unit or be reimbursed by the authority or local governmental entity for site
23.5 acquisition, preparation of the site for stadium development, and stadium infrastructure.

23.6 Subd. 5. **Municipal authority.** The legislature intends that, except as expressly
23.7 limited herein, the city may acquire and develop stadium infrastructure, enter into contracts
23.8 with the authority and other governmental or nongovernmental entities, appropriate funds,
23.9 and make employees, consultants, and other revenues available for those purposes.

23.10 Subd. 6. **Stadium Implementation Committee; city review.** In order to accomplish
23.11 the objectives of this act within the required time frame, it is necessary to establish an
23.12 alternative process for municipal land use and development review. It is hereby found
23.13 and declared that the construction of a stadium within the development area is consistent
23.14 with the adopted area plan, is the preferred stadium location, and is a permitted land use.
23.15 This subdivision establishes a procedure for all land use and development reviews and
23.16 approvals by the city of Minneapolis for the stadium and related stadium infrastructure
23.17 and supersedes all land use and development rules and restrictions and procedures
23.18 imposed by other law, charter, or ordinance, including without limitation section 15.99.
23.19 No later than 30 days after timely compliance of the city as provided in article 4, section 4,
23.20 of this act, the city of Minneapolis shall establish a stadium implementation committee
23.21 to make recommendations on the design plans submitted for the stadium, and stadium
23.22 infrastructure, and related improvements. The implementation committee must take
23.23 action to issue its recommendations within the time frames established in the planning
23.24 and construction timetable issued by the authority which shall provide for no less than 60
23.25 days for the committee's review. The recommendations of the implementation committee
23.26 shall be forwarded to the city of Minneapolis Planning Commission for an advisory
23.27 recommendation and then to the city council for final action in a single resolution, which
23.28 final action must be taken within 45 days of the submission of the recommendations to the
23.29 planning commission. The city council shall not impose any unreasonable conditions on
23.30 the recommendations of the implementation committee, nor take any action or impose
23.31 any conditions that will result in delay from the time frames established in the planning
23.32 and construction timetable or in additional overall costs. Failure of the city council to act
23.33 within the 45-day period shall be deemed to be approval. The authority may seek de novo
23.34 review in the district court of any city council action. The district court or any appellate
23.35 court shall expedite review to the maximum extent possible and timely issue relief, orders,
23.36 or opinions as necessary to give effect to the provisions and objectives in this act.

24.1 Sec. 17. **[473J.19] PROPERTY TAX EXEMPTION; SPECIAL ASSESSMENTS.**

24.2 Any real or personal property acquired, owned, leased, controlled, used, or occupied
24.3 by the authority for any of the purposes of this chapter, is acquired, owned, leased,
24.4 controlled, used, and occupied for public, governmental, and municipal purposes. The
24.5 stadium and stadium infrastructure are exempt from ad valorem taxation by the state
24.6 or any political subdivision of the state provided that the properties are subject to
24.7 special assessments levied by a political subdivision for a local improvement in amounts
24.8 proportionate to and not exceeding the special benefit received by the properties from the
24.9 improvement. No possible use of any of the properties in any manner different from their
24.10 use under this chapter may be considered in determining the special benefit received by
24.11 the properties. Notwithstanding section 272.01, subdivision 2, or 273.19, real or personal
24.12 property which is subject to a lease or use agreement between the authority and another
24.13 person for uses related to the purposes of this chapter, including the operation of the
24.14 stadium and related parking facilities, is exempt from taxation regardless of the length of
24.15 the lease or use agreement or the characteristics of the entity leasing or using the property.
24.16 This section, insofar as it provides an exemption or special treatment, does not apply to
24.17 any real property that is leased for residential, business, or commercial development or to
24.18 a restaurant that is open for general business more than 200 days a year, or other purposes
24.19 different from those contemplated in this chapter.

24.20 Sec. 18. **[473J.21] LIQUOR LICENSES.**

24.21 At the request of the authority, the city may issue intoxicating liquor licenses that are
24.22 reasonably requested for the premises of the stadium site. These licenses are in addition to
24.23 the number authorized by law. All provisions of chapter 340A not inconsistent with this
24.24 section apply to the licenses authorized under this section.

24.25 Sec. 19. **[473J.23] LOCAL TAXES.**

24.26 No new or additional local sales or use tax shall be imposed on sales at the stadium
24.27 site unless the tax is applicable throughout the taxing jurisdiction. Except for a tax
24.28 imposed under article 7, no new or additional local tax shall be imposed on sales of tickets
24.29 and admissions to NFL team, NFL team-owned major league soccer, or other team related
24.30 events at the stadium, notwithstanding any law or ordinance, unless the tax is applicable
24.31 throughout the taxing jurisdiction. The admissions and amusements tax currently imposed
24.32 by the city of Minneapolis pursuant to Laws 1969, chapter 1092, may apply to admissions
24.33 for football and NFL team related events, including NFL team-owned major league soccer,
24.34 as provided in section 473J.15, subdivision 15, at the stadium.

25.1 Sec. 20. **[473J.25] METROPOLITAN SPORTS FACILITIES COMMISSION**
25.2 **ASSETS; LIABILITIES TO AUTHORITY.**

25.3 Subdivision 1. **Authority expenses.** The Metropolitan Sports Facilities Commission
25.4 shall pay the operating expenses of the authority including salaries, compensation, and
25.5 other personnel, office, equipment, consultant and any other costs, until the commission is
25.6 abolished pursuant to subdivision 3.

25.7 Subd. 2. **Transfer.** Within 90 days of the enactment of this chapter, the Metropolitan
25.8 Sports Facilities Commission shall pay its outstanding obligations, settle its accounts, and
25.9 transfer its remaining assets, liabilities, and obligations to the authority, for its purposes.

25.10 Subd. 3. **Metropolitan Sports Facilities Commission abolished; interim powers**
25.11 **conferred on authority.** Upon transfer to the authority of all remaining assets, liabilities,
25.12 and obligations of the Metropolitan Sports Facilities Commission, in subdivision 2, the
25.13 Metropolitan Sports Facilities Commission is abolished. When the remaining assets,
25.14 liabilities, and obligations of the Metropolitan Sports Facilities Commission have been
25.15 transferred to the authority and the commission has been abolished, the powers and duties
25.16 of the commission under sections 473.551 to 473.599, and any other law shall devolve
25.17 upon the authority, in addition to the powers and duties of the authority under chapter
25.18 473J, until the first NFL home game is played at the stadium.

25.19 Subd. 4. **Employees.** Upon transfer of ownership all persons employed by the
25.20 Metropolitan Sports Facilities Commission shall be transferred to the Minnesota Stadium
25.21 Authority without loss of right or privilege. Nothing in this section shall be construed to
25.22 give any such person the right or privilege to continue in the same level or classification
25.23 of employment previously held. The Minnesota Stadium Authority may assign any such
25.24 person to an employment level and classification which it deems appropriate and desirable
25.25 in accordance with its personnel code.

25.26 Sec. 21. **EFFECTIVE DATE.**

25.27 Except as otherwise provided, this article is effective the day following final
25.28 enactment.

25.29 **ARTICLE 2**

25.30 **STATE STADIUM FUNDING**

25.31 Section 1. **[16A.965] STADIUM APPROPRIATION BONDS.**

25.32 Subdivision 1. **Definitions.** (a) The definitions in this subdivision and in chapter
25.33 473J apply to this section.

26.1 (b) "Appropriation bond" means a bond, note, or other similar instrument of the state
26.2 payable during a biennium from one or more of the following sources:

26.3 (1) money appropriated by law from the general fund, including, without limitation,
26.4 revenues deposited in the general fund as provided in articles 4 and 5, in any biennium for
26.5 debt service due with respect to obligations described in subdivision 2, paragraph (b);

26.6 (2) proceeds of the sale of obligations described in subdivision 2, paragraph (b);

26.7 (3) payments received for that purpose under agreements and ancillary arrangements
26.8 described in subdivision 2, paragraph (d); and

26.9 (4) investment earnings on amounts in clauses (1) to (3).

26.10 (c) "Debt service" means the amount payable in any biennium of principal, premium,
26.11 if any, and interest on appropriation bonds.

26.12 Subd. 2. **Authorization to issue appropriation bonds.** (a) Subject to the limitations
26.13 of this subdivision, the commissioner may sell and issue appropriation bonds of the state
26.14 under this section for public purposes as provided by law, including, in particular, the
26.15 financing of all or a portion of the acquisition, construction, improving, and equipping
26.16 of the stadium project of the Minnesota Stadium Authority as provided by chapter 473J.
26.17 Proceeds of the appropriation bonds must be credited to a special appropriation stadium
26.18 bond proceeds fund in the state treasury. Net income from investment of the proceeds,
26.19 as estimated by the commissioner, must be credited to the special appropriation stadium
26.20 bond proceeds fund.

26.21 (b) Appropriation bonds may be sold and issued in amounts that, in the opinion of
26.22 the commissioner, are necessary to provide sufficient funds, not to exceed \$548,000,000
26.23 net of costs of issuance, deposits for debt service reserve funds, and costs of credit
26.24 enhancement for achieving the purposes authorized as provided under paragraph (a), and
26.25 pay debt service, pay costs of issuance, make deposits to reserve funds, pay the costs
26.26 of credit enhancement, or make payments under other agreements entered into under
26.27 paragraph (d); provided, however, that appropriation bonds issued and unpaid shall not
26.28 exceed \$650,000,000 in principal amount, excluding refunding bonds sold and issued
26.29 under subdivision 4.

26.30 (c) Appropriation bonds may be issued from time to time in one or more series on
26.31 the terms and conditions the commissioner determines to be in the best interests of the
26.32 state, but the term on any series of appropriation bonds may not exceed 30 years. The
26.33 appropriation bonds of each issue and series thereof shall be dated and bear interest,
26.34 and may be includable in or excludable from the gross income of the owners for federal
26.35 income tax purposes.

27.1 (d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any
27.2 time thereafter, so long as the appropriation bonds are outstanding, the commissioner may
27.3 enter into agreements and ancillary arrangements relating to the appropriation bonds,
27.4 including but not limited to trust indentures, grant agreements, lease or use agreements,
27.5 operating agreements, management agreements, liquidity facilities, remarketing or
27.6 dealer agreements, letter of credit agreements, insurance policies, guaranty agreements,
27.7 reimbursement agreements, indexing agreements, or interest exchange agreements. Any
27.8 payments made or received according to the agreement or ancillary arrangement shall be
27.9 made from or deposited as provided in the agreement or ancillary arrangement. The
27.10 determination of the commissioner included in an interest exchange agreement that the
27.11 agreement relates to an appropriation bond shall be conclusive.

27.12 (e) The commissioner may enter into written agreements or contracts relating to the
27.13 continuing disclosure of information necessary to comply with, or facilitate the issuance
27.14 of appropriation bonds in accordance with federal securities laws, rules, and regulations,
27.15 including Securities and Exchange Commission rules and regulations in Code of Federal
27.16 Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants
27.17 with purchasers and holders of appropriation bonds set forth in the order or resolution
27.18 authorizing the issuance of the appropriation bonds, or a separate document authorized
27.19 by the order or resolution.

27.20 (f) The appropriation bonds are not subject to chapter 16C.

27.21 Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form
27.22 of bonds, notes, or other similar instruments, and in the manner provided in section
27.23 16A.672. In the event that any provision of section 16A.672 conflicts with this section,
27.24 this section shall control.

27.25 (b) Every appropriation bond shall include a conspicuous statement of the limitation
27.26 established in subdivision 6.

27.27 (c) Appropriation bonds may be sold at either public or private sale upon such terms
27.28 as the commissioner shall determine are not inconsistent with this section and may be sold
27.29 at any price or percentage of par value. Any bid received may be rejected.

27.30 (d) Appropriation bonds must bear interest at a fixed or variable rate.

27.31 (e) Notwithstanding any other law, appropriation bonds issued under this section
27.32 shall be fully negotiable.

27.33 Subd. 4. **Refunding bonds.** The commissioner from time to time may issue
27.34 appropriation bonds for the purpose of refunding any appropriation bonds then
27.35 outstanding, including the payment of any redemption premiums on the bonds, any
27.36 interest accrued or to accrue to the redemption date, and costs related to the issuance and

28.1 sale of the refunding bonds. The proceeds of any refunding bonds may, in the discretion of
28.2 the commissioner, be applied to the purchase or payment at maturity of the appropriation
28.3 bonds to be refunded, to the redemption of the outstanding appropriation bonds on any
28.4 redemption date, or to pay interest on the refunding bonds and may, pending application,
28.5 be placed in escrow to be applied to the purchase, payment, retirement, or redemption. Any
28.6 escrowed proceeds, pending such use, may be invested and reinvested in obligations that
28.7 are authorized investments under section 11A.24. The income earned or realized on the
28.8 investment may also be applied to the payment of the appropriation bonds to be refunded
28.9 or interest or premiums on the refunded appropriation bonds, or to pay interest on the
28.10 refunding bonds. After the terms of the escrow have been fully satisfied, any balance of the
28.11 proceeds and any investment income may be returned to the general fund or, if applicable,
28.12 the special appropriation stadium bond proceeds fund for use in any lawful manner. All
28.13 refunding bonds issued under this subdivision must be prepared, executed, delivered, and
28.14 secured by appropriations in the same manner as the appropriation bonds to be refunded.

28.15 Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities
28.16 may legally invest any sinking funds, money, or other funds belonging to them or under
28.17 their control in any appropriation bonds issued under this section:

28.18 (1) the state, the investment board, public officers, municipal corporations, political
28.19 subdivisions, and public bodies;

28.20 (2) banks and bankers, savings and loan associations, credit unions, trust companies,
28.21 savings banks and institutions, investment companies, insurance companies, insurance
28.22 associations, and other persons carrying on a banking or insurance business; and

28.23 (3) personal representatives, guardians, trustees, and other fiduciaries.

28.24 Subd. 6. **No full faith and credit; state not required to make appropriations.**
28.25 The appropriation bonds are not public debt of the state, and the full faith, credit, and
28.26 taxing powers of the state are not pledged to the payment of the appropriation bonds or to
28.27 any payment that the state agrees to make under this section. Appropriation bonds shall
28.28 not be obligations paid directly, in whole or in part, from a tax of statewide application
28.29 on any class of property, income, transaction, or privilege. Appropriation bonds shall be
28.30 payable in each fiscal year only from amounts that the legislature may appropriate for debt
28.31 service for any fiscal year, provided that nothing in this section shall be construed to
28.32 require the state to appropriate funds sufficient to make debt service payments with respect
28.33 to the appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and
28.34 shall no longer be outstanding on the earlier of (1) the first day of a fiscal year for which
28.35 the legislature shall not have appropriated amounts sufficient for debt service, or (2) the
28.36 date of final payment of the principal of and interest on the appropriation bonds.

29.1 Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds and
29.2 interest credited to the special appropriation stadium bond proceeds fund are appropriated
29.3 to the commissioner for payment of capital expenses, debt service on outstanding
29.4 indebtedness of the state, operating and capital reserves of the authority, and the funding
29.5 of debt service reserves for the appropriation bonds, each as permitted by state and federal
29.6 law, and nonsalary expenses incurred in conjunction with the sale of the appropriation
29.7 bonds, and such proceeds may be granted, loaned, or otherwise provided to the authority
29.8 for the public purpose provided by subdivision 2, paragraph (a).

29.9 Subd. 8. **Commissioner; determination of available revenues.** (a) By March 15
29.10 of each fiscal year, the commissioner, in consultation with the commissioner of revenue,
29.11 shall determine the estimated increase in revenues received from taxes imposed under
29.12 chapter 297E over the estimated revenues under the February 2012 revenue forecast for
29.13 that fiscal year. For fiscal years after fiscal year 2015, the commissioner shall use the
29.14 February 2012 revenue forecast for fiscal year 2015 as the baseline. All calculations under
29.15 this paragraph must be made net of estimated refunds of the taxes required to be paid.

29.16 (b) Available revenues for purposes of subdivision 9, equal the amount determined
29.17 under paragraph (a), less the following amounts for the fiscal year:

29.18 (1) the appropriation to principal and interest on appropriation bonds under
29.19 subdivision 9, paragraph (a);

29.20 (2) the appropriations under article 5 for administration and any successor
29.21 appropriation;

29.22 (3) the reduction in revenues resulting from the sales tax exemptions under section
29.23 297A.71;

29.24 (4) reimbursements authorized by section 473J.15, subdivision 2; and

29.25 (5) payment of compulsive gambling appropriations under article 5 and any
29.26 successor appropriation.

29.27 (c) If the estimated increase in revenues under paragraph (a) for the fiscal year are
29.28 less than or equal to \$52,000,000, then available revenues, as determined under paragraph
29.29 (b), are allocated:

29.30 (1) 50 percent to be used for appropriations under subdivision 9, paragraph (a); and

29.31 (2) 50 percent to be used for appropriations under subdivision 9, paragraph (b)

29.32 (d) If the estimated increase in revenues under paragraph (a) for the fiscal year are
29.33 greater than \$52,000,000, the first \$16,000,000 of any available revenues, as determined
29.34 under paragraph (b), is allocated for payment of gambling tax rebates under section
29.35 297E.02, subdivision 12, and the remainder is allocated as provided under paragraph
29.36 (c), clauses (1) and (2).

30.1 (e) The provisions of this subdivision apply only after the issuance of appropriation
30.2 bonds under subdivision 2.

30.3 Subd. 9. **Appropriation for debt service and other purposes.** (a) The amount
30.4 needed to pay principal and interest on appropriation bonds issued under this section is

30.22 validated in the manner provided by this subdivision. If comparable appropriation bonds
30.23 are judicially determined to be valid, nothing in this subdivision shall be construed
30.24 to prevent the sale or delivery of any appropriation bonds or notes without entry of a
30.25 judgment of validation by the Minnesota Supreme Court pursuant to this subdivision with
30.26 respect to the appropriation bonds authorized under this section.

30.27 (b) Any appropriation bonds issued under this section that are validated shall be

31.13 why the complaint should not be granted and the proceedings and appropriation bonds
31.14 validated. A copy of the complaint and order shall be served on the attorney general at
31.15 least 20 days before the time fixed for hearing. The attorney general shall examine the
31.16 complaint, and, if it appears or there is reason to believe that it is defective, insufficient, or

31.28 personally served with process.

31.29 (i) Any taxpayer, citizen, or person interested may become a party to the action by
31.30 moving against or pleading to the complaint at or before the time set for hearing. The
31.31 Minnesota Supreme Court shall determine all questions of law and fact and make orders
31.32 that will enable it to properly try and determine the action and render a final judgment
31.33 within 30 days of the hearing with the least possible delay.

59.9 and the electronic bingo games played on the devices.

59.10 Sec. 33. Minnesota Statutes 2010, section 349.151, is amended by adding a subdivision

59.13 The board may adopt rules it deems necessary to ensure the integrity of electronic pull-tab

59.20 examination of the game system and electronic pull-tab devices and may require a working
59.21 model to be transported to locations the board designates for testing, examination, and
59.22 analysis. The manufacturer must pay all costs of any testing, examination, analysis, and

60.23 The board may deny or refuse to renew a license under this chapter, and may revoke a
60.24 license under this chapter, if any of the conditions in this paragraph are applicable to
60.25 an affiliate or direct or indirect holder of more than a five percent financial interest in
60.26 the applicant or licensee.

60.27 (b) In the case of licenses for organizations, the board may not issue a license under
60.28 this chapter, and shall revoke a license under this chapter, if the organization, or an officer
60.29 or member of the governing body of the organization:

61.1 Subd. 4. **License revocation, suspension, denial; censure.** (a) The board may by

61.32 unsuitable, unfair, or illegal practices, methods, and activities in the conduct of gambling
61.33 or the carrying on of the business and financial arrangements incidental to the conduct of
61.34 gambling.

62.1 (b) The revocation or suspension of an organization's license may not exceed a
62.2 period of ten years, including any revocation or suspension imposed by the board prior to
62.3 the effective date of this paragraph, except that:

62.4 (1) any prohibition placed by the board on who may be involved in the conduct,
62.5 oversight, or management of the revoked organization's lawful gambling activity is
62.6 permanent; and

62.7 (2) a revocation or suspension will remain in effect until any taxes, fees, and fines
62.8 that are delinquent have been paid by the organization to the satisfaction of the board.

62.9 Sec. 37. Minnesota Statutes 2010, section 349.161, subdivision 1, is amended to read:

62.10 Subdivision 1. **Prohibited acts; licenses required.** (a) No person may:

62.11 (1) sell, offer for sale, or furnish gambling equipment for use within the state other

62.19 linked electronic bingo games;

62.20 (3) sell, offer for sale, or furnish gambling equipment for use within the state that is
62.21 not purchased or obtained from a manufacturer or distributor licensed under this chapter; or

62.32 of a distributor, may also be a wholesale distributor of alcoholic beverages or an employee
62.33 of a wholesale distributor of alcoholic beverages.

63.2 other employee of a distributor, may: (1) be involved in the conduct of lawful gambling
63.3 by an organization; (2) keep or assist in the keeping of an organization's financial records,
63.4 accounts, and inventories; or (3) prepare or assist in the preparation of tax forms and other
63.5 reporting forms required to be submitted to the state by an organization.

63.6 (c) No distributor, distributor salesperson, or any representative, agent, affiliate,
63.7 or other employee of a distributor may provide a lessor of gambling premises any
63.8 compensation, gift, gratuity, premium, or other thing of value.

63.9 (d) No distributor, distributor salesperson, or any representative, agent, affiliate, or
63.10 other employee of a distributor may provide an employee or agent of the organization
63.11 any compensation, gift, gratuity, premium, or other thing of value greater than \$25 per
63.12 organization in a calendar year.

63.13 (e) No distributor, distributor salesperson, or any representative, agent, affiliate, or
63.14 other employee of a distributor may participate in any gambling activity at any gambling
63.15 site or premises where gambling equipment purchased or leased from that distributor or
63.16 distributor salesperson is being used in the conduct of lawful gambling.

63.17 (f) No distributor, distributor salesperson, or any representative, agent, affiliate, or
63.18 other employee of a distributor may alter or modify any gambling equipment, except to
63.19 add a "last ticket sold" prize sticker for a paper pull-tab game.

63.20 (g) No distributor, distributor salesperson, or any representative, agent, affiliate, or
63.21 other employee of a distributor may: (1) recruit a person to become a gambling manager
63.22 of an organization or identify to an organization a person as a candidate to become
63.23 gambling manager for the organization; or (2) identify for an organization a potential
63.24 gambling location.

63.25 (h) No distributor or distributor salesperson may purchase or lease gambling
63.26 equipment for resale or lease to a person for use within the state from any person not
63.27 licensed as a manufacturer under section 349.163, except for gambling equipment
63.28 returned from an organization licensed under section 349.16, or exempt or excluded from
63.29 licensing under section 349.166.

63.30 (i) No distributor or distributor salesperson may sell gambling equipment, except
63.31 gambling equipment identified as a promotional ticket, to any person for use in Minnesota
63.32 other than (i) a licensed organization or organization excluded or exempt from licensing,
63.33 or (ii) the governing body of an Indian tribe.

63.34 (j) No distributor or distributor salesperson may sell or otherwise provide a paper
63.35 pull-tab or tipboard deal with the symbol required by section 349.163, subdivision 5,

64.1 paragraph (d), visible on the flare to any person other than in Minnesota to a licensed
64.2 organization or organization exempt from licensing.

64.3 Sec. 39. Minnesota Statutes 2010, section 349.162, subdivision 5, is amended to read:

64.4 Subd. 5. **Sales from facilities.** (a) All gambling equipment purchased or possessed
64.5 by a licensed distributor for resale or lease to any person for use in Minnesota must, prior
64.6 to the equipment's resale or lease, be unloaded into a storage facility located in Minnesota
64.7 which the distributor owns or leases; and which has been registered, in advance and in
64.8 writing, with the Division of Alcohol and Gambling Enforcement as a storage facility of
64.9 the distributor. All unregistered gambling equipment and all unaffixed registration stamps
64.10 owned by, or in the possession of, a licensed distributor in the state of Minnesota shall be
64.11 stored at a storage facility which has been registered with the Division of Alcohol and
64.12 Gambling Enforcement. No gambling equipment may be moved from the facility unless
64.13 the gambling equipment has been first registered with the board or the Department of
64.14 Revenue. A distributor must notify the board of the method that it will use to sell and
64.15 transfer electronic pull-tab games to licensed organizations, and must receive approval of
64.16 the board before implementing or making changes to the approved method.

64.17 (b) Notwithstanding section 349.163, subdivisions 5, 6, and 8, a licensed
64.18 manufacturer may ship into Minnesota approved or unapproved gambling equipment if the
64.19 licensed manufacturer ships the gambling equipment to a Minnesota storage facility that
64.20 is: (1) owned or leased by the licensed manufacturer; and (2) registered, in advance and
64.21 in writing, with the Division of Alcohol and Gambling Enforcement as a manufacturer's
64.22 storage facility. No gambling equipment may be shipped into Minnesota to the
64.23 manufacturer's registered storage facility unless the shipment of the gambling equipment
64.24 is reported to the Department of Revenue in a manner prescribed by the department.
64.25 No gambling equipment may be moved from the storage facility unless the gambling
64.26 equipment is sold to a licensed distributor and is otherwise in conformity with this chapter,
64.27 is shipped to an out-of-state site and the shipment is reported to the Department of
64.28 Revenue in a manner prescribed by the department, or is otherwise sold and shipped as
64.29 permitted by board rule. A manufacturer must notify the board of the method that it will
64.30 use to sell and transfer electronic pull-tab games to licensed distributors, and must receive
64.31 approval of the board before implementing or making changes to the approved method.

64.32 (c) All storage facilities owned, leased, used, or operated by a licensed distributor
64.33 or manufacturer may be entered upon and inspected by the employees of the Division of
64.34 Alcohol and Gambling Enforcement, the Division of Alcohol and Gambling Enforcement
64.35 director's authorized representatives, employees of the Gambling Control Board or its

65.1 authorized representatives, employees of the Department of Revenue, or authorized
65.2 representatives of the director of the Division of Special Taxes of the Department of
65.3 Revenue during reasonable and regular business hours. Obstruction of, or failure to
65.4 permit, entry and inspection is cause for revocation or suspension of a manufacturer's or
65.5 distributor's licenses and permits issued under this chapter.

65.6 (d) Unregistered gambling equipment found at any location in Minnesota other than
65.7 the manufacturing plant of a licensed manufacturer or a registered storage facility are
65.8 contraband under section 349.2125. This paragraph does not apply:

65.9 (1) to unregistered gambling equipment being transported in interstate commerce
65.10 between locations outside this state, if the interstate shipment is verified by a bill of lading
65.11 or other valid shipping document; and

65.12 (2) to gambling equipment registered with the Department of Revenue for
65.13 distribution to the tribal casinos.

65.14 Sec. 40. Minnesota Statutes 2010, section 349.163, subdivision 1, is amended to read:

65.15 Subdivision 1. **License required.** No manufacturer of gambling equipment may
65.16 sell any gambling equipment to any person for use or resale within the state, unless the
65.17 manufacturer has a current and valid license issued by the board under this section and has
65.18 satisfied other criteria prescribed by the board by rule. A manufacturer licensed under this
65.19 section may also be licensed as a linked bingo game provider under section 349.1635.

65.20 A manufacturer licensed under this section may not also be directly or indirectly
65.21 licensed as a distributor under section 349.161.

65.22 Sec. 41. Minnesota Statutes 2010, section 349.163, subdivision 5, is amended to read:

65.23 Subd. 5. **Paper pull-tab and tipboard flares.** (a) A manufacturer may not ship or
65.24 cause to be shipped into this state or sell for use or resale in this state any deal of paper
65.25 pull-tabs or tipboards that does not have its own individual flare as required for that deal
65.26 by this subdivision and rule of the board. A person other than a manufacturer may not
65.27 manufacture, alter, modify, or otherwise change a flare for a deal of paper pull-tabs or
65.28 tipboards except as allowed by this chapter or board rules.

65.29 (b) The flare of each paper pull-tab and tipboard game must have affixed to
65.30 or imprinted at the bottom a bar code that provides all information required by the
65.31 commissioner of revenue under section 297E.04, subdivision 2.

65.32 The serial number included in the bar code must be the same as the serial number
65.33 of the tickets included in the deal. A manufacturer who manufactures a deal of paper

66.1 pull-tabs must affix to the outside of the box containing that game the same bar code that
66.2 is affixed to or imprinted at the bottom of a flare for that deal.

66.3 (c) No person may alter the bar code that appears on the outside of a box containing
66.4 a deal of paper pull-tabs and tipboards. Possession of a box containing a deal of paper
66.5 pull-tabs and tipboards that has a bar code different from the bar code of the deal inside
66.6 the box is prima facie evidence that the possessor has altered the bar code on the box.

66.7 (d) The flare of each deal of paper pull-tabs and tipboards sold by a manufacturer for
66.8 use or resale in Minnesota must have imprinted on it a symbol that is at least one inch high
66.9 and one inch wide consisting of an outline of the geographic boundaries of Minnesota
66.10 with the letters "MN" inside the outline. The flare must be placed inside the wrapping of
66.11 the deal which the flare describes.

66.12 (e) Each paper pull-tab and tipboard flare must bear the following statement printed
66.13 in letters large enough to be clearly legible:

66.14 "Pull-tab (or tipboard) purchasers – This pull-tab (or tipboard) game is not legal in
66.15 Minnesota unless:

66.16 – an outline of Minnesota with letters "MN" inside it is imprinted on this sheet, and
66.17 – the serial number imprinted on the bar code at the bottom of this sheet is the same
66.18 as the serial number on the pull-tab (or tipboard) ticket you have purchased."

66.19 (f) The flare of each paper pull-tab and tipboard game must have the serial number
66.20 of the game imprinted on the bar code at the bottom of the flare in numerals at least
66.21 one-half inch high.

66.22 Sec. 42. Minnesota Statutes 2010, section 349.163, subdivision 6, is amended to read:

66.23 Subd. 6. **Samples of gambling equipment.** (a) The board shall require each
66.24 licensed manufacturer to submit to the board one or more samples of each item of gambling
66.25 equipment ~~the manufacturer manufactures~~ manufactured for use or resale in this state.
66.26 For purposes of this subdivision, a manufacturer is also required to submit the applicable
66.27 version of any software necessary to operate electronic devices and related systems.

66.28 (b) The board shall inspect and test all the equipment, including software and
66.29 software upgrades, it deems necessary to determine the equipment's compliance with
66.30 law and board rules. Samples required under this subdivision must be approved by the
66.31 board before the equipment being sampled is shipped into or sold for use or resale in this
66.32 state. The board shall impose a fee of \$25 for each item of gambling equipment that the
66.33 manufacturer submits for approval or for which the manufacturer requests approval. The
66.34 board shall impose a fee of \$100 for each sample of gambling equipment that it tests.

67.1 (c) The board may require samples of gambling equipment to be tested by an
67.2 independent testing laboratory prior to submission to the board for approval. All costs
67.3 of testing by an independent testing laboratory must be borne by the manufacturer. An
67.4 independent testing laboratory used by a manufacturer to test samples of gambling
67.5 equipment must be approved by the board before the equipment is submitted to the
67.6 laboratory for testing.

67.7 (d) The board may request the assistance of the commissioner of public safety and
67.8 the director of the State Lottery in performing the tests.

67.9 Sec. 43. Minnesota Statutes 2010, section 349.1635, subdivision 2, is amended to read:

67.10 Subd. 2. **License application.** The board may issue a license to a linked bingo game
67.11 provider or to a manufacturer licensed under section 349.163 who meets the qualifications
67.12 of this chapter and the rules promulgated by the board. The application shall be on a form
67.13 prescribed by the board. The license is valid for two years and the fee for a linked bingo
67.14 game provider license is \$5,000 per year.

67.15 Sec. 44. Minnesota Statutes 2010, section 349.1635, subdivision 3, is amended to read:

67.16 Subd. 3. **Attachments to application.** An applicant for a linked bingo game
67.17 provider license must attach to its application:

67.18 (1) evidence of a bond in the principal amount of \$100,000 payable to the state of
67.19 Minnesota conditioned on the payment of all linked bingo prizes and any other money due
67.20 and payable under this chapter;

67.21 (2) detailed plans and specifications for the operation of the linked bingo game and
67.22 the linked bingo system, along with a proposed fee schedule for the cost of providing
67.23 services and equipment to licensed organizations which may not exceed 15 percent of
67.24 gross profits, unless a higher percentage, not to exceed 20 percent, is authorized by the
67.25 board. The fee schedule must incorporate costs paid to distributors for services provided
67.26 under subdivision 5; and

67.27 (3) any other information required by the board by rule.

67.28 Sec. 45. Minnesota Statutes 2010, section 349.1635, is amended by adding a
67.29 subdivision to read:

67.30 Subd. 5. **Linked bingo game services requirements.** (a) A linked bingo game
67.31 provider must contract with licensed distributors for linked bingo game services including,
67.32 but not limited to, the solicitation of agreements with licensed organizations, and
67.33 installation, repair, or maintenance of the linked bingo game system.

68.1 (b) A distributor may not charge a fee to licensed organizations for services
68.2 authorized and rendered under paragraph (a).

68.3 (c) A linked bingo game provider may not contract with any distributor on an
68.4 exclusive basis.

68.5 (d) A linked bingo game provider may refuse to contract with a licensed distributor
68.6 if the linked bingo game provider demonstrates that the licensed distributor is not capable
68.7 of performing the services under the contract.

68.8 Sec. 46. Minnesota Statutes 2010, section 349.165, subdivision 2, is amended to read:

68.9 Subd. 2. **Contents of application.** An application for a premises permit must
68.10 contain:

68.11 (1) the name and address of the applying organization;

68.12 (2) a description of the site for which the permit is sought, including its address and,
68.13 where applicable, its placement within another premises or establishment;

68.14 (3) if the site is leased, the name and address of the lessor and information about the
68.15 lease the board requires, including all rents and other charges for the use of the site. The
68.16 lease term is concurrent with the term of the premises permit. The lease must contain a
68.17 ~~30-day~~ termination clause. No lease is required for the conduct of a raffle; and

68.18 (4) other information the board deems necessary to carry out its purposes.

68.19 An organization holding a premises permit must notify the board in writing within
68.20 ten days whenever any material change is made in the above information.

68.21 Sec. 47. Minnesota Statutes 2010, section 349.17, subdivision 6, is amended to read:

68.22 Subd. 6. **Conduct of bingo.** The price of a face played on an electronic bingo
68.23 device may not be less than the price of a face on a bingo paper sheet sold for the same
68.24 game at the same occasion. A game of bingo begins with the first letter and number called
68.25 or displayed. Each player must cover, mark, or activate the numbers when bingo numbers
68.26 are randomly selected, and announced, ~~and~~ or displayed to the players, ~~either manually~~
68.27 ~~or with a flashboard and monitor.~~ The game is won when a player, using bingo paper,
68.28 bingo hard card, or a facsimile of a bingo paper sheet, has completed, as described in the
68.29 bingo program, a previously designated pattern or previously determined requirements
68.30 of the game and declared bingo. The game is completed when a winning card, sheet, or
68.31 facsimile is verified and a prize awarded pursuant to subdivision 3.

68.32 Sec. 48. Minnesota Statutes 2010, section 349.17, subdivision 7, is amended to read:

69.1 Subd. 7. **Bar bingo.** An organization may conduct bar bingo subject to the
69.2 following restrictions:

69.5 (2) the bingo is conducted using only bingo paper sheets or facsimiles of bingo paper
69.6 sheets purchased from a licensed distributor or licensed linked bingo game provider; and

69.7 ~~(3) no rent may be paid for a bar bingo occasion.~~

69.8 Sec. 49. Minnesota Statutes 2010, section 349.17, subdivision 8, is amended to read:

69.9 Subd. 8. **Linked bingo games.** (a) A licensed organization may conduct or

83.32 as other debts. Every person granting, issuing, selling, or distributing tickets for taxable
83.33 admissions or renting boxes, suites, or similar may be required, as provided in resolutions
83.34 of the commission, to secure a permit, to file returns, to deposit security for the payment
