recommendations to clarify and improve the law governing districts' use of restrictive procedures. The commissioner must consult with interested stakeholders when preparing the report, including representatives of advocacy organizations, special education directors, teachers, paraprofessionals, intermediate school districts, school boards, day treatment providers, county social services, state human services department staff, mental health professionals, and autism experts. By June 30 each year, districts must report summary data on their use of restrictive procedures to the department, in a form and manner determined by the commissioner. The summary data must include information about the use of restrictive procedures, including use of reasonable force under section 121A.582.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

## Sec. 2. TRAINING AND TECHNICAL ASSISTANCE TO REDUCE DISTRICT USE OF SECLUSION AND RESTRAINT; APPROPRIATION.

\$750,000 in fiscal year 2016 is appropriated from the general fund to the commissioner of education for providing school districts with training and technical assistance to reduce district use of seclusion and restraint on students with complex needs. Of this appropriation, \$500,000 is available to the commissioner to reimburse school districts for the cost of hiring experts to provide staff training in reducing district use of seclusion and restraint on students with complex needs. Of this appropriation, \$250,000 is available to the commissioner for the costs of providing specialized training and assistance to school districts with a high use of seclusion and restraint on students with complex needs. The commissioner may contract with experts from intermediate school districts teams or level four programs to provide the specialized training and technical assistance. Any funds unexpended in fiscal year 2016 do not cancel but carry forward into the next fiscal year.

**EFFECTIVE DATE.** This section is effective July 1, 2015.
