 21.13 so, and provide an explanation of the reason that the voter was unable to procure the
 21.14 necessary proof; and

21.15 (4) that the information on the affidavit is true and accurate.

21.16 The affidavit must be signed in the presence of the witness.

21.17 (d) The return envelope containing marked ballots may be mailed as provided in the
 21.18 directions for casting the absentee ballots, may be left with the county auditor or municipal
 21.19 clerk who transmitted the absentee ballots to the voter, or may be left in a drop box as
 21.20 provided in section 203B.082. If delivered in person, the return envelope must be submitted
 21.21 to the county auditor or municipal clerk by 8:00 p.m. on election day.

21.22 ~~(b)~~ (e) The voter may designate an agent to deliver in person the sealed absentee ballot
 21.23 return envelope to the county auditor or municipal clerk or to deposit the return envelope
 21.24 in the mail. An agent may deliver or mail the return envelopes of not more than three voters
 21.25 in any election. Any person designated as an agent who tampers with either the return
 21.26 envelope or the voted ballots or does not immediately mail or deliver the return envelope
 21.27 to the county auditor or municipal clerk is guilty of a misdemeanor.

21.28 Sec. 22. Minnesota Statutes 2024, section 203B.121, subdivision 2, is amended to read:

21.29 **Subd. 2. Duties of ballot board; absentee ballots.** (a) The members of the ballot board
 21.30 shall take possession of all signature envelopes delivered to them in accordance with section
 21.31 203B.08. Upon receipt from the county auditor, municipal clerk, or school district clerk,
 21.32 two or more members of the ballot board shall examine each signature envelope and shall

22.1 mark it accepted or rejected in the manner provided in this subdivision. Election judges
 22.2 performing the duties in this section must be of different major political parties, unless they
 22.3 are exempt from that requirement under section 205.075, subdivision 4, or section 205A.10,
 22.4 subdivision 2.

22.5 (b) The members of the ballot board shall mark the signature envelope "Accepted" and
 22.6 initial or sign the signature envelope below the word "Accepted" if a majority of the members
 22.7 of the ballot board examining the envelope are satisfied that:

22.8 (1) the voter's name and address on the signature envelope are the same as the information
 22.9 provided on the absentee ballot application or voter record;

22.10 (2) the voter signed the certification on the envelope;

22.11 (3) the voter's Minnesota driver's license, state identification number, voter identification
 22.12 card number, or the last four digits of the voter's Social Security number are the same as a
 22.13 number on the voter's absentee ballot application or voter record. If the number does not
 22.14 match, the election judges must compare the signature provided by the applicant to determine
 22.15 whether the ballots were returned by the same person to whom they were transmitted;

22.16 (4) the voter is registered and eligible to vote in the precinct or has included a properly
 22.17 completed voter registration application in the signature envelope;

22.18 (5) the portion of the certificate completed by a witness as required by section 203B.07,
 22.19 subdivision 3, paragraph (b), is completed and the document or documents listed that were
 22.20 used to prove identity and residence are documents authorized by section 200.035;

22.21 ~~(5)~~ (6) the certificate has been completed as prescribed in the directions for casting an
 22.22 absentee ballot; and

22.23 ~~(6)~~ (7) the voter has not already voted at that election, either in person or, if it is after
 22.24 the close of business on the 19th day before the election, as provided by section 203B.081.

22.25 The signature envelope from accepted ballots must be preserved and returned to the
 22.26 county auditor.

22.27 (c)(1) If a majority of the members of the ballot board examining a signature envelope
 22.28 find that an absentee voter has failed to meet one of the requirements provided in paragraph
 22.29 (b), they shall mark the signature envelope "Rejected," initial or sign it below the word
 22.30 "Rejected," list the reason for the rejection on the envelope, and return it to the county
 22.31 auditor. There is no other reason for rejecting an absentee ballot beyond those permitted by
 22.32 this section. Failure to place the ballot within the ballot envelope before placing it in the
 22.33 outer white envelope is not a reason to reject an absentee ballot.

23.1 (2) If an envelope has been rejected at least five days before the election, the envelope
 23.2 must remain sealed and the official in charge of the ballot board shall provide the voter with
 23.3 a replacement absentee ballot and signature envelope in place of the rejected ballot.

23.4 (3) If an envelope is rejected within five days of the election, the envelope must remain
 23.5 sealed and the official in charge of the ballot board must attempt to contact the voter to
 23.6 notify the voter that the voter's ballot has been rejected by the method or methods of
 23.7 communication provided by the voter on the voter's application for an absentee ballot or
 23.8 voter registration. The official must document the attempts made to contact the voter.

23.9 (d) The official in charge of the absentee ballot board must mail the voter a written notice
 23.10 of absentee ballot rejection between six and ten weeks following the election. If the official
 23.11 determines that the voter has otherwise cast a ballot in the election, no notice is required.
 23.12 If an absentee ballot arrives after the deadline for submission provided by this chapter, the
 23.13 notice must be provided between six to ten weeks after receipt of the ballot. A notice of
 23.14 absentee ballot rejection must contain the following information:

23.15 (1) the date on which the absentee ballot was rejected or, if the ballot was received after
 23.16 the required deadline for submission, the date on which the ballot was received;

23.17 (2) the reason for rejection; and

23.18 (3) the name of the appropriate election official to whom the voter may direct further
 23.19 questions, along with appropriate contact information.

23.20 (e) An absentee ballot signature envelope marked "Rejected" may not be opened or
 23.21 subject to further review except in an election contest filed pursuant to chapter 209.

23.22 Sec. 23. Minnesota Statutes 2024, section 203B.30, subdivision 2, is amended to read:

23.23 Subd. 2. **Voting procedure.** (a) When a voter appears in an early voting polling place,
 23.24 the voter must: (1) state the voter's name, address, and, if requested, the voter's date of birth
 23.25 to the early voting official; and (2) present proof of identity and residence as described in
 23.26 section 200.035. The early voting official must confirm that the voter's registration is current
 23.27 in the statewide voter registration system and that the voter has not already cast a ballot in
 23.28 the election. If the voter's status is challenged, the voter may resolve the challenge as provided
 23.29 in section 204C.12. An individual who is not registered to vote or whose name or address
 23.30 has changed must register in the manner provided in section 201.061, subdivision 3. A voter
 23.31 who has already cast a ballot in the election must not be provided with a ballot. A voter
 23.32 who does not present proof of identity and residence as required by section 200.035 must

24.1 not be allowed to sign the certificate in paragraph (b) but must be allowed to cast a
 24.2 provisional ballot as provided in section 204C.135.

24.3 (b) Each voter must sign the certification provided in section 204C.10. The signature of
 24.4 an individual on the voter's certificate and the issuance of a ballot to the individual is evidence
 24.5 of the intent of the individual to vote at that election. After the voter signs the certification,
 24.6 two early voting officials must initial the ballot and issue it to the voter. The voter must
 24.7 immediately retire to a voting station or other designated location in the polling place to
 24.8 mark the ballot. The voter must not take a ballot from the polling place. If the voter spoils
 24.9 the ballot, the voter may return it to the early voting official in exchange for a new ballot.
 24.10 After completing the ballot, the voter must deposit the ballot into the ballot counter and
 24.11 ballot box. The early voting official must immediately record that the voter has voted in the
 24.12 manner provided in section 203B.121, subdivision 3.

24.13 Sec. 24. Minnesota Statutes 2024, section 204B.45, subdivision 2, is amended to read:

24.14 Subd. 2. **Procedure; voting prior to election day.** Mail balloting must be conducted
 24.15 as provided in this section and Minnesota Rules, part 8210.3000. Notice of the election and
 24.16 the special mail procedure must be given at least ten weeks prior to the election. Not more
 24.17 than 46 days nor later than 14 days before a regularly scheduled election and not more than
 24.18 30 days nor later than 14 days before any other election, the auditor shall mail ballots by
 24.19 nonforwardable mail to all voters registered in the city, town, or unorganized territory. No
 24.20 later than 14 days before the election, the auditor must make a subsequent mailing of ballots
 24.21 to those voters who register to vote after the initial mailing but before the 20th day before
 24.22 the election. Eligible voters not registered at the time the ballots are mailed may apply for
 24.23 ballots as provided in chapter 203B. Ballot return envelopes, with return postage provided,
 24.24 must be preaddressed to the auditor or clerk and the voter may return the ballot by mail or
 24.25 in person to the office of the auditor or clerk. The voter must present proof of identity and
 24.26 residence to the voter's witness in the same manner required by section 203B.08, subdivision
 24.27 1, paragraphs (b) and (c). In addition to the information required by Minnesota Rules, part
 24.28 8210.3000, the signature envelope must include the witness oath prescribed by section
 24.29 203B.07, subdivision 3, paragraph (b). The auditor or clerk must appoint a ballot board to
 24.30 examine the mail and absentee ballot return envelopes and mark them "accepted" or "rejected"
 24.31 within three days of receipt if there are 14 or fewer days before election day, or within five
 24.32 days of receipt if there are more than 14 days before election day. The board may consist
 24.33 of deputy county auditors or deputy municipal clerks who have received training in the
 24.34 processing and counting of mail ballots, who need not be affiliated with a major political
 24.35 party. Election judges performing the duties in this section must be of different major

25.1 political parties, unless they are exempt from that requirement under section 205.075,
 25.2 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
 25.3 the election, the ballots in the envelope must remain sealed and the auditor or clerk shall
 25.4 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
 25.5 If the ballot is rejected within five days of the election, the envelope must remain sealed
 25.6 and the official in charge of the ballot board must attempt to contact the voter by telephone
 25.7 or email to notify the voter that the voter's ballot has been rejected. The official must
 25.8 document the attempts made to contact the voter.

25.9 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
 25.10 indicate that the voter has already cast a ballot in that election. After the close of business
 25.11 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
 25.12 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
 25.13 5, initialed by the members of the ballot board, and deposited in the ballot box.

25.14 In all other respects, the provisions of the Minnesota Election Law governing deposit
 25.15 and counting of ballots apply.

25.16 The mail and absentee ballots for a precinct must be counted together and reported as
 25.17 one vote total. No vote totals from mail or absentee ballots may be made public before the
 25.18 close of voting on election day.

25.19 The costs of the mailing shall be paid by the election jurisdiction in which the voter
 25.20 maintains residence. Any ballot received by 8:00 p.m. on the day of the election must be
 25.21 counted.

25.22 Sec. 25. Minnesota Statutes 2024, section 204B.46, is amended to read:

25.23 **204B.46 MAIL ELECTIONS; QUESTIONS.**

25.24 A county, municipality, or school district submitting questions to the voters at a special
 25.25 election may conduct an election by mail with no polling place other than the office of the
 25.26 auditor or clerk. No offices may be voted on at a mail election, except in overlapping school
 25.27 and municipal jurisdictions, where a mail election may include an office when one of the
 25.28 jurisdictions also has a question on the ballot. Mail balloting must be conducted as provided
 25.29 in this section and Minnesota Rules, part 8210.3000. Notice of the election must be given
 25.30 to the county auditor at least 84 days prior to the election. This notice shall also fulfill the
 25.31 requirements of Minnesota Rules, part 8210.3000. The special mail ballot procedures must
 25.32 be posted at least six weeks prior to the election. Not more than 46 nor later than 14 days
 25.33 prior to the election, the auditor or clerk shall mail ballots by nonforwardable mail to all

26.1 voters registered in the county, municipality, or school district. No later than 14 days before
26.2 the election, the auditor or clerk must make a subsequent mailing of ballots to those voters
26.3 who register to vote after the initial mailing but before the 20th day before the election.
26.4 Eligible voters not registered at the time the ballots are mailed may apply for ballots pursuant
26.5 to chapter 203B. The voter must present proof of identity and residence to the voter's witness
26.6 in the same manner required by section 203B.08, subdivision 1, paragraphs (b) and (c). In
26.7 addition to the information required by Minnesota Rules, part 8210.3000, the signature
26.8 envelope must include the witness oath prescribed by section 203B.07, subdivision 3,
26.9 paragraph (b). The auditor or clerk must appoint a ballot board to examine the mail and
26.10 absentee ballot return envelopes and mark them "Accepted" or "Rejected" within three days
26.11 of receipt if there are 14 or fewer days before election day, or within five days of receipt if
26.12 there are more than 14 days before election day. The board may consist of deputy county
26.13 auditors, deputy municipal clerks, or deputy school district clerks who have received training
26.14 in the processing and counting of mail ballots, who need not be affiliated with a major
26.15 political party. Election judges performing the duties in this section must be of different
26.16 major political parties, unless they are exempt from that requirement under section 205.075,
26.17 subdivision 4, or section 205A.10. If an envelope has been rejected at least five days before
26.18 the election, the ballots in the envelope must remain sealed and the auditor or clerk must
26.19 provide the voter with a replacement ballot and return envelope in place of the spoiled ballot.
26.20 If the ballot is rejected within five days of the election, the envelope must remain sealed
26.21 and the official in charge of the ballot board must attempt to contact the voter by telephone
26.22 or email to notify the voter that the voter's ballot has been rejected. The official must
26.23 document the attempts made to contact the voter.

26.24 If the ballot is accepted, the county auditor or municipal clerk must mark the roster to
26.25 indicate that the voter has already cast a ballot in that election. After the close of business
26.26 on the 19th day before the election, the ballots from return envelopes marked "Accepted"
26.27 may be opened, duplicated as needed in the manner provided by section 206.86, subdivision
26.28 5, initialed by the ballot board, and deposited in the appropriate ballot box.

26.29 In all other respects, the provisions of the Minnesota Election Law governing deposit
26.30 and counting of ballots apply.

26.31 The mail and absentee ballots for a precinct must be counted together and reported as
26.32 one vote total. No vote totals from ballots may be made public before the close of voting
26.33 on election day.

27.1 Sec. 26. Minnesota Statutes 2024, section 204C.08, subdivision 1d, is amended to read:

27.2 Subd. 1d. **Voter's Bill of Rights.** The county auditor shall prepare and provide to each
 27.3 polling place sufficient copies of a poster setting forth the Voter's Bill of Rights as set forth
 27.4 in this section. Before the hours of voting are scheduled to begin, the election judges shall
 27.5 post it in a conspicuous location or locations in the polling place. The Voter's Bill of Rights
 27.6 is as follows:

28.24 The roster must also state: "I understand that deliberately providing false information

29.7 (d) After the applicant signs the roster or voter signature certificate, the judge shall give
 29.8 the applicant a voter's receipt. The voter shall deliver the voter's receipt to the judge in

 29.14 the voter whose status is challenged.

29.15 **Sec. 28. [204C.135] PROVISIONAL BALLOTS; PROOF OF IDENTITY AND**
 29.16 **RESIDENCE.**

29.17 **Subdivision 1. Casting of provisional ballots.** (a) A voter who is unable to provide
 29.18 proper proof of identity and residence as required by section 201.061, subdivision 3, or
 29.19 204C.10, is entitled to cast a provisional ballot in the manner provided by this section.

29.20 (b) A voter seeking to vote a provisional ballot under this section must complete a

 29.25 eligible to vote, has not voted previously in the same election, and meets the criteria for

30.12 ballot to be counted, a voter who casts a provisional ballot in the polling place must
30.13 personally appear before the county auditor or municipal clerk no later than seven calendar

30.15 The county auditor's office and the city clerk's office must be open for approving provisional
30.16 ballots on the Saturday following the election for the hours prescribed in section 203B.085.

30.17 (b) The county auditor or municipal clerk must accept a provisional ballot if:

30.19 eligible to vote or, if challenged, the county auditor or municipal clerk does not, based upon
30.20 available records and any documentation presented by the voter, conclude that the voter is
30.21 ineligible;

30.22 (2) the voter presents proof of identity and residence in the precinct in the manner
30.23 permitted by section 200.035 or executes an affidavit described in paragraph (c); and

30.27 requirements of section 200.035 but was unable to do so, may execute a sworn affidavit,
30.28 under the penalty of perjury, that states:

30.29 (1) the voter is the same voter who cast the provisional ballot;

30.30 (2) the voter is eligible to vote, has not voted previously in the same election, and meets
30.31 the criteria for registering to vote in the precinct where the voter cast the provisional ballot;

31.1 (3) the voter attempted to procure proof of identity and residence but was unable to do
31.2 so, and provide an explanation of the reason that the voter was unable to procure the
31.3 necessary proof; and

31.4 (4) that the information on the affidavit is true and accurate.

31.5 The affidavit must be signed in the presence of the county auditor or municipal clerk.

31.6 (d) If a voter registered on election day without proper proof of identity and residence
31.7 and the voter registration application that was completed on election day has not yet been
31.8 processed at the time the voter appears to prove identity and residence, the voter must be
31.9 allowed to provide proof of identity and residence in the manner described by this section.
31.10 If the criteria in paragraph (b) are satisfied except that the voter is not yet registered, the
31.11 county auditor or municipal clerk must set the ballot aside until the voter registration
31.12 application is processed. Once the voter registration application is processed, if the voter is
31.13 registered to vote, the ballot must be accepted as provided in paragraph (e). If a voter is not
31.14 registered to vote, the ballot must be rejected.

31.15 (e) If the voter's ballot is accepted, the county auditor or municipal clerk must remove

41.27 Sec. 9. Minnesota Statutes 2024, section 171.121, is amended to read:

41.28 **171.121 USE OF ANOTHER'S RESIDENCE ADDRESS.**

41.29 A person may notify the commissioner in writing to the effect that the person (1) is the
41.30 owner of a residence, and (2) does not consent to have that residence address identified on

42.1 any driver's license ~~or~~ identification card, voter identification card, or driving record of the
 42.2 department as the residence address or permanent mailing address of any person named in
 42.3 the notice. The notice may not name a spouse of the notifying person. Upon receiving the
 42.4 notice the commissioner shall not issue any license ~~or~~ identification card, or voter
 42.5 identification card under this chapter, or accept an application for a license ~~or~~ identification
 42.6 card, or voter identification card under this chapter, that lists the residence address identified
 42.7 in the notice as the residence address or permanent mailing address of any person named
 42.8 in the notice.

42.9 **EFFECTIVE DATE.** This section is effective June 1, 2026.

42.10 Sec. 10. Minnesota Statutes 2024, section 201.022, subdivision 1, is amended to read:

42.11 Subdivision 1. **Establishment.** The secretary of state shall maintain a statewide voter
 42.12 registration system to facilitate voter registration and to provide a central database containing
 42.13 voter registration information from around the state. The system must be accessible to the
 42.14 county auditor of each county in the state. The system must also:

42.15 (1) provide for voters to submit their voter registration applications to any county auditor,
 42.16 the secretary of state, or the Department of Public Safety;

42.17 (2) provide for the definition, establishment, and maintenance of a central database for
 42.18 all voter registration information;

42.19 (3) provide for entering data into the statewide registration system;

42.20 (4) provide for electronic transfer of completed voter registration applications from the
 42.21 Department of Public Safety to the secretary of state or the county auditor;

42.22 (5) assign a unique identifier to each legally registered voter in the state;

42.23 (6) provide for the acceptance of the Minnesota driver's license number, Minnesota state
 42.24 identification number, voter identification card number, and last four digits of the Social
 42.25 Security number for each voter record;

42.26 (7) coordinate with other agency databases within the state;

42.27 (8) allow county auditors and the secretary of state to add or modify information in the
 42.28 system to provide for accurate and up-to-date records;

42.29 (9) allow county auditors, municipal and school district clerks, and the secretary of state
 42.30 to have electronic access to the statewide registration system for review and search
 42.31 capabilities;

- 43.1 (10) provide security and protection of all information in the statewide registration
 43.2 system and ensure that unauthorized access is not allowed;
- 43.3 (11) provide access to municipal clerks to use the system;
- 43.4 (12) provide a system for each county to identify the precinct to which a voter should
 43.5 be assigned for voting purposes;
- 43.6 (13) provide daily reports accessible by county auditors on the driver's license numbers,
 43.7 state identification numbers, voter identification card numbers, or last four digits of the
 43.8 Social Security numbers submitted on voter registration applications that have been verified
 43.9 as accurate by the secretary of state;
- 43.10 (14) provide reports on the number of absentee ballots transmitted to and returned and
 43.11 cast by voters under section 203B.16; and
- 43.12 (15) provide reports necessary for early voting.

43.13 The appropriate state or local official shall provide security measures to prevent
 43.14 unauthorized access to the computerized list established under section 201.021.

43.15 Sec. 11. Minnesota Statutes 2024, section 201.061, subdivision 1, is amended to read:

43.16 Subdivision 1. **Prior to election day.** (a) At any time except during the 20 days
 43.17 immediately preceding any regularly scheduled election, an eligible voter or any individual
 43.18 who will be an eligible voter at the time of the next election may register to vote in the
 43.19 precinct in which the voter maintains residence by completing a voter registration application
 43.20 as described in section 201.071, subdivision 1. A completed application may be submitted:

43.21 (1) in person or by mail to the county auditor of that county or to the Secretary of State's
 43.22 Office; or

43.23 (2) electronically through a secure website that shall be maintained by the secretary of
 43.24 state for this purpose, if the applicant has an email address and provides the applicant's
 43.25 verifiable Minnesota driver's license number, Minnesota state identification card number,
 43.26 voter identification card number, or the last four digits of the applicant's Social Security
 43.27 number.

43.28 (b) A registration that is received in person or by mail no later than 5:00 p.m. on the
 43.29 21st day preceding any election, or a registration received electronically through the secretary
 43.30 of state's secure website no later than 11:59 p.m. on the 21st day preceding any election,
 43.31 shall be accepted. An improperly addressed or delivered registration application shall be
 43.32 forwarded within two working days after receipt to the county auditor of the county where

44.1 the voter maintains residence. A state or local agency or an individual that accepts completed
44.2 voter registration applications from a voter must submit the completed applications to the
44.3 secretary of state or the appropriate county auditor within ten calendar days after the
44.4 applications are dated by the voter.

44.5 (c) An application submitted electronically under paragraph (a), clause (2), may only
44.6 be transmitted to the county auditor for processing if the secretary of state has verified the
44.7 application information matches the information in a government database associated with
44.8 the applicant's driver's license number, state identification card number, voter identification
44.9 card number, or Social Security number. The secretary of state must review all unverifiable
44.10 voter registration applications submitted electronically for evidence of suspicious activity
44.11 and must forward any such application to an appropriate law enforcement agency for
44.12 investigation.

44.13 (d) An individual may not electronically submit a voter registration application on behalf
44.14 of any other individual, except that the secretary of state may provide features on the secure
44.15 website established under paragraph (a), clause (2), that allow third parties to connect
44.16 application programming interfaces that facilitate an individual's submission of voter
44.17 registration information while interacting with the third party.

44.18 (e) For purposes of this section, mail registration is defined as a voter registration
44.19 application delivered to the secretary of state, county auditor, or municipal clerk by the
44.20 United States Postal Service or a commercial carrier.

44.21 Sec. 12. Minnesota Statutes 2024, section 201.061, subdivision 1a, is amended to read:

44.22 Subd. 1a. **Incomplete registration by mail.** If the county auditor determines that a voter
44.23 who has submitted a voter registration application by mail has not previously voted in this
44.24 state for a federal office and has also not presented a document authorized for election day
44.25 registration in section 201.061, subdivision 3, to the auditor, and the county auditor is unable
44.26 to verify the voter's driver's license, state identification, voter identification card, or last
44.27 four digits of the voter's Social Security number as provided by the voter on the voter
44.28 registration application, then the county auditor must notify the voter that the registration
44.29 is incomplete and to complete registration by using one of the following methods:

44.30 (1) presenting to the auditor more than 20 days before the election a document authorized
44.31 for election day registration in section 201.061, subdivision 3;

44.32 (2) registering in person before or on election day;

45.1 (3) if voting by absentee ballot or by mail, following election day registration procedures
 45.2 for absentee voters as described in section 203B.04, subdivision 4; or

45.3 (4) providing proof of residence by any of the methods authorized for election day
 45.4 registration in section 201.061, subdivision 3.

45.5 Sec. 13. Minnesota Statutes 2024, section 201.071, subdivision 1, is amended to read:

45.6 Subdivision 1. **Form.** Both paper and electronic voter registration applications must
 45.7 contain the same information unless otherwise provided by law. A voter registration
 45.8 application must contain spaces for the following required information: voter's first name,
 45.9 middle name, and last name; voter's previous name, if any; voter's current address; voter's
 45.10 previous address, if any; voter's date of birth; voter's municipality and county of residence;
 45.11 voter's telephone number, if provided by the voter; date of registration; current and valid
 45.12 Minnesota driver's license number ~~or~~, Minnesota state identification number, voter
 45.13 identification card number, or, if the voter has no current and valid Minnesota driver's license
 45.14 ~~or~~, Minnesota state identification, or voter identification card, the last four digits of the
 45.15 voter's Social Security number; a box to indicate a voter's preference to join the permanent
 45.16 absentee voter list; and voter's signature. The paper registration application must provide a
 45.17 space for a voter to provide a physical description of the location of their residence, if the
 45.18 voter resides in an area lacking a specific physical address. The description must be sufficient
 45.19 for the county auditor to identify the correct precinct for the voter. The description may
 45.20 include the closest cross street or the nearest address to the described location that is identified
 45.21 on a precinct map, and directions from that cross street or address to the described location,
 45.22 including but not limited to the cardinal direction and approximate distance to the location.
 45.23 The paper registration application may include the voter's email address, if provided by the
 45.24 voter. The electronic voter registration application must include the voter's email address.
 45.25 The registration application may include the voter's interest in serving as an election judge,
 45.26 if indicated by the voter. The application must also contain the following certification of
 45.27 voter eligibility:

45.28 "I certify that I:

45.29 (1) am at least 16 years old and understand that I must be at least 18 years old to be
 45.30 eligible to vote;

45.31 (2) am a citizen of the United States;

45.32 (3) will have maintained residence in Minnesota for 20 days immediately preceding
 45.33 election day;

46.1 (4) maintain residence at the address or location given on the registration form;

46.2 (5) am not under court-ordered guardianship in which the court order revokes my right
46.3 to vote;

46.4 (6) have not been found by a court to be legally incompetent to vote;

46.5 (7) am not currently incarcerated for a conviction of a felony offense; and

46.6 (8) have read and understand the following statement: that giving false information is a
46.7 felony punishable by not more than five years imprisonment or a fine of not more than
46.8 \$10,000, or both."

46.9 The certification must include boxes for the voter to respond to the following questions:

46.10 "(1) Are you a citizen of the United States?" and

46.11 "(2) Are you at least 16 years old and will you be at least 18 years old on or before the
46.12 day of the election in which you intend to vote?"

46.13 And the instruction:

46.14 "If you checked 'no' to either of these questions, do not complete this form."

46.15 The form of the voter registration application and the certification of voter eligibility
46.16 must be as provided in this subdivision and approved by the secretary of state. Voter
46.17 registration forms authorized by the National Voter Registration Act must also be accepted
46.18 as valid. The federal postcard application form must also be accepted as valid if it is not
46.19 deficient and the voter is eligible to register in Minnesota.

46.20 An individual may use a voter registration application to apply to register to vote in
46.21 Minnesota or to change information on an existing registration.

46.22 Sec. 14. Minnesota Statutes 2024, section 201.071, subdivision 2, is amended to read:

46.23 Subd. 2. **Instructions.** (a) A registration application shall be accompanied by instructions
46.24 specifying the manner and method of registration, the qualifications for voting, the penalties
46.25 for false registration, and the availability of registration and voting assistance for elderly
46.26 and disabled individuals and residents of health care facilities and hospitals.

46.27 (b) The instructions must indicate that the voter must provide a valid Minnesota driver's
46.28 license or identification card number, voter identification card, or the last four digits of the
46.29 voter's Social Security number, unless the voter has not been issued one of those numbers.

46.30 (c) If, prior to election day, a person requests the instructions in Braille, audio format,
46.31 or in a version printed in 16-point bold type with 24-point leading, the county auditor shall

47.1 provide them in the form requested. The secretary of state shall prepare Braille and audio
47.2 copies and make them available.

47.3 Sec. 15. Minnesota Statutes 2024, section 201.071, subdivision 3, is amended to read:

47.4 Subd. 3. **Deficient registration.** No voter registration application is deficient if it contains
47.5 the voter's name;² address ~~or~~² location of residence;² date of birth;² current and valid
47.6 Minnesota driver's license number ~~or~~² Minnesota state identification number, or voter
47.7 identification card number, or, if the voter has no current and valid Minnesota driver's license
47.8 ~~or~~² Minnesota state identification number, or voter identification card number, the last four
47.9 digits of the voter's Social Security number, if the voter has been issued a Social Security
47.10 number;² prior registration, if any;² and signature. The absence of a zip code number does
47.11 not cause the registration to be deficient. Failure to check a box on an application form that
47.12 a voter has certified to be true does not cause the registration to be deficient. The election
47.13 judges shall request an individual to correct a voter registration application if it is deficient
47.14 or illegible. No eligible voter may be prevented from voting unless the voter's registration
47.15 application is deficient or the voter is duly and successfully challenged in accordance with
47.16 section 201.195 or 204C.12.

47.17 A voter registration application accepted prior to August 1, 1983, is not deficient for
47.18 lack of date of birth. The county or municipality may attempt to obtain the date of birth for
47.19 a voter registration application accepted prior to August 1, 1983, by a request to the voter
47.20 at any time except at the polling place. Failure by the voter to comply with this request does
47.21 not make the registration deficient.

47.22 A voter registration application accepted before January 1, 2004, is not deficient for lack
47.23 of a valid Minnesota driver's license or state identification number or the last four digits of
47.24 a Social Security number. A voter registration application submitted by a voter who does
47.25 not have a Minnesota driver's license or state identification number, or a Social Security
47.26 number, is not deficient for lack of any of these numbers.

47.27 A voter registration application submitted electronically through the website of the
47.28 secretary of state prior to April 30, 2014, is not invalid as a result of its electronic submission.

47.29 Sec. 16. Minnesota Statutes 2024, section 201.091, subdivision 9, is amended to read:

47.30 Subd. 9. **Restricted data.** A list provided for public inspection or purchase, or in response
47.31 to a law enforcement inquiry, must not include a voter's date of birth or any part of a voter's
47.32 Social Security number, driver's license number, identification card number, voter
47.33 identification card number, military identification card number, or passport number.

48.1 Sec. 17. Minnesota Statutes 2024, section 201.121, subdivision 1, is amended to read:

48.2 Subdivision 1. **Entry of registration information.** (a) At the time a voter registration
48.3 application is properly completed, submitted, and received in accordance with sections
48.4 201.061 and 201.071, the county auditor shall enter the information contained on it into the
48.5 statewide registration system. Voter registration applications completed before election day
48.6 must be entered into the statewide registration system within ten days after they have been
48.7 submitted to the county auditor. Voter registration applications completed on election day
48.8 must be entered into the statewide registration system within 42 days after the election,
48.9 unless the county auditor notifies the secretary of state before the deadline has expired that
48.10 the deadline will not be met. Upon receipt of a notification under this paragraph, the secretary
48.11 of state must extend the deadline for that county auditor by an additional 28 days. The
48.12 secretary of state may waive a county's obligations under this paragraph if, on good cause
48.13 shown, the county demonstrates its permanent inability to comply.

48.14 The secretary of state must post data on each county's compliance with this paragraph on
48.15 the secretary of state's website including, as applicable, the date each county fully complied
48.16 or the deadline by which a county's compliance must be complete.

48.17 (b) Upon receiving a completed voter registration application, the secretary of state may
48.18 electronically transmit the information on the application to the appropriate county auditor
48.19 as soon as possible for review by the county auditor before final entry into the statewide
48.20 registration system. The secretary of state may mail the voter registration application to the
48.21 county auditor.

48.22 (c) Within ten days after the county auditor has entered information from a voter
48.23 registration application into the statewide registration system, the secretary of state shall
48.24 compare the voter's name, date of birth, and driver's license number, state identification
48.25 number, voter identification card number, or the last four digits of the Social Security number
48.26 with the same information contained in the Department of Public Safety database.

48.27 (d) The secretary of state shall provide a report to the county auditor on a weekly basis
48.28 that includes a list of voters whose name, date of birth, or identification number have been
48.29 compared with the same information in the Department of Public Safety database and cannot
48.30 be verified as provided in this subdivision. The report must list separately those voters who
48.31 have submitted a voter registration application by mail and have not voted in a federal
48.32 election in this state.

48.33 (e) The county auditor shall compile a list of voters for whom the county auditor and
48.34 the secretary of state are unable to conclude that information on the voter registration

49.1 application and the corresponding information in the Department of Public Safety database
49.2 relate to the same person.

49.3 (f) The county auditor shall send a notice of incomplete registration to any voter whose
49.4 name appears on the list and change the voter's status to "challenged." A voter who receives
49.5 a notice of incomplete registration from the county auditor may either provide the information
49.6 required to clear the challenge at least 21 days before the next election or at the polling
49.7 place on election day.

49.8 Sec. 18. Minnesota Statutes 2024, section 201.13, subdivision 3, is amended to read:

49.9 Subd. 3. **Use of change of address system.** (a) At least once each month the secretary
49.10 of state shall obtain a list of individuals registered to vote in this state who have filed with
49.11 the United States Postal Service a change of their permanent address. The secretary of state
49.12 may also periodically obtain a list of individuals with driver's licenses ~~or~~ state identification
49.13 cards, or voter identification cards to identify those who are registered to vote who have
49.14 applied to the Department of Public Safety for a replacement driver's license ~~or~~ state
49.15 identification card, or voter identification card with a different address, and a list of
49.16 individuals for whom the Department of Public Safety received notification of a driver's
49.17 license ~~or~~ state identification card, or voter identification card cancellation due to a change
49.18 of residency out of state. However, the secretary of state shall not load data derived from
49.19 these lists into the statewide voter registration system within the 47 days before the state
49.20 primary or 47 days before a November general election.

49.21 (b) If the address is changed to another address in this state, the secretary of state shall
49.22 locate the precinct in which the voter maintains residence, if possible. If the secretary of
49.23 state is able to locate the precinct in which the voter maintains residence, the secretary must
49.24 transmit the information about the changed address by electronic means to the county auditor
49.25 of the county in which the new address is located. For addresses for which the secretary of
49.26 state is unable to determine the precinct, the secretary may forward information to the
49.27 appropriate county auditors for individual review. If the voter has not voted or submitted a
49.28 voter registration application since the address change, upon receipt of the information, the
49.29 county auditor shall update the voter's address in the statewide voter registration system.
49.30 The county auditor shall mail to the voter a notice stating the voter's name, address, precinct,
49.31 and polling place, unless the voter's record is challenged due to a felony conviction,
49.32 noncitizenship, name change, incompetence, or a court's revocation of voting rights of
49.33 individuals under guardianship, in which case the auditor must not mail the notice. The
49.34 notice must advise the voter that the voter's voting address has been changed and that the

50.1 voter must notify the county auditor within 21 days if the new address is not the voter's
 50.2 address of residence. The notice must state that it must be returned if it is not deliverable
 50.3 to the voter at the named address.

50.4 (c) If the change of permanent address is to an address outside this state, the secretary
 50.5 of state shall notify by electronic means the auditor of the county where the voter formerly
 50.6 maintained residence that the voter has moved to another state. If the voter has not voted
 50.7 or submitted a voter registration application since the address change, the county auditor
 50.8 shall promptly mail to the voter at the voter's new address a notice advising the voter that
 50.9 the voter's status in the statewide voter registration system will be changed to "inactive"
 50.10 unless the voter notifies the county auditor within 21 days that the voter is retaining the
 50.11 former address as the voter's address of residence, except that if the voter's record is
 50.12 challenged due to a felony conviction, noncitizenship, name change, incompetence, or a
 50.13 court's revocation of voting rights of individuals under guardianship, the auditor must not
 50.14 mail the notice. If the notice is not received by the deadline, the county auditor shall change
 50.15 the voter's status to "inactive" in the statewide voter registration system.

50.16 (d) If, in order to maintain voter registration records, the secretary of state enters an
 50.17 agreement to share information or data with an organization governed exclusively by a
 50.18 group of states, the secretary must first determine that the data security protocols are sufficient
 50.19 to safeguard the information or data shared. If required by such an agreement, the secretary
 50.20 of state may share the following data from the statewide voter registration system and data
 50.21 released to the secretary of state under section 171.12, subdivision 7a:

50.22 (1) name;

50.23 (2) date of birth;

50.24 (3) address;

50.25 (4) driver's license ~~or~~, state identification card number, or voter identification number;

50.26 (5) the last four digits of an individual's Social Security number; and

50.27 (6) the date that an individual's record was last updated.

50.28 If the secretary of state enters into such an agreement, the secretary and county auditors
 50.29 must process changes to voter records based upon that data in accordance with this section.
 50.30 Except as otherwise provided in this subdivision, when data is shared with the secretary of
 50.31 state by another state, the secretary of state must maintain the same data classification that
 50.32 the data had while it was in the possession of the state providing the data.

51.1 Sec. 19. Minnesota Statutes 2024, section 201.14, is amended to read:

51.2 **201.14 COURT ADMINISTRATOR OF DISTRICT COURT; REPORT CHANGES**
 51.3 **OF NAMES.**

51.4 The state court administrator shall regularly report by electronic means to the secretary
 51.5 of state the name, address, and, if available, driver's license ~~or~~, state identification card
 51.6 number, or voter identification card number of each individual, 18 years of age or over,
 51.7 whose name was changed since the last report, by marriage, divorce, or any order or decree
 51.8 of the court. The secretary of state shall determine if any of the persons in the report are
 51.9 registered to vote under their previous name and shall prepare a list of those registrants for
 51.10 each county auditor. Upon receipt of the list, the county auditor shall make the change in
 51.11 the voter's record and mail to the voter the notice of registration required by section 201.121,
 51.12 subdivision 2. A notice must not be mailed if the voter's record is challenged due to a felony
 51.13 conviction, lack of United States citizenship, legal incompetence, or court-ordered revocation
 51.14 of voting rights of persons under guardianship.

51.15 Sec. 20. Minnesota Statutes 2024, section 201.145, subdivision 2, is amended to read:

51.16 Subd. 2. **State court administrator report.** (a) The state court administrator must report
 51.17 on individuals 17 years of age or older who are under a guardianship in which a court order
 51.18 revokes the ward's right to vote or where the court has found the individual to be legally
 51.19 incompetent to vote.

51.20 (b) The state court administrator must report on individuals transferred to the jurisdiction
 51.21 of the court who meet a condition specified in paragraph (a).

51.22 (c) Each report required under this subdivision must include the following information
 51.23 for each individual in the report: name, address, date of birth, and, if available, last four
 51.24 digits of the Social Security number and driver's license ~~or~~, state identification card number,
 51.25 or voter identification card number.

51.26 (d) No later than seven calendar days after receiving a report under this subdivision, the
 51.27 secretary of state must determine if a person identified under paragraphs (a) and (b) is
 51.28 registered to vote and must prepare a list of those registrants for the county auditor. No later
 51.29 than seven calendar days after receiving the list from the secretary of state, the county auditor
 51.30 must challenge the status on the record in the statewide voter registration system of each
 51.31 individual named in the list.

52.1 Sec. 21. Minnesota Statutes 2024, section 201.145, subdivision 3, is amended to read:

52.2 Subd. 3. **Commissioner of corrections report.** (a) The commissioner of corrections
52.3 must report on individuals 16 years of age or older who are currently incarcerated for felony
52.4 sentences under the commissioner's jurisdiction.

52.5 (b) Each report under this subdivision must include the following information for each
52.6 individual: name, address or last known residential address that is not a correctional facility,
52.7 and date of birth. If available, each report must also include the individual's: corrections'
52.8 state identification number; last four digits of the Social Security number; driver's license
52.9 or state identification card number, or voter identification card number; and most recent
52.10 date of incarceration.

52.11 (c) No later than seven calendar days after receiving a report under this subdivision, the

53.32 consultation with the secretary of state, must change the applications for an original,

54.1 duplicate, or change of address driver's license or identification card, or voter identification
54.2 card so that any forms where applicants may provide documentation of United States
54.3 citizenship contain spaces for all information required to register to vote, as prescribed by
54.4 the secretary of state. Unless the applicant has provided an address other than the applicant's
54.5 address of residence under section 171.12, subdivision 7, paragraph (d), the commissioner
54.6 must transmit the information daily by electronic means to the secretary of state. Pursuant
54.7 to the Help America Vote Act of 2002, Public Law 107-252, the computerized driver's

54.15 each month. The secretary of state must publish a monthly report of this data.

54.16 (b) An applicant's information must not be transmitted to the secretary of state under
54.17 this section unless the applicant provides documentation of United States citizenship or
54.18 records maintained by the Department of Public Safety indicate that the applicant provided
54.19 documentation demonstrating United States citizenship as part of a previous license or
54.20 identification card transaction. If the applicant does not provide or has not previously
54.21 provided documentation of United States citizenship, the commissioner must provide
54.22 information during the transaction regarding voter registration and eligibility criteria. If the
54.23 applicant provides documentation during the transaction indicating that the applicant is not
54.24 a United States citizen, the applicant's information must not be transmitted to the secretary
54.25 of state and the applicant must not be offered a voter registration opportunity.

54.26 (c) No applicant may be registered to vote under this subdivision until:

54.27 (1) the commissioner of public safety has certified that the department's systems have
54.28 been tested and can accurately provide the required data and accurately exclude from
54.29 transmission data on individuals who have not provided documentary evidence of United
54.30 States citizenship; and

54.31 (2) the secretary of state has certified that the system for automatic registration of those
54.32 applicants has been tested and is capable of properly determining whether an applicant is
54.33 eligible to submit a voter registration application.

55.1 The department's systems must be tested and accurately provide the necessary data no later
55.2 than December 1, 2023.

55.3 (d) For purposes of this section, "driver's license" includes any instruction permit,
55.4 provisional license, limited license, restricted license, or operator's permit issuable by the
55.5 commissioner of public safety under chapter 171.

55.6 Sec. 25. Minnesota Statutes 2024, section 201.225, subdivision 2, is amended to read:

55.7 Subd. 2. **Technology requirements.** An electronic roster must:

55.8 (1) be able to be loaded with a data file that includes voter registration data in a file
55.9 format prescribed by the secretary of state;

55.10 (2) allow for data to be exported in a file format prescribed by the secretary of state;

55.11 (3) allow for data to be entered manually or by scanning a Minnesota driver's license
55.12 ~~or~~, identification card, or voter identification card to locate a voter record or populate a
55.13 voter registration application that would be printed and signed and dated by the voter. The
55.14 printed registration application can be a printed form, a label printed with voter information
55.15 to be affixed to a preprinted form, a combination of a form and label, or an electronic record
55.16 that the voter signs electronically and is printed following its completion at the polling place;

55.17 (4) allow an election judge to update data that was populated from a scanned driver's
55.18 license ~~or~~, identification card, or voter identification card;

55.19 (5) cue an election judge to ask for and input data that is not populated from a scanned
55.20 driver's license ~~or~~, identification card, or voter identification card that is otherwise required
55.21 to be collected from the voter or an election judge;

55.22 (6) immediately alert the election judge if the voter has provided information that indicates
55.23 that the voter is not eligible to vote;

55.24 (7) immediately alert the election judge if the electronic roster indicates that a voter has
55.25 already voted in that precinct, the voter's registration status is challenged, or it appears the
55.26 voter maintains residence in a different precinct;

55.27 (8) provide immediate instructions on how to resolve a particular type of challenge when
55.28 a voter's record is challenged;

55.29 (9) provide for a printed voter signature certificate, containing the voter's name, address
55.30 of residence, date of birth, voter identification number, the oath required by section 204C.10,
55.31 and a space for the voter's original signature. The printed voter signature certificate can be
55.32 a printed form, a label printed with the voter's information to be affixed to the oath, or an

56.1 electronic record that the voter signs electronically and is printed following its completion
56.2 at the polling place;

56.3 (10) contain only preregistered voters within the precinct, and not contain preregistered
56.4 voter data on voters registered outside of the precinct, unless being utilized for absentee or
56.5 early voting under chapter 203B or for mail balloting on election day pursuant to section
56.6 204B.45, subdivision 2a;

56.7 (11) be only networked within the polling location on election day, except for the purpose
56.8 of updating absentee ballot records;

56.9 (12) meet minimum security, reliability, and networking standards established by the
56.10 Office of the Secretary of State in consultation with the Department of Information
56.11 Technology Services;

56.13 (14) perform any other functions necessary for the efficient and secure administration
56.14 of the participating election, as determined by the secretary of state.

56.15 Electronic rosters used only for election day registration do not need to comply with clauses
56.16 (1), (8), and (10). Electronic rosters used only for preregistered voter processing do not need
56.17 to comply with clauses (4) and (5).

56.18 Sec. 26. Minnesota Statutes 2024, section 203B.065, is amended to read:

56.19 **203B.065 USING THE REGISTRATION SYSTEM.**

56.23 license ~~or~~_; state identification or voter identification card number, or the last four digits of
56.24 the voter's Social Security number, if provided by the voter. Upon acceptance of an absentee
56.25 ballot application of a voter who is registered to vote at an address different from the
56.26 residential address certified on the absentee ballot application, the voter registration record
56.27 with the previous address shall be challenged. Once the absentee ballot has been transmitted
56.28 to the voter, the method of transmission and the date of transmission must be recorded.

56.29 Upon receipt of a returned absentee ballot for a state primary or state general election,
56.30 the county auditor or municipal clerk shall record in the statewide voter registration system
56.31 that the voter has returned the ballot.

57.1 Upon receipt of notice that the ballot board has accepted or rejected the absentee ballot
57.2 for a state primary or state general election, the county auditor or municipal clerk shall
57.3 record in the statewide voter registration system whether the ballot was accepted or rejected,
57.4 and if rejected, the reason for rejection. If a replacement ballot is transmitted to the voter,

57.7 The labels provided for envelopes used for transmitting an absentee ballot to and from
57.8 an applicant for an absentee ballot for a state primary or state general election must contain
57.9 bar codes generated by the statewide voter registration system to facilitate the recording
57.10 required under this section. A county auditor or municipal clerk entering information into
57.11 the statewide voter registration system under this section must include the information
57.12 provided on the bar code label whenever information is entered into the system.

57.13 Sec. 27. Minnesota Statutes 2024, section 203B.17, subdivision 2, is amended to read:

57.14 Subd. 2. **Required information.** (a) An application shall be accepted if it contains the
57.15 following information stated under oath:

57.22 voting under federal law;

57.23 (3) a statement that the voter expects to be absent from the precinct at the time of the
57.24 election;

57.25 (4) the address to which absentee ballots are to be mailed;

57.26 (5) the voter's signature or the signature and relationship of the individual authorized to
57.27 apply on the voter's behalf;

57.29 or voter identification card number, or the last four digits of the voter's Social Security
57.30 number; if the voter does not have access to any of these documents, the voter or other
57.31 individual requesting absentee ballots may attest to the truthfulness of the contents of the
57.32 application under penalty of perjury; and

58.1 (7) the voter's email address, if the application was submitted electronically through the
58.2 secure website maintained by the secretary of state.

58.3 (b) Notwithstanding paragraph (a), clause (6), an application submitted through the
58.4 secretary of state's website must include the voter's verifiable Minnesota driver's license
58.5 number, Minnesota state identification card number, voter identification card number, or
58.6 the last four digits of the voter's Social Security number, and may only be transmitted to
58.7 the county auditor for processing if the secretary of state has verified the application
58.8 information matches the information in a government database associated with the applicant's
58.9 driver's license number, state identification card number, voter identification card number,
58.10 or Social Security number. The secretary of state must review all unverifiable applications
58.11 for evidence of suspicious activity and must forward any such application to an appropriate
58.12 law enforcement agency for investigation.

58.13 Sec. 28. Minnesota Statutes 2024, section 203B.19, is amended to read:

58.14 **203B.19 RECORDING APPLICATIONS.**

58.15 Upon accepting an application, the county auditor shall record in the statewide registration
58.16 system the voter's name; address of present or former residence in Minnesota; mailing
58.17 address; school district number; passport number, Minnesota driver's license number or,
58.18 state identification card number, voter identification card number, or the last four digits of
58.19 the voter's Social Security number; and whether the voter is in the military or the spouse
58.20 or dependent of an individual serving in the military, is a voter temporarily outside the
58.21 territorial limits of the United States, or is living permanently outside the territorial limits
58.22 of the United States and voting under federal law. The county auditor shall retain the record
58.23 for six years. A voter whose name is recorded as provided in this section shall not be required
58.24 to register under any other provision of law in order to vote under sections 203B.16 to
58.25 203B.27. Persons from whom applications are not accepted must be notified by the county
58.26 auditor and provided with the reasons for the rejection.

58.27 No later than 60 days after the general election, the county auditor shall report to the
58.28 secretary of state the combined number of absentee ballots transmitted to and the combined
58.29 number of absentee ballots returned and cast by absent voters described in section 203B.16.
58.30 The secretary of state may require the information be reported by category under section
58.31 203B.16 or by precinct.

58.32 No later than 90 days after the general election, the secretary of state shall report to the
58.33 federal Election Assistance Commission the number of absentee ballots transmitted to voters
58.34 under section 203B.16.

59.1 Sec. 29. Minnesota Statutes 2024, section 203B.21, subdivision 3, is amended to read:

59.2 Subd. 3. **Back of signature envelope.** On the back of the signature envelope a certificate
59.3 shall appear with space for:

59.4 (1) the voter's address of present or former residence in Minnesota;

59.5 (2) the voter's current email address, if the voter has one;

59.6 (3) a statement indicating the category described in section 203B.16 to which the voter
59.7 belongs;

59.8 (4) a statement that the voter has not cast and will not cast another absentee ballot in the
59.9 same election or elections;

59.10 (5) a statement that the voter personally marked the ballots without showing them to
59.11 anyone, or if physically unable to mark them, that the voter directed another individual to
59.12 mark them; and

59.13 (6) the same voter's passport number, Minnesota driver's license or state identification
59.14 card or voter identification card number, or the last four digits of the voter's Social Security
59.15 number as provided on the absentee ballot application; if the voter does not have access to
59.16 any of these documents, the voter may attest to the truthfulness of the contents of the
59.17 certificate under penalty of perjury.

59.18 The certificate shall also contain a signed oath in the form required by section 705 of
59.19 the Help America Vote Act, Public Law 107-252, which must read:

59.20 "I swear or affirm, under penalty of perjury, that:

59.21 I am a member of the uniformed services or merchant marine on active duty or an eligible
59.22 spouse or dependent of such a member; a United States citizen temporarily residing outside
59.23 the United States; or other United States citizen residing outside the United States; and I
59.24 am a United States citizen, at least 18 years of age (or will be by the date of the election),
59.25 and I am eligible to vote in the requested jurisdiction; I have not been convicted of a felony,
59.26 or other disqualifying offense, or been adjudicated mentally incompetent, or, if so, my voting
59.27 rights have been reinstated; and I am not registering, requesting a ballot, or voting in any
59.28 other jurisdiction in the United States except the jurisdiction cited in this voting form. In
59.29 voting, I have marked and sealed my ballot in private and have not allowed any person to
59.30 observe the marking of the ballot, except for those authorized to assist voters under state or
59.31 federal law. I have not been influenced.

60.1 The information on this form is true, accurate, and complete to the best of my knowledge.
60.2 I understand that a material misstatement of fact in completion of this document may
60.3 constitute grounds for a conviction for perjury."

60.4 Sec. 30. Minnesota Statutes 2024, section 203B.24, subdivision 1, is amended to read:

60.5 Subdivision 1. **Check of voter eligibility; proper execution of certificate.** Upon receipt
60.6 of an absentee ballot returned as provided in sections 203B.16 to 203B.27, the election
60.7 judges shall compare the voter's name with the names recorded under section 203B.19 in
60.8 the statewide registration system to insure that the ballot is from a voter eligible to cast an
60.9 absentee ballot under sections 203B.16 to 203B.27. The election judges shall mark the
60.10 signature envelope "Accepted" and initial or sign the signature envelope below the word
60.11 "Accepted" if the election judges are satisfied that:

60.12 (1) the voter's name and address on the signature envelope appears in substantially the
60.13 same form as on the application records provided to the election judges by the county auditor;

60.14 (2) the voter has signed the federal oath prescribed pursuant to section 705(b)(2) of the
60.15 Help America Vote Act, Public Law 107-252;

60.16 (3) the voter has set forth the same voter's passport number~~, or~~; Minnesota driver's license
60.17 ~~or~~, state identification card or voter identification card number, or the last four digits of the
60.18 voter's Social Security number as submitted on the application, if the voter has one of these
60.19 documents;

60.20 (4) the voter is not known to have died; and

60.21 (5) the voter has not already voted at that election, either in person or by absentee ballot.

60.22 If the identification number described in clause (3) does not match the number as
60.23 submitted on the application, the election judges must make a reasonable effort to satisfy
60.24 themselves through other information provided by the applicant, or by an individual
60.25 authorized to apply on behalf of the voter, that the ballots were returned by the same person
60.26 to whom the ballots were transmitted.

60.27 An absentee ballot cast pursuant to sections 203B.16 to 203B.27 may only be rejected
60.28 for the lack of one of clauses (1) to (5). In particular, failure to place the ballot within the
60.29 ballot envelope before placing it in the signature envelope is not a reason to reject an absentee
60.30 ballot.

60.31 Election judges must note the reason for rejection on the back of the envelope in the
60.32 space provided for that purpose.

61.1 Failure to return unused ballots shall not invalidate a marked ballot, but a ballot shall
61.2 not be counted if the certificate on the signature envelope is not properly executed. In all
61.3 other respects the provisions of the Minnesota Election Law governing deposit and counting
61.4 of ballots shall apply. Notwithstanding other provisions of this section, the counting of the
61.5 absentee ballot of a deceased voter does not invalidate the election.

61.6 Sec. 31. **EFFECTIVE DATE.**

61.7 Except where otherwise provided, this article is effective June 1, 2027.
