 21.12 hours, exclusive of Saturdays, Sundays, and legal holidays, so long as the person agrees to
 21.13 abide by the disease control measures established by the board. The person shall sign an
 21.14 acknowledgment form prepared by the board evidencing the person's agreement to abide
 21.15 by the disease control measures established by the board.

21.16 (d) A person whose movements are restricted by an order under this subdivision may
 21.17 seek a district court hearing on the order at any time after it is served on the person. The
 21.18 hearing may be held by electronic means as soon as possible. The subject of the order may:

21.19 (1) contest imposition of the order on grounds that it is an abuse of the board's
 21.20 discretion under this section; or

21.21 (2) seek a variance from it to allow movement of a person inconsistent with the
 21.22 order, upon a showing that the person would otherwise suffer irreparable harm.

46.27 use, transporting, transferring, negotiating, soliciting, or exchanging food; having in

47.7 and distribution.

47.8 Sec. 28. **[34A.02] ADULTERATION.**

47.9 Subdivision 1. **Adulterated food.** Food is adulterated if:

47.10 (1) it bears or contains any poisonous or deleterious substance which may render it
47.11 injurious to human or animal health; but if the substance is not an added substance, the
47.12 item is not adulterated under this clause if the quantity of the substance in the item does
47.13 not ordinarily render it injurious to human or animal health;

47.14 (2) it bears or contains any added poisonous, deleterious, or nonnutritive substance,
47.15 other than one which is a pesticide in or on a raw agricultural commodity, a food additive,
47.16 or a color additive, that is unsafe within the meaning of section 31.122 or section 406
47.17 of the federal act;

47.18 (3) it bears or contains, by administration of a substance to the live animal or
47.19 otherwise, an added poisonous or harmful substance, other than a pesticide in or on a raw
47.20 agricultural commodity, a food additive, or a color additive, that may, in the judgment of
47.21 the commissioner, make the article unfit for human food;

47.22 (4) it is unsafe or bears or contains any food additive that is unsafe within the
47.23 meaning of section 31.122 or section 409 of the federal act;

47.24 (5) it is or bears or contains any color additive that is unsafe within the meaning of
47.25 section 31.122 or section 706 of the federal act;

47.26 (6) it is a raw agricultural commodity and it bears or contains a pesticide that is
47.27 unsafe within the meaning of section 31.122 or section 408 of the federal act;

47.28 (7) it consists in whole or in part of a diseased, contaminated, filthy, putrid, or
47.29 decomposed substance, or if it is otherwise unfit for food;

47.30 (8) it has been produced, prepared, packed, or held under unsanitary conditions
47.31 whereby it may have become contaminated with filth, or whereby it may have been
47.32 rendered diseased, unwholesome, or injurious to human or animal health;

47.33 (9) it is in whole or in part the product of a diseased animal or of an animal which
47.34 has died otherwise than by slaughter that is unsafe within the meaning of section 402(a)(1)

48.1 or (2) of the federal act, or of an animal that has been fed upon the uncooked offal from a
48.2 slaughterhouse;

48.3 (10) its container is wholly or partly composed of any poisonous or deleterious
48.4 substance that may render the contents injurious to human or animal health;

48.5 (11) it has been intentionally subjected to radiation, unless the use of the radiation
48.6 was in conformity with a rule, regulation, or exemption in effect pursuant to section
48.7 31.122 or section 409 of the federal act;

48.8 (12) any valuable constituent has been in whole or in part omitted or abstracted from
48.9 the food, if any substance has been substituted wholly or in part for the food, or if damage
48.10 or inferiority has been concealed in any manner. In the case of commercial feed, the
48.11 substituted constituent must be of lesser value in order to be adulterated;

48.12 (13) any substance has been added to it or mixed or packed with it so as to increase
48.13 its bulk or weight, reduce its quality or strength, or make it appear better or of greater
48.14 value than it is;

48.15 (14) its composition or quality falls below or differs from that which it is purported
48.16 or is represented to possess by its labeling; or

48.17 (15) it is confectionery and:

48.18 (i) has partially or completely imbedded in the food any nonnutritive object,
48.19 provided that this clause does not apply in the case of any nonnutritive object if in the
48.20 judgment of the commissioner, as provided by rules, the object is of practical functional
48.21 value to the confectionery product and would not render the product injurious or hazardous
48.22 to human or animal health; or

48.23 (ii) bears or contains any nonnutritive substance, provided that this item does not
48.24 apply to a confection containing alcohol as defined in section 31.76, or a safe nonnutritive
48.25 substance which is in or on confectionery by reason of its use for some practical functional
48.26 purpose in the manufacture, packaging, or storing of the confectionery if the use of the
48.27 substance does not promote deception of the consumer or otherwise result in adulteration
48.28 or misbranding in violation of this chapter, and provided further that the commissioner
48.29 may, for the purpose of avoiding or resolving uncertainty as to the application of this
48.30 clause, issue rules allowing or prohibiting the use of particular nonnutritive substances.

48.31 Subd. 2. **Commercial feed or material.** For only commercial feed or material
48.32 exempted from the definition of commercial feed under section 25.33, subdivision 5,
48.33 an item is adulterated if:

48.34 (1) it contains viable weed seeds in amounts exceeding limits established by the
48.35 commissioner by rule or in sections 21.71 to 21.78;

49.1 (2) it is, bears, or contains any new animal drug which is unsafe within the meaning
49.2 of section 512 of the federal act; or

49.3 (3) it contains a drug and the methods used in or the facilities or controls used for its
49.4 manufacture, processing, or packaging do not conform to the current good manufacturing
49.5 practice rules promulgated by the commissioner to ensure that the drug meets the safety
49.6 requirements of sections 25.31 to 25.43 and has the identity and strength and meets the
49.7 quality and purity characteristics that it purports or is represented to possess. In adopting
49.8 rules under this clause, the commissioner shall adopt the current good manufacturing
49.9 practice rules for medicated feed premixes and for medicated feeds established under
49.10 authority of the federal act, unless the commissioner determines that they are not
49.11 appropriate to the conditions that exist in this state.

49.12 Sec. 29. **[34A.03] MISBRANDING.**

49.13 (a) Food is misbranded if:

49.14 (1) its labeling is false or misleading in any particular or its labeling, whether on
49.15 the item itself, its container, or its package, fails to conform with the requirements of
49.16 this chapter;

49.17 (2) it is offered for sale or distributed under the name of another food;

49.18 (3) it is an imitation of another food for which a definition and standard of identity
49.19 have been prescribed by rules as provided by sections 31.10 and 31.102, or if it is an
49.20 imitation of another food that is not subject to clause (5), unless in either case its label
49.21 bears in type of uniform size and prominence the word "imitation" and immediately
49.22 thereafter the name of the food imitated;

49.23 (4) its container is so made, formed, or filled as to be misleading;

49.24 (5) it purports to be or is represented as a food for which a definition and standard
49.25 of identity have been prescribed by rules as provided by sections 31.10, 31.102, and
49.26 31A.07 unless it conforms to that definition and standard, and its label bears the name
49.27 of the food specified in the definition and standard, and insofar as may be required by
49.28 the rules, the common names of optional ingredients, other than spices, flavoring, and
49.29 coloring, present in the food;

49.30 (6) it purports to be or is represented as:

49.31 (i) a food for which a standard of quality has been prescribed by rules as provided by
49.32 sections 31.10 and 31.102, and its quality falls below that standard unless its label bears in
49.33 a manner and form that the rules specify, a statement that it falls below the standard; or

49.34 (ii) a food for which a standard or standards of fill of container have been prescribed
49.35 by rule as provided by sections 31.10, 31.102, and 31A.07, and which falls below the

50.1 standard of fill of container applicable thereto unless its label bears, in a manner and form
50.2 that the rules specify, a statement that it falls below the standard;

50.3 (7) it is not subject to clause (5), unless it bears labeling clearly giving the common
50.4 or usual name of the food, if there is one, and in case it is fabricated from two or more
50.5 ingredients, the common or usual name of each ingredient, except that spices, flavorings,
50.6 and colorings, other than those sold as such, may be designated as spices, flavorings, and
50.7 colorings, without naming each, provided that to the extent that compliance with the
50.8 requirements of this clause is impractical or results in deception or unfair competition,
50.9 exemptions must be established by rules promulgated by the commissioner;

50.10 (8) it purports to be or is represented for special dietary uses, unless its label
50.11 bears information concerning its vitamin, mineral, and other dietary properties as the
50.12 commissioner determines to be, and by rules prescribed as, necessary in order to fully
50.13 inform purchasers as to its value for those uses;

50.14 (9) it bears or contains any artificial flavoring, artificial coloring, or chemical
50.15 preservative, unless it bears labeling stating that fact, provided that, to the extent that
50.16 compliance with the requirements of this clause is impracticable, exemptions must be
50.17 established by rules promulgated by the commissioner. The provisions of this clause and
50.18 clauses (5) and (7) with respect to artificial coloring do not apply to butter, cheese, or ice
50.19 cream. The provisions with respect to chemical preservatives do not apply to a pesticide
50.20 when used in or on a raw agricultural commodity which is the product of the soil;

50.21 (10) it is a product intended as an ingredient of another food and when used
50.22 according to the directions of the purveyor will result in the final food product being
50.23 adulterated or misbranded;

50.24 (11) it is a color additive unless its packaging and labeling are in conformity with
50.25 such packaging and labeling requirements applicable to the color additive prescribed
50.26 under the provisions of the federal act;

50.27 (12) it is food subject to section 31.101, subdivision 10, or chapter 31A, that fails to
50.28 bear, directly or on its container, as the commissioner by rule prescribes, the inspection
50.29 legend and other information the commissioner may require by rule to ensure that it
50.30 will not have false or misleading labeling, and that the public will be told how to keep
50.31 the article wholesome; or

50.32 (13) its labeling would deceive or mislead the purchaser with respect to its
50.33 composition or suitability.

50.34 (b) Food is also misbranded if it is a raw agricultural commodity which is the
50.35 product of the soil, bearing or containing a pesticide applied after harvest, unless the
50.36 shipping container of that commodity bears labeling which declares the presence of the

51.1 chemical in or on the commodity and the common or usual name and the function of the
51.2 chemical. No such declaration is required while the commodity, having been removed
51.3 from the shipping container, is being held or displayed for sale at retail out of the container
51.4 in accordance with the custom of the trade.

51.5 Sec. 30. **[34A.031] APPLICABILITY TO CHAPTERS 25 AND 32.**

51.6 The enforcement provisions in this chapter do not apply to violations of chapters
51.7 25 and 32.

51.8 Sec. 31. **[34A.04] ENFORCEMENT.**

51.9 Subdivision 1. **Enforcement required.** (a) The commissioner shall enforce this
51.10 chapter and chapters 28, 28A, 29, 30, 31, 31A, and 34. To carry out the enforcement duties
51.11 under these chapters, the commissioner may, upon presenting appropriate credentials,
51.12 during regular working hours and at other reasonable times, inspect premises subject
51.13 to the commissioner's enforcement and licensing authority; require information from
51.14 persons with information relevant to an inspection; and inspect and copy relevant papers
51.15 and records, including business records.

51.16 (b) The commissioner may administer oaths, take and cause to be taken depositions
51.17 of witnesses, and issue subpoenas, and may petition the district court in the county in which
51.18 the premises is located to compel compliance with subpoenas or to permit an inspection.

51.19 (c) Violations of chapters 28, 28A, 29, 30, 31, 31A, and 34, or rules adopted under
51.20 chapters 28, 28A, 29, 30, 31, 31A, and 34 are a violation of this chapter. The enforcement
51.21 provisions in this chapter do not apply to violations of chapters 25 and 32.

51.22 (d) Upon the request of the commissioner, county attorneys, sheriffs, and other
51.23 officers having authority in the enforcement of the general criminal laws shall take action
51.24 to the extent of their authority necessary or proper for the enforcement of this chapter or
51.25 standards, stipulations, and agreements of the commissioner.

51.26 Subd. 2. **Commissioner's discretion.** If minor violations of this chapter occur or
51.27 the commissioner believes the public interest will be best served by a suitable notice of
51.28 warning in writing, this chapter does not require the commissioner to take any additional
51.29 action.

51.30 Subd. 3. **Criminal actions.** Each county attorney or city attorney to whom the
51.31 commissioner reports any violation of this chapter shall institute appropriate proceedings
51.32 in the proper courts without delay and prosecute them in the manner required by law. If
51.33 the county or city attorney refuses to prosecute, the attorney general, on request of the
51.34 commissioner, may prosecute.

52.1 Sec. 32. **[34A.05] FALSE STATEMENT OR RECORD.**

52.2 A person must not knowingly make or offer a false statement, record, or other
52.3 information as part of:

52.4 (1) an application for registration, listing, license, certification, or permit subject
52.5 to this chapter;

52.6 (2) records or reports required subject to this chapter; or

52.7 (3) an investigation of a violation of this chapter.

52.8 Sec. 33. **[34A.051] ILLEGAL SALES.**

52.9 It is a violation of law to sell, in or into Minnesota, food that is from a place of
52.10 business located outside of Minnesota that has not been licensed, inspected, permitted,
52.11 or otherwise approved by the local, tribal, state, or national government charged with
52.12 enforcement of food safety regulations in that jurisdiction or by Minnesota, unless the
52.13 product itself has been so inspected and approved and bears a stamp or similar indicia
52.14 of such inspection and approval.

52.15 Sec. 34. **[34A.06] ADMINISTRATIVE ACTIONS.**

52.16 Subdivision 1. **Administrative enforcement.** (a) The commissioner may enforce
52.17 this chapter by written warning, administrative meeting, cease and desist, forced sale,
52.18 detention, embargo, condemnation, citation, corrective action order, seizure, agreement,
52.19 withdrawal from distribution, or administrative penalty if the commissioner determines
52.20 that the remedy is in the public interest.

52.21 (b) For facilities required to submit a plan review under Minnesota Rules, chapter
52.22 4626, the commissioner may withdraw by written order the approval of a facility or
52.23 equipment if:

52.24 (1) hazards to human life exist; or

52.25 (2) there is satisfactory evidence that the person to whom the approval was issued
52.26 has used fraudulent or deceptive practices to evade or attempt to evade provisions of
52.27 this chapter.

52.28 (c) Any action under this subdivision may be appealed pursuant to section 34A.08.

52.29 Subd. 2. **License revocation, suspension, and refusal.** (a) The commissioner
52.30 may revoke, suspend, limit, modify, or refuse to grant or renew a registration, listing,
52.31 permit, license, or certification if a person violates or has violated this chapter within
52.32 the last three years.

52.33 (b) The commissioner may revoke, suspend, limit, modify, or refuse to grant or
52.34 renew a registration, listing, permit, license, or certification to a person from another state

53.1 if that person has had a registration, permit, license, or certification denied, revoked,
53.2 or suspended by another state for an offense reasonably related to the requirements,
53.3 qualifications, or duties of a registration, permit, license, or certification issued under
53.4 this chapter.

53.5 (c) The commissioner may revoke, suspend, limit, modify, or refuse to grant or
53.6 renew a registration, listing, permit, license, or certification to a person after receiving
53.7 satisfactory evidence that the registrant, permittee, licensee, or certificate holder has used
53.8 fraudulent and deceptive practices in the evasion or attempted evasion of this chapter.

53.9 (d) A registration, listing, permit, license, or certification may not be revoked or
53.10 suspended until the registrant, permittee, licensee, or certificate holder has been given
53.11 opportunity for a hearing by the commissioner. After receiving notice of revocation or
53.12 suspension, a registrant, permittee, licensee, registrant, or certificate holder has ten days to
53.13 request a hearing, or another time period mutually agreed to by both parties. If no request is
53.14 made within ten days or other agreed-upon time, the registration, listing, permit, license, or
53.15 certification is revoked or suspended. In the case of a refusal to grant a registration, listing,
53.16 permit, license, or certification, the registrant, permittee, licensee, registrant, or certificate
53.17 holder has ten days from notice of refusal to request a hearing. Upon receiving a request
53.18 for hearing, the department shall proceed pursuant to section 34A.08, subdivision 2.

53.19 Sec. 35. **[34A.07] ADMINISTRATIVE PENALTIES.**

53.20 Subdivision 1. **Assessment.** (a) In determining the amount of the administrative
53.21 penalty, the commissioner shall consider the economic gain received by the person
53.22 allowing or committing the violation, the gravity of the violation in terms of actual or
53.23 potential damage to human or animal health and the environment, the willfulness of
53.24 the violation, the number of violations, the history of past violations, and other factors
53.25 justice may require, if the additional factors are specifically identified in the inspection
53.26 report. For a violation after an initial violation, the commissioner shall also consider the
53.27 similarity of the most recent previous violation and the violation to be penalized, the time
53.28 elapsed since the last violation, the number of previous violations, and the response of
53.29 the person to the most recent previous violation identified.

53.30 (b) The commissioner may issue an administrative citation assessing an
53.31 administrative penalty of up to \$1,500 for each violation of this chapter. Each day a
53.32 violation continues is a separate violation. The citation must describe the nature of the
53.33 violation, the statute or rule alleged to have been violated, the time for correction, if
53.34 applicable, and the amount of any proposed fine. The citation must advise the person to
53.35 notify the commissioner in writing within 20 days, or another time period mutually agreed

54.1 to by the commissioner and the person subject to the citation, if the person wishes to
54.2 appeal the citation, and that if the person fails to appeal the citation, the citation is the
54.3 final order and not subject to further review.

54.4 (c) An administrative penalty may be assessed if the person subject to a written order
54.5 does not comply with the order in the time provided in the order.

54.6 Subd. 2. **Collection of penalty.** If a person subject to an administrative penalty fails
54.7 to pay the penalty, which must be part of a final citation by the commissioner, by 30 days
54.8 after the final order is issued, the commissioner may commence an administrative action
54.9 for double the assessed penalty.

54.10 **Sec. 36. [34A.08] APPEAL OF ADMINISTRATIVE ACTION OR PENALTY.**

54.11 Subdivision 1. **Notice of appeal.** (a) After service of a citation under section 34A.07
54.12 or order under section 34A.06, subdivision 1, a person has 20 days from receipt of the
54.13 citation or order, or another time period mutually agreed to by the commissioner and the
54.14 person subject to the citation or order, to notify the commissioner in writing that the
54.15 person intends to contest the citation or order through a hearing. The hearing request
54.16 must specifically identify the order or citation being contested and state the grounds for
54.17 contesting it.

54.18 (b) If the person fails to notify the commissioner that the person intends to contest
54.19 the citation or order, the citation or order is final and not subject to further administrative
54.20 review.

54.21 Subd. 2. **Administrative review.** If a person notifies the commissioner that
54.22 the person intends to contest a citation or order issued under this chapter, the Office
54.23 of Administrative Hearings shall conduct a hearing in accordance with the applicable
54.24 provisions of chapter 14 for hearings in contested cases.

54.25 **Sec. 37. [34A.10] CRIMINAL PENALTIES.**

54.26 Subdivision 1. **General violation.** Except as provided in subdivisions 2 and 3, a
54.27 person is guilty of a misdemeanor if the person violates this chapter or an order, standard,
54.28 citation, stipulation, agreement, or schedule of compliance of the commissioner, or
54.29 impedes, hinders, or otherwise prevents, or attempts to prevent the commissioner or a
54.30 duly authorized agent, in performance of a duty in connection with this chapter. Unless
54.31 otherwise specified in this chapter, each separate violation is a separate offense, except
54.32 that in the case of a violation through continuing failure or neglect to obey this chapter,
54.33 each day the failure or neglect continues is a separate offense.

55.1 Subd. 2. **Violation endangering humans or animals.** A person is guilty of a
55.2 gross misdemeanor if the person violates this chapter or an order, standard, stipulation,
55.3 agreement, or schedule of compliance of the commissioner and the violation endangers
55.4 humans or animals.

55.5 Subd. 3. **Violation with knowledge.** A person is guilty of a gross misdemeanor if
55.6 the person knowingly violates this chapter or an order, standard, stipulation, agreement, or
55.7 schedule of compliance of the commissioner.

55.9 Subdivision 1. **Tag, notice, or withdrawal from distribution.** If the commissioner
55.10 finds probable cause to believe that any food, animal, or consumer commodity is being
55.11 distributed in violation of this chapter or rules under this chapter, or is adulterated or so
55.12 misbranded as to be dangerous or fraudulent, the commissioner shall affix to the food,
55.13 animal, or consumer commodity a tag, withdrawal from distribution order, or other
55.14 appropriate marking giving notice that the food, animal, or consumer commodity is, or is
55.15 suspected of being, adulterated, misbranded, or distributed in violation of this chapter,
55.16 and has been detained or embargoed, and warning all persons not to remove or dispose
55.17 of the food, animal, or consumer commodity by sale or otherwise until permission for
55.18 removal or disposal is given by the commissioner or the court. It is unlawful for a person
55.19 to remove or dispose of a detained or embargoed food, animal, or consumer commodity by
55.20 sale or otherwise without the commissioner's or a court's permission and each transaction

55.24 commerce, or is held for sale in this state after transportation in intrastate commerce, may
55.25 be proceeded against, seized, and condemned if:

55.26 (1) it is or has been prepared, sold, transported, or otherwise distributed, offered, or
55.27 received for distribution in violation of this chapter;

55.28 (2) it is usable as human food and is adulterated or misbranded; or

55.29 (3) it is in any other way in violation of this chapter.

55.30 Subd. 3. **Action for condemnation.** If food or an article or animal detained or

55.32 or misbranded or in violation of this chapter, the commissioner shall petition the district
55.33 court in the county in which the food or animal is detained or embargoed for an order and
55.34 decree for the condemnation of the food or animal. The commissioner shall release the

56.1 food or animal when this chapter and rules adopted under this chapter have been complied
56.2 with or the food or animal is found to be not adulterated or misbranded.

56.3 Subd. 4. Remedies. If the court finds that a detained or embargoed food or animal
56.4 is adulterated, misbranded, or in violation of this chapter or rules adopted under this
56.5 chapter, the following remedies are available:

56.6 (1) after entering a decree, the food or animal may be destroyed at the expense of
56.7 the claimant under the supervision of the commissioner, and all court costs, fees, storage,
56.8 and other proper expenses must be assessed against the claimant of the food or animal or
56.9 the claimant's agent; and

56.10 (2) if adulteration or misbranding can be corrected by proper labeling or processing
56.11 of the food or animal, the court, after entry of the decree and after costs, fees, and expenses
56.12 have been paid and a good and sufficient bond, conditioned that the food or animal must
56.13 be properly labeled or processed, has been executed, may by order direct that the food or
56.14 animal be delivered to the claimant for proper labeling or processing under the supervision
56.15 of the commissioner. The expense of the supervision must be paid by the claimant. The
56.16 food or animal must be returned to the claimant and the bond must be discharged on the
56.17 representation to the court by the commissioner that the food or animal is no longer in
56.18 violation and that the expenses for the supervision have been paid.

56.19 Subd. 5. Duties of commissioner. If the commissioner finds in any room, building,
56.20 vehicle of transportation, or other structure any meat, seafood, poultry, vegetable, fruit, or
56.21 other perishable articles of food that are unsound, or contain any filthy, decomposed, or
56.22 putrid substance, or that may be poisonous or deleterious to health or otherwise unsafe, the
56.23 commissioner shall condemn or destroy the item or in any other manner render the item as
56.24 unsalable as human food, and no one has any cause of action against the commissioner
56.25 on account of the commissioner's action.

56.26 Subd. 6. Emergency response. If the governor declares an emergency order under
56.27 section 12.31 and if the commissioner finds or has probable cause to believe that livestock,
56.28 food, or a consumer commodity within a specific area is likely to be adulterated because
56.29 of the emergency or so misbranded as to be dangerous or fraudulent, or is in violation of
56.30 section 31.131, subdivision 1, the commissioner may embargo a geographic area that is
56.31 included in the declared emergency. The commissioner shall provide notice to the public

If it is sold, the proceeds must be paid to the state, less the court costs and fees and storage and other proper expenses, but the article or animal must not be sold contrary to this chapter, the Federal Meat Inspection Act, or the Federal Food, Drug, and Cosmetic Act. If a bond is delivered conditioned that the article or animal must not be sold or otherwise disposed of contrary to this chapter or federal law, the court may direct that the article or animal be delivered to its owner subject to supervision by authorized representatives of the commissioner that is necessary to assure compliance with the applicable laws.

32.078 SUSPENSION OR CANCELLATION.

The commissioner is empowered to suspend or cancel any license issued pursuant to the provisions of sections 32.071 to 32.076 after a hearing upon written notice containing the grounds therefor, which notice shall be served personally upon the licensee or the licensee's agent at least five days prior to such hearing.

A board of health may also make an investigation and determination independently, without having received a complaint. The fact that a board of health has investigated and determined that rabies does not exist in a jurisdiction does not deprive the executive director of the Board of Animal Health of jurisdiction or authority to make an investigation and determination with reference to the territory. The term includes warehouses where grain stored for different owners is mixed with the grain of other owners and where the identity of the different lots or parcels is not preserved and warehouses where grain other than that of the warehouse operator is stored in separate bins and its identity preserved.

233.015 EXCLUSION.

Provisions of sections 233.03, 233.04, 233.06, and 233.09 that relate to grade and dockage do not apply to a public terminal warehouse if:

grain's correct grade and weight. The manner of receipt of the grain must be stated in the receipt, along with the number and distinctive mark of each car, and the name of each barge or other vessel. The failure to issue a receipt as directed or the issuance of a warehouse receipt that does not comply with this section is a misdemeanor. A warehouse receipt may, at the request of the owner or consignee, provide for delivery of the grain it represents to the depositor or another specified person, and may have printed or stamped on it the words "nonnegotiable."

233.05 WAREHOUSE OPERATOR NOT TO SELL WITHOUT AUTHORITY FROM OWNER.

A warehouse operator may not, in violation of this chapter, sell or otherwise dispose of or deliver out of store any grain stored in the warehouse without the express authority of its owner and the return of the storage receipt, mix together grain of different grades in store, select grain of different qualities but of the same grade for storage or delivery, tamper with grain of others while in the operator's possession or custody with the purpose of securing personal profit or a profit for another person, or attempt to deliver grain of one grade for that of another. The warehouse operator shall issue to the owner or consignee, distinguishing whether owner or consignee, a warehouse receipt or receipts for all or any part of the grain. Every warehouse receipt must contain the name of the owner or consignee and state the amount, kind, and grade of grain for which the receipt is issued and that the grain of the owner or consignee is stored separately from the grain of any other owner or consignee. The warehouse operator shall, on presentation and surrender of the warehouse receipt bearing the proper endorsement of the person to whom it was issued, deliver to the person surrendering the receipt the amounts of the same grain demanded and of the same grade as called for by receipt. The warehouse operator, at the request of the owner or consignee, shall clean, dry, mix or otherwise improve the condition or value of the grain, and it must be delivered separately from the grain of any other owner or consignee upon the order of the owner or consignee, in accordance with the terms of the warehouse receipt issued for it and endorsed by the owner or consignee. A special bin receipt, at the request of the owner or consignee, may have printed or stamped on it the words "nonnegotiable" and the delivery of the identical grain described in it must be a sufficient delivery and satisfaction of the receipt.

233.07 INSPECTION AT PUBLIC TERMINAL WAREHOUSE.

Grain received at a public terminal warehouse must be inspected and graded at the time of its receipt by an inspector licensed by the United States Department of Agriculture under the United States Grain Standards Act if the grain has not previously been inspected by a licensed inspector. No inspection is required of grain being moved between elevators owned or operated by the same person, firm, or corporation. Interested parties have the right of reinspection and appeal.

233.08 LICENSE.

No public terminal warehouse may be operated or receive grain for storage until the owners or parties in charge and operating the warehouse obtain a license from the department authorizing the warehouse operator to operate a warehouse under this chapter. Licenses issued or renewed annually expire at midnight on June 30 following the date of issuance or renewal. Before a license may be issued, written application must be made to the department for a license specifying the kind of warehouse, the nature of its construction, its capacity and location, the name of the firm or corporation operating it, each member of the firm or officer of the corporation, and other facts the department requires. The department shall act on the application with reasonable dispatch. If no reason exists for refusing the application, a license must be issued upon the payment of the fee set by the commissioner. The amount of the fee must be set to cover the costs of administering and enforcing this chapter.

A license may be revoked by the department for violation of the law or a rule of the department, but may only be revoked upon a written notice or complaint specifying the charges and after a hearing before the department. A license may be refused to a warehouse operator whose license has been revoked within the preceding year.

APPENDIX

The operator shall also make a daily statement to the registrar of:

The operator shall furnish the registrar further information regarding receipts issued or canceled necessary for a correct record of the receipts and of grain received and delivered. The operator shall send a verified statement to the department of the condition and management of each terminal warehouse under the operator's control at the times and in the form the department requires.

A warehouse operator operating a public terminal warehouse located within the switching limits of St. Paul, Minneapolis, Duluth, or other terminal points under section 233.01, subdivision 3, shall annually publish a schedule of storage rates for the ensuing year. The schedule must be published during the first week in July in a newspaper published in the place where the warehouse is situated. The newspaper in which the rates are published must be a daily, if there is one. The rates may not be increased during the year and the warehouse operator may not discriminate in applying rates. The charges for receiving, handling, and delivering grain at a warehouse and the charges for storing grain in a warehouse must be fixed by the department, subject to Minnesota Statutes 1969, chapter 15.

A right or privilege granted by this chapter to citizens, associations, or corporations in this state may be exercised by a citizen, association, or corporation of another state who may exercise the same rights and privileges as citizens, associations, or corporations of this state and be subject to the same restrictions and liabilities.

233.22 WITHHOLDING GRAIN.

The owner or consignee of grain consigned to a public terminal warehouse may have the grain withheld from storage and delivered to or at the direction of the owner or consignee by giving notice to the carrier who possesses the grain and to the warehouse operator to whom the grain was consigned, and paying all charges that may be a lien on the grain. The grain must be

removed within 24 hours after the car or boat containing it is placed in a proper and convenient place for unloading. If the grain is delivered contrary to the notice, the warehouse operator and the carrier delivering the grain are jointly and severally liable to the owner for double its value.

233.23 UNAUTHORIZED STORAGE.

No contract, agreement, understanding, or combination may be entered into between a warehouse operator and a common carrier or other person for the delivery of grain at a public terminal warehouse contrary to the direction of the owner. No grain may be delivered or received contrary to the direction of the owner.

233.24 INSPECT SCALES.

Scales in public terminal warehouses or scales used for weighing grain in railroad yards at terminal points are under the control of the Department of Agriculture and subject to inspection by it and are exempt from the jurisdiction of sealers of weights and measures. They must be inspected at the request of a person interested in grain weighed or to be weighed on them. If scales are found to be incorrect, the cost of inspection must be paid by their owner or by the person requesting inspection. No scales found to be incorrect may be used until they are reexamined and found correct.

233.33 POLICE PROTECTION.

Subdivision 1. **Protection to grain.** Railroad companies, warehouse operators, and millers operating at the terminal points of this state shall furnish sufficient police protection at their terminal yards and on their terminal tracks to securely protect all cars containing grain while in their possession, shall prohibit and restrain all unauthorized persons from entering or loitering in or about their respective railroad yards or tracks and from entering any cars of grain under their control or removing grain from the cars, and shall employ and detail security guards as necessary to carry out this section.

Subd. 2. **Violations and penalties.** A railroad company, warehouse operator, or miller operating at a terminal point of this state who fails to comply with this section is guilty of a misdemeanor. An unauthorized person who removes grain from a car before the car is unloaded or who sweeps or removes grain from a car after it is unloaded at a terminal point in this state, is guilty of a misdemeanor.

234.01 PURPOSE.

The purpose of this chapter is to provide the owner of grain in this state with means of warehousing the grain on the farm, under proper restrictions and safeguards, as a basis for credit and to aid in the orderly marketing of the grain.

234.03 DUTIES OF DEPARTMENT.

The department shall carry out this chapter and may:

- (1) make rules that are necessary or desirable to carry out this chapter and consistent with it;
- (2) make reasonable and necessary rules about the construction and maintenance of granaries, cribs, bins, or other receptacles to protect the grain stored in them under this chapter; and
- (3) prepare and have printed under the same conditions as other state printing necessary blanks, forms, and other printed matter, charging a fee for the printed matter that will meet the cost of production.

234.04 SUPERVISORY BOARDS.

The department may appoint local supervisory boards for a county or counties when the department considers them necessary to supervise, under the direction of the department, grain in storage, issuance of certificates against the grain, and carrying out and enforcing this chapter.

Local supervisory boards shall consist of not less than three nor more than seven members, each of whom is a producer of grain in the state and a Minnesota resident. Each member, upon appointment, shall qualify by taking oath similar to that required of public officials and continue in office until a successor is appointed by the department. The department may fill vacancies arising by reason of the resignation, death, or removal by it of a member.

APPENDIX

Repealed Minnesota Statutes: H2398-3

The members of a local supervisory board shall select officers, keep records, and perform duties the department requires.

234.05 PRIVILEGES OPEN TO ALL.

This chapter covers all owners equally. An owner desiring to place grain in storage and have certificates issued against the grain under this chapter shall apply to the department in the manner and upon the forms provided by it for that purpose.

234.06 LOCAL SEALER.

The department may, upon the recommendation of a local supervisory board or upon the request in writing of ten or more producers of grain, appoint a local sealer for all or part of a county or counties. A sealer must take an oath similar to that required of public officials. A sealer appointed under this section has the same authority as a peace officer with respect to this chapter, rules adopted under it, and its enforcement.

234.08 DUTIES OF SEALER.

Under the direction of the department, a sealer shall:

- (1) supervise the storage of grain;
- (2) ascertain the amount stored by each owner who wants to come under this chapter;
- (3) determine the exact grade and quantity of stored grain, so far as possible under rules made under this chapter;
- (4) ascertain, before issuing a certificate, that the bin, crib, granary, or other receptacle in which grain is stored is satisfactory for the storage of that grain and that the receptacle conforms to the applicable rules of the department.

A sealer shall, before delivering a certificate to an owner, ascertain that there are no other certificates outstanding upon the grain and seal the receptacle in which the grain is stored as provided in this chapter. The sealer shall then make periodic inspections of the sealed receptacles at times and in the manner the department requires, but at least once every 90 days. The sealer shall send to the department, and to the owner when requested, a report or affidavit concerning each periodic inspection in the form required by the department. The report must cover the amount and condition of the grain under seal and the condition of the structure within which it is stored.

234.09 SEALER MAY INSPECT GRAIN.

The sealer shall have authority at all times to enter premises to inspect grain in storage or in the granary, crib, bin, or other receptacle in which it has been stored. Acceptance of a certificate by an owner is consent for the sealer or a person authorized by the department to enter and inspect the sealed grain and the receptacle in which it is stored.

234.10 SEALS.

Seals under this chapter must be furnished by the department and contain the following language:

"Sealed by authority state of Minnesota, Department of Agriculture.

Any person tampering with this seal or removing any grain herein shall be subject to a fine and imprisonment as provided by law.

Consecutive No....."

234.11 CERTIFICATES.

Certificates must be upon forms prepared and furnished by the department and contain:

- (1) the date and consecutive number of the certificate;
- (2) a particular description of the receptacle in which the grain is stored and of the premises on which it is located;
- (3) a description of the grain as required by rules made under this chapter;
- (4) the name of the owner or owners, whether ownership is sole, joint, or in trust, and in case of tenants, the date of the expiration of the lease;
- (5) a statement that no other certificates are outstanding on the grain represented by the certificate;

APPENDIX

Repealed Minnesota Statutes: H2398-3

(6) a statement whether grain will be delivered to the bearer, to a specified person, or to a specified person or the person's order, and at what place it will be delivered;

(7) a facsimile signature of each of the members of the department and the counter signature of the sealer;

(8) a statement of loans or other indebtedness that in any manner constitutes a lien, whether statutory or contractual, including a mortgage or landlord's lien upon the grain; and

(9) the form of waivers of liens.

234.12 OWNER TO EXERCISE REASONABLE CARE.

No term or condition may be inserted in a certificate, whether negotiable or otherwise, that purports to relieve the owner from exercising that degree of care in the safekeeping of the grain in storage a reasonably prudent person would exercise with regard to similar property that person owns.

234.13 MAY ISSUE MORE THAN ONE CERTIFICATE.

The sealer may issue to the owner one or more certificates under this chapter but each certificate must cover a separate granary, crib, or bin.

234.14 CERTIFICATE TO BE IN QUADRUPPLICATE.

Certificates issued under this chapter must be issued in quadruplicate, with three copies marked "Duplicate – No Value." The original and one duplicate copy must be delivered to the owner and the other duplicate copies must be filed with the department or the local supervisory warehouse board for the county in which the grain is stored if a board has been established in the county under section 234.04.

234.15 OWNER TO DELIVER DUPLICATE.

An owner who negotiates the original certificate shall at the same time deliver to the assignee the duplicate or the receipt of the county recorder for the certificate. The assignee may file the duplicate in the office of the county recorder of the county in which the grain is located. The duplicate must remain in the custody of the county recorder, subject to exceptions in this chapter.

234.16 DUPLICATE FILED WITH COUNTY RECORDER.

If a duplicate is filed in the office of the county recorder, the recorder shall index it in the chattel mortgage index or other suitable index book showing the date of the certificate, its number, to whom it was issued, and the kind, quantity, and location of the grain. The recorder shall collect 35 cents for each certificate indexed. The filing and indexing of a certificate gives the same notice as the filing and indexing of a chattel mortgage.

234.17 FILING ASSIGNMENTS.

If the owner or holder of a certificate assigns it in writing, the county recorder shall on request of the assignee enter a copy of the assignment on the duplicate in the recorder's office and enter in the index book the date of the assignment and the names of the assignor and the assignee. The recorder shall collect 25 cents for each assignment entered.

234.18 CANCELLATION OF CERTIFICATES.

The owner may have a certificate canceled by delivering the original to the department or the board by which it was issued with the request that it be canceled. The department or board shall stamp the original "canceled" with the date of the cancellation and keep it. Upon notice in writing from the department or board issuing a certificate that it has been canceled, the county recorder shall release the duplicate filed of record without charge.

234.19 OWNER TO DELIVER GRAIN.

APPENDIX

Repealed Minnesota Statutes: H2398-3

In the absence of a lawful excuse provided by this chapter, the owner shall deliver the grain stored upon demand by the holder of the certificate of the grain, if the demand is accompanied by an offer to surrender the certificate.

234.20 EXCUSE FOR REFUSAL.

If the owner refuses or fails to deliver the goods in compliance with a demand by the holder of a certificate that complies with section 234.19, the burden is upon the owner to establish the existence of a lawful excuse for the refusal.

234.21 EXPENSE OF SUPERVISION.

To defray the expenses of supervision, the owner shall pay a fee at the time of sealing to the department or the local supervisory board of the county in which the grain is stored. The amount of the fee must be determined by the rules made under this chapter, but may not exceed one cent per bushel for grain inspected and sealed by the sealer. Out of the funds thus created, the compensation of the sealer as fixed by the department must be paid by it or by the board of the county in which the grain is stored, subject to its approval.

234.22 FEES FOR SEALER.

In the exercise of the power and functions of a peace officer in connection with this chapter, the sealer is entitled to the same fees provided by law for the performance of similar duties.

234.23 VIOLATION; PENALTY.

A person unlawfully removing, breaking, or interfering or tampering with a seal, lock, or other fastening placed upon a granary, crib, bin, or other receptacle for grain under this chapter, except when the removal is imperative to prevent the damage, loss, or destruction of stored grain, is guilty of a gross misdemeanor.

234.24 FRAUDULENT CERTIFICATES.

An owner, the agent or servant of an owner, a member of a board, or a sealer, who fraudulently issues or aids in fraudulently issuing a certificate for grain knowing that it contains a false statement, is guilty of a crime. Each offense is punishable by imprisonment in the county jail for up to one year or by a fine of up to \$3,000, or both.

234.25 VIOLATIONS; PENALTIES.

Subdivision 1. **Unlawful delivery.** An owner or an officer, agent, or servant of an owner, who delivers grain out of the possession of the owner knowing that a negotiable certificate, the negotiating of which would transfer the right to the possession of the grain, is outstanding and uncanceled without obtaining the possession of the certificate at or before the time of the delivery, is guilty of a crime. Each offense is punishable by imprisonment in the county jail for up to one year or by a fine of up to \$3,000, or both.

Subd. 2. **Other unlawful acts.** After the issuance and negotiation of a certificate for grain in storage, an owner who takes, sells, mortgages, pledges, hypothecates, or otherwise encumbers, or attempts to take, sell, mortgage, pledge, or otherwise encumber the grain, or who removes it from its receptacle is guilty of a crime. Each offense is punishable by a fine of not less than \$100 nor more than \$3,000 or by imprisonment in the county jail for not more than one year, or both.

234.27 UNIFORM COMMERCIAL CODE TO APPLY.

The provisions of article 7 of the Uniform Commercial Code relative to the negotiation, transfer, sale, or endorsement of warehouse receipts, apply, to the extent possible, to the negotiation, transfer, sale, or endorsement of certificates under this chapter.

For the purpose of application of the Uniform Commercial Code:

(a) A certificate authorized by the department which evidences the storing of grain under this chapter is a document of title as defined in section 336.1-201(b)(16).

APPENDIX

Repealed Minnesota Statutes: H2398-3

(b) A person who has title to and possession of grain stored under this chapter is a warehouse as defined in section 336.7-102(a)(3).

235.01 SUPERVISION OVER GRAIN.

The Department of Agriculture shall supervise the grain interests of the state; buying, selling, handling, and storage of grain; and management of public warehouses and public grain markets, including chambers of commerce, boards of trade, and grain exchanges. The department shall investigate, on complaint or its own motion, all cases of fraud and injustice in the grain trade, unfair practices, or unfair discrimination in the buying or selling of grain. The department may compel the discontinuance of unfair practices or unfair discrimination in grain transactions and make rules for carrying out and enforcing state laws relating to subjects covered by this section.

235.02 FLAX SEED AND SOYBEANS.

In chapters 216 to 235, "grain" includes flax seed and soybeans.

235.04 OVERLOADING GRAIN CARS.

A railway company shall place painted lines inside each of its cars used for the carriage of grain indicating the height to which the various kinds of grain may be loaded in that car. No car may be loaded with a kind of grain above its appropriate line. The person loading a car shall state in the bill of lading, before it is signed by the agent of the railway company, that the car is loaded to or below the line, and the railway agent, before signing the bill, shall verify the statement. A signed bill of lading is prima facie evidence of the loading, and no charges for loading in excess of the quantity so limited may be made against that car.

A railway company that fails to equip a car in accordance with this section may not collect charges for the transportation of grain in the car above the regular tariff rates for carload lots. A person who loads a car above the appropriate line and an agent of a railway company who refuses to sign a bill of lading is guilty of a misdemeanor, punishable by a fine of not less than \$10 nor more than \$25.

235.05 CARRIERS' RECEIPTS; PENALTY FOR FAILURE TO GIVE.

A common carrier transporting grain shall give the shipper on request a receipt for the number of pounds of grain received from the shipper and deliver that quantity to the consignee or proper connecting carrier, less loss from transportation of no more than 60 pounds per car.

The carrier forfeits to the state for each refusal to give a receipt not less than \$10 nor more than \$50 and for each failure to deliver the proper quantity of grain not less than \$50 nor more than \$200.

235.06 ELEVATOR CHARGES, WHEN FORBIDDEN.

No railroad company may charge or collect elevator or other charges for handling grain or for the use of an elevator when grain is loaded by the shipper and not passed through an elevator, or make a distinction in charges against a person shipping grain otherwise than through an elevator.

235.07 DELIVERY FOR STORAGE A BAILMENT.

The delivery of grain to a warehouse operator for storage, although it is mingled with that of others or shipped or removed from the original place of storage, is a bailment and not a sale.

235.08 WAREHOUSE RECEIPTS; NUMBERING.

Warehouse receipts for grain issued by the same warehouse must be consecutively numbered. No two receipts bearing the same number may be issued from the same warehouse during a year, except in case of a lost or destroyed receipt. In that case, the new receipt must bear the same date and number as the original and must be plainly marked on its face "Duplicate."

235.09 UNLICENSED WAREHOUSES.

APPENDIX

Repealed Minnesota Statutes: H2398-3

A person or corporation operating a warehouse without a license forfeits to the state for each day's operation \$50 and the operation may be enjoined upon complaint of the department.

235.10 UNLAWFUL DISCRIMINATION IN SALE OR PURCHASE OF GRAIN.

A person, firm, copartnership, or corporation engaged in the business of buying grain, either for itself or others, may not, with the intention of creating a monopoly or destroying the business of a competitor, discriminate between different localities, of this state by purchasing grain of a particular grade and condition at a higher price or rate in one locality than in another after making due allowance for the difference, if any, in actual cost of transportation from the locality of purchase, to the locality of manufacture, use, or distribution. Violation of this section is a gross misdemeanor.

235.13 VIOLATIONS; PENALTIES.

Violation of chapters 216 to 235, if no specific penalty is prescribed, is a gross misdemeanor.

235.18 ENFORCEMENT.

The department shall enforce section 235.10 using all its legal powers.

236.01 DEFINITIONS.

Subdivision 1. **Scope.** The definitions in this section apply to sections 236.01 to 236.09.

Subd. 2. **Person.** "Person" means an individual, partnership, association, corporation, or joint venture or a combination of these.

Subd. 3. **Grain bank.** "Grain bank" means a feed-processing plant that receives and stores grain, the equivalent of which, except as is otherwise permitted by section 236.04, it processes and returns to the grain's owner in amounts, at intervals, and with added ingredients that are mutually agreeable to the grain's owner and the person operating the plant. "Grain bank" does not include a seed cleaning plant.

Subd. 4. **Grain bank receipt.** "Grain bank receipt" means a nonnegotiable receipt issued to the owner of grain or the owner's agent.

Subd. 5. **Department.** "Department" means the Department of Agriculture.

236.02 GRAIN BANK LICENSING; BONDING OF APPLICANTS.

Subdivision 1. **Licensing requirement.** A person who (1) operates an establishment that processes grain into feed and (2) is licensed to buy grain as a private local grain warehouse operator under section 223.17 may obtain a license to operate a grain bank. A person licensed under section 232.22 to operate a public grain warehouse is not required to obtain a separate grain bank license. No person may conduct a grain bank without a grain bank license or a public grain warehouse operator's license.

Subd. 2. **Issuance.** A grain bank license must be obtained from the department. The department may issue a grain bank license when the applicant has complied with the bond requirements of sections 236.01 to 236.09. A grain bank license is required in addition to a license to buy grain as a private local grain warehouse operator and permits the licensee to conduct a grain bank in accordance with sections 236.01 to 236.09.

Subd. 3. **Expiration; posting; revocation.** Grain bank licenses expire at midnight on June 30 each year. A license is required for each location where a grain bank is operated. Licenses are revocable by the department for cause upon notice and hearing. Licenses and rules regulating the operation of the grain bank must be posted in a prominent and easily accessible place in the grain bank.

Subd. 4. **Fees.** The license fee is \$140 for each home rule charter or statutory city or town in which a private grain warehouse is operated and which will be used to operate a grain bank. A penalty amount not to exceed ten percent of the fees due may be imposed by the commissioner for each month for which the fees are delinquent. The license fee must be set by the commissioner in an amount sufficient to cover the costs of administering and enforcing this chapter. Fees collected under this chapter must be paid into the grain buyers and storage account established in section 232.22.

Subd. 5. **Bond.** A license may not be issued for the operation of a grain bank until the applicant has filed with the department a bond in a sum set by the department. The bond may not

APPENDIX

Repealed Minnesota Statutes: H2398-3

be less than \$1,500 for each license and must at all times be large enough to protect the holders of outstanding grain bank receipts. Bonds must be filed annually and cover the period of the grain bank license. Bonds must run to the state of Minnesota and be for the benefit of all persons storing grain in a grain bank. They must be conditioned upon the faithful performance by the grain bank operator of the law relating to the operation of grain banks by the grain bank operator and related rules of the department. The department may require increases in the amounts of bonds as it considers necessary for the protection of grain bank receipt holders. The surety of grain bank bonds must be a corporate surety company authorized to transact business in Minnesota.

Subd. 6. **Action on bond.** A person for whose benefit the bond is given may commence an action in district court.

Subd. 7. **Single bond.** A person who is granted a grain bank license at more than one location may, with the department's approval, file one bond covering all locations in a total amount the department requires under sections 236.01 to 236.09 and rules made under sections 236.01 to 236.09. A person, firm, or corporation licensed as a public grain warehouse operator and bonded under section 232.22 may include liability for outstanding nonnegotiable grain bank receipts under the coverage of that bond in lieu of securing a separate grain bank bond under this section.

236.03 GRAIN BANK RECEIPT; CONTENTS.

A grain bank receipt, authorized by the department, must be issued for each delivery of grain to the grain bank. Each receipt must contain the name and address of the grain bank establishment, the names of the persons for whom the grain is delivered to the grain bank, the kind, quantity, and grade of grain to be redelivered to the owner of the grain, and other relevant factors required by the rules of the department.

236.04 CHARGES.

Grain for which a grain bank receipt is issued must be received and stored for processing. Storage charges must be paid by the owner at rates prescribed by section 232.23 from ten days after the date on which the grain is delivered to the grain bank until the date the grain or processed grain represented by a grain bank receipt is redelivered to the owner of the grain. Storage charges must be computed and recorded at the time of the redelivery of grain or processed grain to the owner or at the time of sale by the owner. If grain evidenced by a grain bank receipt is not processed or is not sold to the operator of the grain bank, the grain's owner or the owner's authorized agent may obtain redelivery of grain of the kind, quantity, and grade shown on the grain bank receipt covering that grain, if the owner or the authorized agent pays the grain bank operator a delivery charge. Sections 236.01 to 236.09 do not authorize the storage of grain or the issuance of a grain bank receipt for grain that is not intended, when received at the grain bank, to be redelivered to the owner of the grain or an authorized agent as a part of mixed or as otherwise processed feeds within a reasonable time after receipt.

236.05 DUTIES OF GRAIN BANK OPERATOR.

Subdivision 1. **Insurance.** The operator of the grain bank shall keep all stored grain insured against loss by fire, windstorm, and extended coverage risks for the account of the owner and furnish the department with the evidence it requires that the insurance is in force.

Subd. 2. **Receipt and storage of grain.** The grain bank operator shall determine the quantities, kinds, and grades of grain to be received from a depositor, and grain equal to the grade shown on the receipt to be due the owner of the grain on redelivery must be used in the delivery back to the owner. Commingling of like kinds of grain and the addition to the grain of materials used in the lawful formulation of mixed feeds are permitted as required by the depositor of the grain. If, through no fault of the grain bank operator, redelivery of grain equal to the grade shown on the receipt cannot be made, then redelivery to the owner of a lesser grade may be made if the operator pays to the owner in money the difference in market value between the two grades.

Subd. 3. **Deliveries of processed feeds.** Deliveries of mixed or otherwise processed feeds formulated from grain bank stocks must be at intervals of time and in quantities that are mutually agreeable to the grain owner and the grain bank operator.

Subd. 4. **Separate records.** The operator of a grain bank shall keep separate records for each customer of the balances that remain between the grain bank operator and the owner of grain who has deposited grain in the grain bank, including but not limited to the charges made under section 236.04 and the figures that support all balances shown.

APPENDIX

Repealed Minnesota Statutes: H2398-3

Subd. 5. **Grain on hand.** The operator of the grain bank shall keep on hand at all times grain sufficient to cover all outstanding storage receipts and outstanding grain bank receipts balances.

236.06 GRAIN BANK'S POSSESSORY LIEN.

The operator of a grain bank has a possessory lien against grain represented by a grain bank receipt for all charges and money owed the operator by the owner of the grain as a result of the receiving, storing, processing, and other activities performed by the operator for the owner as part of the grain bank operation. In the event of inconsistency between this section and the Uniform Commercial Code, this section applies.

236.07 REPORTS.

A person licensed to operate a grain bank under sections 236.01 to 236.09 shall give the department on forms prescribed by it the reports the department reasonably requires and other information required by the rules of the department.

No license may be issued to a licensed grain bank operator who has failed to make the reports required in this section.

The department may have each grain bank, its business, and the mode of conducting its business inspected by one or more of its members or by its authorized agent when inspection is considered proper. The property, records, and proceedings of each grain bank are subject to inspection at all times during business hours.

236.08 RULES.

The department may make rules that are reasonably necessary relative to grain bank operations.

236.09 PENALTIES FOR VIOLATIONS.

A person who violates sections 236.01 to 236.09 or rules made by the department under sections 236.01 to 236.09 is guilty of a misdemeanor. If the department finds after a hearing that a person licensed to operate a grain bank in this state has violated sections 236.01 to 236.09 or rules made under sections 236.01 to 236.09, the department may suspend or revoke the license. In case of a revocation, no new license may be granted to the person whose license is revoked nor to anyone directly or indirectly engaged in that business for one year.

395.14 SEED AND FEED LOANS.

Authority is granted to any county in the state to lend money to residents of the county who are citizens of the United States or resident aliens or who have declared their intention of becoming citizens of the United States, for the purpose of purchasing seed and feed for teams whenever there has been a total or partial failure of crops in the county, by reason of hail, flood, drought, fire, or other cause. Qualified residents must own, or hold under contract for deed, land previously under cultivation and cropped and in condition capable of being cropped during the ensuing year, but must be unable to procure seed for planting their land and feed for their teams while doing the planting and must be in imminent danger of losing their property. If not less than 25 resident landowners of the county, before March first next following the crop failure, present to the auditor of the county a petition signed by them asking that the county lend money to residents suffering by reason of the crop failure, for the purpose of purchasing seed and feed, the auditor shall receive and file the petition and at once call a meeting of the county board to consider the petition. The county board shall, on or before the second Monday in March, next following, meet and consider the petition and may enter an order that the county lend, from its general fund, sums as it deems necessary for the purpose; however, the amount shall not, with the existing indebtedness of the county, exceed the amount of indebtedness fixed by the laws of this state.

395.15 APPLICATIONS TO COUNTY AUDITOR.

Any resident freeholder of such county may apply for seed and feed or either of them, for personal use as follows: The freeholder shall file with the county auditor, on or before the second Monday in March, a verified written application therefor showing the following facts:

(1) the freeholder's name, residence, and the places where the freeholder has resided during the past five years;

APPENDIX

Repealed Minnesota Statutes: H2398-3

- (2) all lands owned or occupied by the freeholder and the freeholder's interest therein and the encumbrances, if any, thereon;
- (3) all personal property owned by the freeholder and the encumbrances, if any, thereon;
- (4) the number of acres the freeholder seeded and harvested last year and the number of bushels of grain threshed therefrom;
- (5) the description of land desired to be prepared for crop and seed, its condition and number of acres plowed and unplowed;
- (6) the number of horses and oxen owned by the freeholder and the encumbrances, if any, thereon;
- (7) the number of bushels and kind of seed desired and the number of bushels of feed required; and
- (8) that the freeholder is poor and unable to procure seed or feed from any other source.

395.16 COUNTY BOARD; WHEN TO RECEIVE APPLICATIONS.

The county auditor shall file and number the applications in the order received and call the county board to meet on the second Tuesday in March next following; and the board shall meet and consider these applications separately and in the order of their filing, and may grant such applications, in whole or in part, as appears to it just and proper. Not more than 200 bushels of wheat, or its equivalent in other seed, shall be furnished to any one person.

The county board is hereby granted authority, in its discretion, to direct the filing by the auditor of the petition provided for in section 395.14 after March 1st, and to receive applications for grain after the second Monday in March and to act upon such petition and application the same as if received prior to the respective dates provided in section 395.15.

The county board shall make an order specifying the names of persons and amounts allowed with the kind and quantities of seed and feed granted, and the county auditor shall issue and deliver to the applicant a warrant showing such allowance. Such warrant shall be for the purchase of such seed and feed and for no other purpose whatever, and shall be paid by the county treasurer only when there is endorsed on the back thereof a receipt signed by the applicant, acknowledging receipt by the applicant from some reputable person, of the seed and feed therein specified.

395.17 COUNTY AUDITOR AND COUNTY ATTORNEY TO COUNSEL BOARD.

The county auditor and county attorney are hereby required to attend all meetings of the county board provided in sections 395.14 to 395.24 and to carefully examine all applications filed under the provisions of sections 395.14 to 395.24 and shall give the board the benefit of all information they may have relative to the applicants, and shall counsel, advise, and assist the county board in the discharge of its duties under sections 395.14 to 395.24.

395.18 CONDITION OF CONTRACT.

The warrant provided for in section 395.16 shall not be delivered until the applicant shall have signed a contract in duplicate, attested by the county auditor, to the effect that the applicant, for and in consideration of the seed and feed specified received from the county, promises to pay to the county the amount allowed for the same, on or before the first day of October following, with interest at the rate of six percent per annum, that such amount shall be a first lien upon the crop raised from the seed and, in addition thereto, shall be taxable against the real property of the applicant for which seed and feed was furnished. The contract shall also contain a true description of the land upon which the applicant intends to and will sow and plant such seed, in due season next following, and shall specify that the written application shall be a part of this contract. The auditor shall forthwith record one of such duplicate contracts with the county recorder of the county, for which the applicant shall pay the required recording fee and file the other duplicate in the auditor's office.

395.19 COUNTY TO HAVE LIEN UPON CROPS.

Upon the filing of the contracts provided for in section 395.18, the county shall acquire a just and valid lien upon the crops of grain raised each year by the person receiving the seed or feed, for the amount owing to the county upon the contract, as against all creditors, purchasers, or mortgagees, whether in good faith, or otherwise, and the filing of the contract shall be held and

Subp. 2. **Determination of grain bank and grain storage bond amount.** The monthly grain storage reports referred to in subpart 1, shall be used for the purpose of determining the dollar amount of the grain bank bond and the grain storage bond, and for determining whether these bond amounts should be increased during the license year.

Subp. 3. **Penalty.** If a person willfully neglects or refuses to file the reports required in subpart 1 for two consecutive months, the commissioner may immediately suspend the person's license and the licensee must surrender the license to the commissioner. Within 15 days the licensee may request an administrative hearing subject to Minnesota Statutes, chapter 14 to determine if the license should be revoked. If no request is made within 15 days, the commissioner shall revoke the license.

Subp. 4. **Exceptions.** A person with the maximum grain bank bond or grain storage bond is not required to submit a monthly grain storage report. A person who has the maximum grain bank bond or storage bond and who requests a reduction in the bond amount must submit 12 consecutive monthly grain storage reports, to verify the request for a reduced bond amount. Persons having their bond amount reduced under this procedure must continue to submit monthly storage reports to the department. A reduction in the bond amount under this provision shall commence with the next licensing period.
