2.17 amount specified in this subdivision. The student achievement rate must be the rate that
2.18 raises \$20,000,000 for fiscal year 2015 and later years. The student achievement rate may
2.19 not be changed due to changes or corrections made to a district's adjusted net tax capacity
2.20 after the rate has been established.

2.23 Subd. 4. **General education aid.** ~~(a) For fiscal years 2013 and 2014 only, a district's~~

3.3 (1) general education revenue, excluding operating capital revenue, equity revenue,
3.4 local optional revenue, and transition revenue, minus the student achievement levy,
3.5 multiplied times the ratio of the actual amount of student achievement levy levied to the

3.14 **EFFECTIVE DATE.** This section is effective for fiscal year 2015 and later.

3.15 Sec. 4. Minnesota Statutes 2014, section 126C.17, subdivision 1, is amended to read:

3.16 Subdivision 1. **Referendum allowance.** (a) A district's initial referendum allowance
3.17 equals the result of the following calculations:

3.18 (1) multiply the referendum allowance the district would have received for fiscal
3.19 year 2015 under Minnesota Statutes 2012, section 126C.17, subdivision 1, based on
3.20 elections held before July 1, 2013, by the resident marginal cost pupil units the district
3.21 would have counted for fiscal year 2015 under Minnesota Statutes 2012, section 126C.05;

3.22 (2) add to the result of clause (1) the adjustment the district would have received
3.23 under Minnesota Statutes 2012, section 127A.47, subdivision 7, paragraphs (a), (b), and
3.24 (c), based on elections held before July 1, 2013;

3.25 (3) divide the result of clause (2) by the district's adjusted pupil units for fiscal
3.26 year 2015;

3.27 (4) add to the result of clause (3) any additional referendum allowance per adjusted
3.28 pupil unit authorized by elections held between July 1, 2013, and December 31, 2013;

3.29 (5) add to the result in clause (4) any additional referendum allowance resulting from
3.30 inflation adjustments approved by the voters prior to January 1, 2014;

3.31 (6) subtract from the result of clause (5), the sum of a district's actual local optional
3.32 levy and local optional aid under section 126C.10, subdivision 2e, divided by the adjusted
3.33 pupil units of the district for that school year; and

3.34 (7) if the result of clause (6) is less than zero, set the allowance to zero.

4.1 (b) A district's referendum allowance equals the sum of the district's initial
 4.2 referendum allowance, plus any new referendum allowance authorized between July 1,
 4.3 2013, and December 31, 2013, under subdivision 9a, plus any additional referendum
 4.4 allowance per adjusted pupil unit authorized after December 31, 2013, minus any
 4.5 allowances expiring in fiscal year 2016 or later, provided that the allowance may not be
 4.6 less than zero. For a district with more than one referendum allowance for fiscal year
 4.7 2015 under Minnesota Statutes 2012, section 126C.17, the allowance calculated under
 4.8 paragraph (a), clause (3), must be divided into components such that the same percentage
 4.9 of the district's allowance expires at the same time as the old allowances would have
 4.10 expired under Minnesota Statutes 2012, section 126C.17. For a district with more than one
 4.11 allowance for fiscal year 2015 that expires in the same year, the reduction under paragraph
 4.12 (a), clause (6), to offset local optional revenue shall be made first from any allowances that
 4.13 do not have an inflation adjustment approved by the voters.

4.14 **EFFECTIVE DATE.** This section is effective the day following final enactment for
 4.15 fiscal year 2015 and later.

4.16 Sec. 5. Minnesota Statutes 2014, section 126C.17, subdivision 2, is amended to read:

4.17 Subd. 2. **Referendum allowance limit.** (a) Notwithstanding subdivision 1, for
 4.18 fiscal year 2015 and later, a district's referendum allowance must not exceed the annual
 4.19 inflationary increase as calculated under paragraph (b) times the greatest of:

4.20 (1) \$1,845;

4.21 (2) the sum of the referendum revenue the district would have received for fiscal
 4.22 year 2015 under Minnesota Statutes 2012, section 126C.17, subdivision 4, based on
 4.23 elections held before July 1, 2013, and the adjustment the district would have received
 4.24 under Minnesota Statutes 2012, section 127A.47, subdivision 7, paragraphs (a), (b), and
 4.25 (c), based on elections held before July 1, 2013, divided by the district's adjusted pupil
 4.26 units for fiscal year 2015;

4.27 (3) the product of the referendum allowance limit the district would have received
 4.28 for fiscal year 2015 under Minnesota Statutes 2012, section 126C.17, subdivision 2, and
 4.29 the resident marginal cost pupil units the district would have received for fiscal year 2015
 4.30 under Minnesota Statutes 2012, section 126C.05, subdivision 6, plus the adjustment the
 4.31 district would have received under Minnesota Statutes 2012, section 127A.47, subdivision
 4.32 7, paragraphs (a), (b), and (c), based on elections held before July 1, 2013, divided by
 4.33 the district's adjusted pupil units for fiscal year 2015; ~~minus \$424 for a district receiving~~
 4.34 ~~local optional revenue under section 126C.10, subdivision 2d, paragraph (a), minus~~

5.1 ~~§212 for a district receiving local optional revenue under section 126C.10, subdivision~~
 5.2 ~~2d, paragraph (b); or~~

5.3 (4) for a newly reorganized district created after July 1, 2013, the referendum
 5.4 revenue authority for each reorganizing district in the year preceding reorganization
 5.5 divided by its adjusted pupil units for the year preceding reorganization.

5.6 (b) For purposes of this subdivision, for fiscal year 2016 and later, "inflationary
 5.7 increase" means one plus the percentage change in the Consumer Price Index for urban
 5.8 consumers, as prepared by the United States Bureau of Labor Standards, for the current
 5.9 fiscal year to fiscal year 2015. For fiscal year 2016 and later, for purposes of paragraph (a),
 5.10 clause (3), the inflationary increase equals one-fourth of the percentage increase in the
 5.11 formula allowance for that year compared with the formula allowance for fiscal year 2015.

5.12 **EFFECTIVE DATE.** This section is effective the day following final enactment for
 5.13 fiscal year 2015 and later.

5.14 Sec. 6. Minnesota Statutes 2014, section 126C.48, subdivision 8, is amended to read:

5.15 Subd. 8. **Taconite payment and other reductions.** (1) Reductions in levies
 5.16 pursuant to subdivision 1 must be made prior to the reductions in clause (2).

5.17 (2) Notwithstanding any other law to the contrary, districts that have revenue
 5.18 pursuant to sections 298.018; 298.225; 298.24 to 298.28, except an amount distributed
 5.19 under sections 298.26; 298.28, subdivision 4, paragraphs (c), clause (ii), and (d); 298.34 to
 5.20 298.39; 298.391 to 298.396; 298.405; 477A.15; and any law imposing a tax upon severed
 5.21 mineral values must reduce the levies authorized by this chapter and chapters 120B, 122A,
 5.22 123A, 123B, 124A, 124D, 125A, and 127A, excluding the student achievement levy
 5.23 under section 126C.13, subdivision 3b, by 95 percent of the sum of the previous year's
 5.24 revenue specified under this clause and the amount attributable to the same production
 5.25 year distributed to the cities and townships within the school district under section 298.28,
 5.26 subdivision 2, paragraph (c).

5.27 (3) The amount of any voter approved referendum, facilities down payment, and
 5.28 debt levies shall not be reduced by more than 50 percent under this subdivision, except
 5.29 that payments under section 298.28, subdivision 7a, may reduce the debt service levy by
 5.30 more than 50 percent. In administering this paragraph, the commissioner shall first reduce
 5.31 the nonvoter approved levies of a district; then, if any payments, severed mineral value
 5.32 tax revenue or recognized revenue under paragraph (2) remains, the commissioner shall
 5.33 reduce any voter approved referendum levies authorized under section 126C.17; then, if
 5.34 any payments, severed mineral value tax revenue or recognized revenue under paragraph
 5.35 (2) remains, the commissioner shall reduce any voter approved facilities down payment

6.1 levies authorized under section 123B.63 and then, if any payments, severed mineral value
 6.2 tax revenue or recognized revenue under paragraph (2) remains, the commissioner shall
 6.3 reduce any voter approved debt levies.

6.4 (4) Before computing the reduction pursuant to this subdivision of the health and
 6.5 safety levy authorized by sections 123B.57 and 126C.40, subdivision 5, the commissioner
 6.6 shall ascertain from each affected school district the amount it proposes to levy under
 6.7 each section or subdivision. The reduction shall be computed on the basis of the amount
 6.8 so ascertained.

6.9 (5) To the extent the levy reduction calculated under paragraph (2) exceeds the
 6.10 limitation in paragraph (3), an amount equal to the excess must be distributed from the
 6.11 school district's distribution under sections 298.225, 298.28, and 477A.15 in the following
 6.12 year to the cities and townships within the school district in the proportion that their
 6.13 taxable net tax capacity within the school district bears to the taxable net tax capacity of
 6.14 the school district for property taxes payable in the year prior to distribution. No city or
 6.15 township shall receive a distribution greater than its levy for taxes payable in the year prior
 6.16 to distribution. The commissioner of revenue shall certify the distributions of cities and
 6.17 towns under this paragraph to the county auditor by September 30 of the year preceding
 6.18 distribution. The county auditor shall reduce the proposed and final levies of cities and
 6.19 towns receiving distributions by the amount of their distribution. Distributions to the cities
 6.20 and towns shall be made at the times provided under section 298.27.

 13.18 later than grade 9 to explore their educational, college, and career interests, aptitudes, and
 13.19 aspirations and develop a plan for a smooth and successful transition to postsecondary
 13.20 education or employment. All students' plans must:

13.21 (1) provide a comprehensive plan to prepare for and complete a career and college
 13.22 ready curriculum by meeting state and local academic standards and developing career and
 13.23 employment-related skills such as team work, collaboration, creativity, communication,
 13.24 critical thinking, and good work habits;

13.25 (2) emphasize academic rigor and high expectations;

 14.8 employment and provide students with applied and experiential learning opportunities; and

14.9 (9) be reviewed and revised at least annually by the student, the student's parent or
 14.10 guardian, and the school or district to ensure that the student's course-taking schedule keeps
 14.11 the student making adequate progress to meet state and local academic standards and high
 14.12 school graduation requirements and with a reasonable chance to succeed with employment
 14.13 or postsecondary education without the need to first complete remedial course work.

14.14 (b) A school district may develop grade-level curricula or provide instruction that
 14.15 introduces students to various careers, but must not require any curriculum, instruction,
 14.16 or employment-related activity that obligates an elementary or secondary student to

 14.30 subdivision 1a, shall include in the comprehensive assessment system, for each grade
 14.31 level to be tested, state-constructed tests developed as computer-adaptive reading and
 14.32 mathematics assessments for students that are aligned with the state's required academic
 14.33 standards under section 120B.021, include multiple choice questions, and are administered
 14.34 annually to all students;

14.35 (1) in mathematics grades 3 through ~~7~~. 8 and 11;

15.1 (2) in reading, grades 3 through 8, and 10; and
15.2 (3) in science, grades 5, 8, and once in high school. The high school test shall
15.3 assess the life science standards.

15.4 Assessments under this section must comply with the requirements under the federal
15.5 No Child Left Behind flexibility waiver.

15.6 ~~(b) Reading and mathematics assessments for all students in grade 8 must be aligned~~
15.7 ~~with the state's required reading and mathematics standards, be administered annually,~~
15.8 ~~and include multiple choice questions. State-developed high school tests aligned with the~~
15.9 ~~state's required academic standards under section 120B.021 and administered to all high~~
15.10 ~~school students in a subject other than writing must include multiple choice questions. The~~
15.11 ~~commissioner shall establish one or more months during which schools shall administer~~
15.12 ~~the tests to students each school year. The commissioner shall determine the testing~~
15.13 ~~process and order of administration.~~

15.14 (c) The state assessment system must be aligned to the most recent version of
15.15 academic standards as described in section 120B.023 three school years from the effective
15.16 date of the academic standards rule. The commissioner must not develop statewide
15.17 assessments for academic standards in social studies, health and physical education, and
15.18 the arts.

15.19 (d) For purposes of conforming with existing federal educational accountability
15.20 requirements, the commissioner must develop and implement computer-adaptive reading
15.21 and mathematics assessments for grades 3 through 8 and high school reading and
15.22 mathematics tests aligned with state academic standards, and science assessments under
15.23 paragraph (a), clause (2), that districts and sites must use to monitor student growth toward
15.24 achieving those standards. The commissioner must provide a school district with paper
15.25 statewide assessments to administer to its students, if requested by the school district.

15.26 (e) The commissioner must ensure that for annual computer-adaptive assessments:

15.27 (1) individual student performance data and achievement reports are available
15.28 within three school days of when students take an assessment except in a year when an
15.29 assessment reflects new performance standards;

15.30 (2) growth information is available for each student from the student's first
15.31 assessment to each proximate assessment using a constant measurement scale;

15.32 (3) parents, teachers, and school administrators are able to use elementary and
15.33 middle school student performance data to project students' secondary and postsecondary
15.34 achievement; and

15.35 (4) useful diagnostic information about areas of students' academic strengths and
15.36 weaknesses is available to teachers and school administrators for improving student

16.1 instruction and indicating the specific skills and concepts that should be introduced and
 16.2 developed for students at given performance levels, organized by strands within subject
 16.3 areas, and aligned to state academic standards.

16.4 Subd. 1c. **Assessment graduation requirements.** (†) (a) Students enrolled in
 16.5 grade 8 through the 2009-2010 school year are eligible to be assessed under (†) (1) the
 16.6 graduation-required assessment for diploma in reading, mathematics, or writing under
 16.7 Minnesota Statutes 2012, section 120B.30, subdivision 1, paragraphs (c), clauses (1) and
 16.8 (2), and (d), (†) (2) the WorkKeys job skills assessment, (†) (3) the Compass college
 16.9 placement test, (†) (4) the ACT assessment for college admission, or (†) (5) a nationally
 16.10 recognized armed services vocational aptitude test.

16.11 (2) (b) Students enrolled in grade 8 in the 2010-2011 or 2011-2012 school year
 16.12 are eligible to be assessed under (†) (1) the graduation-required assessment for diploma

 16.15 assessment, (†) (3) the Compass college placement test, (†) (4) the ACT assessment for
 16.16 college admission, or (†) (5) a nationally recognized armed services vocational aptitude test.

16.17 (3) (c) For students under ~~clause (1) or (2) paragraph (a) or (b)~~, a school district may
 16.18 substitute a score from an alternative, equivalent assessment to satisfy the requirements of
 16.19 this paragraph.

16.20 ~~(b) The state assessment system must be aligned to the most recent revision of~~
 16.21 ~~academic standards as described in section 120B.023 in the following manner:~~

16.22 ~~(1) mathematics;~~

16.23 ~~(i) grades 3 through 8 beginning in the 2010-2011 school year; and~~

16.24 ~~(ii) high school level beginning in the 2013-2014 school year;~~

16.25 ~~(2) science; grades 5 and 8 and at the high school level beginning in the 2011-2012~~
 16.26 ~~school year; and~~

16.27 ~~(3) language arts and reading; grades 3 through 8 and high school level beginning in~~
 16.28 ~~the 2012-2013 school year.~~

16.29 ~~(e) (d)~~ For students enrolled in grade 8 in the 2012-2013 school year and later,
 16.30 students' state graduation requirements, based on a longitudinal, systematic approach to
 16.31 student education and career planning, assessment, instructional support, and evaluation,
 16.32 include the following:

16.33 ~~(1) demonstrate understanding of required academic standards participation on a~~
 16.34 ~~nationally normed college entrance exam, in grade 11;~~

16.35 ~~(2) achievement and career and college readiness tests in mathematics, reading, and~~
 16.36 ~~writing, consistent with paragraph (c) and to the extent available, to monitor students'~~

17.1 ~~continuous development of and growth in requisite knowledge and skills; analyze~~
 17.2 ~~students' progress and performance levels, identifying students' academic strengths and~~
 17.3 ~~diagnosing areas where students require curriculum or instructional adjustments, targeted~~
 17.4 ~~interventions, or remediation; and, based on analysis of students' progress and performance~~
 17.5 ~~data, determine students' learning and instructional needs and the instructional tools and~~
 17.6 ~~best practices that support academic rigor for the student; and~~

17.7 ~~(3) (2) consistent with this paragraph and section 120B.125, age-appropriate~~
 17.8 ~~exploration and planning activities and career assessments to encourage students to identify~~
 17.9 ~~personally relevant career interests and aptitudes and help students and their families~~
 17.10 ~~develop a regularly reexamined transition plan for postsecondary education or employment~~
 17.11 ~~without need for postsecondary remediation. Districts and schools, on an annual basis,~~
 17.12 ~~must use the career exploration elements to help students, beginning no later than grade 9,~~
 17.13 ~~and their families explore and plan for postsecondary education or careers based on the~~
 17.14 ~~students' interests, aptitudes, and aspirations. Districts and schools must use timely regional~~
 17.15 ~~labor market information and partnerships, among other resources, to help students and~~
 17.16 ~~their families successfully develop, pursue, review, and revise an individualized plan for~~
 17.17 ~~postsecondary education or a career. This process must help increase students' engagement~~
 17.18 ~~in and connection to school, improve students' knowledge and skills, and deepen students'~~
 17.19 ~~understanding of career pathways as a sequence of academic and career courses that lead~~
 17.20 ~~to an industry-recognized credential, an associate's degree, or a bachelor's degree and are~~
 17.21 ~~available to all students, whatever their interests and career goals.~~

17.22 ~~(e) Based on appropriate state guidelines, students with an individualized education~~
 17.23 ~~program may satisfy state graduation requirements by achieving an individual score on~~
 17.24 ~~the state-identified alternative assessments.~~

17.25 ~~Expectations of schools, districts, and the state for career or college readiness under this~~
 17.26 ~~subdivision must be comparable in rigor, clarity of purpose, and rates of student completion.~~

17.27 ~~(f) A high school student under clause (2) not yet ready for career and college must~~
 17.28 ~~receive targeted, relevant, academically rigorous, and resourced instruction, which may~~
 17.29 ~~include a targeted instruction and intervention plan focused on improving the student's~~
 17.30 ~~knowledge and skills in core subjects so that the student has a reasonable chance to succeed~~
 17.31 ~~in a career or college without need for postsecondary remediation. Consistent with sections~~
 17.32 ~~120B.13, 124D.09, 124D.091, 124D.49, and related sections, an enrolling school or district~~
 17.33 ~~must actively encourage a student in grade 11 or 12 who is identified as academically~~
 17.34 ~~ready for a career or college to participate in courses and programs awarding college credit~~
 17.35 ~~to high school students. Students are not required to achieve a specified score or level of~~
 17.36 ~~proficiency on an assessment under this subdivision to graduate from high school.~~

18.1 ~~(d)~~ (g) To improve the secondary and postsecondary outcomes of all students, the
18.2 alignment between secondary and postsecondary education programs and Minnesota's
18.3 workforce needs, and the efficiency and cost-effectiveness of secondary and postsecondary
18.4 programs, the commissioner, after consulting with the chancellor of the Minnesota State
18.5 Colleges and Universities and using a request for proposal process, shall contract for
18.6 ~~a series of~~ assessments that are consistent with this subdivision, ~~aligned with state~~
18.7 ~~academic standards~~, and include career and college readiness benchmarks. ~~Mathematics,~~
18.8 ~~reading, and writing assessments for students in grades 8 and 10 must be predictive of a~~
18.9 ~~nationally normed assessment for career and college readiness. This nationally recognized~~
18.10 ~~assessment must be a college entrance exam and given to students in grade 11. This~~
18.11 ~~series of assessments must include a college placement diagnostic exam and contain~~
18.12 ~~career exploration elements.~~ The commissioner and the chancellor of the Minnesota
18.13 State Colleges and Universities must collaborate in aligning instruction and assessments
18.14 for adult basic education students and English learners to provide the students with
18.15 diagnostic information about any targeted interventions, accommodations, modifications,
18.16 and supports they need so that assessments and other performance measures are accessible
18.17 to them and they may seek postsecondary education or employment without need for
18.18 postsecondary remediation. When administering formative or summative assessments
18.19 used to measure the academic progress, including the oral academic development, of
18.20 English learners and inform their instruction, schools must ensure that the assessments are
18.21 accessible to the students and students have the modifications and supports they need to
18.22 sufficiently understand the assessments.

18.23 ~~(1)~~ Districts and schools, on an annual basis, must use the career exploration
18.24 elements in these assessments to help students, beginning no later than grade 9, and their
18.25 families explore and plan for postsecondary education or careers based on the students'
18.26 interests, aptitudes, and aspirations. Districts and schools must use timely regional labor
18.27 market information and partnerships, among other resources, to help students and their
18.28 families successfully develop, pursue, review, and revise an individualized plan for
18.29 postsecondary education or a career. This process must help increase students' engagement
18.30 in and connection to school, improve students' knowledge and skills, and deepen students'
18.31 understanding of career pathways as a sequence of academic and career courses that lead
18.32 to an industry-recognized credential, an associate's degree, or a bachelor's degree and are
18.33 available to all students, whatever their interests and career goals.

18.34 (2) Students in grade 10 or 11 not yet academically ready for a career or college based
18.35 on their growth in academic achievement between grades 8 and 10 must take the college
18.36 placement diagnostic exam before taking the college entrance exam under clause (3).

19.1 ~~Students, their families, the school, and the district can then use the results of the college~~
19.2 ~~placement diagnostic exam for targeted instruction, intervention, or remediation and~~
19.3 ~~improve students' knowledge and skills in core subjects sufficient for a student to graduate~~
19.4 ~~and have a reasonable chance to succeed in a career or college without remediation.~~

19.5 ~~(3) All students except those eligible for alternative assessments must be given the~~
19.6 ~~college entrance part of these assessments in grade 11. A student under this clause who~~
19.7 ~~demonstrates attainment of required state academic standards, which include career and~~
19.8 ~~college readiness benchmarks, on these assessments is academically ready for a career or~~
19.9 ~~college and is encouraged to participate in courses awarding college credit to high school~~
19.10 ~~students. Such courses and programs may include sequential courses of study within~~
19.11 ~~broad career areas and technical skill assessments that extend beyond course grades.~~

19.12 ~~(4) (h) As appropriate, students through grade 12 must continue to participate in~~
19.13 ~~targeted instruction, intervention, or remediation and be encouraged to participate in~~
19.14 ~~courses awarding college credit to high school students.~~

19.15 ~~(5) A study to determine the alignment between these assessments and state~~
19.16 ~~academic standards under this chapter must be conducted. Where alignment exists, the~~
19.17 ~~commissioner must seek federal approval to, and immediately upon receiving approval,~~
19.18 ~~replace the federally required assessments referenced under subdivision 1a and section~~
19.19 ~~120B.35, subdivision 2, with assessments under this paragraph.~~

19.20 ~~(e) In developing, supporting, and improving students' academic readiness for a~~
19.21 ~~career or college, schools, districts, and the state must have a continuum of empirically~~
19.22 ~~derived, clearly defined benchmarks focused on students' attainment of knowledge and~~
19.23 ~~skills so that students, their parents, and teachers know how well students must perform to~~
19.24 ~~have a reasonable chance to succeed in a career or college without need for postsecondary~~
19.25 ~~remediation. The commissioner, in consultation with local school officials and educators,~~
19.26 ~~and Minnesota's public postsecondary institutions must ensure that the foundational~~
19.27 ~~knowledge and skills for students' successful performance in postsecondary employment~~
19.28 ~~or education and an articulated series of possible targeted interventions are clearly~~
19.29 ~~identified and satisfy Minnesota's postsecondary admissions requirements.~~

19.30 ~~(f) (i) For students in grade 8 in the 2012-2013 school year and later, a school,~~
19.31 ~~district, or charter school must record on the high school transcript a student's progress~~
19.32 ~~toward career and college readiness, and for other students as soon as practicable.~~

19.33 ~~(g) (j) The school board granting students their diplomas may formally decide to~~
19.34 ~~include a notation of high achievement on the high school diplomas of those graduating~~
19.35 ~~seniors who, according to established school board criteria, demonstrate exemplary~~
19.36 ~~academic achievement during high school.~~

20.1 ~~(h) The 3rd through 7th grade computer-adaptive assessment results and grade 8~~
20.2 ~~and high school test results shall be available to districts for diagnostic purposes affecting~~
20.3 ~~student learning and district instruction and curriculum, and for establishing educational~~
20.4 ~~accountability. The commissioner must establish empirically derived benchmarks on~~
20.5 ~~adaptive assessments in grades 3 through 7 that reveal a trajectory toward career and~~
20.6 ~~college readiness. The commissioner must disseminate to the public the computer-adaptive~~
20.7 ~~assessments, grade 8, and high school test results upon receiving those results.~~

20.8 ~~(i) The grades 3 through 7 computer-adaptive assessments and grade 8 and high~~
20.9 ~~school tests must be aligned with state academic standards. The commissioner shall~~
20.10 ~~determine the testing process and the order of administration. The statewide results shall~~
20.11 ~~be aggregated at the site and district level, consistent with subdivision 1a.~~

20.12 ~~(j) The commissioner shall include the following components in the statewide~~
20.13 ~~public reporting system:~~

20.14 ~~(1) uniform statewide computer-adaptive assessments of all students in grades 3~~
20.15 ~~through 7 and testing at the grade 8 and high school levels that provides appropriate,~~
20.16 ~~technically sound accommodations or alternate assessments;~~

20.17 ~~(2) educational indicators that can be aggregated and compared across school~~
20.18 ~~districts and across time on a statewide basis, including average daily attendance, high~~
20.19 ~~school graduation rates, and high school drop-out rates by age and grade level;~~

20.20 ~~(3) state results on the American College Test; and~~

20.21 ~~(4) state results from participation in the National Assessment of Educational~~
20.22 ~~Progress so that the state can benchmark its performance against the nation and other~~
20.23 ~~states, and, where possible, against other countries, and contribute to the national effort~~
20.24 ~~to monitor achievement.~~

20.25 ~~(k) For purposes of statewide accountability, "career and college ready" means a~~
20.26 ~~high school graduate has the knowledge, skills, and competencies to successfully pursue a~~
20.27 ~~career pathway, including postsecondary credit leading to a degree, diploma, certificate, or~~
20.28 ~~industry-recognized credential and employment. Students who are career and college ready~~
20.29 ~~are able to successfully complete credit-bearing coursework at a two- or four-year college~~
20.30 ~~or university or other credit-bearing postsecondary program without need for remediation.~~

20.31 ~~(l) For purposes of statewide accountability, "cultural competence," "cultural~~
20.32 ~~competency," or "culturally competent" means the ability and will to interact effectively~~
20.33 ~~with people of different cultures, native languages, and socioeconomic backgrounds.~~

20.34 ~~(l) Students are not required to achieve a specific score or level of proficiency on an~~
20.35 ~~assessment under this subdivision to graduate from high school.~~

21.1 Sec. 11. Minnesota Statutes 2014, section 120B.30, subdivision 1a, is amended to read:

21.2 Subd. 1a. **Statewide and local assessments; results.** (a) For purposes of this
21.3 section, the following definitions have the meanings given them.

21.4 (1) "Computer-adaptive assessments" means fully adaptive assessments.

21.5 (2) "Fully adaptive assessments" include test items that are on-grade level and items
21.6 that may be above or below a student's grade level.

21.7 (3) "On-grade level" test items contain subject area content that is aligned to state
21.8 academic standards for the grade level of the student taking the assessment.

21.9 (4) "Above-grade level" test items contain subject area content that is above the
21.10 grade level of the student taking the assessment and is considered aligned with state
21.11 academic standards to the extent it is aligned with content represented in state academic
21.12 standards above the grade level of the student taking the assessment. Notwithstanding
21.13 the student's grade level, administering above-grade level test items to a student does not
21.14 violate the requirement that state assessments must be aligned with state standards.

21.15 (5) "Below-grade level" test items contain subject area content that is below the
21.16 grade level of the student taking the test and is considered aligned with state academic
21.17 standards to the extent it is aligned with content represented in state academic standards
21.18 below the student's current grade level. Notwithstanding the student's grade level,
21.19 administering below-grade level test items to a student does not violate the requirement
21.20 that state assessments must be aligned with state standards.

21.21 (6) For purposes of statewide accountability, "cultural competence," "cultural
21.22 competency," or "culturally competent" means the ability and will to interact effectively
21.23 with people of diverse cultures, native languages, and socioeconomic backgrounds.

21.24 ~~(b) The commissioner must use fully adaptive mathematics and reading assessments~~
21.25 ~~for grades 3 through 7 beginning in the 2015-2016 school year and later.~~

21.26 ~~(c) For purposes of conforming with existing federal educational accountability~~
21.27 ~~requirements, the commissioner must develop and implement computer-adaptive reading~~
21.28 ~~and mathematics assessments for grades 3 through 7, state-developed grade 8 and high~~
21.29 ~~school reading and mathematics tests aligned with state academic standards, and science~~
21.30 ~~assessments under clause (2) that districts and sites must use to monitor student growth~~
21.31 ~~toward achieving those standards. The commissioner must not develop statewide~~
21.32 ~~assessments for academic standards in social studies, health and physical education, and~~
21.33 ~~the arts. The commissioner must require:~~

21.34 ~~(1) annual computer-adaptive reading and mathematics assessments in grades 3~~
21.35 ~~through 7, and grade 8 and high school reading and mathematics tests; and~~

22.1 ~~(2) annual science assessments in one grade in the grades 3 through 5 span, the~~
 22.2 ~~grades 6 through 8 span, and a life sciences assessment in the grades 9 through 12 span,~~
 22.3 ~~and the commissioner must not require students to achieve a passing score on high school~~
 22.4 ~~science assessments as a condition of receiving a high school diploma.~~

22.5 ~~(d) The commissioner must ensure that for annual computer-adaptive assessments:~~

22.6 ~~(1) individual student performance data and achievement reports are available~~
 22.7 ~~within three school days of when students take an assessment except in a year when an~~
 22.8 ~~assessment reflects new performance standards;~~

22.9 ~~(2) growth information is available for each student from the student's first~~
 22.10 ~~assessment to each proximate assessment using a constant measurement scale;~~

22.11 ~~(3) parents, teachers, and school administrators are able to use elementary and~~
 22.12 ~~middle school student performance data to project students' secondary and postsecondary~~
 22.13 ~~achievement; and~~

22.14 ~~(4) useful diagnostic information about areas of students' academic strengths and~~
 22.15 ~~weaknesses is available to teachers and school administrators for improving student~~
 22.16 ~~instruction and indicating the specific skills and concepts that should be introduced and~~
 22.17 ~~developed for students at given performance levels, organized by strands within subject~~
 22.18 ~~areas, and aligned to state academic standards.~~

22.19 ~~(e) (b)~~ The commissioner must ensure that all state tests administered to elementary
 22.20 and secondary students measure students' academic knowledge and skills and not students'
 22.21 values, attitudes, and beliefs.

22.22 ~~(f) Reporting of state assessment results must:~~

22.23 ~~(1) provide timely, useful, and understandable information on the performance of~~
 22.24 ~~individual students, schools, school districts, and the state;~~

22.25 ~~(2) include a growth indicator of student achievement; and~~

22.26 ~~(3) determine whether students have met the state's academic standards.~~

22.27 ~~(g) (c)~~ Consistent with applicable federal law, the commissioner must include
 22.28 appropriate, technically sound accommodations or alternative assessments for the very
 22.29 few students with disabilities for whom statewide assessments are inappropriate and
 22.30 for English learners.

22.31 ~~(h) A school, school district, and charter school must administer statewide~~
 22.32 ~~assessments under this section, as the assessments become available, to evaluate student~~
 22.33 ~~progress toward career and college readiness in the context of the state's academic~~
 22.34 ~~standards. A school, school district, or charter school may use a student's performance~~
 22.35 ~~on a statewide assessment as one of multiple criteria to determine grade promotion or~~
 22.36 ~~retention. A school, school district, or charter school may use a high school student's~~

23.1 ~~performance on a statewide assessment as a percentage of the student's final grade in a~~
 23.2 ~~course, or place a student's assessment score on the student's transcript.~~

23.3 Sec. 12. Minnesota Statutes 2014, section 120B.30, is amended by adding a
 23.4 subdivision to read:

23.5 Subd. 1b. **Special and extenuating circumstances.** The Department of Education
 23.6 shall develop a list of circumstances in which a student may be unable to test. The list
 23.7 shall include but not be limited to: students transferring to Minnesota from another state,
 23.8 students transferring from nonpublic to public school, students hospitalized, and parental
 23.9 opting out of the student's testing. Students unable to participate in statewide assessment
 23.10 due to a circumstance on the list authorized under this subdivision shall not be penalized
 23.11 for missing the opportunity to take a test.

23.12 Sec. 13. Minnesota Statutes 2014, section 120B.30, subdivision 3, is amended to read:

23.13 Subd. 3. **Reporting.** (a) The commissioner shall report test results publicly and
 23.14 to stakeholders, including the performance achievement levels developed from students'
 23.15 unweighted test scores in each tested subject and a listing of demographic factors that
 23.16 strongly correlate with student performance. The test results must not include personally
 23.17 identifiable information as defined in Code of Federal Regulations, title 34, section 99.3.
 23.18 The commissioner shall also report data that compares performance results among school
 23.19 sites, school districts, Minnesota and other states, and Minnesota and other nations. The
 23.20 commissioner shall disseminate to schools and school districts a more comprehensive
 23.21 report containing testing information that meets local needs for evaluating instruction and
 23.22 curriculum. The commissioner shall disseminate to charter school authorizers a more
 23.23 comprehensive report containing testing information that contains anonymized data where
 23.24 cell count data are sufficient to protect student identity and that meets the authorizer's
 23.25 needs in fulfilling its obligations under section 124D.10.

23.26 (b) Reporting of state assessment results must:

23.27 (1) provide timely, useful, and understandable information on the performance of
 23.28 individual students, schools, school districts, and the state;

23.29 (2) include a growth indicator of student achievement; and

23.30 (3) determine whether students have met the state's academic standards.

23.31 (c) The grade 3 through 7 computer-adaptive assessment results and grade 8 and
 23.32 high school test results shall be available to districts for diagnostic purposes affecting
 23.33 student learning and district instruction and curriculum, and for establishing educational
 23.34 accountability. The commissioner must establish empirically derived benchmarks on

24.1 adaptive assessments in grades 3 through 7 that reveal a trajectory toward career and
 24.2 college readiness. The commissioner shall establish composite career and college-ready
 24.3 scores in grades 5, 8, and high school. The composite scores shall predict performance on
 24.4 a college entrance exam. The commissioner must disseminate to the public test results
 24.5 upon receiving those results.

24.6 (d) The commissioner shall include the following components in the statewide
 24.7 public reporting system:

24.8 (1) uniform statewide computer-adaptive assessments of all students in grades
 24.9 3 through 8 and high school levels that provide appropriate, technically sound
 24.10 accommodations or alternate assessments;

24.11 (2) educational indicators that can be aggregated and compared across school
 24.12 districts and across time on a statewide basis, including average daily attendance, high
 24.13 school graduation rates, and high school drop-out rates by age and grade level;

24.14 (3) state results on the ACT; and

24.15 (4) state results from participation in the National Assessment of Educational
 24.16 Progress so that the state can benchmark its performance against the nation and other
 24.17 states, and, where possible, against other countries, and contribute to the national effort
 24.18 to monitor achievement.

24.19 Sec. 14. Minnesota Statutes 2014, section 120B.30, is amended by adding a
 24.20 subdivision to read:

24.21 Subd. 3a. **Administration and usage.** A school, school district, and charter school
 24.22 must administer statewide assessments under this section, as the assessments become
 24.23 available, to evaluate student progress toward career and college readiness in the context
 24.24 of the state's academic standards. A school, school district, or charter school may use a
 24.25 student's performance on a statewide assessment as one of multiple criteria to determine
 24.26 grade promotion or retention. A school, school district, or charter school may use a high
 24.27 school student's performance on a statewide assessment as a percentage of the student's
 24.28 final grade in a course, or place a student's assessment score on the student's transcript.

24.29 Sec. 15. Minnesota Statutes 2014, section 120B.30, subdivision 4, is amended to read:

24.30 Subd. 4. **Access to tests.** Consistent with section 13.34, the commissioner must
 24.31 adopt and publish a policy to provide public and parental access for review of basic
 24.32 skills tests, Minnesota Comprehensive Assessments, or any other such statewide test
 24.33 and assessment developed assessments which would not compromise the objectivity or
 24.34 fairness of the testing or examination process. Upon receiving a written request, the

25.1 commissioner must make available to parents or guardians a copy of their student's actual
 25.2 responses to the test questions for their review.

25.3 **Sec. 16. [120B.301] LIMIT ON STANDARDIZED TESTING.**

25.4 For students in grades 1 through 6, the total amount of time spent on standardized
 25.5 assessments, either locally adopted or statewide, must not exceed 19 hours during a school
 25.6 year. For students in grades 7 through 12, the total amount of time spent on standardized
 25.7 assessments, either locally adopted or statewide, must not exceed 20 hours during a school
 25.8 year. For the purposes of this section, international baccalaureate and advanced placement
 25.9 exams are not considered standardized assessments. A district may be exempt from this
 25.10 requirement if the district, in consultation with the exclusive representative of the teachers,
 25.11 includes the reasons for exceeding the requirement in the report required under section
 25.12 120B.11, subdivision 5.

25.13 Sec. 17. Minnesota Statutes 2014, section 120B.31, subdivision 2, is amended to read:

25.14 Subd. 2. **Statewide testing.** Each school year, all school districts shall give a
 25.15 uniform statewide test to students at specified grades to provide information on the status,
 25.16 needs and performance of Minnesota students, consistent with section 120B.30.

25.17 Sec. 18. Minnesota Statutes 2014, section 122A.09, subdivision 4, is amended to read:

25.18 Subd. 4. **License and rules.** (a) The board must adopt rules to license public school
 25.19 teachers and interns subject to chapter 14.

25.20 (b) ~~The board must adopt rules requiring a person~~ require all candidates for teacher
 25.21 licensure to pass demonstrate a passing score on a board-adopted skills examination
 25.22 in reading, writing, and mathematics or attain either a composite score composed of
 25.23 the average of the scores in English and writing, reading, and mathematics on the ACT
 25.24 Plus Writing recommended by the board, or an equivalent composite score composed
 25.25 of the average of the scores in critical reading, mathematics, and writing on the SAF
 25.26 recommended by the board, as a requirement for initial teacher licensure, except that the
 25.27 board may issue up to two four temporary, one-year teaching licenses to an otherwise
 25.28 qualified candidate who has not yet passed the board-adopted skills exam or attained the
 25.29 requisite composite score on the ACT Plus Writing or SAF. Such rules The board must
 25.30 require college and universities offering a board-approved teacher preparation program
 25.31 to provide remedial assistance to persons who did not achieve a qualifying score on the
 25.32 board-adopted skills examination or attain the requisite composite score on the ACT Plus
 25.33 Writing or SAF, including those for whom English is a second language. The requirement

26.1 to pass a board-adopted reading, writing, and mathematics skills examination ~~or attain the~~
26.2 ~~requisite composite score on the ACT Plus Writing or SAT~~ does not apply to nonnative
26.3 English speakers, as verified by qualified Minnesota school district personnel or Minnesota
26.4 higher education faculty, who, after meeting the content and pedagogy requirements
26.5 under this subdivision, apply for a teaching license to provide direct instruction in their
26.6 native language or world language instruction under section 120B.022, subdivision 1. ~~A~~
26.7 ~~teacher candidate's official ACT Plus Writing or SAT composite score report to the board~~
26.8 ~~must not be more than ten years old at the time of licensure~~ The Board of Teaching and
26.9 the entity administering the content, pedagogy, and skills examinations must allow any
26.10 individual who produces documentation of a disability in the form of an evaluation, 504
26.11 plan, or individual education program (IEP) to receive the same testing accommodations
26.12 on the content, pedagogy, and skills examinations that the applicant received during their
26.13 secondary or postsecondary education.

26.14 (c) The board must adopt rules to approve teacher preparation programs. The board,
26.15 upon the request of a postsecondary student preparing for teacher licensure or a licensed
26.16 graduate of a teacher preparation program, shall assist in resolving a dispute between the
26.17 person and a postsecondary institution providing a teacher preparation program when the
26.18 dispute involves an institution's recommendation for licensure affecting the person or the
26.19 person's credentials. At the board's discretion, assistance may include the application
26.20 of chapter 14.

26.21 (d) The board must provide the leadership and adopt rules for the redesign of teacher
26.22 education programs to implement a research based, results-oriented curriculum that
26.23 focuses on the skills teachers need in order to be effective. The board shall implement new
26.24 systems of teacher preparation program evaluation to assure program effectiveness based
26.25 on proficiency of graduates in demonstrating attainment of program outcomes. Teacher
26.26 preparation programs including alternative teacher preparation programs under section
26.27 122A.245, among other programs, must include a content-specific, board-approved,
26.28 performance-based assessment that measures teacher candidates in three areas: planning
26.29 for instruction and assessment; engaging students and supporting learning; and assessing
26.30 student learning. The board's redesign rules must include creating flexible, specialized
26.31 teaching licenses, credentials, and other endorsement forms to increase students'
26.32 participation in language immersion programs, world language instruction, career
26.33 development opportunities, work-based learning, early college courses and careers, career
26.34 and technical programs, Montessori schools, and project and place-based learning, among
26.35 other career and college ready learning offerings.

27.1 (e) The board must adopt rules requiring candidates for initial licenses to pass an
27.2 examination of general pedagogical knowledge and examinations of licensure-specific
27.3 teaching skills. The rules shall be effective by September 1, 2001. The rules under this
27.4 paragraph also must require candidates for initial licenses to teach prekindergarten or
27.5 elementary students to pass, as part of the examination of licensure-specific teaching
27.6 skills, test items assessing the candidates' knowledge, skill, and ability in comprehensive,
27.7 scientifically based reading instruction under section 122A.06, subdivision 4, and their
27.8 knowledge and understanding of the foundations of reading development, the development
27.9 of reading comprehension, and reading assessment and instruction, and their ability to
27.10 integrate that knowledge and understanding.

27.11 (f) The board must adopt rules requiring teacher educators to work directly with
27.12 elementary or secondary school teachers in elementary or secondary schools to obtain
27.13 periodic exposure to the elementary or secondary teaching environment.

27.14 (g) The board must grant licenses to interns and to candidates for initial licenses
27.15 based on appropriate professional competencies that are aligned with the board's licensing
27.16 system and students' diverse learning needs. All teacher candidates must have preparation
27.17 in English language development and content instruction for English learners in order to be
27.18 able to effectively instruct the English learners in their classrooms. The board must include
27.19 these licenses in a statewide differentiated licensing system that creates new leadership
27.20 roles for successful experienced teachers premised on a collaborative professional culture
27.21 dedicated to meeting students' diverse learning needs in the 21st century, recognizes the
27.22 importance of cultural and linguistic competencies, including the ability to teach and
27.23 communicate in culturally competent and aware ways, and formalizes mentoring and
27.24 induction for newly licensed teachers provided through a teacher support framework.

27.25 (h) The board must design and implement an assessment system which requires a
27.26 candidate for an initial license and first continuing license to demonstrate the abilities
27.27 necessary to perform selected, representative teaching tasks at appropriate levels.

27.28 (i) The board must receive recommendations from local committees as established
27.29 by the board for the renewal of teaching licenses. The board must require licensed teachers
27.30 who are renewing a continuing license to include in the renewal requirements further
27.31 preparation in English language development and specially designed content instruction
27.32 in English for English learners.

27.33 (j) The board must grant life licenses to those who qualify according to requirements
27.34 established by the board, and suspend or revoke licenses pursuant to sections 122A.20 and
27.35 214.10. The board must not establish any expiration date for application for life licenses.

28.1 (k) The board must adopt rules that require all licensed teachers who are renewing
28.2 their continuing license to include in their renewal requirements further preparation in
28.3 the areas of using positive behavior interventions and in accommodating, modifying, and
28.4 adapting curricula, materials, and strategies to appropriately meet the needs of individual
28.5 students and ensure adequate progress toward the state's graduation rule.

28.6 (l) In adopting rules to license public school teachers who provide health-related
28.7 services for disabled children, the board shall adopt rules consistent with license or
28.8 registration requirements of the commissioner of health and the health-related boards who
28.9 license personnel who perform similar services outside of the school.

28.10 (m) The board must adopt rules that require all licensed teachers who are renewing
28.11 their continuing license to include in their renewal requirements further reading
28.12 preparation, consistent with section 122A.06, subdivision 4. The rules do not take effect
28.13 until they are approved by law. Teachers who do not provide direct instruction including, at
28.14 least, counselors, school psychologists, school nurses, school social workers, audiovisual
28.15 directors and coordinators, and recreation personnel are exempt from this section.

28.16 (n) The board must adopt rules that require all licensed teachers who are renewing
28.17 their continuing license to include in their renewal requirements further preparation,
28.18 first, in understanding the key warning signs of early-onset mental illness in children
28.19 and adolescents and then, during subsequent licensure renewal periods, preparation may
28.20 include providing a more in-depth understanding of students' mental illness trauma,
28.21 accommodations for students' mental illness, parents' role in addressing students' mental
28.22 illness, Fetal Alcohol Spectrum Disorders, autism, the requirements of section 125A.0942
28.23 governing restrictive procedures, and de-escalation methods, among other similar topics.

28.24 (o) To license applicants under sections 122A.23 and 122A.245, the board must
28.25 consider: a teaching license from another state in a similar content field; completion of a
28.26 state-approved teacher preparation program; teaching experience as the teacher of record
28.27 in a similar licensure field; depth of content knowledge; depth of content methods or
28.28 general pedagogy; subject-specific professional development and contribution to the field;
28.29 and classroom performance as measured by student growth on normed assessments or
28.30 documented effectiveness on evaluations. The board must require an applicant that does
28.31 not have student teaching experience or specific methods coursework to have a minimum
28.32 of two years of teaching experience in a same or similar licensure field.

28.33 Sec. 19. Minnesota Statutes 2014, section 122A.14, subdivision 3, is amended to read:

28.34 Subd. 3. **Rules for continuing education requirements.** The board shall
28.35 adopt rules establishing continuing education requirements that promote continuous

29.1 improvement and acquisition of new and relevant skills by school administrators.
 29.2 Continuing education programs, among other things, must provide school administrators
 29.3 with information and training about building coherent and effective English learner
 29.4 strategies that include relevant professional development, accountability for student
 29.5 progress, students' access to the general curriculum, and sufficient staff capacity to effect
 29.6 these strategies. ~~A retired school principal who serves as a substitute principal or assistant~~
 29.7 ~~principal for the same person on a day-to-day basis for no more than 15 consecutive~~
 29.8 ~~school days is not subject to continuing education requirements as a condition of serving~~
 29.9 ~~as a substitute principal or assistant principal.~~

29.10 **EFFECTIVE DATE.** This section is effective the day following final enactment.

29.11 Sec. 20. Minnesota Statutes 2014, section 122A.18, subdivision 2, is amended to read:

29.12 Subd. 2. **Teacher and support personnel qualifications.** (a) The Board of Teaching
 29.13 must issue licenses under its jurisdiction to persons the board finds to be qualified and
 29.14 competent for their respective positions, including those meeting the standards adopted
 29.15 under section 122A.09, subdivision 4, paragraph (o).

29.16 (b) The board must require a ~~person to pass an~~ candidate for teacher licensure to
 29.17 demonstrate a passing score on a board-adopted examination of skills in reading, writing,

30.20 does not apply to nonnative English speakers, as verified by qualified Minnesota school
30.21 district personnel or Minnesota higher education faculty, who, after meeting the content and
30.22 pedagogy requirements under this subdivision, apply for a teaching license to provide direct
30.23 instruction in their native language or world language instruction under section 120B.022,
30.24 subdivision 1. ~~A teacher candidate's official ACT Plus Writing or SAT composite score~~
30.25 ~~report to the board must not be more than ten years old at the time of licensure.~~

30.26 (d) All colleges and universities approved by the board of teaching to prepare persons
30.27 for teacher licensure must include in their teacher preparation programs a common core
30.28 of teaching knowledge and skills to be acquired by all persons recommended for teacher
30.29 licensure. Among other requirements, teacher candidates must demonstrate the knowledge
30.30 and skills needed to provide appropriate instruction to English learners to support and

30.36 shall report annually to the education committees of the legislature on the performance

31.1 of teacher candidates on common core assessments of knowledge and skills under this
31.2 paragraph during the most recent school year.

31.3 Sec. 21. Minnesota Statutes 2014, section 122A.18, is amended by adding a
31.4 subdivision to read:

31.5 Subd. 4a. **Limited provisional licenses.** The board may grant two-year provisional
31.6 licenses to a licensure candidate in a field in which they were not previously licensed or in a
31.7 field in which a shortage of licensed teachers exists. A shortage is defined as an inadequate
31.8 supply of licensed personnel in a given licensure area as determined by the commissioner.

31.9 Sec. 22. Minnesota Statutes 2014, section 122A.20, subdivision 1, is amended to read:

31.10 Subdivision 1. **Grounds for revocation, suspension, or denial.** (a) The Board of
31.11 Teaching or Board of School Administrators, whichever has jurisdiction over a teacher's
31.12 licensure, may, on the written complaint of the school board employing a teacher, a teacher
31.13 organization, or any other interested person, refuse to issue, refuse to renew, suspend, or
31.14 revoke a teacher's license to teach for any of the following causes:

31.17 (3) gross inefficiency or willful neglect of duty;
31.18 (4) failure to meet licensure requirements; or
31.19 (5) fraud or misrepresentation in obtaining a license.

31.20 The written complaint must specify the nature and character of the charges.

31.21 (b) The Board of Teaching or Board of School Administrators, whichever
31.22 has jurisdiction over a teacher's licensure, shall refuse to issue, refuse to renew, or
31.23 automatically revoke a teacher's license to teach without the right to a hearing upon
31.24 receiving a certified copy of a conviction showing that the teacher has been convicted
31.25 of child abuse, as defined in section 609.185, sex trafficking in the first degree under
31.26 section 609.322, subdivision 1, engaging in hiring, or agreeing to hire a minor to engage
31.27 in prostitution under section 609.324, subdivision 1, sexual abuse under section 609.342,
31.28 609.343, 609.344, 609.345, 609.3451, subdivision 3, or 617.23, subdivision 3, solicitation
31.29 of children to engage in sexual conduct or communication of sexually explicit materials
31.30 to children under section 609.352, interference with privacy under section 609.746 or

31.32 performance under section 617.246, or possessing pornographic works involving a minor
31.33 under section 617.247, or any other offense not listed in this paragraph that requires the
31.34 person to register as a predatory offender under section 243.166, or a crime under a similar

32.3 (c) A person whose license to teach has been revoked, not issued, or not renewed
 32.4 under paragraph (b), may petition the board to reconsider the licensing action if the
 32.5 person's conviction for child abuse or sexual abuse is reversed by a final decision of the
 32.6 Court of Appeals or the Supreme Court or if the person has received a pardon for the
 32.7 offense. The petitioner shall attach a certified copy of the appellate court's final decision or
 32.8 the pardon to the petition. Upon receiving the petition and its attachment, the board shall
 32.9 schedule and hold a disciplinary hearing on the matter under section 214.10, subdivision 2,
 32.10 unless the petitioner waives the right to a hearing. If the board finds that, notwithstanding
 32.11 the reversal of the petitioner's criminal conviction or the issuance of a pardon, the
 32.12 petitioner is disqualified from teaching under paragraph (a), clause (1), the board shall
 32.13 affirm its previous licensing action. If the board finds that the petitioner is not disqualified
 32.14 from teaching under paragraph (a), clause (1), it shall reverse its previous licensing action.

32.15 (d) For purposes of this subdivision, the Board of Teaching is delegated the authority
 32.16 to suspend or revoke coaching licenses.

 32.26 content competence.

32.27 (d) The Board of Teaching must approve or disapprove candidates' portfolios under
 32.28 paragraph (b) or (c) within 90 calendar days after receiving the portfolio. If the portfolio is
 32.29 not approved, the board must immediately inform the candidate how to revise the portfolio
 32.30 to successfully demonstrate the requisite competence. The candidate may resubmit a
 32.31 revised portfolio within 90 calendar days of receiving notification from the board and the
 32.32 board must approve or disapprove the portfolio within 60 calendar days of receiving it.

32.33 ~~(d)~~ (e) A candidate must pay to the executive secretary of the Board of Teaching a
 32.34 \$300 fee for the first portfolio submitted for review and a \$200 fee for any portfolio
 32.35 submitted subsequently. The fees must be paid to the executive secretary of the Board of

33.1 Teaching. The revenue generated from the fee must be deposited in an education licensure
 33.2 portfolio account in the special revenue fund. The fees set by the Board of Teaching are
 33.3 nonrefundable for applicants not qualifying for a license. The Board of Teaching may
 33.4 waive or reduce fees for candidates based on financial need.

 33.12 such license may also, in the discretion of the Board of Teaching or the commissioner of
 33.13 education, whichever has jurisdiction, be issued to any holder of a diploma or a degree
 33.14 of a teacher training institution of equivalent rank and standing of any other state. The

 33.22 procedures by January 1, 2016, to recognize the experience and professional credentials of
 33.23 the person holding the out-of-state diploma or degree and allow that person to demonstrate
 33.24 to the board the person's qualifications for receiving a Minnesota teaching license based
 33.25 on performance measures the board adopts by January 1, 2016, under this section.

 34.10 Minnesota license, but has not successfully completed all exams and human relations
 34.11 preparation components required by the Board of Teaching.

34.12 (d) The Board of Teaching, consistent with board rules, must issue up to ~~three~~ four

 34.19 methods or student teaching or equivalent experience.

34.20 The applicant may complete field-specific teaching methods and student teaching
 34.21 or equivalent experience by successfully participating in a one-year school district
 34.22 mentorship program consistent with board-adopted standards of effective practice and
 34.23 Minnesota graduation requirements.

34.24 (e) The Board of Teaching must issue a ~~temporary~~ restricted teaching license ~~for~~

34.27 (1) successfully completed all exams and human relations preparation components
 34.28 required by the Board of Teaching; and

34.29 (2) holds or held an out-of-state teaching license where the out-of-state license is

 35.9 other provisions of this subdivision, an applicable board-approved National Association of
 35.10 State Directors of Teacher Education interstate reciprocity agreement exists to allow fully
 35.11 certified teachers from other states to transfer their certification to Minnesota.

35.12 Subd. 3. Teacher licensure agreements with adjoining states. (a) Notwithstanding
 35.13 any other law to the contrary, the Board of Teaching must enter into National Association of
 35.14 State Directors of Teacher Education and Certification (NASDTEC) interstate agreements
 35.15 for teacher licensure to allow fully certified teachers from adjoining states to transfer
 35.16 their certification to Minnesota. The board must enter into these interstate agreements
 35.17 only after determining that the rigor of the teacher licensure or certification requirements
 35.18 in the adjoining state is commensurate with the rigor of Minnesota's teacher licensure
 35.19 requirements. The board may limit an interstate agreement to particular content fields or
 35.20 grade levels based on established priorities or identified shortages. This subdivision does
 35.21 not apply to out-of-state applicants holding only a provisional teaching license.

35.22 (b) The Board of Teaching must work with designated authorities in adjoining states
 35.23 to establish interstate teacher licensure agreements under this section.

36.5 (b) Before ~~participating in this program~~ becoming a teacher of record, a candidate
 36.6 must:

37.3 Sec. 28. Minnesota Statutes 2014, section 122A.40, subdivision 8, is amended to read:

37.4 Subd. 8. **Development, evaluation, and peer coaching for continuing contract**
37.5 **teachers.** (a) To improve student learning and success, a school board and an exclusive
37.6 representative of the teachers in the district, consistent with paragraph (b), may develop
37.7 a teacher evaluation and peer review process for probationary and continuing contract
37.8 teachers through joint agreement. If a school board and the exclusive representative of the
37.9 teachers do not agree to an annual teacher evaluation and peer review process, then the
37.10 school board and the exclusive representative of the teachers must implement the state
37.11 teacher evaluation plan under paragraph (c). The process must include having trained
37.12 observers serve as peer coaches or having teachers participate in professional learning
37.13 communities, consistent with paragraph (b).

37.14 (b) To develop, improve, and support qualified teachers and effective teaching
37.15 practices and improve student learning and success, the annual evaluation process for

37.24 (3) must be based on professional teaching standards established in rule;

37.25 (4) must coordinate staff development activities under sections 122A.60 and
37.26 122A.61 with this evaluation process and teachers' evaluation outcomes;

37.27 (5) may provide time during the school day and school year for peer coaching and
37.28 teacher collaboration;

37.33 demonstrating evidence of reflection and professional growth, consistent with section
37.34 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment

38.1 based on student work samples and examples of teachers' work, which may include video
38.2 among other activities for the summative evaluation;

38.3 (9) must use data from valid and reliable assessments aligned to state and local
38.4 academic standards and must use state and local measures of student growth and literacy
38.5 that may include value-added models or student learning goals to determine 35 percent of
38.6 teacher evaluation results;

38.7 (10) must use longitudinal data on student engagement and connection, and other
38.8 student outcome measures explicitly aligned with the elements of curriculum for which
38.9 teachers are responsible, including academic literacy, oral academic language, and
38.10 achievement of content areas of English learners;

38.11 (11) must require qualified and trained evaluators such as school administrators to

38.13 effective evaluator training specific to teacher development and evaluation;

38.14 (12) must give teachers not meeting professional teaching standards under clauses
38.15 (3) through (11) support to improve through a teacher improvement process that includes
38.16 established goals and timelines; and

38.17 (13) must discipline a teacher for not making adequate progress in the teacher
38.18 improvement process under clause (12) that may include a last chance warning,
38.19 termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or
38.20 other discipline a school administrator determines is appropriate.

38.21 Data on individual teachers generated under this subdivision are personnel data
38.22 under section 13.43. The observation and interview notes of peer coaches may only be
38.23 disclosed to other school officials with the consent of the teacher being coached.

38.24 (c) The department, in consultation with parents who may represent parent
38.25 organizations and teacher and administrator representatives appointed by their respective

38.27 Administrators, the Minnesota School Boards Association, the Minnesota Elementary
38.28 and Secondary Principals Associations, Education Minnesota, and representatives of
38.29 the Minnesota Assessment Group, the Minnesota Business Partnership, the Minnesota
38.30 Chamber of Commerce, and Minnesota postsecondary institutions with research expertise
38.31 in teacher evaluation, must create and publish a teacher evaluation process that complies
38.32 with the requirements in paragraph (b) and applies to all teachers under this section and
38.33 section 122A.41 for whom no agreement exists under paragraph (a) for an annual teacher
38.34 evaluation and peer review process. The teacher evaluation process created under this
38.35 subdivision does not create additional due process rights for probationary teachers under
38.36 subdivision 5.

39.1 (d) Consistent with the measures of teacher effectiveness under this subdivision:

39.2 (1) for students in kindergarten through grade 4, a school administrator must not
 39.3 place or approve the placement of a student in the classroom of a teacher who is in the
 39.4 improvement process referenced in paragraph (b), clause (12), or has not had a summative
 39.5 evaluation if, in the prior year, that student was in the classroom of a teacher who received
 39.6 discipline pursuant to paragraph (b), clause (13), unless no other teacher at the school
 39.7 teaches that grade; and

39.8 (2) for students in grades 5 through 12, a school administrator must not place
 39.9 or approve the placement of a student in the classroom of a teacher who is in the
 39.10 improvement process referenced in paragraph (b), clause (12), or has not had a summative
 39.11 evaluation if, in the prior year, that student was in the classroom of a teacher who received
 39.12 discipline pursuant to paragraph (b), clause (13), unless no other teacher at the school
 39.13 teaches that subject area and grade.

39.14 All data created and used under this paragraph retains its classification under chapter 13.

39.15 Sec. 29. Minnesota Statutes 2014, section 122A.41, subdivision 5, is amended to read:

39.16 Subd. 5. **Development, evaluation, and peer coaching for continuing contract**
 39.17 **teachers.** (a) To improve student learning and success, a school board and an exclusive
 39.18 representative of the teachers in the district, consistent with paragraph (b), may develop an
 39.19 annual teacher evaluation and peer review process for probationary and nonprobationary
 39.20 teachers through joint agreement. If a school board and the exclusive representative of
 39.21 the teachers in the district do not agree to an annual teacher evaluation and peer review
 39.22 process, then the school board and the exclusive representative of the teachers must
 39.23 implement the state teacher evaluation plan developed under paragraph (c). The process
 39.24 must include having trained observers serve as peer coaches or having teachers participate
 39.25 in professional learning communities, consistent with paragraph (b).

39.26 (b) To develop, improve, and support qualified teachers and effective teaching
 39.27 practices and improve student learning and success, the annual evaluation process for
 39.28 teachers:

39.29 (1) must, for probationary teachers, provide for all evaluations required under
 39.30 subdivision 2;

39.31 (2) must establish a three-year professional review cycle for each teacher that
 39.32 includes an individual growth and development plan, a peer review process, and at least
 39.33 one summative evaluation performed by a qualified and trained evaluator such as a school
 39.34 administrator;

39.35 (3) must be based on professional teaching standards established in rule;

40.1 (4) must coordinate staff development activities under sections 122A.60 and
40.2 122A.61 with this evaluation process and teachers' evaluation outcomes;

40.3 (5) may provide time during the school day and school year for peer coaching and
40.4 teacher collaboration;

40.5 (6) may include job-embedded learning opportunities such as professional learning
40.6 communities;

40.7 (7) may include mentoring and induction programs;

40.8 (8) must include an option for teachers to develop and present a portfolio
40.9 demonstrating evidence of reflection and professional growth, consistent with section
40.10 122A.18, subdivision 4, paragraph (b), and include teachers' own performance assessment
40.11 based on student work samples and examples of teachers' work, which may include video
40.12 among other activities for the summative evaluation;

40.13 (9) must use data from valid and reliable assessments aligned to state and local
40.14 academic standards and must use state and local measures of student growth and literacy
40.15 that may include value-added models or student learning goals to determine 35 percent of
40.16 teacher evaluation results;

40.17 (10) must use longitudinal data on student engagement and connection and other
40.18 student outcome measures explicitly aligned with the elements of curriculum for which
40.19 teachers are responsible, including academic literacy, oral academic language, and
40.20 achievement of English learners;

40.21 (11) must require qualified and trained evaluators such as school administrators to
40.22 perform summative evaluations and ensure school districts and charter schools provide for
40.23 effective evaluator training specific to teacher development and evaluation;

40.24 (12) must give teachers not meeting professional teaching standards under clauses
40.25 (3) through (11) support to improve through a teacher improvement process that includes
40.26 established goals and timelines; and

40.27 (13) must discipline a teacher for not making adequate progress in the teacher
40.28 improvement process under clause (12) that may include a last chance warning,
40.29 termination, discharge, nonrenewal, transfer to a different position, a leave of absence, or
40.30 other discipline a school administrator determines is appropriate.

40.31 Data on individual teachers generated under this subdivision are personnel data
40.32 under section 13.43. The observation and interview notes of peer coaches may only be
40.33 disclosed to other school officials with the consent of the teacher being coached.

40.34 (c) The department, in consultation with parents who may represent parent
40.35 organizations and teacher and administrator representatives appointed by their respective
40.36 organizations, representing the Board of Teaching, the Minnesota Association of School

41.1 Administrators, the Minnesota School Boards Association, the Minnesota Elementary
 41.2 and Secondary Principals Associations, Education Minnesota, and representatives of
 41.3 the Minnesota Assessment Group, the Minnesota Business Partnership, the Minnesota
 41.4 Chamber of Commerce, and Minnesota postsecondary institutions with research expertise
 41.5 in teacher evaluation, must create and publish a teacher evaluation process that complies
 41.6 with the requirements in paragraph (b) and applies to all teachers under this section and
 41.7 section 122A.40 for whom no agreement exists under paragraph (a) for an annual teacher
 41.8 evaluation and peer review process. The teacher evaluation process created under this
 41.9 subdivision does not create additional due process rights for probationary teachers under
 41.10 subdivision 2.

41.11 (d) Consistent with the measures of teacher effectiveness under this subdivision:

41.12 (1) for students in kindergarten through grade 4, a school administrator must not
 41.13 place or approve the placement of a student in the classroom of a teacher who is in the
 41.14 improvement process referenced in paragraph (b), clause (12), or has not had a summative
 41.15 evaluation if, in the prior year, that student was in the classroom of a teacher who received
 41.16 discipline pursuant to paragraph (b), clause (13), unless no other teacher at the school
 41.17 teaches that grade; and

41.18 (2) for students in grades 5 through 12, a school administrator must not place
 41.19 or approve the placement of a student in the classroom of a teacher who is in the
 41.20 improvement process referenced in paragraph (b), clause (12), or has not had a summative
 41.21 evaluation if, in the prior year, that student was in the classroom of a teacher who received
 41.22 discipline pursuant to paragraph (b), clause (13), unless no other teacher at the school
 41.23 teaches that subject area and grade.

41.24 All data created and used under this paragraph retains its classification under chapter 13.

41.25 Sec. 30. Minnesota Statutes 2014, section 122A.69, is amended to read:

41.26 **122A.69 PRACTICE OR STUDENT TEACHERS.**

41.27 The Board of Teaching may, by agreements with teacher ~~preparing~~ preparation
 41.28 institutions, arrange for classroom experience in the district for practice or student
 41.29 teachers who have completed ~~not less than~~ at least two years of an approved teacher
 41.30 ~~education~~ preparation program. Such practice and student teachers must be ~~provided with~~
 41.31 ~~appropriate supervision~~ appropriately supervised by a fully qualified teacher under rules
 41.32 ~~promulgated~~ adopted by the board. A practice or student teacher must be placed with a
 41.33 cooperating licensed teacher who has at least three years of teaching experience and is not
 41.34 in the improvement process under section 122A.40, subdivision 8, paragraph (b), clause
 41.35 (12), or section 122A.41, subdivision 5, paragraph (b), clause (12). Practice and student

42.1 teachers are deemed employees of the school district in which they are rendering services
42.2 for purposes of workers' compensation; liability insurance, if provided for other district
42.3 employees ~~in accordance with~~ under section 123B.23; and legal counsel ~~in accordance~~
42.4 ~~with the provisions of~~ under section 123B.25.

42.5 **EFFECTIVE DATE.** This section is effective for the 2015-2016 school year and
42.6 later.

42.7 Sec. 31. Minnesota Statutes 2014, section 124D.09, subdivision 5, is amended to read:

42.8 Subd. 5. **Authorization; notification.** Notwithstanding any other law to the
42.9 contrary, an 11th or 12th grade pupil enrolled in a school or an American Indian-controlled
42.10 tribal contract or grant school eligible for aid under section 124D.83, except a foreign
42.11 exchange pupil enrolled in a district under a cultural exchange program, may apply to an
42.12 eligible institution, as defined in subdivision 3, to enroll in nonsectarian courses offered by
42.13 that postsecondary institution. Notwithstanding any other law to the contrary, a 9th or 10th
42.14 grade pupil enrolled in a district or an American Indian-controlled tribal contract or grant
42.15 school eligible for aid under section 124D.83, except a foreign exchange pupil enrolled in
42.16 a district under a cultural exchange program, may apply to enroll in nonsectarian courses
42.17 offered under subdivision 10, if (1) after all 11th and 12th grade students have applied
42.18 for a course, additional students are necessary to offer the course or (2) the course is a
42.19 world language course. If an institution accepts a secondary pupil for enrollment under
42.20 this section, the institution shall send written notice to the pupil, the pupil's school or
42.21 school district, and the commissioner within ten days of acceptance. The notice must
42.22 indicate the course and hours of enrollment of that pupil. If the pupil enrolls in a course for
42.23 postsecondary credit, the institution must notify the pupil about payment in the customary
42.24 manner used by the institution.

42.25 Sec. 32. Minnesota Statutes 2014, section 124D.09, subdivision 5a, is amended to read:

42.26 Subd. 5a. **Authorization; career or technical education.** A 10th, 11th, or 12th
42.27 grade pupil enrolled in a district or an American Indian-controlled tribal contract or grant
42.28 school eligible for aid under section 124D.83, except a foreign exchange pupil enrolled in
42.29 a district under a cultural exchange program, may enroll in a career or technical education
42.30 course offered by a Minnesota state college or university. A 10th grade pupil applying
42.31 for enrollment in a career or technical education course under this subdivision must have
42.32 received a passing score on the 8th grade Minnesota Comprehensive Assessment in
42.33 reading as a condition of enrollment. A current 10th grade pupil who did not take the 8th
42.34 grade Minnesota Comprehensive Assessment in reading may substitute another reading

43.1 assessment accepted by the enrolling postsecondary institution. A secondary pupil may
43.2 enroll in the pupil's first postsecondary options enrollment course under this subdivision.
43.3 A student who is refused enrollment by a Minnesota state college or university under this
43.4 subdivision may apply to an eligible institution offering a career or technical education
43.5 course. The postsecondary institution must give priority to its students according to
43.6 subdivision 9. If a secondary student receives a grade of "C" or better in the career or
43.7 technical education course taken under this subdivision, the postsecondary institution
43.8 must allow the student to take additional postsecondary courses for secondary credit at
43.9 that institution, not to exceed the limits in subdivision 8. A "career or technical course" is
43.10 a course that is part of a career and technical education program that provides individuals
43.11 with coherent, rigorous content aligned with academic standards and relevant technical
43.12 knowledge and skills needed to prepare for further education and careers in current and
43.13 emerging professions and provide technical skill proficiency, an industry recognized
43.14 credential, and a certificate, a diploma, or an associate degree.

43.15 Sec. 33. Minnesota Statutes 2014, section 124D.09, subdivision 9, is amended to read:

43.16 Subd. 9. **Enrollment priority.** (a) A postsecondary institution shall give priority to
43.17 its postsecondary students when enrolling 10th, 11th, and 12th grade pupils in its courses.
43.18 A postsecondary institution may provide information about its programs to a secondary
43.19 school or to a pupil or parent and it may advertise or otherwise recruit or solicit a secondary
43.20 pupil to enroll in its programs on educational and programmatic grounds only except,
43.21 notwithstanding other law to the contrary, and for the 2014-2015 through 2019-2020
43.22 school years only, an eligible postsecondary institution may advertise or otherwise recruit
43.23 or solicit a secondary pupil residing in a school district with 700 students or more in grades
43.24 10, 11, and 12, to enroll in its programs on educational, programmatic, or financial grounds.

43.25 (b) An institution must not enroll secondary pupils, for postsecondary enrollment
43.26 options purposes, in remedial, developmental, or other courses that are not college level
43.27 except when a student eligible to participate and enrolled in the graduation incentives
43.28 program under section 124D.68 enrolls full time in a middle or early college program. A
43.29 middle or early college program must be specifically designed to allow the student to earn
43.30 dual high school and college credit with a well-defined pathway to allow the student to earn
43.31 a postsecondary degree or credential. In this case, the student shall receive developmental
43.32 college credit and not college credit for completing remedial or developmental courses.

43.33 (c) Once a pupil has been enrolled in any postsecondary course under this section,
43.34 the pupil shall not be displaced by another student.

44.1 ~~(b)~~ (d) If a postsecondary institution enrolls a secondary school pupil in a course
44.2 under this section, the postsecondary institution also must enroll in the same course an
44.3 otherwise enrolled and qualified postsecondary student who qualifies as a veteran under
44.4 section 197.447, and demonstrates to the postsecondary institution's satisfaction that the
44.5 institution's established enrollment timelines were not practicable for that student.

44.6 Sec. 34. Minnesota Statutes 2014, section 124D.10, subdivision 3, is amended to read:

44.7 Subd. 3. **Authorizer.** (a) For purposes of this section, the terms defined in this
44.8 subdivision have the meanings given them.

44.9 "Application" to receive approval as an authorizer means the proposal an eligible
44.10 authorizer submits to the commissioner under paragraph (c) before that authorizer is able
44.11 to submit any affidavit to charter to a school.

44.12 "Application" under subdivision 4 means the charter school business plan a
44.13 school developer submits to an authorizer for approval to establish a charter school that
44.14 documents the school developer's mission statement, school purposes, program design,
44.15 financial plan, governance and management structure, and background and experience,
44.16 plus any other information the authorizer requests. The application also shall include a
44.17 "statement of assurances" of legal compliance prescribed by the commissioner.

44.18 "Affidavit" means a written statement the authorizer submits to the commissioner
44.19 for approval to establish a charter school under subdivision 4 attesting to its review and
44.20 approval process before chartering a school.

44.21 (b) The following organizations may authorize one or more charter schools:

44.22 (1) a school board, intermediate school district school board, or education district
44.23 organized under sections 123A.15 to 123A.19;

44.24 (2) a charitable organization under section 501(c)(3) of the Internal Revenue Code
44.25 of 1986, excluding a nonpublic sectarian or religious institution; any person other than a
44.26 natural person that directly or indirectly, through one or more intermediaries, controls,
44.27 is controlled by, or is under common control with the nonpublic sectarian or religious
44.28 institution; and any other charitable organization under this clause that in the federal IRS
44.29 Form 1023, Part IV, describes activities indicating a religious purpose, that:

44.30 (i) is a member of the Minnesota Council of Nonprofits or the Minnesota Council on
44.31 Foundations;

44.32 (ii) is registered with the attorney general's office; and

44.33 (iii) is incorporated in the state of Minnesota and has been operating continuously
44.34 for at least five years but does not operate a charter school;

45.1 (3) a Minnesota private college, notwithstanding clause (2), that grants two- or
45.2 four-year degrees and is registered with the Minnesota Office of Higher Education under
45.3 chapter 136A; community college, state university, or technical college governed by the
45.4 Board of Trustees of the Minnesota State Colleges and Universities; or the University
45.5 of Minnesota;

45.6 (4) a nonprofit corporation subject to chapter 317A, described in section 317A.905,
45.7 and exempt from federal income tax under section 501(c)(6) of the Internal Revenue Code
45.8 of 1986, may authorize one or more charter schools if the charter school has operated
45.9 for at least three years under a different authorizer and if the nonprofit corporation has
45.10 existed for at least 25 years; or

45.11 (5) single-purpose authorizers formed as charitable, nonsectarian organizations
45.12 under section 501(c)(3) of the Internal Revenue Code of 1986 and incorporated in the state
45.13 of Minnesota under chapter 317A as a corporation with no members or under section
45.14 322B.975 as a nonprofit limited liability company for the sole purpose of chartering schools.
45.15 Eligible organizations interested in being approved as an authorizer under this paragraph
45.16 must submit a proposal to the commissioner that includes the provisions of paragraph (c)
45.17 and a five-year financial plan. Such authorizers shall consider and approve charter school
45.18 applications using the criteria provided in subdivision 4 and shall not limit the applications
45.19 it solicits, considers, or approves to any single curriculum, learning program, or method.

45.20 (c) An eligible authorizer under this subdivision must apply to the commissioner for
45.21 approval as an authorizer before submitting any affidavit to the commissioner to charter
45.22 a school. The application for approval as a charter school authorizer must demonstrate
45.23 the applicant's ability to implement the procedures and satisfy the criteria for chartering a
45.24 school under this section. The commissioner must approve or disapprove an application
45.25 within 45 business days of the application deadline. If the commissioner disapproves
45.26 the application, the commissioner must notify the applicant of the specific deficiencies
45.27 in writing and the applicant then has 20 business days to address the deficiencies to the
45.28 commissioner's satisfaction. After the 20 business days expire, the commissioner has 15
45.29 business days to make a final decision to approve or disapprove the application. Failing to
45.30 address the deficiencies to the commissioner's satisfaction makes an applicant ineligible to
45.31 be an authorizer. The commissioner, in establishing criteria for approval, must consider
45.32 the applicant's:

45.33 (1) capacity and infrastructure;

45.34 (2) application criteria and process;

45.35 (3) contracting process;

45.36 (4) ongoing oversight and evaluation processes; and

46.1 (5) renewal criteria and processes.

46.2 (d) An applicant must include in its application to the commissioner to be an
46.3 approved authorizer at least the following:

46.4 (1) how chartering schools is a way for the organization to carry out its mission;

46.5 (2) a description of the capacity of the organization to serve as an authorizer,
46.6 including the personnel who will perform the authorizing duties, their qualifications, the
46.7 amount of time they will be assigned to this responsibility, and the financial resources
46.8 allocated by the organization to this responsibility;

46.9 (3) a description of the application and review process the authorizer will use to
46.10 make decisions regarding the granting of charters;

46.11 (4) a description of the type of contract it will arrange with the schools it charters
46.12 that meets the provisions of subdivision 6;

46.13 (5) the process to be used for providing ongoing oversight of the school consistent
46.14 with the contract expectations specified in clause (4) that assures that the schools chartered
46.15 are complying with both the provisions of applicable law and rules, and with the contract;

46.16 (6) a description of the criteria and process the authorizer will use to grant expanded
46.17 applications under subdivision 4, paragraph (j);

46.18 (7) the process for making decisions regarding the renewal or termination of
46.19 the school's charter based on evidence that demonstrates the academic, organizational,
46.20 and financial competency of the school, including its success in increasing student
46.21 achievement and meeting the goals of the charter school agreement; and

46.22 (8) an assurance specifying that the organization is committed to serving as an
46.23 authorizer for the full five-year term.

46.24 (e) A disapproved applicant under this section may resubmit an application during a
46.25 future application period.

46.26 (f) If the governing board of an approved authorizer votes to withdraw as an
46.27 approved authorizer for a reason unrelated to any cause under subdivision 23, the
46.28 authorizer must notify all its chartered schools and the commissioner in writing by July 15
46.29 of its intent to withdraw as an authorizer on June 30 in the next calendar year, regardless
46.30 of when the authorizer's five-year term of approval ends. The commissioner may approve
46.31 the transfer of a charter school to a new authorizer under this paragraph after the new
46.32 authorizer submits an affidavit to the commissioner.

46.33 (g) The authorizer must participate in department-approved training.

46.34 (h) The commissioner shall review an authorizer's performance every five years in
46.35 a manner and form determined by the commissioner and may review an authorizer's
46.36 performance more frequently at the commissioner's own initiative or at the request of a

47.1 charter school operator, charter school board member, or other interested party. The
 47.2 commissioner, after completing the review, shall transmit a report with findings to the
 47.3 authorizer. If, consistent with this section, the commissioner finds that an authorizer has
 47.4 not fulfilled the requirements of this section, the commissioner may subject the authorizer
 47.5 to corrective action, which may include terminating the contract with the charter school
 47.6 board of directors of a school it chartered. The commissioner must notify the authorizer
 47.7 in writing of any findings that may subject the authorizer to corrective action and
 47.8 the authorizer then has 15 business days to request an informal hearing before the
 47.9 commissioner takes corrective action. If the commissioner terminates a contract between
 47.10 an authorizer and a charter school under this paragraph, the commissioner may assist the
 47.11 charter school in acquiring a new authorizer.

47.12 (i) The commissioner may at any time take corrective action against an authorizer,
 47.13 including terminating an authorizer's ability to charter a school for:

47.14 (1) failing to demonstrate the criteria under paragraph (c) under which the
 47.15 commissioner approved the authorizer;

47.16 (2) violating a term of the chartering contract between the authorizer and the charter
 47.17 school board of directors;

47.18 (3) unsatisfactory performance as an approved authorizer; or

47.19 (4) any good cause shown that provides the commissioner a legally sufficient reason
 47.20 to take corrective action against an authorizer.

47.21 Sec. 35. Minnesota Statutes 2014, section 124D.10, subdivision 4, is amended to read:

47.22 Subd. 4. **Formation of school.** (a) An authorizer, after receiving an application from
 47.23 a school developer, may charter a licensed teacher under section 122A.18, subdivision
 47.24 1, or a group of individuals that includes one or more licensed teachers under section
 47.25 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the
 47.26 authorizer's affidavit under paragraph (b). The school must be organized and operated as a
 47.27 nonprofit corporation under chapter 317A and the provisions under the applicable chapter
 47.28 shall apply to the school except as provided in this section.

47.29 Notwithstanding sections 465.717 and 465.719, a school district, subject to this
 47.30 section and section 124D.11, may create a corporation for the purpose of establishing a
 47.31 charter school.

47.32 (b) Before the operators may establish and operate a school, the authorizer must file
 47.33 an affidavit with the commissioner stating its intent to charter a school. An authorizer
 47.34 must file a separate affidavit for each school it intends to charter. An authorizer must file
 47.35 an affidavit by May 1 to be able to charter a new school in the next school year after the

48.1 ~~commissioner approves the authorizer's affidavit~~ at least 14 months before July 1 of the
48.2 year the new charter school plans to serve students. The affidavit must state the terms and
48.3 conditions under which the authorizer would charter a school and how the authorizer
48.4 intends to oversee the fiscal and student performance of the charter school and to comply
48.5 with the terms of the written contract between the authorizer and the charter school
48.6 board of directors under subdivision 6. The commissioner must approve or disapprove
48.7 the authorizer's affidavit within 60 business days of receipt of the affidavit. If the
48.8 commissioner disapproves the affidavit, the commissioner shall notify the authorizer of
48.9 the deficiencies in the affidavit and the authorizer then has 20 business days to address the
48.10 deficiencies. The commissioner must notify the authorizer of final approval or disapproval
48.11 within 15 business days after receiving the authorizer's response to the deficiencies in the
48.12 affidavit. If the authorizer does not address deficiencies to the commissioner's satisfaction,
48.13 the commissioner's disapproval is final. Failure to obtain commissioner approval precludes
48.14 an authorizer from chartering the school that is the subject of this affidavit.

48.15 (c) The authorizer may prevent an approved charter school from opening for
48.16 operation if, among other grounds, the charter school violates this section or does not meet
48.17 the ready-to-open standards that are part of the authorizer's oversight and evaluation
48.18 process or are stipulated in the charter school contract.

48.19 (d) The operators authorized to organize and operate a school, before entering into
48.20 a contract or other agreement for professional or other services, goods, or facilities,
48.21 must incorporate as a nonprofit corporation under chapter 317A and must establish a
48.22 board of directors composed of at least five members who are not related parties until a
48.23 timely election for members of the ongoing charter school board of directors is held
48.24 according to the school's articles and bylaws under paragraph (f). A charter school board
48.25 of directors must be composed of at least five members who are not related parties.
48.26 Staff members employed at the school, including teachers providing instruction under a
48.27 contract with a cooperative, members of the board of directors, and all parents or legal
48.28 guardians of children enrolled in the school are the voters eligible to elect the members
48.29 of the school's board of directors. A charter school must notify eligible voters of the
48.30 school board election dates at least 30 days before the election. Board of director meetings
48.31 must comply with chapter 13D.

48.32 (e) A charter school shall publish and maintain on the school's official Web site: (1)
48.33 the minutes of meetings of the board of directors, and of members and committees having
48.34 any board-delegated authority, for at least one calendar year from the date of publication;
48.35 (2) directory information for members of the board of directors and committees having
48.36 board-delegated authority; and (3) identifying and contact information for the school's

49.1 authorizer. Identifying and contact information for the school's authorizer must be
49.2 included in other school materials made available to the public. Upon request of an
49.3 individual, the charter school must also make available in a timely fashion financial
49.4 statements showing all operations and transactions affecting income, surplus, and deficit
49.5 during the school's last annual accounting period; and a balance sheet summarizing assets
49.6 and liabilities on the closing date of the accounting period. A charter school also must
49.7 include that same information about its authorizer in other school materials that it makes
49.8 available to the public.

49.9 (f) Every charter school board member shall attend annual training throughout the
49.10 member's term on the board. All new board members shall attend initial training on
49.11 the board's role and responsibilities, employment policies and practices, and financial
49.12 management. A new board member who does not begin the required initial training within
49.13 six months after being seated and complete that training within 12 months of being seated
49.14 on the board is automatically ineligible to continue to serve as a board member. The
49.15 school shall include in its annual report the training attended by each board member
49.16 during the previous year.

49.17 (g) The ongoing board must be elected before the school completes its third year of
49.18 operation. Board elections must be held during the school year but may not be conducted
49.19 on days when the school is closed for holidays, breaks, or vacations. The charter school
49.20 board of directors shall be composed of at least five nonrelated members and include: (i)
49.21 at least one licensed teacher employed as a teacher at the school or providing instruction
49.22 under contract between the charter school and a cooperative; (ii) at least one parent or
49.23 legal guardian of a student enrolled in the charter school who is not an employee of
49.24 the charter school; and (iii) at least one interested community member who resides in
49.25 Minnesota and is not employed by the charter school and does not have a child enrolled
49.26 in the school. The board may include a majority of teachers described in this paragraph
49.27 or parents or community members, or it may have no clear majority. The chief financial
49.28 officer and the chief administrator may only serve as ex-officio nonvoting board members.
49.29 No charter school employees shall serve on the board other than teachers under item (i).
49.30 Contractors providing facilities, goods, or services to a charter school shall not serve on
49.31 the board of directors of the charter school. Board bylaws shall outline the process and
49.32 procedures for changing the board's governance structure, consistent with chapter 317A.
49.33 A board may change its governance structure only:

49.34 (1) by a majority vote of the board of directors and a majority vote of the licensed
49.35 teachers employed by the school as teachers, including licensed teachers providing
49.36 instruction under a contract between the school and a cooperative; and

50.1 (2) with the authorizer's approval.

50.2 Any change in board governance structure must conform with the composition of
50.3 the board established under this paragraph.

50.4 (h) The granting or renewal of a charter by an authorizer must not be conditioned
50.5 upon the bargaining unit status of the employees of the school.

50.6 (i) The granting or renewal of a charter school by an authorizer must not be
50.7 contingent on the charter school being required to contract, lease, or purchase services
50.8 from the authorizer. Any potential contract, lease, or purchase of service from an
50.9 authorizer must be disclosed to the commissioner, accepted through an open bidding
50.10 process, and be a separate contract from the charter contract. The school must document
50.11 the open bidding process. An authorizer must not enter into a contract to provide
50.12 management and financial services for a school that it authorizes, unless the school
50.13 documents that it received at least two competitive bids.

50.14 (j) A charter school may apply to the authorizer to amend the school charter to
50.15 expand the operation of the school to additional grades or sites that would be students'
50.16 primary enrollment site beyond those defined in the original affidavit approved by the
50.17 commissioner. After approving the school's application, the authorizer shall submit a
50.18 supplementary affidavit in the form and manner prescribed by the commissioner. The
50.19 authorizer must file a supplement affidavit by October 1 to be eligible to expand in the next
50.20 school year. The supplementary affidavit must document that the school has demonstrated
50.21 to the satisfaction of the authorizer the following:

50.22 (1) the need for the expansion with supporting long-range enrollment projections;

50.23 (2) a longitudinal record of demonstrated student academic performance and growth
50.24 on statewide assessments under chapter 120B or on other academic assessments that
50.25 measure longitudinal student performance and growth approved by the charter school's
50.26 board of directors and agreed upon with the authorizer;

50.27 (3) a history of sound school finances and a finance plan to implement the expansion
50.28 in a manner to promote the school's financial sustainability; and

50.29 (4) board capacity and an administrative and management plan to implement its
50.30 expansion.

50.31 (k) The commissioner shall have 30 business days to review and comment on the
50.32 supplemental affidavit. The commissioner shall notify the authorizer in writing of any
50.33 deficiencies in the supplemental affidavit and the authorizer then has 20 business days to
50.34 address, to the commissioner's satisfaction, any deficiencies in the supplemental affidavit.
50.35 The commissioner must notify the authorizer of final approval or disapproval within 15
50.36 business days after receiving the authorizer's response to the deficiencies in the affidavit.

51.1 The school may not expand grades or add sites until the commissioner has approved the
51.2 supplemental affidavit. The commissioner's approval or disapproval of a supplemental
51.3 affidavit is final.

51.4 Sec. 36. Minnesota Statutes 2014, section 124D.10, subdivision 8, is amended to read:

51.5 Subd. 8. **Federal, state, and local requirements.** (a) A charter school shall meet all
51.6 federal, state, and local health and safety requirements applicable to school districts.

51.7 (b) A school must comply with statewide accountability requirements governing
51.8 standards and assessments in chapter 120B.

51.9 (c) A school authorized by a school board may be located in any district, unless the
51.10 school board of the district of the proposed location disapproves by written resolution.

51.11 (d) A charter school must be nonsectarian in its programs, admission policies,
51.12 employment practices, and all other operations. An authorizer may not authorize a charter
51.13 school or program that is affiliated with a nonpublic sectarian school or a religious
51.14 institution. A charter school student must be released for religious instruction, consistent
51.15 with section 120A.22, subdivision 12, clause (3).

51.16 (e) Charter schools must not be used as a method of providing education or
51.17 generating revenue for students who are being home-schooled. This paragraph does not
51.18 apply to shared time aid under section 126C.19.

51.19 (f) The primary focus of a charter school must be to provide a comprehensive
51.20 program of instruction for at least one grade or age group from five through 18 years of
51.21 age. Instruction may be provided to people older than 18 years of age. A charter school
51.22 may offer a free or fee-based preschool or prekindergarten that meets high-quality early
51.23 learning instructional program standards that are aligned with Minnesota's early learning
51.24 standards for children. Students enrolled in a fee-based prekindergarten program are not
51.25 eligible to be counted as pupil units under section 126C.05 and must not be included in the
51.26 calculation of general education revenue under section 126C.10.

51.27 (g) Except as provided in paragraph (f), a charter school may not charge tuition.

51.28 (h) A charter school is subject to and must comply with chapter 363A and section
51.29 121A.04.

51.30 (i) Once a student is enrolled in the school, the student is considered enrolled in the
51.31 school until the student formally withdraws or is expelled under the Pupil Fair Dismissal
51.32 Act in sections 121A.40 to 121A.56. A charter school is subject to and must comply with
51.33 the Pupil Fair Dismissal Act, sections 121A.40 to 121A.56, and the Minnesota Public
51.34 School Fee Law, sections 123B.34 to 123B.39.

52.1 (j) A charter school is subject to the same financial audits, audit procedures, and
52.2 audit requirements as a district, except as required under subdivision 6a. Audits must be
52.3 conducted in compliance with generally accepted governmental auditing standards, the
52.4 federal Single Audit Act, if applicable, and section 6.65. A charter school is subject
52.5 to and must comply with sections 15.054; 118A.01; 118A.02; 118A.03; 118A.04;
52.6 118A.05; 118A.06; 471.38; 471.391; 471.392; and 471.425. The audit must comply with
52.7 the requirements of sections 123B.75 to 123B.83, except to the extent deviations are
52.8 necessary because of the program at the school. Deviations must be approved by the
52.9 commissioner and authorizer. The Department of Education, state auditor, legislative
52.10 auditor, or authorizer may conduct financial, program, or compliance audits. A charter
52.11 school determined to be in statutory operating debt under sections 123B.81 to 123B.83
52.12 must submit a plan under section 123B.81, subdivision 4.

52.13 (k) A charter school is a district for the purposes of tort liability under chapter 466.

52.14 (l) A charter school must comply with chapters 13 and 13D; and sections 120A.22,
52.15 subdivision 7; 121A.75; and 260B.171, subdivisions 3 and 5.

52.16 (m) A charter school is subject to the Pledge of Allegiance requirement under
52.17 section 121A.11, subdivision 3.

52.18 (n) A charter school offering online courses or programs must comply with section
52.19 124D.095.

52.20 (o) A charter school and charter school board of directors are subject to chapter 181.

52.21 (p) A charter school must comply with section 120A.22, subdivision 7, governing
52.22 the transfer of students' educational records and sections 138.163 and 138.17 governing
52.23 the management of local records.

52.24 (q) A charter school that provides early childhood health and developmental
52.25 screening must comply with sections 121A.16 to 121A.19.

52.26 (r) A charter school that provides school-sponsored youth athletic activities must
52.27 comply with section 121A.38.

52.28 (s) A charter school is subject to and must comply with continuing truant notification
52.29 under section 260A.03.

52.30 (t) A charter school must develop and implement a teacher evaluation and peer
52.31 review process under section 122A.40, subdivision 8, paragraph (b), clauses (2) to
52.32 (13). The teacher evaluation process in this paragraph does not create any additional
52.33 employment rights for teachers.

52.34 (u) A charter school must adopt a policy, plan, budget, and process, consistent with
52.35 section 120B.11, to review curriculum, instruction, and student achievement and strive
52.36 for the world's best workforce.

53.1 (v) A charter school must comply with section 121A.031 governing policies on
53.2 prohibited conduct.

53.3 (w) A charter school must comply with all pupil transportation requirements in
53.4 section 123B.88, subdivision 1. A charter school must not require parents to surrender
53.5 their rights to pupil transportation under section 123B.88, subdivision 2.

53.6 Sec. 37. Minnesota Statutes 2014, section 124D.10, subdivision 9, is amended to read:

53.7 Subd. 9. **Admission requirements.** (a) A charter school may limit admission to:

53.8 (1) pupils within an age group or grade level;

53.9 (2) pupils who are eligible to participate in the graduation incentives program under
53.10 section 124D.68; or

53.11 (3) residents of a specific geographic area in which the school is located when the
53.12 majority of students served by the school are members of underserved populations.

53.13 (b) A charter school shall enroll an eligible pupil who submits a timely application,
53.14 unless the number of applications exceeds the capacity of a program, class, grade level, or
53.15 building. In this case, pupils must be accepted by lot. The charter school must develop
53.16 and publish, including on its Web site, a lottery policy and process that it must use when
53.17 accepting pupils by lot.

53.18 (c) A charter school shall give enrollment preference to a sibling of an enrolled pupil
53.19 and to a foster child of that pupil's parents and may give preference for enrolling children
53.20 of the school's staff before accepting other pupils by lot. A charter school may give
53.21 enrollment preference to children who are eligible to receive a free or reduced-price lunch
53.22 when the percent of enrolled charter school students who are eligible to receive a free or
53.23 reduced-price lunch is lower than either the statewide percent of students who are eligible
53.24 to receive a free or reduced-price lunch or the district-wide percent of students who are
53.25 eligible to receive a free or reduced-price lunch in the district in which the charter school
53.26 is located. A charter school must ask on its enrollment application whether the student
53.27 is eligible for and interested in the enrollment preference. A charter school may send an
53.28 Application for Educational Benefits form to the household of an interested student and
53.29 ask on the application form whether the household wants their student considered for the
53.30 enrollment preference. Charter schools must use the department's direct certification and
53.31 approval process for determining students' eligibility for meal benefits. Once established,
53.32 this enrollment preference continues unless and until a majority of the members of the
53.33 charter school board of directors votes to discontinue the enrollment preference. A charter
53.34 school that complies with the enrollment preference based on eligibility to receive a free
53.35 or reduced-price lunch in good faith is not responsible for misinformation provided to it

54.1 by parents under this provision. A charter school that is located in Duluth township in St.
 54.2 Louis County and admits students in kindergarten through grade 6 must give enrollment
 54.3 preference to students residing within a five-mile radius of the school and to the siblings
 54.4 of enrolled children. ~~A~~ If a charter school has a preschool or prekindergarten program
 54.5 under subdivision 8, paragraph (f), that is free to all participants, the charter school may
 54.6 give enrollment preference to children currently enrolled in the school's free preschool or
 54.7 prekindergarten program ~~under subdivision 8, paragraph (f),~~ who are eligible to enroll in
 54.8 kindergarten in the next school year.

54.9 (d) A person shall not be admitted to a charter school (1) as a kindergarten pupil,
 54.10 unless the pupil is at least five years of age on September 1 of the calendar year in which
 54.11 the school year for which the pupil seeks admission commences; or (2) as a first grade
 54.12 student, unless the pupil is at least six years of age on September 1 of the calendar year in
 54.13 which the school year for which the pupil seeks admission commences or has completed
 54.14 kindergarten; except that a charter school may establish ~~and publish on its Web site~~ a policy
 54.15 for admission of selected pupils at an earlier age, consistent with the enrollment process
 54.16 in paragraphs (b) and (c). If established, an early admissions policy must describe the
 54.17 process and procedures for comprehensive evaluation in cognitive, social, and emotional
 54.18 developmental domains to help determine the child's ability to meet kindergarten grade
 54.19 expectations and progress to first grade in the subsequent year. The comprehensive
 54.20 evaluation must use valid and reliable instrumentation, be aligned with state kindergarten
 54.21 expectations, and include a parent report and teacher observations of the child's
 54.22 knowledge, skills, and abilities. The early admissions policy must be made available to
 54.23 parents in an accessible format and is subject to review by the commissioner of education.

54.24 (e) Except as permitted in paragraph (d), a charter school may not limit admission
 54.25 to pupils on the basis of intellectual ability, measures of achievement or aptitude, or
 54.26 athletic ability and may not establish any criteria or requirements for admission that are
 54.27 inconsistent with this subdivision.

54.28 (f) The charter school shall not distribute any services or goods of value to students,
 54.29 parents, or guardians as an inducement, term, or condition of enrolling a student in a
 54.30 charter school.

54.31 Sec. 38. Minnesota Statutes 2014, section 124D.10, subdivision 10, is amended to read:

54.32 Subd. 10. **Pupil performance.** (a) A charter school must design its programs to
 54.33 at least meet the outcomes adopted by the commissioner for public school students. In
 54.34 the absence of the commissioner's requirements, the school must meet the outcomes
 54.35 contained in the contract with the authorizer. The achievement levels of the outcomes

55.1 contained in the contract may exceed the achievement levels of any outcomes adopted by
55.2 the commissioner for public school students.

55.3 (b) Notwithstanding other law to the contrary, a charter school where at least 70
55.4 percent of enrolled pupils are eligible to participate in the graduation incentives program
55.5 under section 124D.68 or where the charter school contract limits admission to pupils
55.6 eligible to participate in the graduation incentives program under section 124D.68 is
55.7 subject to statewide accountability measures applicable to public schools under chapter
55.8 120B, but consistent with the alternative measures established under this paragraph
55.9 and Minnesota Graduation Standards. For eligible schools, the written charter contract
55.10 under subdivision 6 between the charter school authorizer and the school's board of
55.11 directors shall be based on the student academic, career and college readiness, and student
55.12 engagement performance measures established under this paragraph.

55.13 (1) Thirty percent of any performance evaluation of a charter school under this
55.14 paragraph shall be based on longitudinal data showing student achievement and growth
55.15 on a nationally or state-normed assessment for groups of ten or more students who
55.16 are continuously enrolled in the charter school for at least 120 school days before the
55.17 assessment is administered.

55.18 (2) Forty percent of any student performance evaluation of a charter school under
55.19 this paragraph shall be based on demonstrated growth in any four of the following
55.20 postsecondary and workforce readiness measures, as stipulated in the charter school
55.21 contract and demonstrated by the requisite evidence: a three-year average graduation rate
55.22 for students who complete high school in four, five, or six years; a three-year graduation
55.23 rate for noncontinuously enrolled students who complete high school in seven years;
55.24 average student drop-out rate for students who leave the charter school in a single year
55.25 without pursuing an education alternative; the participation rate and composite score of
55.26 those students in a school year taking a national postsecondary or workforce readiness
55.27 assessment such as the ACT, PSAT, SAT, ACCUPLACER, or ASVAB; the percentage of
55.28 students in the 12th grade cohort as identified by the number of completed course credits
55.29 at the beginning of the school year who graduate within that school year; the percentage
55.30 of students in a school year who successfully transfer to another education program,
55.31 including those leading to a diploma, credential or degree, or care and treatment program;
55.32 the percentage of students in the previous school year who complete an education
55.33 program, receive a diploma, enroll in a postsecondary program or institution, enlist in the
55.34 military, or obtain full-time employment; the percentage of students in a school year
55.35 who successfully complete the number of course credits they need to stay on track to
55.36 graduate within an established timeline; the percentage of students in a school year who

56.1 successfully meet work certification or preapprenticeship program requirements; or the
 56.2 percentage of students in a school year who earn dual enrollment credits through the
 56.3 Postsecondary Enrollment Options Act or other dual credit program.

56.4 (3) Thirty percent of any student performance evaluation of a charter school under
 56.5 this paragraph shall be based on data from any three of the following student engagement
 56.6 measures applied to groups of ten or more students who are continuously enrolled in
 56.7 the charter school for at least 120 days: a three-year average daily attendance rate; a
 56.8 demonstrated percentage improvement in attendance by a cohort; a three-year average of
 56.9 the total number of days students are reported as truant; the number of student dropouts
 56.10 who enroll in the school and remain continuously enrolled throughout that school year;
 56.11 the percentage of students in a school year or a 12-month period who participate in
 56.12 and demonstrate growth on character and social competency assessments measuring
 56.13 decision-making skills, career readiness, education or aspiration goals, and similar
 56.14 characteristics or competencies; and the percentage of students in a school year who meet
 56.15 the community service goals in their individual learning plan as measured by the charter
 56.16 school's citizenship and community outcomes rubric.

56.17 **EFFECTIVE DATE.** This section is effective for the 2016-2017 school year and
 56.18 later.

56.19 Sec. 39. Minnesota Statutes 2014, section 124D.10, subdivision 12, is amended to read:

56.20 Subd. 12. **Pupils with a disability.** A charter school must comply with sections
 56.21 125A.02, 125A.03 to 125A.24, ~~and~~ 125A.65, and 125A.75 and rules relating to the
 56.22 education of pupils with a disability as though it were a district.

56.23 **EFFECTIVE DATE.** This section is effective for fiscal year 2016 and later.

56.24 Sec. 40. Minnesota Statutes 2014, section 124D.10, subdivision 14, is amended to read:

56.25 Subd. 14. **Annual public reports.** (a) A charter school must publish an annual
 56.26 report approved by the board of directors. The annual report must at least include
 56.27 information on school enrollment, student attrition, governance and management, staffing,
 56.28 finances, academic performance, innovative practices and implementation, and future
 56.29 plans. A charter school may combine this report with the reporting required under section
 56.30 120B.11. A charter school must post the annual report on the school's official Web site. A
 56.31 charter school must also distribute the annual report by publication, mail, or electronic
 56.32 means to its authorizer, school employees, and parents and legal guardians of students
 56.33 enrolled in the charter school. The reports are public data under chapter 13.

57.1 (b) The commissioner shall establish specifications for an authorizer's annual public
 57.2 report that is part of the system to evaluate authorizer performance under subdivision
 57.3 3, paragraph (h). The report shall at least include key indicators of school academic,
 57.4 operational, and financial performance.

57.5 Sec. 41. Minnesota Statutes 2014, section 124D.10, is amended by adding a
 57.6 subdivision to read:

57.7 Subd. 24a. **Merger.** (a) Two or more charter schools may merge under chapter
 57.8 317A. The effective date of a merger must be July 1. The merged school must continue
 57.9 under the identity of one of the merging schools. A new charter contract under subdivision
 57.10 6 must be executed by July 1. The authorizer must submit to the commissioner a copy of
 57.11 the new signed charter contract within ten business days of its execution.

57.12 (b) Each merging school must submit a separate year-end report for the previous year
 57.13 for that school only. After the final fiscal year of the premerger schools is closed out, the
 57.14 fund balances and debts from the merging schools must be transferred to the merged school.

57.15 (c) For its first year of operation, the merged school is eligible to receive aid from
 57.16 programs requiring approved applications equal to the sum of the aid of all of the merging
 57.17 schools. For aids based on prior year data, the merged school is eligible to receive aid for
 57.18 its first year of operation based on the combined data of all of the merging schools.

57.19 Sec. 42. Minnesota Statutes 2014, section 124D.121, is amended to read:

57.20 **124D.121 DEFINITION OF FLEXIBLE LEARNING YEAR PROGRAM.**

57.21 "Flexible learning year program" means any district plan ~~approved by the~~
 57.22 ~~commissioner~~ that utilizes buildings and facilities during the entire year or that provides
 57.23 forms of optional scheduling of pupils and personnel during the learning year in
 57.24 elementary and secondary schools or residential facilities for children with a disability.

57.25 Sec. 43. Minnesota Statutes 2014, section 124D.122, is amended to read:

57.26 **124D.122 ESTABLISHMENT OF FLEXIBLE LEARNING YEAR PROGRAM.**

57.27 The board of any district or a consortium of districts, ~~with the approval of the~~
 57.28 ~~commissioner~~, may establish and operate a flexible learning year program in one or more of
 57.29 the day or residential facilities for children with a disability within the district. Consortiums
 57.30 may use a single ~~application and~~ evaluation process, though results, public hearings, and
 57.31 board approvals must be obtained for each district as required under appropriate sections.

57.32 Sec. 44. Minnesota Statutes 2014, section 124D.126, subdivision 1, is amended to read:

58.1 Subdivision 1. **Powers and duties.** The commissioner must:

58.4 to determine compliance with the provisions of sections 124D.12 to 124D.127, ~~the~~

58.10 126C.05, subdivision 8, furnish the board of a district implementing a flexible learning
58.11 year program with a formula for computing average daily membership. This formula must
58.12 be computed so that tax levies to be made by the district, state aids to be received by the
58.13 district, and any and all other formulas based upon average daily membership are not
58.14 affected solely as a result of adopting this plan of instruction.

58.15 Sec. 45. Minnesota Statutes 2014, section 124D.127, is amended to read:

58.16 **124D.127 TERMINATION OF FLEXIBLE LEARNING YEAR PROGRAM.**

58.18 terminate a flexible learning year program in one or more of the day or residential facilities
58.19 for children with a disability within the district. This section shall not be construed to
58.20 permit an exception to section 120A.22, 127A.41, subdivision 7, or 127A.43.

58.21 Sec. 46. Minnesota Statutes 2014, section 124D.128, subdivision 1, is amended to read:

58.22 Subdivision 1. **Program established.** A learning year program provides instruction

 79.21 at the local level for children with disabilities ages three to 21 under guidelines established
 79.22 by the state interagency committee under section 125A.023, subdivision 4. Consistent
 79.23 with the requirements in this section and section 125A.023, the governing school boards
 79.24 of the interagency early intervention committees and county boards may organize as a
 79.25 joint powers board under section 471.59 or enter into an interagency agreement that
 79.26 establishes a governance structure.

79.27 (b) The governing board of each interagency early intervention committee as defined
 79.28 in section 125A.30, paragraph (a), which may include a juvenile justice professional, shall:

79.29 (1) identify state and federal barriers to local coordination of services provided to
 79.30 children with disabilities;

79.31 (2) implement policies that ensure a comprehensive and coordinated system of all
 79.32 state and local agency services, including practices on multidisciplinary assessment,
 79.33 standardized written plans, dispute resolution, and system evaluation for children with
 79.34 disabilities ages three to 21;

79.35 (3) coordinate services and facilitate payment for services from public and private
 79.36 institutions, agencies, and health plan companies; and

80.1 ~~(4) share needed information consistent with state and federal data practices~~
80.2 ~~requirements.~~

80.3 Subd. 2. **Appropriate and necessary services.** (a) Parents, physicians, other health
80.4 care professionals including school nurses, and education and human services providers
80.5 jointly must determine appropriate and necessary services for eligible children with
80.6 disabilities ages three to 21. The services provided to the child under this section must
80.7 conform with the child's standardized written plan. The governing school board of an
80.8 interagency early intervention committee or county board must provide those services
80.9 contained in a child's individualized education program and those services for which
80.10 a legal obligation exists.

80.11 (b) Nothing in this section or section 125A.023 increases or decreases the obligation
80.12 of the state, county, regional agency, local school district, or local agency or organization
80.13 to pay for education, health care, or social services.

80.14 (c) A health plan may not exclude any medically necessary covered service solely
80.15 because the service is or could be identified in a child's individual family service plan,
80.16 individualized education program, a plan established under section 504 of the federal
80.17 Rehabilitation Act of 1973, or a student's individual health plan. This paragraph reaffirms
80.18 the obligation of a health plan company to provide or pay for certain medically necessary
80.19 covered services, and encourages a health plan company to coordinate this care with any
80.20 other providers of similar services. Also, a health plan company may not exclude from a
80.21 health plan any medically necessary covered service such as an assessment or physical
80.22 examination solely because the resulting information may be used for an individualized
80.23 education program or a standardized written plan.

80.24 Subd. 4. **Responsibilities of school and county boards.** (a) ~~It is the joint~~
80.25 ~~responsibility of school and county boards to coordinate, provide, and pay for appropriate~~
80.26 ~~services, and to facilitate payment for services from public and private sources.~~
80.27 ~~Appropriate service for children eligible under section 125A.02 and receiving service~~
80.28 ~~from two or more public agencies of which one is the public school must be determined in~~
80.29 ~~consultation with parents, physicians, and other education, medical health, and human~~
80.30 ~~services providers. The services provided must be in conformity with a standardized~~
80.31 ~~written plan for each eligible child ages 3 to 21.~~

80.32 (b) ~~Appropriate services include those services listed on a child's standardized~~
80.33 ~~written plan. These services are those that are required to be documented on a plan under~~
80.34 ~~federal and state law or rule.~~

80.35 (c) ~~School and county boards shall coordinate interagency services. Service~~
80.36 ~~responsibilities for eligible children, ages 3 to 21, may be established in interagency~~

81.1 ~~agreements or joint powers board agreements. In addition, interagency agreements or joint~~
 81.2 ~~powers board agreements may be developed to establish agency responsibility that assures~~
 81.3 ~~that coordinated interagency services are coordinated, provided, and paid for, and that~~
 81.4 ~~payment is facilitated from public and private sources. School boards must provide,~~
 81.5 ~~pay for, and facilitate payment for special education services as required under sections~~
 81.6 ~~125A.03 and 125A.06. County boards must provide, pay for, and facilitate payment for~~
 81.7 ~~those programs over which they have service and fiscal responsibility as referenced in~~
 81.8 ~~section 125A.023, subdivision 3, paragraph (c), clause (1).~~

81.9 Sec. 14. Minnesota Statutes 2014, section 125A.08, is amended to read:

81.10 **125A.08 INDIVIDUALIZED EDUCATION PROGRAMS.**

81.11 (a) At the beginning of each school year, each school district shall have in effect, for
 81.12 each child with a disability, an individualized education program.

81.13 (b) As defined in this section, every district must ensure the following:

81.14 (1) all students with disabilities are provided the special instruction and services
 81.15 which are appropriate to their needs. Where the individualized education program team
 81.16 has determined appropriate goals and objectives based on the student's needs, including
 81.17 the extent to which the student can be included in the least restrictive environment,
 81.18 and where there are essentially equivalent and effective instruction, related services, or
 81.19 assistive technology devices available to meet the student's needs, cost to the district may
 81.20 be among the factors considered by the team in choosing how to provide the appropriate
 81.21 services, instruction, or devices that are to be made part of the student's individualized
 81.22 education program. The individualized education program team shall consider and
 81.23 may authorize services covered by medical assistance according to section 256B.0625,
 81.24 subdivision 26. The student's needs and the special education instruction and services to
 81.25 be provided must be agreed upon through the development of an individualized education
 81.26 program. The program must address the student's need to develop skills to live and
 81.27 work as independently as possible within the community. The individualized education
 81.28 program team must consider positive behavioral interventions, strategies, and supports
 81.29 that address behavior needs for children with ~~attention deficit disorder or attention deficit~~
 81.30 ~~hyperactivity disorder~~. During grade 9, the program must address the student's needs for
 81.31 transition from secondary services to postsecondary education and training, employment,
 81.32 community participation, recreation, and leisure and home living. In developing the
 81.33 program, districts must inform parents of the full range of transitional goals and related
 81.34 services that should be considered. The program must include a statement of the needed

82.1 transition services, including a statement of the interagency responsibilities or linkages or
82.2 both before secondary services are concluded;

82.3 (2) children with a disability under age five and their families are provided special
82.4 instruction and services appropriate to the child's level of functioning and needs;

82.5 (3) children with a disability and their parents or guardians are guaranteed procedural
82.6 safeguards and the right to participate in decisions involving identification, assessment
82.7 including assistive technology assessment, and educational placement of children with a
82.8 disability;

82.9 (4) eligibility and needs of children with a disability are determined by an initial
82.10 evaluation or reevaluation, which may be completed using existing data under United
82.11 States Code, title 20, section 33, et seq.;

82.12 (5) to the maximum extent appropriate, children with a disability, including those
82.13 in public or private institutions or other care facilities, are educated with children who
82.14 are not disabled, and that special classes, separate schooling, or other removal of children
82.15 with a disability from the regular educational environment occurs only when and to the
82.16 extent that the nature or severity of the disability is such that education in regular classes
82.17 with the use of supplementary services cannot be achieved satisfactorily;

82.18 (6) in accordance with recognized professional standards, testing and evaluation
82.19 materials, and procedures used for the purposes of classification and placement of children
82.20 with a disability are selected and administered so as not to be racially or culturally
82.21 discriminatory; and

82.22 (7) the rights of the child are protected when the parents or guardians are not known
82.23 or not available, or the child is a ward of the state.

82.24 (c) For all paraprofessionals employed to work in programs ~~for~~ whose role in part
82.25 is to provide direct support to students with disabilities, the school board in each district
82.26 shall ensure that:

82.27 (1) before or immediately upon employment, each paraprofessional develops
82.28 sufficient knowledge and skills in emergency procedures, building orientation, roles and
82.29 responsibilities, confidentiality, vulnerability, and reportability, among other things,
82.30 to begin meeting the needs, especially disability-specific and behavioral needs, of the
82.31 students with whom the paraprofessional works;

82.32 (2) annual training opportunities are ~~available~~ required to enable the paraprofessional
82.33 to continue to further develop the knowledge and skills that are specific to the students
82.34 with whom the paraprofessional works, including understanding disabilities, the unique
82.35 and individual needs of each student according to the student's disability and how the

83.1 disability affects the student's education and behavior, following lesson plans, and
 83.2 implementing follow-up instructional procedures and activities; and

83.3 (3) a districtwide process obligates each paraprofessional to work under the ongoing
 83.4 direction of a licensed teacher and, where appropriate and possible, the supervision of a
 83.5 school nurse.

83.6 Sec. 15. **[125A.083] STUDENT INFORMATION SYSTEMS; TRANSFERRING**
 83.7 **RECORDS.**

83.8 To efficiently and effectively meet federal and state compliance and accountability
 83.9 requirements using an online case management reporting system, school districts may
 83.10 contract only for a student information system that is Schools Interoperability Framework
 83.11 (SIF) compliant and compatible with the online system for compliance reporting
 83.12 under section 125A.085 beginning in the 2018-2019 school year and later. A district's
 83.13 information system under this section must facilitate the seamless transfer of student
 83.14 records for a student with disabilities who transfers between school districts, including
 83.15 records containing the student's evaluation report, service plan, and other due process
 83.16 forms and information, regardless of what information system any one district uses.

83.17 **EFFECTIVE DATE.** This section is effective the day following final enactment
 83.18 and applies to all district contracts with student information system vendors entered into
 83.19 or modified after that date.

83.20 Sec. 16. Minnesota Statutes 2014, section 125A.085, is amended to read:

83.21 **125A.085 ONLINE REPORTING OF REQUIRED DATA.**

83.22 (a) To ensure a strong focus on outcomes for children with disabilities informs
 83.23 federal and state compliance and accountability requirements and to increase opportunities
 83.24 for special educators and related-services providers to focus on teaching children with
 83.25 disabilities, the commissioner must customize a streamlined, user-friendly statewide
 83.26 online system, with a single model online form, for effectively and efficiently collecting
 83.27 and reporting required special education-related data to individuals with a legitimate
 83.28 educational interest and who are authorized by law to access the data.

83.29 (b) The commissioner must consult with qualified experts, including information
 83.30 technology specialists, licensed special education teachers and directors of special
 83.31 education, related-services providers, third-party vendors, a designee of the commissioner
 83.32 of human services, parents of children with disabilities, representatives of advocacy groups
 83.33 representing children with disabilities, and representatives of school districts and special

84.1 education cooperatives on integrating, field testing, customizing, and sustaining this simple,
84.2 easily accessible, efficient, and effective online data system for uniform statewide reporting
84.3 of required due process compliance data. Among other outcomes, the system must:

84.4 (1) reduce special education teachers' paperwork burden and thereby increase the
84.5 teachers' opportunities to focus on teaching children;

84.6 (2) to the extent authorized by chapter 13 or other applicable state or federal law
84.7 governing access to and dissemination of educational records, provide for efficiently
84.8 and effectively transmitting the records of all transferring children with disabilities,
84.9 including highly mobile and homeless children with disabilities, among others, and avoid
84.10 fragmented service delivery;

84.11 (3) address language and other barriers and disparities that prevent parents from
84.12 understanding and communicating information about the needs of their children with
84.13 disabilities; and

84.14 (4) help continuously improve the interface among the online systems serving
84.15 children with disabilities in order to maintain and reinforce the children's ability to learn.

84.16 (c) The commissioner must use the federal Office of Special Education Programs
84.17 model forms for the (1) individualized education program, (2) notice of procedural
84.18 safeguards, and (3) prior written notice that are consistent with Part B of IDEA to integrate
84.19 and customize a state-sponsored universal special education online case management
84.20 system, consistent with the requirements of state law and this section for customizing a
84.21 statewide online reporting system. The commissioner must use a request for proposal
84.22 process to contract for the technology and software needed for customizing the online
84.23 system in order for the system to be fully functional, consistent with the requirements of
84.24 this section. This online system must be made available to school districts without charge
84.25 beginning in the 2015-2016 school year. For the 2015-2016 ~~through 2017-2018~~ and later
84.26 school years, school districts may use this online system or may contract with an outside
84.27 vendor for compliance reporting. ~~Beginning in the 2018-2019 school year and later,~~
84.28 ~~school districts must use this online system for compliance reporting.~~

84.29 (d) All data on individuals maintained in the statewide reporting system are
84.30 classified as provided in chapter 13 or other applicable state or federal law. An authorized
84.31 individual's ability to enter, update, or access data must be limited through the use of
84.32 role-based access codes corresponding to that individual's official duties or training level,
84.33 and the statutory authorization that grants access for a particular purpose. Any action
84.34 in which data in the system are entered, updated, accessed, or shared or disseminated
84.35 outside of the system must be recorded in an audit trail. The audit trail must identify the
84.36 specific user responsible for the action, the date and time the action occurred, and the

85.1 purpose for the action. Data contained in the audit trail maintain the same classification
85.2 as the underlying data affected by the action, provided the responsible authority makes
85.3 the data available to a student or the student's parent upon request, and the responsible
85.4 authority may access the data to audit the system's user activity and security safeguards.
85.5 Before entering data on a student, the responsible authority must provide the student or the
85.6 student's parent written notice of the data practices rights and responsibilities required
85.7 by this section and a reasonable opportunity to refuse consent to have the student's data
85.8 included in the system. Upon receiving the student or the student's parent written refusal
85.9 to consent, the school district must not enter data on that student into the system and must
85.10 delete any existing data on that student currently in the system.

85.11 (e) Consistent with this section, the commissioner must establish a public Internet
85.12 Web interface to provide information to educators, parents, and the public about the form
85.13 and content of required special education reports, to respond to queries from educators,
85.14 parents, and the public about specific aspects of special education reports and reporting,
85.15 and to use the information garnered from the interface to streamline and revise special
85.16 education reporting on the online system under this section. The public Internet Web
85.17 interface must have a prominently linked page describing the rights and responsibilities
85.18 of students and parents whose data are included in the statewide reporting system, and
85.19 include information on the data practices rights of students and parents provided by this
85.20 section and a form students or parents may use to refuse consent to have a student's data
85.21 included in the system. The public Internet Web interface must not provide access to the
85.22 educational records of any individual child.

85.23 (f) The commissioner annually by February 1 must submit to the legislature a report
85.24 on the status, recent changes, and sustainability of the online system under this section.

85.25 Sec. 17. Minnesota Statutes 2014, section 125A.21, is amended to read:

85.26 **125A.21 THIRD-PARTY PAYMENT.**

85.27 Subdivision 1. **Obligation to pay.** Nothing in sections 125A.03 to 125A.24 and
85.28 125A.65 relieves an insurer or similar third party from an otherwise valid obligation to
85.29 pay, or changes the validity of an obligation to pay, for services rendered to a child with
85.30 a disability, and the child's family. A school district shall pay the nonfederal share of
85.31 medical assistance services provided according to section 256B.0625, subdivision 26.
85.32 Eligible expenditures must not be made from federal funds or funds used to match other
85.33 federal funds. Any federal disallowances are the responsibility of the school district. A
85.34 school district may pay or reimburse co-payments, coinsurance, deductibles, and other
85.35 enrollee cost-sharing amounts, on behalf of the student or family, in connection with

86.1 health and related services provided under an individual educational plan or individualized
86.2 family service plan.

86.3 Subd. 2. **Third-party reimbursement.** (a) Beginning July 1, 2000, districts
86.4 shall seek reimbursement from insurers and similar third parties for the cost of services
86.5 provided by the district whenever the services provided by the district are otherwise
86.6 covered by the child's health coverage. Districts shall request, but may not require, the
86.7 child's family to provide information about the child's health coverage when a child with a
86.8 disability begins to receive services from the district of a type that may be reimbursable,
86.9 and shall request, but may not require, updated information after that as needed.

86.10 (b) For children enrolled in medical assistance under chapter 256B or MinnesotaCare
86.11 under chapter 256L who have no other health coverage, a district shall provide an initial
86.12 and annual written notice to the enrolled child's parent or legal representative of its intent
86.13 to seek reimbursement from medical assistance or MinnesotaCare for the individualized
86.14 education program or individualized family service plan health-related services provided
86.15 by the district. The initial notice must give the child's parent or legal representative the
86.16 right to request a copy of the child's education records on the health-related services that
86.17 the district provided to the child and disclosed to a third-party payer.

86.18 (c) The district shall give the parent or legal representative annual written notice of:

86.19 (1) the district's intent to seek reimbursement from medical assistance or
86.20 MinnesotaCare for individualized education program or individualized family service plan
86.21 health-related services provided by the district;

86.22 (2) the right of the parent or legal representative to request a copy of all records
86.23 concerning individualized education program or individualized family service plan
86.24 health-related services disclosed by the district to any third party; and

86.25 (3) the right of the parent or legal representative to withdraw consent for disclosure
86.26 of a child's records at any time without consequence.

86.27 The written notice shall be provided as part of the written notice required by Code of
86.28 Federal Regulations, title 34, section 300.504 or 303.520. The district must ensure that the
86.29 parent of a child with a disability is given notice, in understandable language, of federal and
86.30 state procedural safeguards available to the parent under this paragraph and paragraph (b).

86.31 (d) In order to access the private health care coverage of a child who is covered by
86.32 private health care coverage in whole or in part, a district must:

86.33 (1) obtain annual written informed consent from the parent or legal representative, in
86.34 compliance with subdivision 5; and

86.35 (2) inform the parent or legal representative that a refusal to permit the district
86.36 or state Medicaid agency to access their private health care coverage does not relieve

87.1 the district of its responsibility to provide all services necessary to provide free and
 87.2 appropriate public education at no cost to the parent or legal representative.

87.3 (e) If the commissioner of human services obtains federal approval to exempt
 87.4 covered individualized education program or individualized family service plan
 87.5 health-related services from the requirement that private health care coverage refuse
 87.6 payment before medical assistance may be billed, paragraphs (b), (c), and (d) shall also
 87.7 apply to students with a combination of private health care coverage and health care
 87.8 coverage through medical assistance or MinnesotaCare.

87.9 (f) In the event that Congress or any federal agency or the Minnesota legislature
 87.10 or any state agency establishes lifetime limits, limits for any health care services,
 87.11 cost-sharing provisions, or otherwise provides that individualized education program or
 87.12 individualized family service plan health-related services impact benefits for persons
 87.13 enrolled in medical assistance or MinnesotaCare, the amendments to this subdivision
 87.14 adopted in 2002 are repealed on the effective date of any federal or state law or regulation
 87.15 that imposes the limits. In that event, districts must obtain informed consent consistent
 87.16 with this subdivision as it existed prior to the 2002 amendments and subdivision 5, before
 87.17 seeking reimbursement for children enrolled in medical assistance under chapter 256B or
 87.18 MinnesotaCare under chapter 256L who have no other health care coverage.

87.19 Subd. 3. **Use of reimbursements.** Of the reimbursements received, districts may:

87.20 (1) retain an amount sufficient to compensate the district for its administrative costs
 87.21 of obtaining reimbursements;

87.22 (2) regularly obtain from education- and health-related entities training and other
 87.23 appropriate technical assistance designed to improve the district's ability to access
 87.24 third-party payments for individualized education program or individualized family
 87.25 service plan health-related services; or

87.26 (3) reallocate reimbursements for the benefit of students with individualized
 87.27 education programs or ~~individual~~ individualized family service plans in the district.

87.28 Subd. 4. **Parents not obligated to use health coverage.** To the extent required by
 87.29 federal law, a school district may not require parents of children with disabilities, if they
 87.30 would incur a financial cost, to use private or public health coverage to pay for the services
 87.31 that must be provided under an individualized education program or individualized
 87.32 family service plan.

87.33 Subd. 5. **Informed consent.** When obtaining informed consent, consistent with
 87.34 sections 13.05, subdivision 4a; 256B.77, subdivision 2, paragraph (p); and Code of
 87.35 Federal Regulations, title 34, parts 99 ~~and~~ 300, and 303, to bill health plans for covered
 87.36 services, the school district must notify the legal representative (1) that the cost of the

88.1 person's private health insurance premium may increase due to providing the covered
 88.2 service in the school setting, (2) that the school district may pay certain enrollee health
 88.3 plan costs, including but not limited to, co-payments, coinsurance, deductibles, premium
 88.4 increases or other enrollee cost-sharing amounts for health and related services required
 88.5 by an individual service plan, or ~~individual~~ individualized family service plan, and (3) that
 88.6 the school's billing for each type of covered service may affect service limits and prior
 88.7 authorization thresholds. The informed consent may be revoked in writing at any time
 88.8 by the person authorizing the billing of the health plan.

88.9 Subd. 6. **District obligation to provide service.** To the extent required by federal
 88.10 law, no school district may deny, withhold, or delay any service that must be provided
 88.11 under an individualized education program or individualized family service plan because
 88.12 a family has refused to provide informed consent to bill a health plan for services or a
 88.13 health plan company has refused to pay any, all, or a portion of the cost of services billed.

88.14 Subd. 7. **District disclosure of information.** A school district may disclose
 88.15 information contained in a student's individualized education program, consistent with
 88.16 section 13.32, subdivision 3, paragraph (a), and Code of Federal Regulations, title 34,
 88.17 parts 99 ~~and~~, 300, and 303; including records of the student's diagnosis and treatment, to a
 88.18 health plan company only with the signed and dated consent of the student's parent, or
 88.19 other legally authorized individual. The school district shall disclose only that information
 88.20 necessary for the health plan company to decide matters of coverage and payment. A
 88.21 health plan company may use the information only for making decisions regarding
 88.22 coverage and payment, and for any other use permitted by law.

88.23 Sec. 18. Minnesota Statutes 2014, section 125A.28, is amended to read:

88.24 **125A.28 STATE INTERAGENCY COORDINATING COUNCIL.**

88.25 An Interagency Coordinating Council of at least 17, but not more than 25 members is
 88.26 established, in compliance with Public Law 108-446, section 641. The members must be
 88.27 appointed by the governor and reasonably represent the population of Minnesota. Council
 88.28 members must elect the council chair, who may not be a representative of the Department
 88.29 of Education. The council must be composed of at least five parents, including persons
 88.30 of color, of children with disabilities under age 12, including at least three parents of a
 88.31 child with a disability under age seven, five representatives of public or private providers
 88.32 of services for children with disabilities under age five, including a special education
 88.33 director, county social service director, local Head Start director, and a community health
 88.34 services or public health nursing administrator, one member of the senate, one member of
 88.35 the house of representatives, one representative of teacher preparation programs in early

89.1 childhood-special education or other preparation programs in early childhood intervention,
89.2 at least one representative of advocacy organizations for children with disabilities under
89.3 age five, one physician who cares for young children with special health care needs, one
89.4 representative each from the commissioners of commerce, education, health, human
89.5 services, a representative from the state agency responsible for child care, foster care,
89.6 mental health, homeless coordinator of education of homeless children and youth, and a
89.7 representative from Indian health services or a tribal council. Section 15.059, subdivisions
89.8 2 to 4, apply to the council. The council must meet at least quarterly.

89.9 The council must address methods of implementing the state policy of developing
89.10 and implementing comprehensive, coordinated, multidisciplinary interagency programs of
89.11 early intervention services for children with disabilities and their families.

89.12 The duties of the council include recommending policies to ensure a comprehensive
89.13 and coordinated system of all state and local agency services for children under age five
89.14 with disabilities and their families. The policies must address how to incorporate each
89.15 agency's services into a unified state and local system of multidisciplinary assessment
89.16 practices, individual intervention plans, comprehensive systems to find children in need of
89.17 services, methods to improve public awareness, and assistance in determining the role of
89.18 interagency early intervention committees.

89.19 ~~On the date that Minnesota Part C Annual Performance Report is submitted to~~
89.20 Within 30 days of receiving the annual determination from the federal Office of Special

103.5 ARTICLE 7

103.6 CHARTER SCHOOL STATUTES RECODIFICATION

103.7 Section 1. Minnesota Statutes 2014, section 124D.10, subdivision 1, is amended to read:

103.8 Subdivision 1. **Purposes.** (a) The primary purpose of this section is to improve all
 103.9 pupil learning and all student achievement. Additional purposes include to:

103.10 (1) increase learning opportunities for all pupils;

103.11 (2) encourage the use of different and innovative teaching methods;

103.12 (3) measure learning outcomes and create different and innovative forms of
 103.13 measuring outcomes;

103.14 (4) establish new forms of accountability for schools; or

103.15 (5) create new professional opportunities for teachers, including the opportunity to
 103.16 be responsible for the learning program at the school site.

103.17 (b) This section does not provide a means to keep open a school that a school board
 103.18 decides to close. However, a school board may endorse or authorize the establishing of
 103.19 a charter school to replace the school the board decided to close. Applicants seeking a
 103.20 charter under this circumstance must demonstrate to the authorizer that the charter sought
 103.21 is substantially different in purpose and program from the school the board closed and
 103.22 that the proposed charter satisfies the requirements of this subdivision. If the school
 103.23 board that closed the school authorizes the charter, it must document in its affidavit to the
 103.24 commissioner that the charter is substantially different in program and purpose from
 103.25 the school it closed.

103.26 (c) An authorizer shall not approve an application submitted by a charter school
 103.27 developer under subdivision 4, paragraph (a), if the application does not comply with this
 103.28 subdivision. The commissioner shall not approve an affidavit submitted by an authorizer
 103.29 under subdivision 4, paragraph (b), if the affidavit does not comply with this subdivision.

103.30 Sec. 2. Minnesota Statutes 2014, section 124D.10, subdivision 3, is amended to read:

103.31 Subd. 3. **Authorizer.** (a) For purposes of this section, the terms defined in this
 103.32 subdivision have the meanings given them.

104.1 "Application" to receive approval as an authorizer means the proposal an eligible
104.2 authorizer submits to the commissioner under paragraph ~~(e)~~ (d) before that authorizer is
104.3 able to submit any affidavit to charter to a school.

104.4 "Application" under subdivision 4 means the charter school business plan a
104.5 school developer submits to an authorizer for approval to establish a charter school that
104.6 documents the school developer's mission statement, school purposes, program design,
104.7 financial plan, governance and management structure, and background and experience,
104.8 plus any other information the authorizer requests. The application also shall include a
104.9 "statement of assurances" of legal compliance prescribed by the commissioner.

104.10 "Affidavit" means a written statement the authorizer submits to the commissioner
104.11 for approval to establish a charter school under subdivision 4 attesting to its review and
104.12 approval process before chartering a school.

104.13 (b) The following organizations may authorize one or more charter schools:

104.14 (1) a school board, intermediate school district school board, or education district
104.15 organized under sections 123A.15 to 123A.19;

104.16 (2) a charitable organization under section 501(c)(3) of the Internal Revenue Code
104.17 of 1986, excluding a nonpublic sectarian or religious institution; any person other than a
104.18 natural person that directly or indirectly, through one or more intermediaries, controls,
104.19 is controlled by, or is under common control with the nonpublic sectarian or religious
104.20 institution; and any other charitable organization under this clause that in the federal IRS
104.21 Form 1023, Part IV, describes activities indicating a religious purpose, that:

104.22 (i) is a member of the Minnesota Council of Nonprofits or the Minnesota Council on
104.23 Foundations;

104.24 (ii) is registered with the attorney general's office; and

104.25 (iii) is incorporated in the state of Minnesota and has been operating continuously
104.26 for at least five years but does not operate a charter school;

104.27 (3) a Minnesota private college, notwithstanding clause (2), that grants two- or
104.28 four-year degrees and is registered with the Minnesota Office of Higher Education under
104.29 chapter 136A; community college, state university, or technical college governed by the
104.30 Board of Trustees of the Minnesota State Colleges and Universities; or the University
104.31 of Minnesota;

104.32 (4) a nonprofit corporation subject to chapter 317A, described in section 317A.905,
104.33 and exempt from federal income tax under section 501(c)(6) of the Internal Revenue Code
104.34 of 1986, may authorize one or more charter schools if the charter school has operated
104.35 for at least three years under a different authorizer and if the nonprofit corporation has
104.36 existed for at least 25 years; or

105.1 (5) single-purpose authorizers formed as charitable, nonsectarian organizations
105.2 under section 501(c)(3) of the Internal Revenue Code of 1986 and incorporated in the state
105.3 of Minnesota under chapter 317A as a corporation with no members or under section
105.4 322B.975 as a nonprofit limited liability company for the sole purpose of chartering schools.

105.5 (c) Eligible organizations interested in being approved as an authorizer under this
105.6 paragraph must submit a proposal to the commissioner that includes the provisions
105.7 of paragraph ~~(e)~~ (d) and a five-year financial plan. Such authorizers shall consider and
105.8 approve charter school applications using the criteria provided in subdivision 4 and shall
105.9 not limit the applications it solicits, considers, or approves to any single curriculum,
105.10 learning program, or method.

105.11 ~~(e)~~ (d) An eligible authorizer under this subdivision must apply to the commissioner
105.12 for approval as an authorizer before submitting any affidavit to the commissioner to charter
105.13 a school. The application for approval as a charter school authorizer must demonstrate
105.14 the applicant's ability to implement the procedures and satisfy the criteria for chartering a
105.15 school under this section. The commissioner must approve or disapprove an application
105.16 within 45 business days of the application deadline. If the commissioner disapproves
105.17 the application, the commissioner must notify the applicant of the specific deficiencies
105.18 in writing and the applicant then has 20 business days to address the deficiencies to the
105.19 commissioner's satisfaction. After the 20 business days expire, the commissioner has 15
105.20 business days to make a final decision to approve or disapprove the application. Failing to
105.21 address the deficiencies to the commissioner's satisfaction makes an applicant ineligible to
105.22 be an authorizer. The commissioner, in establishing criteria for approval, must consider
105.23 the applicant's:

- 105.24 (1) capacity and infrastructure;
- 105.25 (2) application criteria and process;
- 105.26 (3) contracting process;
- 105.27 (4) ongoing oversight and evaluation processes; and
- 105.28 (5) renewal criteria and processes.

105.29 ~~(d)~~ (e) An applicant must include in its application to the commissioner to be an
105.30 approved authorizer at least the following:

- 105.31 (1) how chartering schools is a way for the organization to carry out its mission;
- 105.32 (2) a description of the capacity of the organization to serve as an authorizer,
105.33 including the personnel who will perform the authorizing duties, their qualifications, the
105.34 amount of time they will be assigned to this responsibility, and the financial resources
105.35 allocated by the organization to this responsibility;

106.1 (3) a description of the application and review process the authorizer will use to
106.2 make decisions regarding the granting of charters;

106.3 (4) a description of the type of contract it will arrange with the schools it charters
106.4 that meets the provisions of subdivision 6;

106.5 (5) the process to be used for providing ongoing oversight of the school consistent
106.6 with the contract expectations specified in clause (4) that assures that the schools chartered
106.7 are complying with both the provisions of applicable law and rules, and with the contract;

106.8 (6) a description of the criteria and process the authorizer will use to grant expanded
106.9 applications under subdivision 4, paragraph ~~(j)~~ (s);

106.10 (7) the process for making decisions regarding the renewal or termination of
106.11 the school's charter based on evidence that demonstrates the academic, organizational,
106.12 and financial competency of the school, including its success in increasing student
106.13 achievement and meeting the goals of the charter school agreement; and

106.14 (8) an assurance specifying that the organization is committed to serving as an
106.15 authorizer for the full five-year term.

106.16 ~~(e)~~ (f) A disapproved applicant under this section may resubmit an application
106.17 during a future application period.

106.18 ~~(f)~~ (g) If the governing board of an approved authorizer votes to withdraw as
106.19 an approved authorizer for a reason unrelated to any cause under subdivision 23, the
106.20 authorizer must notify all its chartered schools and the commissioner in writing by July
106.21 15 of its intent to withdraw as an authorizer on June 30 in the next calendar year. The
106.22 commissioner may approve the transfer of a charter school to a new authorizer under this
106.23 paragraph after the new authorizer submits an affidavit to the commissioner.

106.24 ~~(g)~~ (h) The authorizer must participate in department-approved training.

106.25 ~~(h)~~ (i) The commissioner shall review an authorizer's performance every five years
106.26 in a manner and form determined by the commissioner and may review an authorizer's
106.27 performance more frequently at the commissioner's own initiative or at the request of a
106.28 charter school operator, charter school board member, or other interested party. The
106.29 commissioner, after completing the review, shall transmit a report with findings to the
106.30 authorizer.

106.31 (j) If, consistent with this section, the commissioner finds that an authorizer has not
106.32 fulfilled the requirements of this section, the commissioner may subject the authorizer
106.33 to corrective action, which may include terminating the contract with the charter school
106.34 board of directors of a school it chartered. The commissioner must notify the authorizer
106.35 in writing of any findings that may subject the authorizer to corrective action and
106.36 the authorizer then has 15 business days to request an informal hearing before the

107.1 commissioner takes corrective action. If the commissioner terminates a contract between
 107.2 an authorizer and a charter school under this paragraph, the commissioner may assist the
 107.3 charter school in acquiring a new authorizer.

107.4 ~~(j)~~ (k) The commissioner may at any time take corrective action against an
 107.5 authorizer, including terminating an authorizer's ability to charter a school for:

107.6 (1) failing to demonstrate the criteria under paragraph ~~(e)~~ (d) under which the
 107.7 commissioner approved the authorizer;

107.8 (2) violating a term of the chartering contract between the authorizer and the charter
 107.9 school board of directors;

107.10 (3) unsatisfactory performance as an approved authorizer; or

107.11 (4) any good cause shown that provides the commissioner a legally sufficient reason
 107.12 to take corrective action against an authorizer.

107.13 Sec. 3. Minnesota Statutes 2014, section 124D.10, subdivision 4, is amended to read:

107.14 Subd. 4. **Formation of school.** (a) An authorizer, after receiving an application from
 107.15 a school developer, may charter a licensed teacher under section 122A.18, subdivision
 107.16 1, or a group of individuals that includes one or more licensed teachers under section
 107.17 122A.18, subdivision 1, to operate a school subject to the commissioner's approval of the
 107.18 authorizer's affidavit under paragraph ~~(b)~~ (d).

107.19 (b) The school must be organized and operated as a nonprofit corporation under
 107.20 chapter 317A and the provisions under the applicable chapter shall apply to the school
 107.21 except as provided in this section.

107.22 (c) Notwithstanding sections 465.717 and 465.719, a school district, subject to this
 107.23 section and section 124D.11, may create a corporation for the purpose of establishing a
 107.24 charter school.

107.25 ~~(b)~~ (d) Before the operators may establish and operate a school, the authorizer must
 107.26 file an affidavit with the commissioner stating its intent to charter a school. An authorizer
 107.27 must file a separate affidavit for each school it intends to charter. An authorizer must file
 107.28 an affidavit by May 1 to be able to charter a new school in the next school year after the
 107.29 commissioner approves the authorizer's affidavit. The affidavit must state the terms and
 107.30 conditions under which the authorizer would charter a school and how the authorizer
 107.31 intends to oversee the fiscal and student performance of the charter school and to comply
 107.32 with the terms of the written contract between the authorizer and the charter school
 107.33 board of directors under subdivision 6. The commissioner must approve or disapprove
 107.34 the authorizer's affidavit within 60 business days of receipt of the affidavit. If the
 107.35 commissioner disapproves the affidavit, the commissioner shall notify the authorizer of

108.1 the deficiencies in the affidavit and the authorizer then has 20 business days to address the
108.2 deficiencies. The commissioner must notify the authorizer of final approval or disapproval
108.3 within 15 business days after receiving the authorizer's response to the deficiencies in the
108.4 affidavit. If the authorizer does not address deficiencies to the commissioner's satisfaction,
108.5 the commissioner's disapproval is final. Failure to obtain commissioner approval precludes
108.6 an authorizer from chartering the school that is the subject of this affidavit.

108.7 ~~(e)~~ (e) The authorizer may prevent an approved charter school from opening for
108.8 operation if, among other grounds, the charter school violates this section or does not meet
108.9 the ready-to-open standards that are part of the authorizer's oversight and evaluation
108.10 process or are stipulated in the charter school contract.

108.11 ~~(d)~~ (f) The operators authorized to organize and operate a school, before entering
108.12 into a contract or other agreement for professional or other services, goods, or facilities,
108.13 must incorporate as a nonprofit corporation under chapter 317A ~~and~~.

108.14 (g) The operators authorized to organize and operate a school, before entering into a
108.15 contract or other agreement for professional or other services, goods, or facilities, must
108.16 establish a board of directors composed of at least five members who are not related parties
108.17 until a timely election for members of the ongoing charter school board of directors is
108.18 held according to the school's articles and bylaws under paragraph (f) (l). A charter school
108.19 board of directors must be composed of at least five members who are not related parties.

108.20 (h) Staff members employed at the school, including teachers providing instruction
108.21 under a contract with a cooperative, members of the board of directors, and all parents
108.22 or legal guardians of children enrolled in the school are the voters eligible to elect the
108.23 members of the school's board of directors. A charter school must notify eligible voters of
108.24 the school board election dates at least 30 days before the election.

108.25 (i) Board of director meetings must comply with chapter 13D.

108.26 ~~(e)~~ (j) A charter school shall publish and maintain on the school's official Web site:

108.27 (1) the minutes of meetings of the board of directors, and of members and committees
108.28 having any board-delegated authority, for at least one calendar year from the date
108.29 of publication; (2) directory information for members of the board of directors and
108.30 committees having board-delegated authority; and (3) identifying and contact information
108.31 for the school's authorizer. Identifying and contact information for the school's authorizer
108.32 must be included in other school materials made available to the public.

108.33 (k) Upon request of an individual, the charter school must also make available in
108.34 a timely fashion financial statements showing all operations and transactions affecting
108.35 income, surplus, and deficit during the school's last annual accounting period; and a
108.36 balance sheet summarizing assets and liabilities on the closing date of the accounting

109.1 period. A charter school also must include that same information about its authorizer in
109.2 other school materials that it makes available to the public.

109.3 ~~(f)~~ (l) Every charter school board member shall attend annual training throughout

109.6 management. A new board member who does not begin the required initial training within
109.7 six months after being seated and complete that training within 12 months of being seated
109.8 on the board is automatically ineligible to continue to serve as a board member. The
109.9 school shall include in its annual report the training attended by each board member
109.10 during the previous year.

109.11 ~~(g)~~ (m) The ongoing board must be elected before the school completes its third
109.12 year of operation. Board elections must be held during the school year but may not be
109.13 conducted on days when the school is closed for holidays, breaks, or vacations.

109.14 (n) The charter school board of directors shall be composed of at least five nonrelated
109.15 members and include: (i) at least one licensed teacher employed as a teacher at the school
109.16 or providing instruction under contract between the charter school and a cooperative; (ii)

109.18 an employee of the charter school; and (iii) at least one interested community member
109.19 who resides in Minnesota and is not employed by the charter school and does not have a
109.20 child enrolled in the school. The board may include a majority of teachers described in
109.21 this paragraph or parents or community members, or it may have no clear majority. The
109.22 chief financial officer and the chief administrator may only serve as ex-officio nonvoting
109.23 board members. No charter school employees shall serve on the board other than teachers
109.24 under item (i). Contractors providing facilities, goods, or services to a charter school shall

109.27 governance structure, consistent with chapter 317A. A board may change its governance
109.28 structure only:

109.30 teachers employed by the school as teachers, including licensed teachers providing
109.31 instruction under a contract between the school and a cooperative; and

109.32 (2) with the authorizer's approval.

109.34 the board established under this paragraph.

109.35 ~~(h)~~ (p) The granting or renewal of a charter by an authorizer must not be conditioned
109.36 upon the bargaining unit status of the employees of the school.

110.1 ~~(i)~~ (q) The granting or renewal of a charter school by an authorizer must not be
110.2 contingent on the charter school being required to contract, lease, or purchase services
110.3 from the authorizer.

110.4 (r) Any potential contract, lease, or purchase of service from an authorizer must
110.5 be disclosed to the commissioner, accepted through an open bidding process, and be a
110.6 separate contract from the charter contract. The school must document the open bidding
110.7 process. An authorizer must not enter into a contract to provide management and financial
110.8 services for a school that it authorizes, unless the school documents that it received at
110.9 least two competitive bids.

110.10 ~~(j)~~ (s) A charter school may apply to the authorizer to amend the school charter to
110.11 expand the operation of the school to additional grades or sites that would be students'
110.12 primary enrollment site beyond those defined in the original affidavit approved by the
110.13 commissioner. After approving the school's application, the authorizer shall submit a
110.14 supplementary affidavit in the form and manner prescribed by the commissioner. The
110.15 authorizer must file a supplement affidavit by October 1 to be eligible to expand in the next
110.16 school year. The supplementary affidavit must document that the school has demonstrated
110.17 to the satisfaction of the authorizer the following:

110.23 (3) a history of sound school finances and a finance plan to implement the expansion
110.24 in a manner to promote the school's financial sustainability; and

110.25 (4) board capacity and an administrative and management plan to implement its
110.26 expansion.

110.27 ~~(k)~~ (t) The commissioner shall have 30 business days to review and comment on the
110.28 supplemental affidavit. The commissioner shall notify the authorizer in writing of any
110.29 deficiencies in the supplemental affidavit and the authorizer then has 20 business days to
110.30 address, to the commissioner's satisfaction, any deficiencies in the supplemental affidavit.
110.31 The commissioner must notify the authorizer of final approval or disapproval within 15
110.32 business days after receiving the authorizer's response to the deficiencies in the affidavit.
110.33 The school may not expand grades or add sites until the commissioner has approved the
110.34 supplemental affidavit. The commissioner's approval or disapproval of a supplemental
110.35 affidavit is final.
