 21.13 to the individual who witnesses the marking of the absentee ballots or execute an affidavit
 21.14 described in paragraph (c). If the voter presented documentation of proof of identity and
 21.15 residence, the witness must record the type of document that was presented on the witness
 21.16 certificate described in section 203B.07, subdivision 3, paragraph (b).

21.17 (c) If the voter attempted to procure proof of identity and residence to satisfy the
 21.18 requirements of section 200.035 but was unable to do so, the voter may execute a sworn
 21.19 affidavit, under the penalty of perjury, that states:

21.20 (1) the voter completing the affidavit is the voter that marked the ballot;

21.21 (2) the voter is eligible to vote, has not voted previously in the same election, and meets
 21.22 the criteria for registering to vote in the precinct where the voter is voting;

21.23 (3) the voter attempted to procure proof of identity and residence but was unable to do
 21.24 so, and provide an explanation of the reason that the voter was unable to procure the
 21.25 necessary proof; and

21.26 (4) that the information on the affidavit is true and accurate.

21.27 The affidavit must be signed in the presence of the witness.

21.28 (d) The return envelope containing marked ballots may be mailed as provided in the
 21.29 directions for casting the absentee ballots, may be left with the county auditor or municipal
 21.30 clerk who transmitted the absentee ballots to the voter, or may be left in a drop box as
 21.31 provided in section 203B.082. If delivered in person, the return envelope must be submitted
 21.32 to the county auditor or municipal clerk by 8:00 p.m. on election day.

22.1 ~~(b)~~ (e) The voter may designate an agent to deliver in person the sealed absentee ballot
 22.2 return envelope to the county auditor or municipal clerk or to deposit the return envelope
 22.3 in the mail. An agent may deliver or mail the return envelopes of not more than three voters
 22.4 in any election. Any person designated as an agent who tampers with either the return
 22.5 envelope or the voted ballots or does not immediately mail or deliver the return envelope
 22.6 to the county auditor or municipal clerk is guilty of a misdemeanor.

22.7 Sec. 22. Minnesota Statutes 2024, section 203B.121, subdivision 2, is amended to read:

22.8 Subd. 2. **Duties of ballot board; absentee ballots.** (a) The members of the ballot board
 22.9 shall take possession of all signature envelopes delivered to them in accordance with section
 22.10 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,
 22.11 two or more members of the ballot board shall examine each signature envelope and shall
 22.12 mark it accepted or rejected in the manner provided in this subdivision. Election judges
 22.13 performing the duties in this section must be of different major political parties, unless they
 22.14 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,
 22.15 subdivision 2.

22.16 (b) The members of the ballot board shall mark the signature envelope "Accepted" and
 22.17 initial or sign the signature envelope below the word "Accepted" if a majority of the members
 22.18 of the ballot board examining the envelope are satisfied that:

22.19 (1) the voter's name and address on the signature envelope are the same as the information
 22.20 provided on the absentee ballot application or voter record;

22.21 (2) the voter signed the certification on the envelope;

22.22 (3) the voter's Minnesota driver's license, state identification number, voter identification
 22.23 card number, or the last four digits of the voter's Social Security number are the same as a
 22.24 number on the voter's absentee ballot application or voter record. If the number does not
 22.25 match, the election judges must compare the signature provided by the applicant to determine
 22.26 whether the ballots were returned by the same person to whom they were transmitted;

22.27 (4) the voter is registered and eligible to vote in the precinct or has included a properly
 22.28 completed voter registration application in the signature envelope;

22.29 (5) the portion of the certificate completed by a witness as required by section 203B.07,
 22.30 subdivision 3, paragraph (b), is completed and the document or documents listed that were
 22.31 used to prove identity and residence are documents authorized by section 200.035;

22.32 ~~(5)~~ (6) the certificate has been completed as prescribed in the directions for casting an
 22.33 absentee ballot; and

23.1 ~~(6)~~(7) the voter has not already voted at that election, either in person or, if it is after
23.2 the close of business on the 19th day before the election, as provided by section 203B.081.

23.3 The signature envelope from accepted ballots must be preserved and returned to the
23.4 county auditor.

23.5 (c)(1) If a majority of the members of the ballot board examining a signature envelope
23.6 find that an absentee voter has failed to meet one of the requirements provided in paragraph
23.7 (b), they shall mark the signature envelope "Rejected," initial or sign it below the word
23.8 "Rejected," list the reason for the rejection on the envelope, and return it to the county
23.9 auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by
23.10 this section. Failure to place the ballot within the ballot envelope before placing it in the
23.11 outer white envelope is not a reason to reject an absentee ballot.

23.12 (2) If an envelope has been rejected at least five days before the election, the envelope
23.13 must remain sealed and the official in charge of the ballot board shall provide the voter with
23.14 a replacement absentee ballot and signature envelope in place of the rejected ballot.

23.15 (3) If an envelope is rejected within five days of the election, the envelope must remain
23.16 sealed and the official in charge of the ballot board must attempt to contact the voter to
23.17 notify the voter that the voter's ballot has been rejected by the method or methods of
23.18 communication provided by the voter on the voter's application for an absentee ballot or
23.19 voter registration. The official must document the attempts made to contact the voter.

23.20 (d) The official in charge of the absentee ballot board must mail the voter a written notice
23.21 of absentee ballot rejection between six and ten weeks following the election. If the official
23.22 determines that the voter has otherwise cast a ballot in the election, no notice is required.
23.23 If an absentee ballot arrives after the deadline for submission provided by this chapter, the
23.24 notice must be provided between six to ten weeks after receipt of the ballot. A notice of
23.25 absentee ballot rejection must contain the following information:

23.26 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
23.27 the required deadline for submission, the date on which the ballot was received;

23.28 (2) the reason for rejection; and

23.29 (3) the name of the appropriate election official to whom the voter may direct further
23.30 questions, along with appropriate contact information.

23.31 (e) An absentee ballot signature envelope marked "Rejected" may not be opened or
23.32 subject to further review except in an election contest filed pursuant to chapter 209.

24.1 Sec. 23. Minnesota Statutes 2024, section 203B.30, subdivision 2, is amended to read:

24.2 Subd. 2. **Voting procedure.** (a) When a voter appears in an early voting polling place,
24.3 the voter must: (1) state the voter's name, address, and, if requested, the voter's date of birth
24.4 to the early voting official; and (2) present proof of identity and residence as described in
24.5 section 200.035. The early voting official must confirm that the voter's registration is current
24.6 in the statewide voter registration system and that the voter has not already cast a ballot in
24.7 the election. If the voter's status is challenged, the voter may resolve the challenge as provided
24.8 in section 204C.12. An individual who is not registered to vote or whose name or address
24.9 has changed must register in the manner provided in section 201.061, subdivision 3. A voter
24.10 who has already cast a ballot in the election must not be provided with a ballot. A voter
24.11 who does not present proof of identity and residence as required by section 200.035 must
24.12 not be allowed to sign the certificate in paragraph (b) but must be allowed to cast a
24.13 provisional ballot as provided in section 204C.135.

24.14 (b) Each voter must sign the certification provided in section 204C.10. The signature of
24.15 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence
24.16 of the intent of the individual to vote at that election. After the voter signs the certification,
24.17 two early voting officials must initial the ballot and issue it to the voter. The voter must
24.18 immediately retire to a voting station or other designated location in the polling place to
24.19 mark the ballot. The voter must not take a ballot from the polling place. If the voter spoils
24.20 the ballot, the voter may return it to the early voting official in exchange for a new ballot.
24.21 After completing the ballot, the voter must deposit the ballot into the ballot counter and
24.22 ballot box. The early voting official must immediately record that the voter has voted in the
24.23 manner provided in section 203B.121, subdivision 3.

24.24 Sec. 24. Minnesota Statutes 2024, section 204B.45, subdivision 2, is amended to read:

24.25 Subd. 2. **Procedure; voting prior to election day.** Mail balloting must be conducted
24.26 as provided in this section and Minnesota Rules, part 8210.3000. Notice of the election and
24.27 the special mail procedure must be given at least ten weeks prior to the election. Not more
24.28 than 46 days nor later than 14 days before a regularly scheduled election and not more than
24.29 30 days nor later than 14 days before any other election, the auditor shall mail ballots by
24.30 nonforwardable mail to all voters registered in the city, town, or unorganized territory. No
24.31 later than 14 days before the election, the auditor must make a subsequent mailing of ballots
24.32 to those voters who register to vote after the initial mailing but before the 20th day before
24.33 the election. Eligible voters not registered at the time the ballots are mailed may apply for
24.34 ballots as provided in chapter 203B. Ballot return envelopes, with return postage provided,

25.1 must be preaddressed to the auditor or clerk and the voter may return the ballot by mail or
25.2 in person to the office of the auditor or clerk. The voter must present proof of identity and
25.3 residence to the voter's witness in the same manner required by section 203B.08, subdivision
25.4 1, paragraphs (b) and (c). In addition to the information required by Minnesota Rules, part
25.5 8210.3000, the signature envelope must include the witness oath prescribed by section
25.6 203B.07, subdivision 3, paragraph (b). The auditor or clerk must appoint a ballot board to
25.7 examine the mail and absentee ballot return envelopes and mark them "accepted" or "rejected"
25.8 within three days of receipt if there are 14 or fewer days before election day, or within five
25.9 days of receipt if there are more than 14 days before election day. The board may consist
25.10 of deputy county auditors or deputy municipal clerks who have received training in the
25.11 processing and counting of mail ballots, who need not be affiliated with a major political
25.12 party. Election judges performing the duties in this section must be of different major
25.13 political parties, unless they are exempt from that requirement under section 205.075,
25.14 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
25.15 the election, the ballots in the envelope must remain sealed and the auditor or clerk shall
25.16 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
25.17 If the ballot is rejected within five days of the election, the envelope must remain sealed
25.18 and the official in charge of the ballot board must attempt to contact the voter by telephone
25.19 or email to notify the voter that the voter's ballot has been rejected. The official must
25.20 document the attempts made to contact the voter.

25.21 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
25.22 indicate that the voter has already cast a ballot in that election. After the close of business
25.23 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
25.24 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
25.25 5, initialed by the members of the ballot board, and deposited in the ballot box.

25.26 In all other respects, the provisions of the Minnesota Election Law governing deposit
25.27 and counting of ballots apply.

25.28 The mail and absentee ballots for a precinct must be counted together and reported as
25.29 one vote total. No vote totals from mail or absentee ballots may be made public before the
25.30 close of voting on election day.

25.31 The costs of the mailing shall be paid by the election jurisdiction in which the voter
25.32 maintains residence. Any ballot received by 8:00 p.m. on the day of the election must be
25.33 counted.

26.1 Sec. 25. Minnesota Statutes 2024, section 204B.46, is amended to read:

26.2 **204B.46 MAIL ELECTIONS; QUESTIONS.**

26.3 A county, municipality, or school district submitting questions to the voters at a special
26.4 election may conduct an election by mail with no polling place other than the office of the
26.5 auditor or clerk. No offices may be voted on at a mail election, except in overlapping school
26.6 and municipal jurisdictions, where a mail election may include an office when one of the
26.7 jurisdictions also has a question on the ballot. Mail balloting must be conducted as provided
26.8 in this section and Minnesota Rules, part 8210.3000. Notice of the election must be given
26.9 to the county auditor at least 84 days prior to the election. This notice shall also fulfill the
26.10 requirements of Minnesota Rules, part 8210.3000. The special mail ballot procedures must
26.11 be posted at least six weeks prior to the election. Not more than 46 nor later than 14 days
26.12 prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all
26.13 voters registered in the county, municipality, or school district. No later than 14 days before
26.14 the election, the auditor or clerk must make a subsequent mailing of ballots to those voters
26.15 who register to vote after the initial mailing but before the 20th day before the election.
26.16 Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant
26.17 to chapter 203B. The voter must present proof of identity and residence to the voter's witness
26.18 in the same manner required by section 203B.08, subdivision 1, paragraphs (b) and (c). In
26.19 addition to the information required by Minnesota Rules, part 8210.3000, the signature
26.20 envelope must include the witness oath prescribed by section 203B.07, subdivision 3,
26.21 paragraph (b). The auditor or clerk must appoint a ballot board to examine the mail and
26.22 absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days
26.23 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
26.24 there are more than 14 days before election day. The board may consist of deputy county
26.25 auditors, deputy municipal clerks, or deputy school district clerks who have received training
26.26 in the processing and counting of mail ballots, who need not be affiliated with a major
26.27 political party. Election judges performing the duties in this section must be of different
26.28 major political parties, unless they are exempt from that requirement under section 205.075,
26.29 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
26.30 the election, the ballots in the envelope must remain sealed and the auditor or clerk must
26.31 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
26.32 If the ballot is rejected within five days of the election, the envelope must remain sealed
26.33 and the official in charge of the ballot board must attempt to contact the voter by telephone
26.34 or email to notify the voter that the voter's ballot has been rejected. The official must
26.35 document the attempts made to contact the voter.

27.1 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
 27.2 indicate that the voter has already cast a ballot in that election. After the close of business
 27.3 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
 27.4 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
 27.5 5, initialed by the ballot board, and deposited in the appropriate ballot box.

27.6 In all other respects, the provisions of the Minnesota Election Law governing deposit
 27.7 and counting of ballots apply.

27.8 The mail and absentee ballots for a precinct must be counted together and reported as
 27.9 one vote total. No vote totals from ballots may be made public before the close of voting
 27.10 on election day.

27.11 Sec. 26. Minnesota Statutes 2024, section 204C.08, subdivision 1d, is amended to read:

27.12 Subd. 1d. **Voter's Bill of Rights.** The county auditor shall prepare and provide to each
 27.13 polling place sufficient copies of a poster setting forth the Voter's Bill of Rights as set forth
 27.14 in this section. Before the hours of voting are scheduled to begin, the election judges shall
 27.15 post it in a conspicuous location or locations in the polling place. The Voter's Bill of Rights
 27.16 is as follows:

27.17 "VOTER'S BILL OF RIGHTS

28.18 Sec. 27. Minnesota Statutes 2024, section 204C.10, is amended to read:

 28.28 vote;

28.29 (6) has not been found by a court of law to be legally incompetent to vote;

29.5 The roster must also state: "I understand that deliberately providing false information

 29.7 \$10,000, or both."

29.8 (b) At the presidential nomination primary, the polling place roster must also state: "I
 29.9 am in general agreement with the principles of the party for whose candidate I intend to

 29.15 who does not present proof of identity and residence as required by section 200.035 must
 29.16 not sign the polling place roster or a voter signature certificate, but must be allowed to cast
 29.17 a provisional ballot as provided in section 204C.135.

29.18 (d) After the applicant signs the roster or voter signature certificate, the judge shall give
 29.19 the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in
 29.20 charge of ballots as proof of the voter's right to vote, and thereupon the judge shall hand to
 29.21 the voter the ballot. The voters' receipts must be maintained during the time for notice of
 29.22 filing an election contest.

29.23 (e) Whenever a challenged status appears on the polling place roster, an election judge
 29.24 must ensure that the challenge is concealed or hidden from the view of any voter other than
 29.25 the voter whose status is challenged.

29.26 **Sec. 28. [204C.135] PROVISIONAL BALLOTS; PROOF OF IDENTITY AND**
 29.27 **RESIDENCE.**

29.28 **Subdivision 1. Casting of provisional ballots.** (a) A voter who is unable to provide
 29.29 proper proof of identity and residence as required by section 201.061, subdivision 3, or
 29.30 204C.10, is entitled to cast a provisional ballot in the manner provided by this section.

29.31 (b) A voter seeking to vote a provisional ballot under this section must complete a

30.4 eligible to vote, has not voted previously in the same election, and meets the criteria for
30.5 registering to vote in the precinct in which the voter appears. Once the voter has completed
30.6 the provisional signature envelope, the voter must be allowed to cast a provisional ballot.
30.7 The provisional ballot must be the same as the official ballot available in the precinct on
30.8 election day. A completed provisional ballot must be sealed in a ballot envelope. The ballot
30.9 envelope must be sealed inside the voter's provisional signature envelope and deposited by

30.13 and identity during the seven days following the election. The election judge must inform

30.18 the secretary of state. The provisional signature envelope must be a color other than that

30.24 Subd. 2. **Accepting or rejecting provisional ballots.** (a) In order for the provisional
30.25 ballot to be counted, a voter who casts a provisional ballot in the polling place must
30.26 personally appear before the county auditor or municipal clerk no later than seven calendar
30.27 days following the election to prove that the voter's provisional ballot should be counted.
30.28 The county auditor's office and the city clerk's office must be open for approving provisional
30.29 ballots on the Saturday following the election for the hours prescribed in section 203B.085.

30.30 (b) The county auditor or municipal clerk must accept a provisional ballot if:

30.31 (1) the statewide voter registration system indicates that the voter is registered and is
30.32 eligible to vote or, if challenged, the county auditor or municipal clerk does not, based upon
30.33 available records and any documentation presented by the voter, conclude that the voter is
30.34 ineligible;

31.1 (2) the voter presents proof of identity and residence in the precinct in the manner
31.2 permitted by section 200.035 or executes an affidavit described in paragraph (c); and

31.3 (3) the data on the identity and residence document presented by the voter matches the
31.4 data provided by the voter on the provisional signature envelope.

31.5 (c) A voter that attempted to procure proof of identity and residence to satisfy the
31.6 requirements of section 200.035 but was unable to do so, may execute a sworn affidavit,
31.7 under the penalty of perjury, that states:

31.8 (1) the voter is the same voter who cast the provisional ballot;

31.9 (2) the voter is eligible to vote, has not voted previously in the same election, and meets
31.10 the criteria for registering to vote in the precinct where the voter cast the provisional ballot;

31.11 (3) the voter attempted to procure proof of identity and residence but was unable to do
31.12 so, and provide an explanation of the reason that the voter was unable to procure the
31.13 necessary proof; and

31.16 (d) If a voter registered on election day without proper proof of identity and residence
31.17 and the voter registration application that was completed on election day has not yet been

32.1 (g) The county auditor or municipal clerk must notify, in writing, any voter who cast a
 32.2 provisional ballot and who does not appear within seven calendar days of the election that
 32.3 the voter's provisional ballot was not counted because of the voter's failure to appear before
 32.4 the county auditor or municipal clerk within the time permitted by law to determine whether
 32.5 the provisional ballot should be counted.

32.6 Subd. 3. **Provisional ballots; reconciliation; counting.** (a) At the close of business for
 32.7 the county auditor's or municipal clerk's office on the seventh day after the election, but
 32.8 prior to counting any provisional ballots in the final vote totals from a precinct, the county

 32.11 from that precinct is equal to the number of provisional ballots submitted by voters in the

 32.13 from the accepted provisional signature envelopes in the manner required by section 204C.20,

32.16 (b) After the ballots are reconciled pursuant to paragraph (a), the county auditor or
 32.17 municipal clerk must open the accepted provisional signature envelopes and deposit them
 32.18 in the appropriate ballot box. The accepted and deposited provisional ballots must be included
 32.19 in the final certified results from the precinct.

 37.19 rulemaking process.

37.20 (b) To the extent that codifying matters into law is not practical, the proposed legislation
 37.21 must direct, by law, specific changes to be made in administrative rules so that no
 37.22 interpretation of the law by the secretary of state would be necessary, and use of the good
 37.23 cause rulemaking exemption in Minnesota Statutes, section 14.388, would be appropriate

45.8 Social Security numbers submitted on voter registration applications that have been verified
45.9 as accurate by the secretary of state;

45.10 (14) provide reports on the number of absentee ballots transmitted to and returned and
45.11 cast by voters under section 203B.16; and

45.12 (15) provide reports necessary for early voting.

45.13 The appropriate state or local official shall provide security measures to prevent
45.14 unauthorized access to the computerized list established under section 201.021.

45.15 Sec. 11. Minnesota Statutes 2024, section 201.061, subdivision 1, is amended to read:

45.16 Subdivision 1. **Prior to election day.** (a) At any time except during the 20 days
45.17 immediately preceding any regularly scheduled election, an eligible voter or any individual
45.18 who will be an eligible voter at the time of the next election may register to vote in the
45.19 precinct in which the voter maintains residence by completing a voter registration application
45.20 as described in section 201.071, subdivision 1. A completed application may be submitted:

45.21 (1) in person or by mail to the county auditor of that county or to the Secretary of State's
45.22 Office; or

45.23 (2) electronically through a secure website that shall be maintained by the secretary of
45.24 state for this purpose, if the applicant has an email address and provides the applicant's
45.25 verifiable Minnesota driver's license number, Minnesota state identification card number,
45.26 voter identification card number, or the last four digits of the applicant's Social Security
45.27 number.

45.28 (b) A registration that is received in person or by mail no later than 5:00 p.m. on the
45.29 21st day preceding any election, or a registration received electronically through the secretary
45.30 of state's secure website no later than 11:59 p.m. on the 21st day preceding any election,
45.31 shall be accepted. An improperly addressed or delivered registration application shall be
45.32 forwarded within two working days after receipt to the county auditor of the county where

46.1 the voter maintains residence. A state or local agency or an individual that accepts completed
46.2 voter registration applications from a voter must submit the completed applications to the
46.3 secretary of state or the appropriate county auditor within ten calendar days after the
46.4 applications are dated by the voter.

46.5 (c) An application submitted electronically under paragraph (a), clause (2), may only
46.6 be transmitted to the county auditor for processing if the secretary of state has verified the
46.7 application information matches the information in a government database associated with
46.8 the applicant's driver's license number, state identification card number, voter identification
46.9 card number, or Social Security number. The secretary of state must review all unverifiable
46.10 voter registration applications submitted electronically for evidence of suspicious activity
46.11 and must forward any such application to an appropriate law enforcement agency for
46.12 investigation.

46.13 (d) An individual may not electronically submit a voter registration application on behalf
46.14 of any other individual, except that the secretary of state may provide features on the secure
46.15 website established under paragraph (a), clause (2), that allow third parties to connect
46.16 application programming interfaces that facilitate an individual's submission of voter
46.17 registration information while interacting with the third party.

46.18 (e) For purposes of this section, mail registration is defined as a voter registration
46.19 application delivered to the secretary of state, county auditor, or municipal clerk by the
46.20 United States Postal Service or a commercial carrier.

46.21 Sec. 12. Minnesota Statutes 2024, section 201.061, subdivision 1a, is amended to read:

46.22 Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter
46.23 who has submitted a voter registration application by mail has not previously voted in this
46.24 state for a federal office and has also not presented a document authorized for election day
46.25 registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable
46.26 to verify the voter's driver's license, state identification, voter identification card, or last
46.27 four digits of the voter's Social Security number as provided by the voter on the voter
46.28 registration application, then the county auditor must notify the voter that the registration
46.29 is incomplete and to complete registration by using one of the following methods:

46.30 (1) presenting to the auditor more than 20 days before the election a document authorized
46.31 for election day registration in section 201.061, subdivision 3;

46.32 (2) registering in person before or on election day;

47.1 (3) if voting by absentee ballot or by mail, following election day registration procedures
47.2 for absentee voters as described in section 203B.04, subdivision 4; or

47.3 (4) providing proof of residence by any of the methods authorized for election day
47.4 registration in section 201.061, subdivision 3.

47.5 Sec. 13. Minnesota Statutes 2024, section 201.071, subdivision 1, is amended to read:

47.6 Subdivision 1. **Form.** Both paper and electronic voter registration applications must
47.7 contain the same information unless otherwise provided by law. A voter registration
47.8 application must contain spaces for the following required information: voter's first name,
47.9 middle name, and last name; voter's previous name, if any; voter's current address; voter's
47.10 previous address, if any; voter's date of birth; voter's municipality and county of residence;
47.11 voter's telephone number, if provided by the voter; date of registration; current and valid
47.12 Minnesota driver's license number ~~or~~, Minnesota state identification number, voter
47.13 identification card number, or, if the voter has no current and valid Minnesota driver's license
47.14 ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the
47.15 voter's Social Security number; a box to indicate a voter's preference to join the permanent
47.16 absentee voter list; and voter's signature. The paper registration application must provide a
47.17 space for a voter to provide a physical description of the location of their residence, if the
47.18 voter resides in an area lacking a specific physical address. The description must be sufficient
47.19 for the county auditor to identify the correct precinct for the voter. The description may
47.20 include the closest cross street or the nearest address to the described location that is identified
47.21 on a precinct map, and directions from that cross street or address to the described location,
47.22 including but not limited to the cardinal direction and approximate distance to the location.
47.23 The paper registration application may include the voter's email address, if provided by the
47.24 voter. The electronic voter registration application must include the voter's email address.
47.25 The registration application may include the voter's interest in serving as an election judge,
47.26 if indicated by the voter. The application must also contain the following certification of
47.27 voter eligibility:

47.28 "I certify that I:

47.29 (1) am at least 16 years old and understand that I must be at least 18 years old to be
47.30 eligible to vote;

47.31 (2) am a citizen of the United States;

47.32 (3) will have maintained residence in Minnesota for 20 days immediately preceding
47.33 election day;

48.1 (4) maintain residence at the address or location given on the registration form;

48.2 (5) am not under court-ordered guardianship in which the court order revokes my right
48.3 to vote;

48.4 (6) have not been found by a court to be legally incompetent to vote;

48.5 (7) am not currently incarcerated for a conviction of a felony offense; and

48.6 (8) have read and understand the following statement: that giving false information is a
48.7 felony punishable by not more than five years imprisonment or a fine of not more than
48.8 \$10,000, or both."

48.9 The certification must include boxes for the voter to respond to the following questions:

48.10 "(1) Are you a citizen of the United States?" and

48.11 "(2) Are you at least 16 years old and will you be at least 18 years old on or before the
48.12 day of the election in which you intend to vote?"

48.13 And the instruction:

48.14 "If you checked 'no' to either of these questions, do not complete this form."

48.15 The form of the voter registration application and the certification of voter eligibility
48.16 must be as provided in this subdivision and approved by the secretary of state. Voter
48.17 registration forms authorized by the National Voter Registration Act must also be accepted
48.18 as valid. The federal postcard application form must also be accepted as valid if it is not
48.19 deficient and the voter is eligible to register in Minnesota.

48.20 An individual may use a voter registration application to apply to register to vote in
48.21 Minnesota or to change information on an existing registration.

48.22 Sec. 14. Minnesota Statutes 2024, section 201.071, subdivision 2, is amended to read:

48.23 Subd. 2. **Instructions.** (a) A registration application shall be accompanied by instructions
48.24 specifying the manner and method of registration, the qualifications for voting, the penalties
48.25 for false registration, and the availability of registration and voting assistance for elderly
48.26 and disabled individuals and residents of health care facilities and hospitals.

48.27 (b) The instructions must indicate that the voter must provide a valid Minnesota driver's
48.28 license or identification card number, voter identification card, or the last four digits of the
48.29 voter's Social Security number, unless the voter has not been issued one of those numbers.

48.30 (c) If, prior to election day, a person requests the instructions in Braille, audio format,
48.31 or in a version printed in 16-point bold type with 24-point leading, the county auditor shall

49.1 provide them in the form requested. The secretary of state shall prepare Braille and audio
49.2 copies and make them available.

49.3 Sec. 15. Minnesota Statutes 2024, section 201.071, subdivision 3, is amended to read:

49.4 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains
49.5 the voter's name;² address ~~or~~² location of residence;² date of birth;² current and valid
49.6 Minnesota driver's license number ~~or~~² Minnesota state identification number, or voter
49.7 identification card number, or, if the voter has no current and valid Minnesota driver's license
49.8 ~~or~~² Minnesota state identification number, or voter identification card number, the last four
49.9 digits of the voter's Social Security number, if the voter has been issued a Social Security
49.10 number;² prior registration, if any;² and signature. The absence of a zip code number does
49.11 not cause the registration to be deficient. Failure to check a box on an application form that
49.12 a voter has certified to be true does not cause the registration to be deficient. The election
49.13 judges shall request an individual to correct a voter registration application if it is deficient
49.14 or illegible. No eligible voter may be prevented from voting unless the voter's registration
49.15 application is deficient or the voter is duly and successfully challenged in accordance with
49.16 section 201.195 or 204C.12.

49.17 A voter registration application accepted prior to August 1, 1983, is not deficient for
49.18 lack of date of birth. The county or municipality may attempt to obtain the date of birth for
49.19 a voter registration application accepted prior to August 1, 1983, by a request to the voter
49.20 at any time except at the polling place. Failure by the voter to comply with this request does
49.21 not make the registration deficient.

49.22 A voter registration application accepted before January 1, 2004, is not deficient for lack
49.23 of a valid Minnesota driver's license or state identification number or the last four digits of
49.24 a Social Security number. A voter registration application submitted by a voter who does
49.25 not have a Minnesota driver's license or state identification number, or a Social Security
49.26 number, is not deficient for lack of any of these numbers.

49.27 A voter registration application submitted electronically through the website of the
49.28 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

49.29 Sec. 16. Minnesota Statutes 2024, section 201.091, subdivision 9, is amended to read:

49.30 Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response
49.31 to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's
49.32 Social Security number, driver's license number, identification card number, voter
49.33 identification card number, military identification card number, or passport number.

50.1 Sec. 17. Minnesota Statutes 2024, section 201.121, subdivision 1, is amended to read:

50.2 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
50.3 application is properly completed, submitted, and received in accordance with sections
50.4 201.061 and 201.071, the county auditor shall enter the information contained on it into the
50.5 statewide registration system. Voter registration applications completed before election day
50.6 must be entered into the statewide registration system within ten days after they have been
50.7 submitted to the county auditor. Voter registration applications completed on election day
50.8 must be entered into the statewide registration system within 42 days after the election,
50.9 unless the county auditor notifies the secretary of state before the deadline has expired that
50.10 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
50.11 of state must extend the deadline for that county auditor by an additional 28 days. The
50.12 secretary of state may waive a county's obligations under this paragraph if, on good cause
50.13 shown, the county demonstrates its permanent inability to comply.

50.14 The secretary of state must post data on each county's compliance with this paragraph on
50.15 the secretary of state's website including, as applicable, the date each county fully complied
50.16 or the deadline by which a county's compliance must be complete.

50.17 (b) Upon receiving a completed voter registration application, the secretary of state may
50.18 electronically transmit the information on the application to the appropriate county auditor
50.19 as soon as possible for review by the county auditor before final entry into the statewide
50.20 registration system. The secretary of state may mail the voter registration application to the
50.21 county auditor.

50.22 (c) Within ten days after the county auditor has entered information from a voter
50.23 registration application into the statewide registration system, the secretary of state shall
50.24 compare the voter's name, date of birth, and driver's license number, state identification
50.25 number, voter identification card number, or the last four digits of the Social Security number
50.26 with the same information contained in the Department of Public Safety database.

50.27 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
50.28 that includes a list of voters whose name, date of birth, or identification number have been
50.29 compared with the same information in the Department of Public Safety database and cannot
50.30 be verified as provided in this subdivision. The report must list separately those voters who
50.31 have submitted a voter registration application by mail and have not voted in a federal
50.32 election in this state.

50.33 (e) The county auditor shall compile a list of voters for whom the county auditor and
50.34 the secretary of state are unable to conclude that information on the voter registration

51.1 application and the corresponding information in the Department of Public Safety database
51.2 relate to the same person.

51.3 (f) The county auditor shall send a notice of incomplete registration to any voter whose
51.4 name appears on the list and change the voter's status to "challenged." A voter who receives
51.5 a notice of incomplete registration from the county auditor may either provide the information
51.6 required to clear the challenge at least 21 days before the next election or at the polling
51.7 place on election day.

51.8 Sec. 18. Minnesota Statutes 2024, section 201.13, subdivision 3, is amended to read:

51.9 **Subd. 3. Use of change of address system.** (a) At least once each month the secretary
51.10 of state shall obtain a list of individuals registered to vote in this state who have filed with
51.11 the United States Postal Service a change of their permanent address. The secretary of state
51.12 may also periodically obtain a list of individuals with driver's licenses ~~or~~ state identification
51.13 cards, or voter identification cards to identify those who are registered to vote who have
51.14 applied to the Department of Public Safety for a replacement driver's license ~~or~~ state
51.15 identification card, or voter identification card with a different address, and a list of
51.16 individuals for whom the Department of Public Safety received notification of a driver's
51.17 license ~~or~~ state identification card, or voter identification card cancellation due to a change
51.18 of residency out of state. However, the secretary of state shall not load data derived from
51.19 these lists into the statewide voter registration system within the 47 days before the state
51.20 primary or 47 days before a November general election.

51.21 (b) If the address is changed to another address in this state, the secretary of state shall
51.22 locate the precinct in which the voter maintains residence, if possible. If the secretary of
51.23 state is able to locate the precinct in which the voter maintains residence, the secretary must
51.24 transmit the information about the changed address by electronic means to the county auditor
51.25 of the county in which the new address is located. For addresses for which the secretary of
51.26 state is unable to determine the precinct, the secretary may forward information to the
51.27 appropriate county auditors for individual review. If the voter has not voted or submitted a
51.28 voter registration application since the address change, upon receipt of the information, the
51.29 county auditor shall update the voter's address in the statewide voter registration system.
51.30 The county auditor shall mail to the voter a notice stating the voter's name, address, precinct,
51.31 and polling place, unless the voter's record is challenged due to a felony conviction,
51.32 noncitizenship, name change, incompetence, or a court's revocation of voting rights of
51.33 individuals under guardianship, in which case the auditor must not mail the notice. The
51.34 notice must advise the voter that the voter's voting address has been changed and that the

52.1 voter must notify the county auditor within 21 days if the new address is not the voter's

 52.3 to the voter at the named address.

52.4 (c) If the change of permanent address is to an address outside this state, the secretary
 52.5 of state shall notify by electronic means the auditor of the county where the voter formerly

 52.18 group of states, the secretary must first determine that the data security protocols are sufficient
 52.19 to safeguard the information or data shared. If required by such an agreement, the secretary
 52.20 of state may share the following data from the statewide voter registration system and data
 52.21 released to the secretary of state under section 171.12, subdivision 7a:

 52.30 Except as otherwise provided in this subdivision, when data is shared with the secretary of
 52.31 state by another state, the secretary of state must maintain the same data classification that
 52.32 the data had while it was in the possession of the state providing the data.

 53.10 each county auditor. Upon receipt of the list, the county auditor shall make the change in
 53.11 the voter's record and mail to the voter the notice of registration required by section 201.121,

56.4 the secretary of state. Unless the applicant has provided an address other than the applicant's
56.5 address of residence under section 171.12, subdivision 7, paragraph (d), the commissioner
56.6 must transmit the information daily by electronic means to the secretary of state. Pursuant

57.9 format prescribed by the secretary of state;

57.10 (2) allow for data to be exported in a file format prescribed by the secretary of state;

57.11 (3) allow for data to be entered manually or by scanning a Minnesota driver's license
57.12 ~~or~~, identification card, or voter identification card to locate a voter record or populate a
57.13 voter registration application that would be printed and signed and dated by the voter. The
57.14 printed registration application can be a printed form, a label printed with voter information
57.15 to be affixed to a preprinted form, a combination of a form and label, or an electronic record
57.16 that the voter signs electronically and is printed following its completion at the polling place;

57.18 license ~~or~~, identification card, or voter identification card;

57.19 (5) cue an election judge to ask for and input data that is not populated from a scanned

57.21 to be collected from the voter or an election judge;

57.22 (6) immediately alert the election judge if the voter has provided information that indicates
57.23 that the voter is not eligible to vote;

57.24 (7) immediately alert the election judge if the electronic roster indicates that a voter has
57.25 already voted in that precinct, the voter's registration status is challenged, or it appears the
57.26 voter maintains residence in a different precinct;

57.27 (8) provide immediate instructions on how to resolve a particular type of challenge when
57.28 a voter's record is challenged;

57.29 (9) provide for a printed voter signature certificate, containing the voter's name, address
57.30 of residence, date of birth, voter identification number, the oath required by section 204C.10,

58.1 electronic record that the voter signs electronically and is printed following its completion
58.2 at the polling place;

58.3 (10) contain only preregistered voters within the precinct, and not contain preregistered
58.4 voter data on voters registered outside of the precinct, unless being utilized for absentee or
58.5 early voting under chapter 203B or for mail balloting on election day pursuant to section
58.6 204B.45, subdivision 2a;

58.7 (11) be only networked within the polling location on election day, except for the purpose

62.20 (4) the voter is not known to have died; and

62.21 (5) the voter has not already voted at that election, either in person or by absentee ballot.

62.22 If the identification number described in clause (3) does not match the number as
 62.23 submitted on the application, the election judges must make a reasonable effort to satisfy
 62.24 themselves through other information provided by the applicant, or by an individual
 62.25 authorized to apply on behalf of the voter, that the ballots were returned by the same person
 62.26 to whom the ballots were transmitted.

62.27 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected
 62.28 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the
 62.29 ballot envelope before placing it in the signature envelope is not a reason to reject an absentee
 62.30 ballot.

62.31 Election judges must note the reason for rejection on the back of the envelope in the
 62.32 space provided for that purpose.

63.1 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall
63.2 not be counted if the certificate on the signature envelope is not properly executed. In all
63.3 other respects the provisions of the Minnesota Election Law governing deposit and counting
63.4 of ballots shall apply. Notwithstanding other provisions of this section, the counting of the
63.5 absentee ballot of a deceased voter does not invalidate the election.

63.6 Sec. 31. **EFFECTIVE DATE.**
