

A bill for an act
relating to public administration; modifying provisions governing energy forward
pricing mechanisms for government agencies; amending Minnesota Statutes
2010, section 16C.143; repealing Minnesota Statutes 2010, section 383B.1588.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2010, section 16C.143, is amended to read:

16C.143 ENERGY FORWARD PRICING MECHANISMS.

Subdivision 1. **Definitions.** The following definitions apply in this section:

(1) "energy" means natural gas, heating oil, propane, diesel fuel, unleaded fuel, and
any other energy source except electricity ~~used in state operations~~; and

(2) "forward pricing mechanism" means either: (i) a contract or financial instrument
that obligates a ~~state~~ government agency to buy or sell a specified quantity of energy
at a future date at a set price; or (ii) an option to buy or sell the contract or financial
instrument; and

(3) "government agency" means the state, the Minnesota state colleges and
universities, the University of Minnesota, a statutory or home rule charter city, a county, a
town, a school district, a regional agency, or another political subdivision.

Subd. 2. **Authority.** Notwithstanding any other law to the contrary, ~~the~~
~~commissioner~~ a government agency may use forward pricing mechanisms for budget
risk reduction.

Subd. 3. **Conditions.** Forward pricing mechanism transactions must be made only
under the following conditions:

(1) the quantity of energy affected by the forward pricing mechanism must not exceed ~~90 percent~~ of the estimated energy use for the state government agency for the same period, which shall not exceed ~~24~~ 48 months from the trade date of the transaction; and

(2) a separate account must be established for ~~each~~ operational energy for each government agency and for each individual state agency using a forward pricing mechanism.

Subd. 4. **Written policies and procedures.** Before exercising the authority under this section, the ~~commissioner~~ government agency must develop written policies and procedures governing the use of forward pricing mechanisms.

Subd. 5. **Oversight process.** Before exercising authority under subdivision 2, the government agency must establish an oversight process that provides for review of the government agency's use of forward pricing mechanisms. The oversight process must include: internal or external audit reviews; annual reports to, and review by, an internal investment committee; and internal management control.

EFFECTIVE DATE. This section is effective July 1, 2011, and applies to forward pricing transactions entered into on or after that date.

Sec. 2. **REPEALER.**

Minnesota Statutes 2010, section 383B.1588, is repealed.

EFFECTIVE DATE. This section is effective July 1, 2011. The authority previously granted by Minnesota Statutes, section 383B.1588, is granted under Minnesota Statutes, section 16C.143, and the repeal of Minnesota Statutes, section 383B.1588, does not affect any forward pricing transaction entered into before the effective date of this section.

383B.1588 ENERGY FORWARD PRICING MECHANISMS.

Subdivision 1. **Definitions.** The following definitions apply in this section.

(a) "Energy" means natural gas, heating oil, diesel fuel, unleaded fuel, or any other energy source, except electric, used in Hennepin County operations.

(b) "Forward pricing mechanism" means either:

(1) a contract or financial instrument that obligates Hennepin County to buy or sell a specified amount of an energy commodity at a future date and at a set price; or

(2) an option to buy or sell the contract or financial instrument.

Subd. 2. **Authority provided.** Notwithstanding any other law to the contrary, the Hennepin County Board of Commissioners may use forward pricing mechanisms for budget risk reduction.

Subd. 3. **Conditions.** (a) Forward pricing transactions made under this section must be made only under the conditions in this subdivision.

(b) The amount of energy forward priced must not exceed the estimated energy usage for Hennepin County operations for the period of time covered by the forward pricing mechanism.

(c) The holding period and expiration date for any forward pricing mechanism must not exceed 24 months from the trade date of the transaction.

(d) Separate accounts must be established for each operational energy for which forward pricing mechanisms are used under this section.

Subd. 4. **Written policies and procedures.** Before exercising authority under subdivision 2, the Hennepin County Board of Commissioners must have written policies and procedures governing the use of forward pricing mechanisms.

Subd. 5. **Oversight process.** (a) Before exercising authority under subdivision 2, the Hennepin County Board of Commissioners must establish an oversight process that provides for review of the county's use of forward pricing mechanisms.

(b) The process must include:

(1) internal or external audit reviews;

(2) annual reports to, and review by, an internal investment committee; and

(3) internal management control.
