20.26 days after making a determination.

20.27 (c) If the commissioner rejects the person's petition for release, the commissioner
20.28 must specify in writing the reasons for the rejection. The person may not petition for
20.29 release again until 24 months have elapsed since the rejection, unless the commissioner
20.30 specifies a shorter time period.

20.31 Subd. 8. **Criteria for release.** (a) A person sentenced under this section shall not
20.32 be released from incarceration unless it appears to the satisfaction of the commissioner

26.6 **ARTICLE 3**

26.7 **COURTS AND SENTENCING**

26.8 Section 1. Minnesota Statutes 2010, section 169.79, subdivision 6, is amended to read:

26.9 Subd. 6. **Other motor vehicles.** If the motor vehicle is any kind of motor vehicle
26.10 other than those provided for in subdivisions 2 to 4, ~~one plate~~ two plates must be displayed
26.11 ~~on. One plate must be displayed at the front and one on the rear~~ of the vehicle and one
26.12 at the back. The two plates must either be mounted on the front and rear bumpers of
26.13 the vehicle or on the front and back of the vehicle exterior in places designed to hold a
26.14 license plate.

26.15 Sec. 2. Minnesota Statutes 2010, section 169.797, subdivision 4, is amended to read:

26.16 Subd. 4. **Penalty.** (a) A person who violates this section is guilty of a misdemeanor.
26.17 A person is guilty of a gross misdemeanor who violates this section within ten years
26.18 of the first of two prior convictions under this section, section 169.791, or a statute or
26.19 ordinance in conformity with one of those sections. The operator of a vehicle who violates
26.20 subdivision 3 and who causes or contributes to causing a vehicle accident that results in
26.21 the death of any person or in substantial bodily harm to any person, as defined in section
26.22 609.02, subdivision 7a, is guilty of a gross misdemeanor. The same prosecuting authority
26.23 who is responsible for prosecuting misdemeanor violations of this section is responsible
26.24 for prosecuting gross misdemeanor violations of this section. In addition to any sentence
26.25 of imprisonment that the court may impose on a person convicted of violating this section,
26.26 the court shall impose a fine of not less than \$200 nor more than the maximum amount
26.27 authorized by law. The court may allow community service in lieu of any fine imposed if
26.28 the defendant is indigent.

26.29 (b) A driver who is the owner of the vehicle may, no later than the date and time
26.30 specified in the citation for the driver's first court appearance, produce proof of insurance
26.31 stating that security had been provided for the vehicle that was being operated at the time
26.32 of demand to the court administrator. The required proof of insurance may be sent by mail

27.1 by the driver as long as it is received no later than the date and time specified in the
27.2 citation for the driver's first court appearance. If a citation is issued, no person shall be
27.3 convicted of violating this section if the court administrator receives the required proof of
27.4 insurance no later than the date and time specified in the citation for the driver's first court
27.5 appearance. If the charge is made other than by citation, no person shall be convicted of
27.6 violating this section if the person presents the required proof of insurance at the person's
27.7 first court appearance after the charge is made.

27.8 (c) If the driver is not the owner of the vehicle, the driver shall, no later than the
27.9 date and time specified in the citation for the driver's first court appearance, provide the

27.16 to be received five days after mailing and shall be sent to the owner's current address or the
27.17 address listed on the owner's driver's license. Within ten days after receipt of the notice,
27.18 the owner shall produce the required proof of insurance to the place stated in the notice
27.19 received by the owner. The required proof of insurance may be sent by mail by the owner
27.20 as long as it is received within ten days. Any owner who fails to produce proof of insurance

27.22 The peace officer may mail the citation to the owner's current address or address stated
27.23 on the owner's driver's license. It is an affirmative defense to a charge against the owner
27.24 that the driver used the owner's vehicle without consent, if insurance would not have been
27.25 required in the absence of the unauthorized use by the driver. It is not a defense that a
27.26 person failed to notify the Department of Public Safety of a change of name or address as
27.27 required under section 171.11. The citation may be sent after the ten-day period.

27.28 ~~(b)~~ (e) The court may impose consecutive sentences for offenses arising out of a
27.29 single course of conduct as permitted in section 609.035, subdivision 2.

27.30 ~~(e)~~ (f) In addition to the criminal penalty, the driver's license of an operator convicted
27.31 under this section shall be revoked for not more than 12 months. If the operator is also an
27.32 owner of the vehicle, the registration of the vehicle shall also be revoked for not more
27.33 than 12 months. Before reinstatement of a driver's license or registration, the operator
27.34 shall file with the commissioner of public safety the written certificate of an insurance
27.35 carrier authorized to do business in this state stating that security has been provided by the
27.36 operator as required by section 65B.48.

28.2 section on all forms for registration of vehicles required to maintain a plan of reparation
28.3 security.

28.4 Sec. 3. Minnesota Statutes 2010, section 260C.331, subdivision 3, is amended to read:

28.5 Subd. 3. **Court expenses.** The following expenses are a charge upon the county
28.6 in which proceedings are held upon certification of the judge of juvenile court or upon
28.7 such other authorization provided by law:

28.8 (1) the fees and mileage of witnesses, and the expenses and mileage of officers
28.9 serving notices and subpoenas ordered by the court, as prescribed by law;

28.10 (2) the expense of transporting a child to a place designated by a child-placing agency
28.11 for the care of the child if the court transfers legal custody to a child-placing agency;

28.12 (3) the expense of transporting a minor to a place designated by the court;

28.13 (4) reasonable compensation for an attorney appointed by the court to serve as
28.14 counsel.

28.15 The State Guardian Ad Litem Board shall pay for guardian ad litem expenses
28.16 and reasonable compensation for an attorney to serve as counsel for a guardian ad

28.22 in this paragraph, the court shall impose and the court administrator shall collect a \$75
28.23 surcharge on every person convicted of any felony, gross misdemeanor, misdemeanor, or
28.24 petty misdemeanor offense, other than a violation of a law or ordinance relating to vehicle
28.25 parking, for which there shall be a \$12 surcharge. When a defendant is convicted of more
28.26 than one offense in a case, the surcharge shall be imposed only once in that case. In the
28.27 Second Judicial District, the court shall impose, and the court administrator shall collect,
28.28 an additional \$1 surcharge on every person convicted of any felony, gross misdemeanor,
28.29 misdemeanor, or petty misdemeanor offense, including a violation of a law or ordinance
28.30 relating to vehicle parking, if the Ramsey County Board of Commissioners authorizes the
28.31 \$1 surcharge. The surcharge shall be imposed whether or not the person is sentenced to
28.32 imprisonment or the sentence is stayed. The surcharge shall not be imposed when a person
28.33 is convicted of a petty misdemeanor for which no fine is imposed.

(b) If the court fails to impose a surcharge as required by this subdivision, the court administrator shall show the imposition of the surcharge, collect the surcharge, and correct the record.

(c) The court may not waive payment of the surcharge required under this subdivision. Upon a showing of indigency or undue hardship upon the convicted person or the convicted person's immediate family, the sentencing court may authorize payment of the surcharge in installments.

(d) The court administrator or other entity collecting a surcharge shall forward it to the commissioner of management and budget.

(e) If the convicted person is sentenced to imprisonment and has not paid the surcharge before the term of imprisonment begins, the chief executive officer of the correctional facility in which the convicted person is incarcerated shall collect the surcharge from any earnings the inmate accrues from work performed in the facility or while on conditional release. The chief executive officer shall forward the amount collected to the court administrator or other entity collecting the surcharge imposed by the court.

(f) A person who ~~successfully completes a diversion or similar program~~ enters a diversion program, continuance without prosecution, continuance for dismissal, or stay of adjudication for a violation of chapter 169 must pay the surcharge described in this subdivision. A surcharge imposed under this paragraph shall be imposed only once per case.

(g) The surcharge does not apply to administrative citations issued pursuant to section 169.999.

Sec. 5. Minnesota Statutes 2010, section 563.01, subdivision 3, is amended to read:

Subd. 3. **Authorization of forma pauperis.** (a) Any court of the state of Minnesota or any political subdivision thereof may authorize the commencement or defense of any civil action, or appeal therein, without prepayment of fees, costs and security for costs by a natural person who makes affidavit stating (a) the nature of the action, defense or appeal, (b) a belief that affiant is entitled to redress, and (c) that affiant is financially unable to pay the fees, costs and security for costs.

(b) Upon a finding by the court that the action is not of a frivolous nature, the court shall allow the person to proceed in forma pauperis if the affidavit is substantially in the language required by this subdivision and is not found by the court to be untrue. Persons meeting the requirements of this subdivision include, but are not limited to, a person who is receiving public assistance, who is represented by an attorney on behalf of a civil legal

services program or a volunteer attorney program based on indigency, or who has an annual income not greater than 125 percent of the poverty line established under United States Code, title 42, section 9902(2), except as otherwise provided by section 563.02.

ARTICLE 4

PUBLIC DEFENDERS

Section 1. Minnesota Statutes 2010, section 609.131, subdivision 1, is amended to read:

Subdivision 1. **General rule.** Except as provided in subdivision 2, an alleged misdemeanor violation must be treated as a petty misdemeanor if the prosecuting attorney believes that it is in the interest of justice that the defendant not be imprisoned if convicted and certifies that belief to the court at or before the time of arraignment or pretrial hearing, and the court approves of the certification motion. Prior to the appointment of a public defender to represent a defendant charged with a misdemeanor, the court shall inquire of the prosecutor whether the prosecutor intends to certify the case as a petty misdemeanor. The defendant's consent to the certification is not required. When an offense is certified as a petty misdemeanor under this section, ~~the defendant's eligibility for court-appointed counsel must be evaluated as though the offense were a misdemeanor~~ defendant is not eligible for the appointment of a public defender.

Sec. 2. Minnesota Statutes 2010, section 611.16, is amended to read:

611.16 REQUEST FOR APPOINTMENT OF PUBLIC DEFENDER.

~~Any person described in section 611.14 or any other person entitled by law to representation by counsel,~~ may at any time request the court in which the matter is pending, or the court in which the conviction occurred, to appoint a public defender to represent the

31.1 person. In a proceeding defined by ~~clause (2) of~~ section 611.14, clause (2), application for
31.2 the appointment of a public defender may also be made to a judge of the Supreme Court.

31.3 Sec. 3. Minnesota Statutes 2010, section 611.17, is amended to read:

31.4 **611.17 FINANCIAL INQUIRY; STATEMENTS; CO-PAYMENT;**
31.5 **STANDARDS FOR DISTRICT PUBLIC DEFENSE ELIGIBILITY.**

31.6 (a) Each judicial district must screen requests for representation by the district public
31.7 defender. A defendant is financially unable to obtain counsel if:

31.8 ~~(1) the defendant, or any dependent of the defendant who resides in the same~~
31.9 ~~household as the defendant, receives means-tested governmental benefits; or is charged~~
31.10 ~~with a misdemeanor and has an annual household income not greater than 125 percent of~~
31.11 ~~the poverty guidelines updated periodically in the Federal Register by the United States~~
31.12 ~~Department of Health and Human Services under the authority of United States Code,~~
31.13 ~~title 42, section 9902(2);~~

31.14 (2) the defendant is charged with a gross misdemeanor and has an annual household
31.15 income not greater than 150 percent of the poverty guidelines updated periodically in the
31.16 Federal Register by the United States Department of Health and Human Services under
31.17 the authority of United States Code, title 42, section 9902(2);

31.18 (3) the defendant is charged with a felony and has an annual household income not
31.19 greater than 175 percent of the poverty guidelines updated periodically in the Federal
31.20 Register by the United States Department of Health and Human Services under the
31.21 authority of United States Code, title 42, section 9902(2); or

31.22 ~~(2) (4) the court determines that~~ the defendant, through any combination of liquid
31.23 assets and current income, would be unable to pay the reasonable costs charged by private
31.24 counsel in that judicial district for a defense of the same matter.

31.25 (b) Upon a request for the appointment of counsel, the court shall make an
31.26 appropriate inquiry into the determination of financial circumstances eligibility under
31.27 paragraph (a) of the applicant, who shall submit a financial statement under oath or
31.28 affirmation setting forth the applicant's assets and liabilities, including the value of any
31.29 real property owned by the applicant, whether homestead or otherwise, less the amount of
31.30 any encumbrances on the real property, the source or sources of income, and any other
31.31 information required by the court. The applicant shall be under a continuing duty while
31.32 represented by a public defender to disclose any changes in the applicant's financial
31.33 ~~circumstances that might be relevant to the applicant's eligibility for a public defender.~~
31.34 The state public defender shall furnish appropriate forms for the financial statements,
31.35 which must be used by the district courts throughout the state. The forms must contain

conspicuous notice of the applicant's continuing duty to disclose to the court changes in the applicant's financial circumstances. The forms must also contain conspicuous notice of the applicant's obligation to make a co-payment for the services of the district public defender, as specified under paragraph (c). The information contained in the statement shall be confidential and for the exclusive use of the court and the public defender ~~appointed by the court to represent the applicant~~ except for any prosecution under section 609.48. A refusal to execute the financial statement or produce financial records constitutes a waiver of the right to the appointment of a public defender. The court shall not appoint a district public defender to a defendant who is financially able to retain private counsel but refuses to do so.

An inquiry to determine financial eligibility of a defendant for the appointment of the district public defender shall be made whenever possible prior to the court appearance and by such persons as the court may direct. This inquiry may be combined with the prerelease investigation provided for in Minnesota Rule of Criminal Procedure 6.02, subdivision 3. ~~In no case shall the district public defender be required to perform this inquiry or investigate the defendant's assets or eligibility. The court has the sole duty to conduct a financial inquiry.~~ The inquiry must include the following:

(1) the liquidity of real estate assets, including the defendant's homestead;
(2) any assets that can be readily converted to cash or used to secure a debt;
(3) the determination of whether the transfer of an asset is voidable as a fraudulent conveyance; and

(4) the value of all property transfers occurring on or after the date of the alleged offense. The burden is on the accused to show that the accused is financially unable to afford counsel. Defendants who fail to provide information necessary to determine eligibility shall be deemed ineligible. The court must not appoint the district public defender as advisory counsel.

(c) Upon disposition of the case, an individual who has received public defender services shall pay to the court a \$75 co-payment for representation provided by a public defender, unless the co-payment is, or has been, reduced in part or waived by the court.

The co-payment must be credited to the general fund. If a term of probation is imposed as a part of an offender's sentence, the co-payment required by this section must not be made a condition of probation. The co-payment required by this section is a civil obligation and must not be made a condition of a criminal sentence.

(d) The court shall not appoint a public defender to a defendant who is financially able to retain counsel but refuses to do so, refuses to execute the financial statement or

33.1 refuses to provide information necessary to determine financial eligibility under this
33.2 section, or waives appointment of a public defender under section 611.19.

33.3 Sec. 4. Minnesota Statutes 2010, section 611.18, is amended to read:

33.4 **611.18 APPOINTMENT OF PUBLIC DEFENDER.**

33.5 If it appears to a court that a person requesting the appointment of counsel satisfies
33.6 the requirements of this chapter, the court shall order the ~~appropriate~~ public defender to
33.7 represent the person ~~at all further stages of the proceeding through appeal, if any.~~ For a
33.8 person appealing from a conviction, or a person pursuing a postconviction proceeding
33.9 and who has not already had a direct appeal of the conviction, according to the standards
33.10 of sections 611.14, clause (2), and 611.25, subdivision 1, paragraph (a), clause (2), the
33.11 ~~state chief appellate~~ public defender shall be appointed. For a person covered by section
33.12 611.14, clause (1), a (3), or (4), the chief district public defender shall be appointed to
33.13 represent that person. ~~If (a) conflicting interests exist, (b) the district public defender for~~
33.14 ~~any other reason is unable to act, or (c) the interests of justice require, the state public~~
33.15 ~~defender may be ordered to represent a person. When the state public defender is directed~~
33.16 ~~by a court to represent a defendant or other person, the state public defender may assign~~
33.17 ~~the representation to any district public defender.~~ If at any stage of the proceedings;
33.18 ~~including an appeal,~~ the court finds that the defendant is financially unable to pay counsel
33.19 whom the defendant had retained, the court may appoint the ~~appropriate~~ public defender
33.20 to represent the defendant, as provided in this section. Prior to any court appearance, a
33.21 public defender may represent a person accused of violating the law, who appears to be
33.22 financially unable to obtain counsel, ~~and shall continue to represent the person unless it~~
33.23 ~~is subsequently determined that the person is financially able to obtain counsel.~~ The
33.24 representation may be made available at the discretion of the public defender, ~~upon the~~
33.25 ~~request of the person or someone on the person's behalf. Any law enforcement officer may~~
33.26 ~~notify the public defender of the arrest of any such person.~~

33.27 Sec. 5. Minnesota Statutes 2010, section 611.20, subdivision 3, is amended to read:

33.28 Subd. 3. **Reimbursement.** In each fiscal year, the commissioner of management
33.29 and budget shall deposit the payments in the special revenue fund and credit them to a
33.30 separate account with the Board of Public Defense. The amount credited to this account is
33.31 appropriated to the Board of Public Defense.

33.32 The balance of this account does not cancel but is available until expended.
33.33 Expenditures by the board from this account for each judicial district public defense office
33.34 must be based on the amount of the payments received by the state from the courts in

each judicial district. ~~A district public defender's office that receives money under this subdivision shall use the money to supplement office overhead payments to part-time attorneys providing public defense services in the district. By January 15 of each year, the Board of Public Defense shall report to the chairs and ranking minority members of the senate and house of representatives divisions having jurisdiction over criminal justice funding on the amount appropriated under this subdivision, the number of cases handled by each district public defender's office, the number of cases in which reimbursements were ordered, and the average amount of reimbursement ordered, and the average amount of money received by part-time attorneys under this subdivision.~~

EFFECTIVE DATE. This section is effective July 1, 2011.

Sec. 6. Minnesota Statutes 2010, section 611.20, subdivision 4, is amended to read:

Subd. 4. **Employed defendants; ability to pay.** (a) A court shall order a defendant who is employed when a public defender is appointed, or who becomes employed while represented by a public defender, or who is or becomes able to make partial payments for counsel, to reimburse the state for the cost of the public defender. If reimbursement is required under this subdivision, the court shall order the reimbursement when a public defender is first appointed or as soon as possible after the court determines that reimbursement is required. The court may accept partial reimbursement from the defendant if the defendant's financial circumstances warrant a reduced reimbursement schedule. ~~The court may consider the guidelines in subdivision 6 in determining a defendant's reimbursement schedule.~~ If a defendant does not agree to make payments, the court may order the defendant's employer to withhold a percentage of the defendant's income to be turned over to the court. ~~The percentage to be withheld may be determined under subdivision 6.~~ In determining the percentage to be withheld, the court shall consider the income and assets of the defendant based on the financial statement provided by the defendant when applying for the public defender under section 611.17.

(b) If a court determines under section 611.17 that a defendant is financially unable to pay the reasonable costs charged by private counsel due to the cost of a private retainer fee, the court shall evaluate the defendant's ability to make partial payments or reimbursement.

Sec. 7. Minnesota Statutes 2010, section 611.27, subdivision 1, is amended to read:

Subdivision 1. **County payment responsibility District public defender budget.**
(a) A chief district public defender shall annually submit a comprehensive budget to the state Board of Public Defense. The budget shall be in compliance with standards and forms required by the board. The chief district public defender shall, at times and

in the form required by the board, submit reports to the board concerning its operations, including the number of cases handled and funds expended for these services.

(b) Money appropriated to the state Board of Public Defense for the board's administration, for the state public defender, for the judicial district public defenders, and for the public defense corporations shall be expended as determined by the board. In distributing funds to district public defenders, the board shall consider the geographic distribution of public defenders, the equity of compensation among the judicial districts, public defender case loads, and the results of the weighted case load study.

Sec. 8. Minnesota Statutes 2010, section 611.27, subdivision 5, is amended to read:

The board of public defense ~~may only~~ shall fund all those items and services ~~in necessary for the district public defender budgets which were included in the original budgets of district public defender offices as of January 1, 1990. All other public defense related costs remain the responsibility of the counties unless the state specifically appropriates for these. The cost of additional state funding of these items and services must be offset by reductions in local aids in the same manner as the original state takeover.~~ to satisfy its obligations under this chapter. Except as provided in section 611.26, subdivision 3a, counties shall not pay and no court shall order any county to pay for representation of individuals charged with a crime.

Sec. 9. REPEALER.

Minnesota Statutes 2010, section 611.20, subdivision 6, is repealed.
