109.5 continuing disclosure of information necessary to comply with or facilitate the issuance of  
109.6 appropriation bonds in accordance with federal securities laws, rules, and regulations,

109.14 notes, or other similar instruments, and in the manner provided in section 16A.672. In the

109.30 payment at maturity of the appropriation bonds to be refunded, to the redemption of the  
109.31 outstanding appropriation bonds on any redemption date, or to pay interest on the refunding  
109.32 bonds and may, pending application, be placed in escrow to be applied to the purchase,  
109.33 payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be

110.1 invested and reinvested in obligations that are authorized investments under section 11A.24.  
 110.2 The income earned or realized on the investment may also be applied to the payment of the  
 110.3 appropriation bonds to be refunded or interest or premiums on the refunded appropriation  
 110.4 bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been  
 110.5 fully satisfied, any balance of the proceeds and any investment income may be returned to  
 110.6 the general fund or, if applicable, the special appropriation electric vehicle infrastructure  
 110.7 bond proceeds fund for use in any lawful manner. All refunding bonds issued under this

 110.21 powers of the state are not pledged to the payment of the appropriation bonds or to any  
 110.22 payment that the state agrees to make under this section. Appropriation bonds shall not be  
 110.23 obligations paid directly, in whole or in part, from a tax of statewide application on any

 110.25 in each fiscal year only from amounts that the legislature may appropriate for debt service  
 110.26 for any fiscal year, provided that nothing in this section shall be construed to require the  
 110.27 state to appropriate money sufficient to make debt service payments with respect to the  
 110.28 appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no  
 110.29 longer be outstanding on the earlier of (1) the first day of a fiscal year for which the

 111.16 section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary  
 111.17 contracts to which the commissioner is a party.

111.18 Sec. 2. **[16A.964] PUBLIC TELEVISION EQUIPMENT APPROPRIATION BONDS.**

111.19 Subdivision 1. **Definitions.** (a) The definitions in this subdivision apply to this section.

 111.21 the state payable during a biennium from one or more of the following sources:

 111.23 due with respect to obligations described in subdivision 2, paragraph (a);

111.24 (2) proceeds of the sale of obligations described in subdivision 2, paragraph (a);

111.25 (3) payments received for that purpose under agreements and ancillary arrangements  
 111.26 described in subdivision 2, paragraph (d); and

111.27 (4) investment earnings on amounts in clauses (1) to (3).

111.28 (c) "Debt service" means the amount payable in any biennium of principal, premium, if  
 111.29 any, and interest on appropriation bonds, and the fees, charges, and expenses related to the  
 111.30 bonds.

112.1 (d) "Equipment" means the physical infrastructure and hardware used for the production,  
112.2 dissemination, interconnection, and transmission of digital media content, the useful life of  
112.3 which may range from seven to 40 years.

112.4 (e) "Public station" has the meaning given in section 129D.12, subdivision 2.

112.5 **Subd. 2. Authorization to issue appropriation bonds.** (a) Subject to the limitations of  
112.6 this subdivision, the commissioner may sell and issue appropriation bonds of the state under  
112.7 this section for public purposes as provided by law, including for the purposes of financing  
112.8 the cost of various items of capital equipment necessary to the ongoing operations of public  
112.9 stations. Appropriation bonds may be sold and issued in amounts that, in the opinion of the  
112.10 commissioner, are necessary to provide sufficient money to the commissioner of  
112.11 administration under subdivision 7, not to exceed \$13,000,000 net of costs of issuance, for  
112.12 the purposes as provided under this subdivision, and to pay debt service including capitalized  
112.13 interest, costs of issuance, costs of credit enhancement, or make payments under other  
112.14 agreements entered into under paragraph (d). Notwithstanding section 129D.155, any money  
112.15 repaid to the commissioner of administration upon a sale or other disposition of equipment  
112.16 acquired under this section shall be transferred to the commissioner and applied toward  
112.17 principal and interest on outstanding bonds.

112.18 (b) Proceeds of the appropriation bonds must be credited to a special appropriation public  
112.19 television equipment bond proceeds fund in the state treasury. All income from investment  
112.20 of the bond proceeds, as estimated by the commissioner, is appropriated to the commissioner  
112.21 for the payment of principal and interest on the appropriation bonds.

112.22 (c) Appropriation bonds may be issued in one or more issues or series on the terms and  
112.23 conditions the commissioner determines to be in the best interests of the state, but the term  
112.24 on any series of appropriation bonds may not exceed 21 years. The appropriation bonds of  
112.25 each issue and series thereof shall be dated and bear interest, and may be includable in or  
112.26 excludable from the gross income of the owners for federal income tax purposes.

112.27 (d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time  
112.28 thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter  
112.29 into agreements and ancillary arrangements relating to the appropriation bonds, including  
112.30 but not limited to trust indentures, grant agreements, lease or use agreements, operating  
112.31 agreements, management agreements, liquidity facilities, remarketing or dealer agreements,  
112.32 letter of credit agreements, insurance policies, guaranty agreements, reimbursement  
112.33 agreements, indexing agreements, or interest exchange agreements. Any payments made  
112.34 or received according to the agreement or ancillary arrangement shall be made from or

113.1 deposited as provided in the agreement or ancillary arrangement. The determination of the  
113.2 commissioner, included in an interest exchange agreement, that the agreement relates to an  
113.3 appropriation bond, shall be conclusive.

113.4 (e) The commissioner may enter into written agreements or contracts relating to the  
113.5 continuing disclosure of information necessary to comply with or facilitate the issuance of  
113.6 appropriation bonds in accordance with federal securities laws, rules, and regulations,  
113.7 including Securities and Exchange Commission rules and regulations in Code of Federal  
113.8 Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants  
113.9 with purchasers and holders of appropriation bonds set forth in the order or resolution  
113.10 authorizing the issuance of the appropriation bonds, or a separate document authorized by  
113.11 the order or resolution.

113.12 (f) The appropriation bonds are not subject to chapter 16C.

113.13 Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form of bonds,  
113.14 notes, or other similar instruments, and in the manner provided in section 16A.672. In the  
113.15 event that any provision of section 16A.672 conflicts with this section, this section shall  
113.16 control.

113.17 (b) Every appropriation bond shall include a conspicuous statement of the limitation  
113.18 established in subdivision 6.

113.19 (c) Appropriation bonds may be sold at either public or private sale upon such terms as  
113.20 the commissioner shall determine are not inconsistent with this section and may be sold at  
113.21 any price or percentage of par value. Any bid received may be rejected.

113.22 (d) Appropriation bonds must bear interest at a fixed or variable rate.

113.23 (e) Notwithstanding any other law, appropriation bonds issued under this section shall  
113.24 be fully negotiable.

113.25 Subd. 4. **Refunding bonds.** The commissioner may issue appropriation bonds for the  
113.26 purpose of refunding any appropriation bonds then outstanding, including the payment of  
113.27 any redemption premiums on the bonds, any interest accrued or to accrue to the redemption  
113.28 date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any  
113.29 refunding bonds may, at the discretion of the commissioner, be applied to the purchase or  
113.30 payment at maturity of the appropriation bonds to be refunded, to the redemption of the  
113.31 outstanding appropriation bonds on any redemption date, or to pay interest on the refunding  
113.32 bonds and may, pending application, be placed in escrow to be applied to the purchase,  
113.33 payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be

114.1 invested and reinvested in obligations that are authorized investments under section 11A.24.  
 114.2 The income earned or realized on the investment may also be applied to the payment of the  
 114.3 appropriation bonds to be refunded or interest or premiums on the refunded appropriation  
 114.4 bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been  
 114.5 fully satisfied, any balance of the proceeds and any investment income may be returned to  
 114.6 the general fund or, if applicable, the special appropriation public television equipment  
 114.7 bond proceeds fund for use in any lawful manner. All refunding bonds issued under this  
 114.8 subdivision must be prepared, executed, delivered, and secured by appropriations in the  
 114.9 same manner as the appropriation bonds to be refunded.

114.10 Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities may  
 114.11 legally invest any sinking funds, money, or other funds belonging to them or under their  
 114.12 control in any appropriation bonds issued under this section:

114.13 (1) the state, the investment board, public officers, municipal corporations, political  
 114.14 subdivisions, and public bodies;

114.15 (2) banks and bankers, savings and loan associations, credit unions, trust companies,  
 114.16 savings banks and institutions, investment companies, insurance companies, insurance  
 114.17 associations, and other persons carrying on a banking or insurance business; and

114.18 (3) personal representatives, guardians, trustees, and other fiduciaries.

114.19 Subd. 6. **No full faith and credit; state not required to make appropriations.** The  
 114.20 appropriation bonds are not public debt of the state, and the full faith, credit, and taxing  
 114.21 powers of the state are not pledged to the payment of the appropriation bonds or to any  
 114.22 payment that the state agrees to make under this section. Appropriation bonds shall not be  
 114.23 obligations paid directly, in whole or in part, from a tax of statewide application on any  
 114.24 class of property, income, transaction, or privilege. Appropriation bonds shall be payable  
 114.25 in each fiscal year only from amounts that the legislature may appropriate for debt service  
 114.26 for any fiscal year, provided that nothing in this section shall be construed to require the  
 114.27 state to appropriate money sufficient to make debt service payments with respect to the  
 114.28 appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no  
 114.29 longer be outstanding on the earlier of (1) the first day of a fiscal year for which the  
 114.30 legislature shall not have appropriated amounts sufficient for debt service, or (2) the date  
 114.31 of final payment of the principal of and interest on the appropriation bonds.

114.32 Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds issued under  
 114.33 subdivision 2, paragraph (a), and interest credited to the special appropriation public  
 114.34 television equipment bond proceeds fund are appropriated as follows:

115.1 (1) to the commissioner of administration for equipment grants to public stations under  
 115.2 section 129D.15 and as further specified in subdivision 2, paragraph (a), which grants must  
 115.3 be allocated two-sevenths to Twin Cities PBS, one-seventh to KSMQ public television in  
 115.4 Austin, one-seventh to Pioneer public television in Granite Falls, one-seventh to Lakeland  
 115.5 PBS in Bemidji, one-seventh to Prairie Public in Fargo/Moorhead, and one-seventh to  
 115.6 WDSE public television in Duluth; and

115.7 (2) to the commissioner for debt service on the bonds including capitalized interest,  
 115.8 nonsalary costs of issuance of the bonds, costs of credit enhancement of the bonds, and  
 115.9 payments under any agreements entered into under subdivision 2, paragraph (d), as permitted  
 115.10 by state and federal law.

115.11 **Subd. 8. Appropriation for debt service and other purposes.** An amount needed to  
 115.12 pay principal and interest on appropriation bonds issued under subdivision 2, paragraph (a),  
 115.13 is appropriated each fiscal year from the general fund to the commissioner, subject to repeal,  
 115.14 unallotment under section 16A.152, or cancellation, otherwise pursuant to subdivision 6,  
 115.15 for deposit into the bond payments account established for such purpose in the special  
 115.16 appropriation public television equipment bond proceeds fund. The appropriation is available  
 115.17 beginning in fiscal year 2021 and remains available through fiscal year 2042.

115.18 **Subd. 9. Waiver of immunity.** The waiver of immunity by the state provided for by  
 115.19 section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary  
 115.20 contracts to which the commissioner is a party.

115.21 **Sec. 3. [16A.966] RESPONSE TO RELEASES APPROPRIATION BONDS.**

115.22 **Subdivision 1. Definitions.** (a) The definitions in this subdivision apply to this section.

115.23 (b) "Appropriation bond" or "bond" means a bond, note, or other similar instrument of  
 115.24 the state payable during a biennium from one or more of the following sources:

115.25 (1) money appropriated by law from the general fund in any biennium for debt service  
 115.26 due with respect to obligations described in subdivision 2, paragraph (a);

115.27 (2) proceeds of the sale of obligations described in subdivision 2, paragraph (a);

115.28 (3) payments received for that purpose under agreements and ancillary arrangements  
 115.29 described in subdivision 2, paragraph (d); and

116.1 (c) "Debt service" means the amount payable in any biennium of principal, premium, if  
116.2 any, and interest on appropriation bonds, and the fees, charges, and expenses related to the  
116.3 bonds.

116.4 Subd. 2. Authorization to issue appropriation bonds. (a) Subject to the limitations of  
116.5 this subdivision, the commissioner may sell and issue appropriation bonds of the state under  
116.6 this section for public purposes as provided by law, including for the purposes of financing  
116.7 the cost of implementing removal or remedial actions permitted under section 115B.17 and  
116.8 further subject to the conditions in chapter 115B to address risks to human health and the  
116.9 environment at contaminated sites. Appropriation bonds may be sold and issued in amounts  
116.10 that, in the opinion of the commissioner, are necessary to provide sufficient money to the  
116.11 commissioner of the Pollution Control Agency under subdivision 7, not to exceed  
116.12 \$22,900,000 net of costs of issuance, for the purposes as provided under this subdivision,  
116.13 and to pay debt service including capitalized interest, costs of issuance, costs of credit  
116.14 enhancement, or make payments under other agreements entered into under paragraph (d).  
116.15 Notwithstanding section 115B.17, subdivision 6 or 16, any money recovered in a civil action  
116.16 or any money received from the disposition of property acquired for a response action and  
116.17 financed with bonds under this section shall be transferred to the commissioner and applied  
116.18 toward principal and interest on outstanding bonds.

116.19 (b) Proceeds of the appropriation bonds must be credited to a special appropriation state  
116.20 response to releases bond proceeds fund in the state treasury. All income from investment  
116.21 of the bond proceeds, as estimated by the commissioner, is appropriated to the commissioner  
116.22 for the payment of principal and interest on the appropriation bonds.

116.23 (c) Appropriation bonds may be issued in one or more issues or series on the terms and  
116.24 conditions the commissioner determines to be in the best interests of the state, but the term  
116.25 on any series of appropriation bonds may not exceed 21 years. The appropriation bonds of  
116.26 each issue and series thereof shall be dated and bear interest, and may be includable in or  
116.27 excludable from the gross income of the owners for federal income tax purposes.

116.28 (d) At the time of, or in anticipation of, issuing the appropriation bonds, and at any time  
116.29 thereafter, so long as the appropriation bonds are outstanding, the commissioner may enter  
116.30 into agreements and ancillary arrangements relating to the appropriation bonds, including  
116.31 but not limited to trust indentures, grant agreements, lease or use agreements, operating  
116.32 agreements, management agreements, liquidity facilities, remarketing or dealer agreements,  
116.33 letter of credit agreements, insurance policies, guaranty agreements, reimbursement  
116.34 agreements, indexing agreements, or interest exchange agreements. Any payments made  
116.35 or received according to the agreement or ancillary arrangement shall be made from or

117.1 deposited as provided in the agreement or ancillary arrangement. The determination of the  
117.2 commissioner included in an interest exchange agreement that the agreement relates to an  
117.3 appropriation bond shall be conclusive.

117.4 (e) The commissioner may enter into written agreements or contracts relating to the  
117.5 continuing disclosure of information necessary to comply with or facilitate the issuance of  
117.6 appropriation bonds in accordance with federal securities laws, rules, and regulations,  
117.7 including Securities and Exchange Commission rules and regulations in Code of Federal  
117.8 Regulations, title 17, section 240.15c 2-12. An agreement may be in the form of covenants  
117.9 with purchasers and holders of appropriation bonds set forth in the order or resolution  
117.10 authorizing the issuance of the appropriation bonds, or a separate document authorized by  
117.11 the order or resolution.

117.12 (f) The appropriation bonds are not subject to chapter 16C.

117.13 Subd. 3. **Form; procedure.** (a) Appropriation bonds may be issued in the form of bonds,  
117.14 notes, or other similar instruments, and in the manner provided in section 16A.672. In the  
117.15 event that any provision of section 16A.672 conflicts with this section, this section shall  
117.16 control.

117.17 (b) Every appropriation bond shall include a conspicuous statement of the limitation  
117.18 established in subdivision 6.

117.19 (c) Appropriation bonds may be sold at either public or private sale upon such terms as  
117.20 the commissioner shall determine are not inconsistent with this section and may be sold at  
117.21 any price or percentage of par value. Any bid received may be rejected.

117.22 (d) Appropriation bonds must bear interest at a fixed or variable rate.

117.23 (e) Notwithstanding any other law, appropriation bonds issued under this section shall  
117.24 be fully negotiable.

117.25 Subd. 4. **Refunding bonds.** The commissioner may issue appropriation bonds for the  
117.26 purpose of refunding any appropriation bonds then outstanding, including the payment of  
117.27 any redemption premiums on the bonds, any interest accrued or to accrue to the redemption  
117.28 date, and costs related to the issuance and sale of the refunding bonds. The proceeds of any  
117.29 refunding bonds may, at the discretion of the commissioner, be applied to the purchase or  
117.30 payment at maturity of the appropriation bonds to be refunded, to the redemption of the  
117.31 outstanding appropriation bonds on any redemption date, or to pay interest on the refunding  
117.32 bonds and may, pending application, be placed in escrow to be applied to the purchase,  
117.33 payment, retirement, or redemption. Any escrowed proceeds, pending such use, may be

118.1 invested and reinvested in obligations that are authorized investments under section 11A.24.  
118.2 The income earned or realized on the investment may also be applied to the payment of the  
118.3 appropriation bonds to be refunded or interest or premiums on the refunded appropriation  
118.4 bonds, or to pay interest on the refunding bonds. After the terms of the escrow have been  
118.5 fully satisfied, any balance of the proceeds and any investment income may be returned to  
118.6 the general fund or, if applicable, the special appropriation state response to releases bond  
118.7 proceeds fund for use in any lawful manner. All refunding bonds issued under this subdivision  
118.8 must be prepared, executed, delivered, and secured by appropriations in the same manner  
118.9 as the appropriation bonds to be refunded.

118.10 Subd. 5. **Appropriation bonds as legal investments.** Any of the following entities may  
118.11 legally invest any sinking funds, money, or other funds belonging to them or under their  
118.12 control in any appropriation bonds issued under this section:

118.16 savings banks and institutions, investment companies, insurance companies, insurance  
118.17 associations, and other persons carrying on a banking or insurance business; and

118.18 (3) personal representatives, guardians, trustees, and other fiduciaries.

118.19 Subd. 6. **No full faith and credit; state not required to make appropriations.** The  
118.20 appropriation bonds are not public debt of the state, and the full faith, credit, and taxing  
118.21 powers of the state are not pledged to the payment of the appropriation bonds or to any  
118.22 payment that the state agrees to make under this section. Appropriation bonds shall not be  
118.23 obligations paid directly, in whole or in part, from a tax of statewide application on any  
118.24 class of property, income, transaction, or privilege. Appropriation bonds shall be payable  
118.25 in each fiscal year only from amounts that the legislature may appropriate for debt service  
118.26 for any fiscal year, provided that nothing in this section shall be construed to require the  
118.27 state to appropriate money sufficient to make debt service payments with respect to the  
118.28 appropriation bonds in any fiscal year. Appropriation bonds shall be canceled and shall no  
118.29 longer be outstanding on the earlier of (1) the first day of a fiscal year for which the  
118.30 legislature shall not have appropriated amounts sufficient for debt service, or (2) the date  
118.31 of final payment of the principal of and interest on the appropriation bonds.

118.32 Subd. 7. **Appropriation of proceeds.** The proceeds of appropriation bonds issued under  
118.33 subdivision 2, paragraph (a), and interest credited to the special appropriation state response  
118.34 to releases bond proceeds fund are appropriated as follows:

119.6 nonsalary costs of issuance of the bonds, costs of credit enhancement of the bonds, and  
119.7 payments under any agreements entered into under subdivision 2, paragraph (d), as permitted  
119.8 by state and federal law.

119.9 Subd. 8. **Appropriation for debt service and other purposes.** An amount needed to  
119.10 pay principal and interest on appropriation bonds issued under subdivision 2, paragraph (a),  
119.11 is appropriated each fiscal year from the general fund to the commissioner, subject to repeal,  
119.12 unallotment under section 16A.152, or cancellation, otherwise pursuant to subdivision 6,

119.14 appropriation state response to releases bond proceeds fund. The appropriation is available  
119.15 beginning in fiscal year 2021 and remains available through fiscal year 2042.

119.16 Subd. 9. **Waiver of immunity.** The waiver of immunity by the state provided for under  
119.17 section 3.751, subdivision 1, shall be applicable to the appropriation bonds and any ancillary  
119.18 contracts to which the commissioner is a party.

131.3 ~~(ii) in any district receiving a debt service loan for a debt service levy payable in 2001~~  
131.4 ~~or earlier, or granted a capital loan before January 2, 2002, a levy in a total dollar amount~~  
131.5 ~~computed at a rate of 29.39 percent of adjusted net tax capacity for taxes payable in 2002~~  
131.6 ~~and thereafter; or~~

131.7 ~~(2) a levy in any district for which a capital loan was approved prior to August 1, 1981,~~  
131.8 ~~a levy in a total dollar amount equal to the sum of the amount of the required debt service~~  
131.9 ~~levy and an amount which when levied annually will in the opinion of the commissioner~~  
131.10 ~~be sufficient to retire the remaining interest and principal on any outstanding loans from~~  
131.11 ~~the state within 30 years of the original date when the capital loan was granted.~~

131.12 ~~(b) The board in any district affected by the provisions of paragraph (a), clause (2), may~~  
131.13 ~~elect instead to determine the amount of its levy according to the provisions of paragraph~~  
131.14 ~~(a), clause (1). If a district's capital loan is not paid within 30 years because it elects to~~  
131.15 ~~determine the amount of its levy according to the provisions of paragraph (a), clause (2),~~  
131.16 ~~the liability of the district for the amount of the difference between the amount it levied~~

131.21 (2) the unpaid balance on the district's capital loan after deducting the amount to be paid  
131.22 on the district's capital loan in December of the year in which the levy is certified.

131.23 Sec. 11. Minnesota Statutes 2018, section 126C.66, subdivision 3, is amended to read:

131.24 Subd. 3. **Principal interest Payments.** All payments of principal and interest on debt  
131.25 ~~service notes or~~ on capital loan contracts, as received by the commissioner, are appropriated  
131.26 to the loan repayment account.

131.27 Sec. 12. Minnesota Statutes 2018, section 126C.69, as amended by Laws 2019, First  
131.28 Special Session chapter 10, article 3, section 40, is amended to read:

131.29 **126C.69 CAPITAL GRANTS AND LOANS.**

131.30 Subdivision 1. **Capital grant and loan requests and uses.** Capital grants and loans are  
131.31 available only to qualifying districts. Capital grants and loans must not be used for the  
131.32 construction of swimming pools, ice arenas, athletic facilities, auditoriums, bus garages, or

132.1 heating system improvements. Proceeds of the grants and loans may be used only for sites  
 132.2 for education facilities and for acquiring, bettering, furnishing, or equipping education  
 132.3 facilities. Contracts must be entered into within 18 months after the date on which each  
 132.4 grant and loan is ~~granted~~ approved. For purposes of this section, "education facilities"  
 132.5 includes space for Head Start programs and social service programs.

132.6 Subd. 2. **Capital loans grant and loan eligibility.** Beginning July 1, ~~1999~~ 2020, a  
 132.7 district is not eligible for a capital grant and loan unless the district's estimated net debt tax  
 132.8 rate as computed by the commissioner after debt service equalization aid would be more  
 132.9 than 41.98 percent of adjusted net tax capacity. The estimate must assume a 20-year maturity  
 132.10 schedule for new debt.

132.11 Subd. 3. **District request for review and comment.** A district or a joint powers district  
 132.12 that intends to apply for a capital grant and loan must submit a proposal to the commissioner  
 132.13 for review and comment according to section 123B.71 by July 1 of an odd-numbered year.  
 132.14 The commissioner shall prepare a review and comment on the proposed facility, regardless  
 132.15 of the amount of the capital expenditure required to construct the facility. In addition to the  
 132.16 information provided under section 123B.71, subdivision 9, the commissioner shall require  
 132.17 that predesign packages comparable to those required under section 16B.335 be prepared  
 132.18 by the applicant school district. The predesign packages must be sufficient to define the  
 132.19 scope, cost, and schedule of the project and must demonstrate that the project has been  
 132.20 analyzed according to appropriate space needs standards and also consider the following  
 132.21 criteria in determining whether to make a positive review and comment.

132.22 (a) To grant a positive review and comment the commissioner shall determine that all  
 132.23 of the following conditions are met:

132.24 (1) the facilities are needed for pupils for whom no adequate facilities exist or will exist;

132.25 (2) there is evidence to indicate that the facilities will have a useful public purpose for  
 132.26 at least the term of the bonds;

132.27 (3) no form of cooperation with another district would provide the necessary facilities;

132.28 (4) the facilities are comparable in size and quality to facilities recently constructed in  
 132.29 other districts that have similar enrollments;

132.30 (5) the facilities are comparable in size and quality to facilities recently constructed in  
 132.31 other districts that are financed without a capital loan;

132.32 (6) the district is projected to have adequate funds in its general operating budget to  
 132.33 support a quality education for its students for at least the next five years;

133.1 (7) the current facility poses a threat to the life, health, and safety of pupils, and cannot  
133.2 reasonably be brought into compliance with fire, health, or life safety codes;

133.3 (8) the district has made a good faith effort, as evidenced by its maintenance expenditures,  
133.4 to adequately maintain the existing facility during the previous ten years and to comply  
133.5 with fire, health, and life safety codes and state and federal requirements for accessibility  
133.6 for people with disabilities;

133.7 (9) the district has made a good faith effort to encourage integration of social service  
133.8 programs within the new facility;

133.9 (10) evaluations by boards of adjacent districts have been received; and

133.10 (11) the proposal includes a comprehensive technology plan that assures information  
133.11 access for the students, parents, and community.

133.12 (b) The commissioner may grant a negative review and comment if:

133.13 (1) the state demographer has examined the population of the communities to be served  
133.14 by the facility and determined that the communities have not grown during the previous  
133.15 five years;

133.16 (2) the state demographer determines that the economic and population bases of the  
133.17 communities to be served by the facility are not likely to grow or to remain at a level  
133.18 sufficient, during the next ten years, to ensure use of the entire facility;

133.19 (3) the need for facilities could be met within the district or adjacent districts at a  
133.20 comparable cost by leasing, repairing, remodeling, or sharing existing facilities or by using  
133.21 temporary facilities;

133.22 (4) the district plans do not include cooperation and collaboration with health and human  
133.23 services agencies and other political subdivisions; or

133.24 (5) if the application is for new construction, an existing facility that would meet the  
133.25 district's needs could be purchased at a comparable cost from any other source within the  
133.26 area.

133.27 **Subd. 4. Multiple district proposals; review and comment.** In addition to the  
133.28 requirements of subdivision 3, the commissioner may use additional requirements to  
133.29 determine a positive review and comment on projects that are designed to serve more than  
133.30 one district. These requirements may include:

133.31 (1) reducing or increasing the number of districts that plan to use the facility;

133.32 (2) location of the facility; and

134.1 (3) formation of a joint powers agreement among the participating districts.

134.2 Subd. 5. **Adjacent district comments.** The district must present the proposed project  
134.3 to the board of each adjacent district at a public meeting of that district. The board of an  
134.4 adjacent district must make a written evaluation of how the project will affect the future  
134.5 education and building needs of the adjacent district. The board must submit the evaluation  
134.6 to the applying district within 30 days of the meeting.

134.7 Subd. 6. **District application for capital grant and loan.** The school board of a district  
134.8 desiring a capital grant and loan shall adopt a resolution stating the amount proposed to be  
134.9 ~~borrowed~~ funded, the purpose for which the ~~debt is to be incurred~~ funding is requested, and  
134.10 an estimate of the dates when the facilities for which the ~~loan~~ funding is requested will be  
134.11 contracted for and completed. Applications for grants and loans must be accompanied by  
134.12 a copy of the adopted board resolution and copies of the adjacent district evaluations. The  
134.13 commissioner shall retain the evaluation as part of a permanent record of the district  
134.14 submitting the evaluation.

134.15 Applications must be in the form and accompanied by the additional data required by  
134.16 the commissioner. Applications must be received by the commissioner by September 1 of  
134.17 an odd-numbered year. A district must resubmit an application each odd-numbered year.  
134.18 Capital grant and loan applications that do not receive voter approval or are not approved  
134.19 in law cancel July 1 of the year following application. When an application is received, the  
134.20 commissioner shall obtain from the commissioner of revenue the information in the Revenue  
134.21 Department's official records that is required to be used in computing the debt limit of the  
134.22 district under section 475.53, subdivision 4.

134.23 Subd. 7. **Commissioner review; district proposals.** By November 1 of each  
134.24 odd-numbered year, the commissioner must review all applications for capital grants and  
134.25 loans that have received a positive review and comment. When reviewing applications, the  
134.26 commissioner must consider whether the criteria in subdivision 3 have been met. The  
134.27 commissioner may not approve an application if all of the required deadlines have not been  
134.28 met. The commissioner may either approve or reject an application for a capital grant and  
134.29 loan.

134.30 Subd. 8. **Commissioner recommendations.** The commissioner shall examine and  
134.31 consider applications for capital grants and loans that have been approved and promptly  
134.32 notify any district rejected of the decision.

134.33 The commissioner shall report each capital grant and loan that has been approved by  
134.34 the commissioner and that has received voter approval to the education committees of the

135.1 legislature by January 1 of each even-numbered year. The commissioner must not report a  
 135.2 capital grant and loan that has not received voter approval. The commissioner shall also  
 135.3 report on the money remaining in the capital loan account and, if necessary, request that  
 135.4 another bond issue be authorized.

135.5 Subd. 9. **Grant and loan amount limits.** (a) A grant and loan must not be recommended  
 135.6 for approval for a district exceeding an amount computed as follows:

135.7 (1) the amount requested by the district under subdivision 6;

135.8 (2) plus the aggregate principal amount of general obligation bonds of the district  
 135.9 outstanding on June 30 of the year following the year the application was received, not  
 135.10 exceeding the limitation on net debt of the district in section 475.53, subdivision 4, or 637  
 135.11 percent of its adjusted net tax capacity as most recently determined, whichever is less;

135.12 (3) less the maximum net debt permissible for the district on December 1 of the year  
 135.13 the application is received, under the limitation in section 475.53, subdivision 4, or 637  
 135.14 percent of its adjusted net tax capacity as most recently determined, whichever is less;

135.15 (4) less any amount by which the amount voted exceeds the total cost of the facilities  
 135.16 for which the grant and loan is ~~granted~~ approved.

135.17 (b) The grant and loan may be approved in an amount computed as provided in paragraph  
 135.18 (a), clauses (1) to (3), subject to later reduction according to paragraph (a), clause (4).

135.19 (c) The loan amount equals the lesser of the total grant and loan approved or:

135.20 (1) the product of the maximum effort tax rate times 50 times the district's most recent  
 135.21 adjusted net tax capacity at the time the capital grant and loan is approved under subdivision  
 135.22 10, minus

135.23 (2) the district's capital loan balance outstanding at the time the capital grant and loan  
 135.24 is approved under subdivision 10, minus

135.25 (3) the district's principal and interest balance outstanding for eligible bonds issued for  
 135.26 prior capital projects at the time the capital loan and grant is approved.

135.27 (d) The grant amount equals the difference between the total grant and loan approved  
 135.28 and the loan amount under paragraph (c).

135.29 Subd. 10. **Legislative action.** Each capital grant and loan must be approved in a law.

135.30 If the aggregate amount of the capital grants and loans exceeds the amount that is or can  
 135.31 be made available, the commissioner shall allot the available amount among any number

136.1 of qualified applicant districts, according to the commissioner's judgment and discretion,  
 136.2 based upon the districts' respective needs.

136.3 Subd. 11. **District referendum.** After receipt of the review and comment on the project  
 136.4 and before January 1 of the even-numbered year, the question authorizing the borrowing  
 136.5 of money for the facilities must be submitted by the school board to the voters of the district  
 136.6 at a regular or special election. The question submitted must state the total amount to be  
 136.7 borrowed from all sources. Approval of a majority of those voting on the question is sufficient  
 136.8 to authorize the issuance of the obligations on public sale in accordance with chapter 475.  
 136.9 The face of the ballot must include the following statement: "APPROVAL OF THIS  
 136.10 QUESTION DOES NOT GUARANTEE THAT THE SCHOOL DISTRICT WILL  
 136.11 RECEIVE A CAPITAL GRANT AND LOAN FROM THE STATE. THE GRANT AND  
 136.12 LOAN MUST BE APPROVED BY THE STATE LEGISLATURE AND IS DEPENDENT  
 136.13 ON AVAILABLE FUNDING." The district must mail to the commissioner a certificate by  
 136.14 the clerk showing the vote at the election.

136.15 Subd. 12. **Contract.** (a) Each capital grant and loan must be evidenced by a contract  
 136.16 between the district and the state acting through the commissioner. The contract must  
 136.17 obligate the state to reimburse the district, from the maximum effort school loan fund, for  
 136.18 eligible capital expenses for construction of the facility for which the grant and loan is  
 136.19 ~~granted approved~~, an amount computed as provided in subdivision 9. The commissioner  
 136.20 must receive from the district a certified resolution of the board estimating the costs of  
 136.21 construction and reciting that contracts for construction of the facilities for which the grant  
 136.22 and loan is granted approved have been awarded, that bonds of the district have been issued  
 136.23 and sold or that other district funds have been set aside in the amount necessary to pay all  
 136.24 estimated costs of construction in excess of the amount of the grant and loan, and that all  
 136.25 work, when completed, meets or exceeds standards established in the State Building Code.  
 136.26 The contract must obligate the district to repay the loan out of the excesses of its maximum  
 136.27 effort debt service levy over its required debt service levy, ~~including interest at a rate equal~~  
 136.28 ~~to the weighted average annual rate payable on Minnesota state school loan bonds issued~~  
 136.29 ~~or reissued for the project.~~ Beginning July 1, 2020, no interest assessments shall be made  
 136.30 on capital loan balances.

136.31 (b) The district must each year, as long as it is indebted to the state, levy for debt service  
 136.32 (i) the amount of its maximum effort debt service levy or (ii) the amount of its required debt  
 136.33 service levy, whichever is greater, ~~except as the required debt service levy may be reduced~~  
 136.34 ~~by a loan under section 126C.68.~~ The district shall remit payments to the commissioner

137.1 according to section 126C.71. The actual debt service levy shall be adjusted under section  
 137.2 477A.09.

137.3 (c) The commissioner shall supervise the collection of outstanding accounts due the  
 137.4 fund and may, by notice to the proper county auditor, require the maximum levy to be made  
 137.5 as required in this subdivision. ~~Interest on capital loans must be paid on December 15 of~~  
 137.6 ~~the year after the year the loan is granted and annually in later years.~~ By September 30, the  
 137.7 commissioner shall notify the county auditor of each county containing taxable property  
 137.8 situated within the district of the amount of the maximum effort debt service levy of the  
 137.9 district for that year. The county auditor or auditors shall extend upon the tax rolls an ad  
 137.10 valorem tax upon all taxable property within the district in the aggregate amount so certified.

137.11 Subd. 13. **Loan forgiveness.** If any capital loan is not paid within 50 years after it is  
 137.12 granted from maximum effort debt service levies in excess of required debt service levies,  
 137.13 the liability of the district on the loan is satisfied and discharged and interest on the loan  
 137.14 ceases.

137.15 Subd. 14. **Participation by county auditor; record of contract; payment of loan.** The  
 137.16 district must file a copy of the capital loan contract with the county auditor of each county  
 137.17 in which any part of the district is situated. The county auditor shall enter the capital loan,  
 137.18 evidenced by the contract, in the auditor's bond register. The commissioner shall keep a  
 137.19 record of each capital grant and loan and contract showing the name and address of the  
 137.20 district, the date of the contract, and the amount of the grant and loan initially approved.  
 137.21 On receipt of the resolution required in subdivision 12 and documentation of expenditures  
 137.22 under the contract, the commissioner shall issue payments, ~~which may be dispersed in~~  
 137.23 ~~accordance with the schedule in the contract~~, on the capital grant and loan account for the  
 137.24 amount that may be disbursed under subdivision 1. ~~Interest on each disbursement of the~~  
 137.25 ~~capital loan amount accrues from the date on which the commissioner of management and~~  
 137.26 ~~budget issues the payment.~~

137.27 Subd. 15. **Bond sale limitations.** (a) A district having an outstanding state loan must  
 137.28 not issue and sell any bonds on the public market, except to refund state loans, unless it  
 137.29 agrees to make the maximum effort debt service levy in each later year at the higher rate  
 137.30 provided in section 126C.63, subdivision 8, and unless it schedules the maturities of the  
 137.31 bonds according to section 475.54, subdivision 2. A district that refunds bonds at a lower  
 137.32 interest rate may continue to make the maximum effort debt service levy in each later year  
 137.33 at the current rate provided in section 126C.63, subdivision 8, if the district can demonstrate  
 137.34 to the commissioner's satisfaction that the district's repayments of the state loan will not be

138.1 reduced below the previous year's level. The district must report each sale to the  
138.2 commissioner.

138.3 (b) For a capital loan issued prior to July 1, 2001, after the district's capital loan has been  
138.4 outstanding for 30 years, the district must not issue bonds on the public market except to  
138.5 refund the loan.

138.6 (c) For a capital loan issued on or after July 1, 2001, after the district's capital loan has  
138.7 been outstanding for 20 years, the district must not issue bonds on the public market except  
138.8 to refund the loan.

138.9 Sec. 13. Minnesota Statutes 2018, section 126C.71, is amended to read:

138.10 **126C.71 PAYMENT AND APPLICATIONS OF PAYMENT.**

138.11 Subdivision 1. **Payment.** (a) On November 20 of each year, each district having an  
138.12 outstanding capital loan or debt service loan shall compute the excess amount in the debt  
138.13 redemption fund. The commissioner shall prescribe the form and calculation to be used in  
138.14 computing the excess amount. A completed copy of this form shall be sent to the  
138.15 commissioner before December 1 of each year. The commissioner may recompute the  
138.16 excess amount and shall promptly notify the district of the recomputed amount.

138.17 ~~(b)~~ On December 15 of each year, the district shall remit to the commissioner, at a  
138.18 minimum, an amount equal to the greater of:

138.19 (i) the excess amount in the debt redemption fund; or

138.20 (ii) the amount by which the maximum effort debt service levy exceeds the required  
138.21 debt service levy for that calendar year.

138.22 ~~Any late payments shall be assessed an interest charge using the interest rates specified for~~  
138.23 ~~the debt service notes and capital loan contracts.~~

138.24 ~~(e)~~ (b) If a payment required under ~~the Maximum Effort School Aid Law~~ paragraph (a)  
138.25 is not made within 30 days, the commissioner may reduce any subsequent payments due  
138.26 the district under this chapter and chapters 120B, 122A, 123A, 123B, 124D, 125A, and  
138.27 127A by the amount due, after providing written notice to the district.

138.28 Subd. 2. **Application of payments.** The commissioner shall apply payments received  
138.29 ~~under the Maximum Effort School Aid Law and aids withheld according to subdivision 1;~~  
138.30 ~~paragraph (b), as follows: First, to payment of interest accrued on its notes, if any; second,~~  
138.31 ~~to interest on its contracts, if any; third, toward principal of its notes, if any; and last, toward~~  
138.32 the principal of its contracts, if any. While more than ~~one note or more than one~~ contract is

139.1 held, priority of payment of interest must be given to the one of earliest date, and after  
 139.2 interest accrued on all notes is paid, similar priority shall be given in the application of any  
 139.3 remaining amount to the payment of principal. In any year when the receipts from a district  
 139.4 are not sufficient to pay the interest accrued on any of its notes or contracts, the deficiency  
 139.5 must be added to the principal, and the commissioner shall notify the district and each county  
 139.6 auditor concerned of the new amount of principal of the note or contract.

139.7 Sec. 14. Minnesota Statutes 2018, section 134.45, subdivision 5, is amended to read:

139.8 Subd. 5. **Qualification; accessibility grants.** A public library jurisdiction may apply  
 139.9 for a grant in an amount up to ~~\$200,000~~ \$450,000 or 50 percent of the approved costs of  
 139.10 removing architectural barriers from a building or site, whichever is less. Grants may be  
 139.11 made only for projects in existing buildings used as a library, or to prepare another existing  
 139.12 building for use as a library. Renovation of an existing building may include an addition to  
 139.13 the building if the additional space is necessary to provide accessibility or if relocating  
 139.14 public spaces to the ground level provides improved overall accessibility. Grants must not  
 139.15 be used to pay part of the cost of meeting accessibility requirements in a new building.

139.16 Sec. 15. Minnesota Statutes 2018, section 137.61, is amended to read:

139.17 **137.61 PURPOSE.**

139.18 Sections 137.61 to 137.65 provide for a biomedical science research funding program  
 139.19 to further the investment in biomedical science research facilities in Minnesota to benefit  
 139.20 the state's economy, advance the biomedical technology industry, benefit human health,  
 139.21 and facilitate research collaboration between the University of Minnesota and other private  
 139.22 and public institutions in this state. Sections 137.61 to 137.65 also provide funding for  
 139.23 design, land acquisition, site preparation, and preconstruction services for the new clinical  
 139.24 research facility on the University of Minnesota's Twin Cities campus.

139.25 Sec. 16. Minnesota Statutes 2018, section 137.62, subdivision 2, is amended to read:

139.26 Subd. 2. **Biomedical science research facility.** "Biomedical science research facility"  
 139.27 means a facility located on the campus of the University of Minnesota to be used as a  
 139.28 research facility and laboratory for biomedical science and biomedical technology. A hospital  
 139.29 licensed under sections 144.50 to 144.56 is not a biomedical science research facility.  
 139.30 Biomedical science research facility includes the clinical research facility defined in this  
 139.31 section.

140.1 Sec. 17. Minnesota Statutes 2018, section 137.62, is amended by adding a subdivision to  
140.2 read:

140.3 Subd. 2a. **Clinical research facility.** "Clinical research facility" means a facility located  
140.4 on the Twin Cities campus of the University of Minnesota to connect a broad array of clinical  
140.5 research units and activities from across the university, providing a consolidated home for  
140.6 the Clinical Translational Science Institute and related programs that support education,  
140.7 research, clinical training, and patient care.

140.8 Sec. 18. Minnesota Statutes 2018, section 137.63, is amended to read:

140.9 **137.63 BIOMEDICAL SCIENCE RESEARCH FACILITIES FUNDING**  
140.10 **PROGRAM.**

140.11 Subdivision 1. **Program established.** A biomedical science research facilities funding  
140.12 program is established to provide appropriations to the Board of Regents of the University  
140.13 of Minnesota for up to 75 percent of the project costs for each of four projects approved by  
140.14 the Board of Regents under section 137.64, other than the clinical research facility.  
140.15 Appropriations to the Board of Regents for the clinical research facility are for 100 percent  
140.16 of the project costs for design, land acquisition, site preparation, and preconstruction services.

140.17 Subd. 2. **Project requirements.** The Board of Regents of the University of Minnesota,  
140.18 either acting on its own or in collaboration with another private or public entity, must pay

140.21 of the costs for the projects approved under section 137.64.

140.22 Sec. 19. Minnesota Statutes 2018, section 137.64, is amended to read:

140.23 **137.64 CONDITIONS FOR PAYMENTS TO UNIVERSITY.**

140.24 Subdivision 1. **Certifications.** Before the commissioner may make any payments  
140.25 authorized in this section to the Board of Regents for a biomedical science research facility  
140.26 project, the commissioner must certify that the board has, by board resolution, approved  
140.27 the maximum project cost for the project and complied with the requirements of section  
140.28 137.63, ~~subdivision 2.~~ For each project approved by the board, the board must certify to the  
140.29 commissioner the amount of the annual payments of principal and interest required to service  
140.30 each series of bonds issued by the University of Minnesota for the project, and the actual  
140.31 amount of the state's annual payment to the University of Minnesota under subdivision 2.  
140.32 The annual payment must not exceed the amount required to pay debt service on the bonds  
140.33 issued to finance 75 percent of the project costs of biomedical science research facilities

141.1 authorized before 2019. The annual payment may additionally be for the amount required  
 141.2 to pay debt service on the bonds issued to finance 100 percent of the costs of the clinical  
 141.3 research facility.

141.4 Subd. 2. **Payments.** On July 15 of each year after the certification under subdivision 1,  
 141.5 but no earlier than July 15, 2009, and for so long thereafter as any bonds issued by the board  
 141.6 for ~~the construction of a project~~, or any refunding bonds issued under subdivision 7, are  
 141.7 outstanding, the state must transfer to the board annual payments as certified under  
 141.8 subdivision 1, up to the maximum amounts in the appropriation schedule under subdivision  
 141.9 3. Payments under this section are to reimburse the Board of Regents for the state's share  
 141.10 of the project costs for the biomedical science research facility projects, provided that the  
 141.11 principal amount of bonds issued by the University of Minnesota to pay the state's share of  
 141.12 the costs must not exceed \$219,000,000.

141.13 Subd. 3. **Appropriations.** Annual appropriations are made from the general fund to the

 141.25 report must at a minimum include for each project, the total cost, the number of researchers,  
 141.26 research grants, and the amount of debt issued by the board.

141.27 Subd. 5. **Reinvestment.** The Board of Regents must, to the extent permitted under federal  
 141.28 law and University of Minnesota policies, place a priority on reducing the state's share of  
 141.29 project costs by dedicating a share of the proceeds from any commercialization or licensing  
 141.30 revenues attributable to research conducted in the biomedical science facilities to reducing  
 141.31 the appropriations needed under subdivision 3.

142.1 Subd. 6. **Services to individuals and firms.** Consistent with its mission and governing  
 142.2 policies and the requirements for tax-exempt bonds, the university shall make available

 142.7 bonds in one or more series to refund bonds that were issued for a project before January  
 142.8 1, 2019, if refunding is determined by the board to be in the best interest of the university.  
 142.9 The principal amount of bonds issued in each refunding must not exceed the amount  
 142.10 necessary to defease the associated bonds outstanding immediately prior to refunding. The  
 142.11 amount of the state's annual payment to the university required for the debt service on the  
 142.12 refunded bonds, or original bonds if not yet refunded, or a combination of the two, shall be  
 142.13 up to the maximum annual appropriation under subdivision 3 for all series.

142.14 (b) The amount of the annual appropriation under subdivision 3 that is not needed to  
 142.15 pay the annual debt service under paragraph (a) is appropriated to the Board of Regents of  
 142.16 the University of Minnesota to pay the annual debt service amount on bonds issued by the  
 142.17 university to pay the costs of design, land acquisition, site preparation, and preconstruction  
 142.18 services of the clinical research facility.

142.19 (c) In any year that the state general fund appropriation authorized in this section exceeds  
 142.20 the amount needed to pay debt service on bonds issued by the university for purposes  
 142.21 specified in sections 137.61 to 137.65, the excess amount is canceled to the state general

 142.31 from the sale of trunk highway bonds or from other funds appropriated for the purposes of  
 142.32 this section.

143.1 (c) A transportation facilities capital account is established in the trunk highway fund.

143.19 district headquarter buildings, truck stations, salt storage or other unheated storage buildings,  
143.20 deicing and anti-icing facilities, fuel dispensing facilities, highway rest areas, and vehicle  
143.21 weigh and inspection stations.

143.22 Subd. 4. **Criteria for priorities.** When prioritizing funding allocation among projects  
143.23 eligible under subdivision 3, the commissioner must consider:

143.24 (1) whether a project ensures the effective and efficient condition and operation of the  
143.25 facility;

143.26 (2) the urgency in ensuring the safe use of existing buildings;

143.27 (3) the project's total life-cycle cost;

143.28 (4) additional criteria for priorities otherwise specified in state law, statute, or rule that  
143.29 applies to a category listed in the act making an appropriation for the program; and

Subdivision 1. **Qualification; application; award; interest.** Any district in which the required levy for debt service in any year will exceed its maximum effort debt service levy by ten percent or by \$5,000, whichever is less, is qualified for a debt service loan hereunder in an amount not exceeding the amount applied for, and not exceeding one percent of the net debt of the district, and not exceeding the difference between the required and the maximum effort debt service levy in that year. Applications must be filed with the commissioner in each calendar year up to and including July 1. The commissioner shall determine whether the applicant is entitled to a loan and the amount thereof, and on or before October 1 shall certify to each applicant district the amount granted and its due date. The commissioner shall notify the county auditor of each county in which the district is located that the amount certified is available and appropriated for payment of principal and interest on its outstanding bonds. The auditors shall reduce by that amount the taxes otherwise leviable as the district's debt service levy on the tax rolls for that year. Each debt service loan shall bear interest from its date at a rate equal to the average annual rate payable on Minnesota state school loan bonds most recently issued prior to the disbursement of the loan to the district, but in no event less than 3-1/2 percent per annum on the principal amount from time to time remaining unpaid. Interest is payable on December 15 of the year following that in which the loan is received and annually thereafter.

Subd. 2. **Note.** Each debt service loan must be evidenced by a note executed on behalf of the district by the signatures of its chair or vice-chair and the school district clerk. The note must be dated November 1 of the year in which executed, and must state its principal amount, interest rate, and that it is payable at the commissioner's office. The note must have printed thereon, or the commissioner shall attach thereto, a grill for entry of the date and amount of each payment and allocations of each payment to accrued interest or principal. The note must also include a certificate to be executed by the county auditor of each county in which any portion of the district is situated, prior to the delivery of the note, stating that the county auditor has entered the debt service loan evidenced thereby in the auditor's bond register. The notes must be delivered to the commissioner not later than November 15 of the year in which executed. The commissioner shall cause a record to be made and preserved showing the obligor district and the date and principal amount of each note.

Subd. 3. **Payment.** The commissioner shall issue to each district whose note has been so received a payment on the debt service loan account of the maximum effort school loan fund, payable on presentation to the commissioner of management and budget out of any money in such account. The payment shall be issued by the commissioner in sufficient time to coincide with the next date on which the district is obligated to make principal or interest payments on its bonded debt in the ensuing year. Interest must accrue from the date such payment is issued. The proceeds thereof must be used by the district to pay principal or interest on its bonded debt falling due in the ensuing year.

Subd. 4. **Levy.** Each district receiving a debt service loan shall levy for debt service in that year and each year thereafter, until all its debts to the fund are paid, (a) the amount of its maximum effort debt service levy, or (b) the amount of its required debt service levy less the amount of any debt service loan in that year, whichever is greater. The district shall remit payments to the commissioner according to section 126C.71. By September 30, the commissioner shall notify the county auditor of each county containing taxable property situated within the school district of the amount of the maximum effort debt service levy of the district for that year, and said county auditor or auditors shall extend upon the tax rolls an ad valorem tax upon all taxable property within the district in the aggregate amount so certified.
