BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2010, section 168.123, subdivision 1, is amended to read:

Subdivision 1. **General requirements; fees.** (a) On payment of a fee of \$10 for
each set of two plates, or for a single plate in the case of a motorcycle plate, payment of
the registration tax required by law, and compliance with other applicable laws relating to
vehicle registration and licensing, as applicable, the commissioner shall issue:

(1) special veteran's plates to an applicant who served in the active military service
in a branch of the armed forces of the United States or of a nation or society allied with the
United States in conducting a foreign war, was discharged under honorable conditions,
and is a registered owner of a passenger automobile, recreational motor vehicle, or
truck resembling a pickup truck and having a manufacturer's nominal rated capacity
of one ton, but which is not a commercial motor vehicle as defined in section 169.011,
subdivision 16; or

(2) a veteran's special motorcycle plate as described in subdivision 2, paragraph (a),
(f), (h), (i), or (j), or another special plate designed by the commissioner to an applicant
who is a registered owner of a motorcycle and meets the criteria listed in this paragraph
and in subdivision 2, paragraph (a), (f), (h), (i), or (j). Plates issued under this clause must
be the same size as regular motorcycle plates. Special motorcycle license plates issued
under this clause are not subject to section 168.1293.

(b) The additional fee of \$10 is payable for each set of veteran's plates, is payable only when the plates are issued, and is not payable in a year in which stickers are issued instead of plates.

(c) The veteran must have a certified copy of the veteran's discharge papers, indicating character of discharge, at the time of application. If an applicant served in the active military service in a branch of the armed forces of a nation or society allied with the United States in conducting a foreign war and is unable to obtain a record of that service and discharge status, the commissioner of veterans affairs may certify the applicant as qualified for the veterans' plates provided under this section.

(d) For license plates issued for one-ton trucks described in paragraph (a), clause (1), the commissioner shall collect a surcharge of \$5 on each \$10 fee collected under paragraph (a). The surcharge must be deposited in the vehicle services operating account in the special revenue fund.

(e) For license plates issued for the woman veteran plate described in subdivision 2, paragraph (m), the commissioner shall collect a surcharge of \$5 on each \$10 fee collected for that plate under paragraph (a). Where applicable, this surcharge is in lieu of the surcharge described in paragraph (d). The surcharge must be deposited in the women veterans license plate account, established in the state treasury, and the money in that account is appropriated each year to the commissioner of veterans affairs for a grant to the Minnesota Women Veterans Initiative Working Group for use in promoting public recognition of women serving in the military and of women veterans.
