4	260
5	334
6	410
7	492
8	576
9	666
10	760

8.7 ~~As set forth in the table the accrued liability for each member of the relief association~~

8.15 to the nearest full year of service credit. The total accrued liability of the special fund as of

8.21 subdivision.

8.22 **EFFECTIVE DATE.** This section is effective the day following final enactment.

8.23 Sec. 8. Minnesota Statutes 2024, section 424A.092, subdivision 3, is amended to read:

8.24 Subd. 3. **Financial requirements of relief association; minimum obligation of**  
8.25 **municipality.** (a) During the month of July, the officers of the relief association shall  
8.26 determine the overall funding balance of the special fund for the current calendar year, the  
8.27 financial requirements of the special fund for the following calendar year and the minimum  
8.28 obligation of the municipality with respect to the special fund for the following calendar  
8.29 year in accordance with the requirements of this subdivision.

8.30 (b) The overall funding balance of the special fund for the current calendar year must  
8.31 be determined in the following manner:

9.1 (1) The total accrued liability of the special fund for all active and deferred members of  
9.2 the relief association as of December 31 of the current year must be calculated under  
9.3 subdivisions 2 and 2a, if applicable.

9.4 (2) The total present assets of the special fund projected to December 31 of the current  
9.5 year, including receipts by and disbursements from the special fund anticipated to occur on  
9.6 or before December 31, must be calculated. To the extent possible, for those assets for which  
9.7 a market value is readily ascertainable, the current market value as of the date of the  
9.8 calculation for those assets must be utilized in making this calculation. For any asset for  
9.9 which no market value is readily ascertainable, the cost value or the book value, whichever  
9.10 is applicable, must be utilized in making this calculation.

9.11 (3) The amount of the total present assets of the special fund calculated under clause (2)  
9.12 must be subtracted from the amount of the total accrued liability of the special fund calculated  
9.13 under clause (1). If the amount of total present assets exceeds the amount of the total accrued  
9.14 liability, then the special fund is considered to have a surplus over full funding. If the amount  
9.15 of the total present assets is less than the amount of the total accrued liability, then the  
9.16 special fund is considered to have a deficit from full funding. If the amount of total present  
9.17 assets is equal to the amount of the total accrued liability, then the special fund is considered  
9.18 to be fully funded.

9.19 (c) The financial requirements of the special fund for the following calendar year must  
9.20 be determined in the following manner:

9.21 (1) The total accrued liability of the special fund for all active and deferred members of  
9.22 the relief association as of December 31 of the calendar year next following the current  
9.23 calendar year must be calculated under subdivisions 2 and 2a, if applicable.

9.24 (2) The increase in the total accrued liability of the special fund for the following calendar  
9.25 year over the total accrued liability of the special fund for the current year must be calculated.

9.26 (3) The amount of anticipated future administrative expenses of the special fund must  
9.27 be calculated by multiplying the dollar amount of the administrative expenses of the special  
9.28 fund for the most recent prior calendar year by the factor of 1.035.

9.29 (4) If the special fund is fully funded, the financial requirements of the special fund for  
9.30 the following calendar year are the total of the amounts calculated under clauses (2) and  
9.31 (3).

9.32 (5) If the special fund has a deficit from full funding, the financial requirements of the  
9.33 special fund for the following calendar year are the financial requirements of the special

10.1 fund calculated as though the special fund were fully funded under clause (4) plus an amount  
 10.2 equal to one-tenth of the original amount of the deficit from full funding of the special fund  
 10.3 as determined under clause (2) resulting either from an increase in the amount of the service  
 10.4 pension occurring in the last ten years or from a net annual investment loss occurring during  
 10.5 the last ten years until each increase in the deficit from full funding is fully retired. The  
 10.6 annual amortization contribution under this clause may not exceed the amount of the deficit  
 10.7 from full funding.

10.8 (6) If the special fund has a surplus over full funding, the financial requirements of the  
 10.9 special fund for the following calendar year are the financial requirements of the special  
 10.10 fund calculated as though the special fund were fully funded under clause (4) reduced by  
 10.11 an amount equal to one-tenth of the amount of the surplus over full funding of the special  
 10.12 fund.

10.13 (d) The minimum obligation of the municipality with respect to the special fund is the  
 10.14 financial requirements of the special fund reduced by the amount of any fire state aid and  
 10.15 police and firefighter retirement supplemental state aid payable under chapter 477B and  
 10.16 section 423A.022 reasonably anticipated to be received by the municipality for transmittal  
 10.17 to the special fund during the following calendar year, and an amount of interest on the  
 10.18 assets of the special fund projected to the beginning of the following calendar year calculated  
 10.19 at the rate of five percent per annum, ~~and the amount of any contributions to the special~~  
 10.20 ~~fund required by the relief association bylaws from the active members of the relief~~  
 10.21 ~~association reasonably anticipated to be received during the following calendar year.~~ A  
 10.22 reasonable amount of anticipated fire state aid is an amount that does not exceed the fire  
 10.23 state aid actually received in the prior year multiplied by the factor 1.035.

10.24 **EFFECTIVE DATE.** This section is effective January 1, 2026.

10.25 Sec. 9. Minnesota Statutes 2024, section 424A.092, subdivision 4, is amended to read:

 10.30 before August 1 of each year. The certification must be made to the entity that is responsible  
 10.31 for satisfying the minimum obligation with respect to the special fund of the relief association.  
 10.32 If the responsible entity is a joint powers entity, the certification must be made in the manner  
 10.33 specified in the joint powers agreement, or if the joint powers agreement is silent on this  
 10.34 point, the certification must be made to the chair of the joint powers board.

11.1 (b) The financial requirements of the relief association and the minimum municipal  
 11.2 obligation must be included in the financial report or financial statement under section  
 11.3 424A.014. The schedule forms related to the determination of the financial requirements  
 11.4 must be filed annually with the state auditor by ~~March 31, annually, if the relief association~~  
 11.5 ~~is required to file a financial statement under section 424A.014, subdivision 2, or by June~~  
 11.6 ~~30, annually, if the relief association is required to file a financial report and audit under~~  
 11.7 ~~section 424A.014, subdivision 1.~~

 11.12 without any limitation as to rate or amount and irrespective of any limitations imposed by  
 11.13 other provisions of law upon the rate or amount of taxation until the balance of the special  
 11.14 fund or any fund of the relief association has attained a specified level. In addition, any  
 11.15 taxes levied under this section must not cause the amount or rate of any other taxes levied  
 11.16 in that year or to be levied in a subsequent year by the municipality which are subject to a  
 11.17 limitation as to rate or amount to be reduced.

11.18 (e) If the municipality does not include the full amount of the minimum municipal  
 11.19 obligations in its levy for any year, the officers of the relief association shall certify that  
 11.20 amount to the county auditor, who shall spread a levy in the amount of the certified minimum  
 11.21 municipal obligation on the taxable property of the municipality.

11.22 (f) If the state auditor determines that a municipal contribution actually made in a plan  
 11.23 year was insufficient under section 424A.091, subdivision 3, paragraph (c), clause (5), the  
 11.24 state auditor may request a copy of the certifications under this subdivision from the relief  
 11.25 association or from the city. The relief association or the city, whichever applies, must  
 11.26 provide the certifications within 14 days of the date of the request from the state auditor.
