relating to public safety; authorizing certain retired peace officers to carry a pistol without a permit; requiring law enforcement agencies to issue identification to former officers who qualify to carry without a permit; amending Minnesota Statutes 2012, section 624.714, subdivision 13.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

Section 1. Minnesota Statutes 2012, section 624.714, subdivision 13, is amended to read:

Subd. 13. **Exemptions; adult correctional facility officers, retired peace officers.**

(a) As used in this subdivision, "law enforcement agency" and "peace officer" have the meanings given in section 626.84, subdivision 1.

(b) A permit to carry a pistol is not required of: (1) any officer of a state adult correctional facility when on guard duty or otherwise engaged in an assigned duty; or (2) a person who: (i) within the past five years has received the training in the safe use of a pistol described in subdivision 2a; and (ii) was a peace officer and retired or separated from service in good standing from a law enforcement agency, other than for reasons of mental illness or chemical dependency, after being regularly employed as a peace officer for at least 15 years or for any period beyond the agency's probationary period if the person retired or separated from service due to a service-related disability.

(c) A law enforcement agency shall issue a photographic identification to a person who retired or separated from service from the agency and who meets the criteria described in paragraph (b), clause (2), item (ii). The agency may charge the person a processing fee not to exceed the actual and reasonable direct cost to the agency of issuing the identification.
