Section 1. **APPROPRIATION; MINNESOTA INITIATIVE FOUNDATIONS.**

(a) \$1,500,000 in fiscal year 2017 is appropriated from the general fund to the commissioner of employment and economic development for grants to Minnesota initiative foundations. This is a onetime appropriation and is available until June 30, 2019. Grant funds must be awarded in equal amounts to each initiative foundation.

(b) Minnesota initiative foundations must use grant funds under this section to:

(1) facilitate planning processes for rural communities resulting in a community solution action plan that guides decision making to sustain and increase the supply of quality child care in the region to support economic development;

(2) engage the private sector to invest local resources to support the community solution action plan and ensure child care is a vital component of additional regional economic development planning processes;

2.2 to provide low-cost training, professional development opportunities, and curriculum.
2.3 Minnesota initiative foundations must fund, through local partners, an enhanced level of
