Sec. 8. [47.91] SCOPE; CHOICE OF LAW; FORUM.

(a) Sections 47.90 to 47.985 apply to a special deposit under an account agreement that states the intention of the parties to establish a special deposit governed by sections 47.90 to 47.985, regardless of whether a party to the account agreement or a transaction related to the special deposit, or the special deposit itself, has a reasonable relation to this state.

(b) The parties to an account agreement may choose a forum in this state for settling a dispute arising out of the special deposit, regardless of whether a party to the account agreement or a transaction related to the special deposit, or the special deposit itself, has a reasonable relation to this state.

(c) Sections 47.90 to 47.985 do not affect:

(1) a right or obligation relating to a deposit other than a special deposit under sections 47.90 to 47.985; or

(2) the voidability of a deposit or transfer that is fraudulent or voidable under other law.

13.1 Sec. 9. **[47.915] VARIATION BY AGREEMENT OF AMENDMENT.**

13.2 (a) The effect of sections 47.905 to 47.925, 47.935 to 47.96, and 47.975 may not be
13.3 varied by agreement, except as provided in those sections. Subject to paragraph (b), the
13.4 effect of sections 47.93, 47.965, and 47.97 may be varied by agreement.

13.5 (b) A provision in an account agreement or other record that substantially excuses liability
13.6 or substantially limits remedies for failure to perform an obligation under sections 47.90 to
13.7 47.985 is not sufficient to vary the effect of a provision of sections 47.90 to 47.985.

13.8 (c) If a beneficiary is a party to an account agreement, the bank and the depositor may
13.9 amend the agreement without the consent of the beneficiary only if the agreement expressly
13.10 permits the amendment.

13.11 (d) If a beneficiary is not a party to an account agreement and the bank and the depositor
13.12 know the beneficiary has knowledge of the agreement's terms, the bank and the depositor
13.13 may amend the agreement without the consent of the beneficiary only if the amendment
13.14 does not adversely and materially affect a payment right of the beneficiary.

13.15 (e) If a beneficiary is not a party to an account agreement and the bank and the depositor
13.16 do not know whether the beneficiary has knowledge of the agreement's terms, the bank and
13.17 the depositor may amend the agreement without the consent of the beneficiary only if the
13.18 amendment is made in good faith.

13.19 Sec. 10. **[47.92] REQUIREMENTS OF SPECIAL DEPOSIT.**

13.20 A deposit is a special deposit if it is:

13.21 (1) a deposit of funds in a bank under an account agreement;

13.22 (2) for the benefit of at least two beneficiaries, one or more of which may be a depositor;

13.23 (3) denominated in a medium of exchange that is currently authorized or adopted by a
13.24 domestic or foreign government;

13.25 (4) for a permissible purpose stated in the account agreement; and

13.26 (5) subject to a contingency.

13.27 Sec. 11. **[47.925] PERMISSIBLE PURPOSE.**

13.28 (a) A special deposit must serve at least one permissible purpose stated in the account
13.29 agreement from the time the special deposit is created in the account agreement until
13.30 termination of the special deposit.

(b) If, before termination of the special deposit, the bank or a court determines the special deposit no longer satisfies paragraph (a), sections 47.935 to 47.96 cease to apply to any funds deposited in the special deposit after the special deposit ceases to satisfy paragraph (a).

(c) If, before termination of a special deposit, the bank determines the special deposit no longer satisfies paragraph (a), the bank may take action it believes is necessary under the circumstances, including terminating the special deposit.

Sec. 12. [47.93] PAYMENT TO BENEFICIARY BY BANK.

(a) Unless the account agreement provides otherwise, the bank is obligated to pay a beneficiary if there are sufficient actually and finally collected funds in the balance of the special deposit.

(b) Except as provided in paragraph (c), the obligation to pay the beneficiary is excused if the funds available in the special deposit are insufficient to cover such payment.

(c) Unless the account agreement provides otherwise, if the funds available in the special deposit are insufficient to cover an obligation to pay a beneficiary, a beneficiary may elect to be paid the funds that are available or, if there is more than one beneficiary, a pro rata share of the funds available. Payment to the beneficiary making the election under this paragraph discharges the bank's obligation to pay a beneficiary and does not constitute an accord and satisfaction with respect to another person obligated to the beneficiary.

(d) Unless the account agreement provides otherwise, the obligation of the bank obligated to pay a beneficiary is immediately due and payable.

(e) The bank may discharge its obligation under this section by:

(1) crediting another transaction account of the beneficiary; or

(2) taking other action that:

(i) is permitted under the account agreement for the bank to obtain a discharge; or

(ii) otherwise would constitute a discharge under law.

(f) If the bank obligated to pay a beneficiary has incurred an obligation to discharge the obligation of another person, the obligation of the other person is discharged if action by the bank under paragraph (e) would constitute a discharge of the obligation of the other person under law that determines whether an obligation is satisfied.

15.1 Sec. 13. **[47.935] PROPERTY INTEREST OF DEPOSITOR OR BENEFICIARY.**

15.2 (a) Neither a depositor nor a beneficiary has a property interest in a special deposit.

15.3 (b) Any property interest with respect to a special deposit is only in the right to receive
15.4 payment if the bank is obligated to pay a beneficiary and not in the special deposit itself.

15.5 Any property interest under this paragraph is determined under other law.

15.6 Sec. 14. **[47.94] WHEN CREDITOR PROCESS ENFORCEABLE AGAINST BANK.**

15.7 (a) Subject to paragraph (b), creditor process with respect to a special deposit is not
15.8 enforceable against the bank holding the special deposit.

15.9 (b) Creditor process is enforceable against the bank holding a special deposit with respect
15.10 to an amount the bank is obligated to pay a beneficiary or a depositor if the process:

15.11 (1) is served on the bank;

15.12 (2) provides sufficient information to permit the bank to identify the depositor or the
15.13 beneficiary from the bank's books and records; and

15.14 (3) gives the bank a reasonable opportunity to act on the process.

15.15 (c) Creditor process served on a bank before it is enforceable against the bank under
15.16 paragraph (b) does not create a right of the creditor against the bank or a duty of the bank
15.17 to the creditor. Other law determines whether creditor process creates a lien enforceable
15.18 against the beneficiary on a contingent interest of a beneficiary, including a depositor as a
15.19 beneficiary, even if not enforceable against the bank.

15.20 Sec. 15. **[47.945] INJUNCTION OR SIMILAR RELIEF.**

15.21 A court may enjoin, or grant similar relief that would have the effect of enjoining, a
15.22 bank from paying a depositor or beneficiary only if payment would constitute a material
15.23 fraud or facilitate a material fraud with respect to a special deposit.

15.24 Sec. 16. **[47.96] RECOUPMENT OR SET OFF.**

15.25 (a) Except as provided in paragraph (b) or (c), a bank may not exercise a right of
15.26 recoupment or set off against a special deposit.

15.27 (b) An account agreement may authorize the bank to debit the special deposit:

15.28 (1) when the bank becomes obligated to pay a beneficiary, in an amount that does not
15.29 exceed the amount necessary to discharge the obligation;

16.1 (2) for a fee assessed by the bank that relates to an overdraft in the special deposit
16.2 account;

16.3 (3) for costs incurred by the bank that relate directly to the special deposit; or

16.4 (4) to reverse an earlier credit posted by the bank to the balance of the special deposit
16.5 account, if the reversal occurs under an event or circumstance warranted under other law
16.6 of this state governing mistake and restitution.

16.7 (c) The bank holding a special deposit may exercise a right of recoupment or set off
16.8 against an obligation to pay a beneficiary, even if the bank funds payment from the special
16.9 deposit.

16.10 Sec. 17. **[47.965] DUTIES AND LIABILITY OF BANK.**

16.11 (a) A bank does not have a fiduciary duty to any person with respect to a special deposit.

16.12 (b) When the bank holding a special deposit becomes obligated to pay a beneficiary, a
16.13 debtor-creditor relationship arises between the bank and beneficiary.

16.14 (c) The bank holding a special deposit has a duty to a beneficiary to comply with the
16.15 account agreement and sections 47.90 to 47.985.

16.16 (d) If the bank holding a special deposit does not comply with the account agreement
16.17 or sections 47.90 to 47.985, the bank is liable to a depositor or beneficiary only for damages
16.18 proximately caused by the noncompliance. Except as provided by other law of this state,
16.19 the bank is not liable for consequential, special, or punitive damages.

16.20 (e) The bank holding a special deposit may rely on records presented in compliance with
16.21 the account agreement to determine whether the bank is obligated to pay a beneficiary.

16.22 (f) If the account agreement requires payment on presentation of a record, the bank shall
16.23 determine within a reasonable time whether the record is sufficient to require payment. If
16.24 the agreement requires action by the bank on presentation of a record, the bank is not liable
16.25 for relying in good faith on the genuineness of the record if the record appears on its face
16.26 to be genuine.

16.27 (g) Unless the account agreement provides otherwise, the bank is not required to
16.28 determine whether a permissible purpose stated in the agreement continues to exist.

16.29 Sec. 18. **[47.97] TERM AND TERMINATION.**

16.30 (a) Unless otherwise provided in the account agreement, a special deposit terminates
16.31 five years after the date the special deposit was first funded.

17.1 (b) Unless otherwise provided in the account agreement, if the bank cannot identify or
17.2 locate a beneficiary entitled to payment when the special deposit is terminated, and a balance
17.3 remains in the special deposit, the bank shall pay the balance to the depositor or depositors
17.4 as a beneficiary or beneficiaries.

17.5 (c) A bank that pays the remaining balance as provided under paragraph (b) has no
17.6 further obligation with respect to the special deposit.

17.7 Sec. 19. **[47.975] PRINCIPLES OF LAW AND EQUITY.**

17.8 Chapter 336; consumer protection law; law governing deposits generally; law related
17.9 to escheat and abandoned or unclaimed property; and the principles of law and equity,
17.10 including law related to capacity to contract, principal and agent, estoppel, fraud,
17.11 misrepresentation, duress, coercion, mistake, and bankruptcy, supplement sections 47.90
17.12 to 47.985, except to the extent inconsistent with sections 47.90 to 47.985.

17.13 Sec. 20. **[47.98] UNIFORMITY OF APPLICATION AND CONSTRUCTION.**

17.14 In applying and construing this uniform act, a court shall consider the promotion of
17.15 uniformity of the law among jurisdictions that enact it.

17.16 Sec. 21. **[47.985] TRANSITIONAL PROVISION.**

17.17 Sections 47.90 to 47.985 apply to:

17.18 (1) a special deposit made under an account agreement executed on or after August 1,
17.19 2025; and

17.20 (2) a deposit made under an agreement executed before August 1, 2025, if:

17.21 (i) all parties entitled to amend the agreement agree to make the deposit a special deposit
17.22 governed by sections 47.90 to 47.985; and

17.23 (ii) the special deposit referenced in the amended agreement satisfies section 47.92.

17.24 Sec. 22. Minnesota Statutes 2024, section 53B.61, is amended to read:

17.25 **53B.61 MAINTENANCE OF PERMISSIBLE INVESTMENTS.**

17.26 (a) A licensee must maintain at all times permissible investments that have a market
17.27 value computed in accordance with United States generally accepted accounting principles
17.28 of not less than the aggregate amount of all of the licensee's outstanding money transmission
17.29 obligations.

18.1 (b) Except for permissible investments enumerated in section 53B.62, ~~paragraph (a)~~
18.2 subdivision 1, clause (1), the commissioner may by administrative rule or order, with respect
18.3 to any licensee, limit the extent to which a specific investment maintained by a licensee
18.4 within a class of permissible investments may be considered a permissible investment, if
18.5 the specific investment represents undue risk to customers not reflected in the market value
18.6 of investments.

18.7 (c) Permissible investments, even if commingled with other assets of the licensee, are
18.8 held in trust for the benefit of the purchasers and holders of the licensee's outstanding money
18.9 transmission obligations in the event of insolvency; the filing of a petition by or against the
18.10 licensee under the United States Bankruptcy Code, United States Code, title 11, sections
18.11 101 to 110, as amended or recodified from time to time, for bankruptcy or reorganization;
18.12 the filing of a petition by or against the licensee for receivership; the commencement of any
18.13 other judicial or administrative proceeding for the licensee's dissolution or reorganization;
18.14 or in the event of an action by a creditor against the licensee who is not a beneficiary of this
18.15 statutory trust. No permissible investments impressed with a trust pursuant to this paragraph
18.16 are subject to attachment, levy of execution, or sequestration by order of any court, except
18.17 for a beneficiary of the statutory trust.

18.18 (d) Upon the establishment of a statutory trust in accordance with paragraph (c), or when
18.19 any funds are drawn on a letter of credit pursuant to section 53B.62, paragraph (a), clause
18.20 (4), the commissioner must notify the applicable regulator of each state in which the licensee
18.21 is licensed to engage in money transmission, if any, of the establishment of the trust or the
18.22 funds drawn on the letter of credit, as applicable. Notice is deemed satisfied if performed
18.23 pursuant to a multistate agreement or through NMLS. Funds drawn on a letter of credit, and
18.24 any other permissible investments held in trust for the benefit of the purchasers and holders
18.25 of the licensee's outstanding money transmission obligations, are deemed held in trust for
18.26 the benefit of the purchasers and holders of the licensee's outstanding money transmission
18.27 obligations on a pro rata and equitable basis in accordance with statutes pursuant to which
18.28 permissible investments are required to be held in Minnesota and other states, as defined
18.29 by a substantially similar statute in the other state. Any statutory trust established under this
18.30 section terminates upon extinguishment of all of the licensee's outstanding money
18.31 transmission obligations.

18.32 (e) The commissioner may by rule or by order allow other types of investments that the
18.33 commissioner determines are of sufficient liquidity and quality to be a permissible
18.34 investment. The commissioner is authorized to participate in efforts with other state regulators

19.1 to determine that other types of investments are of sufficient liquidity and quality to be a
19.2 permissible investment.

19.3 Sec. 23. Minnesota Statutes 2024, section 55.07, is amended by adding a subdivision to
19.4 read:

19.5 Subd. 3. **Safe deposit lease; automatic renewal.** A safe deposit lease may renew
19.6 automatically at the end of the lease's term. A consumer may terminate a safe deposit lease
19.7 at any time in writing or in any other manner described in the lease.

19.8 Sec. 24. Minnesota Statutes 2024, section 58B.02, subdivision 8a, is amended to read:

19.9 Subd. 8a. **Lender.** "Lender" means an entity engaged in the business of securing, making,
19.10 or extending student loans. Lender does not include, to the extent that state regulation is
19.11 preempted by federal law:

19.12 (1) a bank, savings banks, savings and loan association, or credit union;

19.13 (2) a wholly owned subsidiary of a bank or credit union;

19.14 (3) an operating subsidiary where each owner is wholly owned by the same bank or
19.15 credit union;

19.16 (4) the United States government, through Title IV of the Higher Education Act of 1965,
19.17 as amended, and administered by the United States Department of Education;

19.18 (5) an agency, instrumentality, or political subdivision of Minnesota;

19.19 (6) a regulated lender organized under chapter 56, except that a regulated lender must
19.20 file the annual report required for lenders under section 58B.03, subdivision ~~4~~ 10; or

19.21 (7) a person who is not in the business of making student loans and who makes no more
19.22 than three student loans, with the person's own funds, during any 12-month period.

19.23 Sec. 25. Minnesota Statutes 2024, section 334.01, subdivision 2, is amended to read:

19.24 Subd. 2. **Contracts of \$100,000 or more.** Notwithstanding any law to the contrary,
19.25 except as stated in section 58.137, and with respect to ~~contracts~~ a conventional loan or
19.26 contract for deed, section 47.20, subdivision 4a, no limitation on the rate or amount of
19.27 interest, points, finance charges, fees, or other charges applies to a loan, mortgage, credit
19.28 sale, or advance made under a written contract, signed by the debtor, for the extension of
19.29 credit to the debtor in the amount of \$100,000 or more, or any written extension and other

20.1 written modification of the written contract. The written contract, written extension, and
20.2 written modification are exempt from the other provisions of this chapter.

20.3 Sec. 26. Minnesota Statutes 2024, section 580.07, subdivision 1, is amended to read:

20.4 Subdivision 1. **Postponement by mortgagee.** (a) The sale may be postponed, from time
20.5 to time, by the party conducting the foreclosure. The party requesting the postponement
20.6 must, at the party's expense:

20.7 (1) publish, only once, a notice of the postponement and the rescheduled date of the sale,
20.8 if known, as soon as practicable, in the newspaper in which the notice under section 580.03
20.9 was published; and

20.10 (2) send by first class mail to the occupant, postmarked within three business days of
20.11 the postponed sale, notice:

20.12 (i) of the postponement; and

20.13 (ii) if known, of the rescheduled date of the sale and the date on or before which the
20.14 mortgagor must vacate the property if the sheriff's sale is not further postponed, the mortgage
20.15 is not reinstated under section 580.30, the property is not redeemed under section 580.23,
20.16 or the redemption period is not reduced under section 582.032. The notice must state that
20.17 the time to vacate the property is 11:59 p.m. on the specified date.

20.18 (b) If the rescheduled date of the sale is not known at the time of the initial publication
20.19 and notice to the occupant of postponement, the foreclosing party must, at its expense if
20.20 and when a new date of sale is scheduled:

20.21 (1) publish, only once, notice of the rescheduled date of the sale, as soon as practicable,
20.22 in the newspaper in which the notice under section 580.03 and the notice of postponement
20.23 under paragraph (a) was published; and

20.24 (2) send by first class mail to the occupant, postmarked within ten days of the rescheduled
20.25 sale, notice:

20.26 (i) of the date of the rescheduled sale; and

20.27 (ii) of the date on or before which the mortgagor must vacate the property if the mortgage
20.28 is not reinstated under section 580.30 or the property redeemed under section 580.23. The
20.29 notice must state that the time to vacate the property is 11:59 p.m. on the specified date.

20.30 (c) The right of a mortgagee to postpone a foreclosure sale under this section applies to
20.31 a foreclosure by action taken under chapter 581.

21.1 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures
21.2 with the lis pendens recorded on or after the effective date.

21.3 Sec. 27. Minnesota Statutes 2024, section 580.07, subdivision 2, is amended to read:

21.4 Subd. 2. **Postponement by mortgagor or owner.** (a) If all or a part of the property to
21.5 be sold is classified as homestead under section 273.124 and contains one to four dwelling
21.6 units, the mortgagor or owner may, in the manner provided in this subdivision, postpone
21.7 the sale to the first date that is not a Saturday, Sunday, or legal holiday and is:

21.8 (1) five months after the originally scheduled date of sale if the original redemption
21.9 period was six months under section 580.23, subdivision 1; or

21.10 (2) 11 months after the originally scheduled date of sale if the original redemption period
21.11 was 12 months under section 580.23, subdivision 2. To postpone a foreclosure sale pursuant
21.12 to this subdivision, at any time after the first publication of the notice of mortgage foreclosure
21.13 sale under section 580.03 but at least 15 days prior to the scheduled sale date specified in
21.14 that notice, the mortgagor shall: (1) execute a sworn affidavit in the form set forth in
21.15 subdivision 3, (2) record the affidavit in the office of each county recorder and registrar of
21.16 titles where the mortgage was recorded, and (3) file with the sheriff conducting the sale and
21.17 deliver to the attorney foreclosing the mortgage a copy of the recorded affidavit, showing
21.18 the date and office in which the affidavit was recorded. Recording of the affidavit and
21.19 postponement of the foreclosure sale pursuant to this subdivision shall automatically reduce
21.20 the mortgagor's redemption period under section 580.23 to five weeks. The postponement
21.21 of a foreclosure sale pursuant to this subdivision does not require any change in the contents
21.22 of the notice of sale, service of the notice of sale if the occupant was served with the notice
21.23 of sale prior to postponement under this subdivision, or publication of the notice of sale if
21.24 publication was commenced prior to postponement under this subdivision, notwithstanding
21.25 the service and publication time periods specified in section 580.03, but the sheriff's
21.26 certificate of sale shall indicate the actual date of the foreclosure sale and the actual length
21.27 of the mortgagor's redemption period. No notice of postponement need be published. An
21.28 affidavit complying with subdivision 3 shall be prima facie evidence of the facts stated
21.29 therein, and shall be entitled to be recorded. The right to postpone a foreclosure sale pursuant
21.30 to this subdivision may be exercised only once, regardless whether the mortgagor reinstates
21.31 the mortgage prior to the postponed mortgage foreclosure sale.

21.32 (b) If the automatic stay under United States Code, title 11, section 362, applies to the
21.33 mortgage foreclosure after a mortgagor or owner requests postponement of the sheriff's sale
21.34 under this section, then when the automatic stay is no longer applicable, the mortgagor's or

22.1 owner's election to shorten the redemption period to five weeks under this section remains
22.2 applicable to the mortgage foreclosure.

22.3 (c) Except for the circumstances set forth in paragraph (b), this section does not reduce
22.4 the mortgagor's redemption period under section 580.23 for any subsequent foreclosure of
22.5 the mortgage.

22.6 (d) The right of a mortgagor or owner to postpone a foreclosure sale under this section
22.7 applies to a foreclosure by action taken under chapter 581.

22.8 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures
22.9 with the lis pendens recorded on or after the effective date.

22.10 Sec. 28. Minnesota Statutes 2024, section 581.02, is amended to read:

22.11 **581.02 APPLICATION, CERTAIN SECTIONS.**

22.12 (a) The provisions of sections 580.08, 580.09, 580.12, 580.22, 580.25, and 580.27, so
22.13 far as they relate to the form of the certificate of sale, shall apply to and govern the
22.14 foreclosure of mortgages by action.

22.15 (b) Section 580.07 applies to actions for the foreclosure of mortgages taken under this
22.16 chapter.

22.17 **EFFECTIVE DATE.** This section is effective August 1, 2025, for judicial foreclosures
22.18 with the lis pendens recorded on or after the effective date.

22.19 Sec. 29. **CERTAIN COMPLIANCE OPTIONAL.**

22.20 A lender's compliance with Minnesota Statutes, section 47.20, subdivision 8, is optional
22.21 with respect to conventional loan mortgage documents dated between August 1, 2024, and
22.22 July 31, 2025.

22.23 **EFFECTIVE DATE.** This section is effective retroactively from July 31, 2024.

22.24 **ARTICLE 2**

22.25 **INSURANCE**

22.26 Section 1. Minnesota Statutes 2024, section 60C.09, subdivision 2, is amended to read:

22.27 Subd. 2. **Further definition.** In addition to subdivision 1, a covered claim does not
22.28 include:

22.29 (1) claims by an affiliate of the insurer;

(2) claims due a reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries, reinsurance recoveries, contribution, indemnification, or otherwise. This clause does not prevent a person from presenting the excluded claim to the insolvent insurer or its liquidator, but the claims shall not be asserted against another person, including the person to whom the benefits were paid or the insured of the insolvent insurer, except to the extent that the claim is outside the coverage of the policy issued by the insolvent insurer; ~~and~~

(3) any claims, resulting from insolvencies which occur after July 31, 1996, by an insured whose net worth exceeds \$25,000,000 on December 31 of the year prior to the year in which the insurer becomes an insolvent insurer; provided that an insured's net worth on that date shall be deemed to include the aggregate net worth of the insured and all of its subsidiaries and affiliates as calculated on a consolidated basis. The association may request financial information from an insured to determine the insured's net worth under this clause. If an insured fails to provide the requested financial information within 60 days of the date the association submits a request, the insured's net worth is deemed to exceed \$25,000,000 for purposes of the association's evaluation of the claim under section 60C.10. A request by the association to an insured seeking financial information under this clause must inform the insured of the consequences of failing to provide the requested information;

(4) any claims under a policy written by an insolvent insurer with a deductible or self-insured retention of \$300,000 or more, nor that portion of a claim that is within an insured's deductible or self-insured retention; and

(5) claims that are a fine, penalty, interest, or punitive or exemplary damages.

Sec. 2. Minnesota Statutes 2024, section 62A.65, subdivision 2, is amended to read:

Subd. 2. **Guaranteed renewal.** No individual health plan may be offered, sold, issued, or renewed to a Minnesota resident unless the health plan provides that the plan is guaranteed renewable at a premium rate that does not take into account the claims experience or any change in the health status of any covered person that occurred after the initial issuance of the health plan to the person. The premium rate upon renewal must also otherwise comply with this section. The commissioner may extend the limitation periods established in clauses (1) and (2) with respect to specific age group categories in specific policy forms upon a finding that the extension is in the public interest. The definition of preexisting condition required under clause (1) does not prohibit an insurer from using an application form designed to elicit the complete health history of an applicant and, on the basis of the applicant's answers on the application, from underwriting in accordance with that insurer's established underwriting standards. Unless otherwise provided in the policy or certificate, an insurer is not required to cover a preexisting condition, regardless of whether the preexisting condition is disclosed on the application, until the waiting period under clause (2) expires. A limited long-term care insurance policy or certificate is prohibited from excluding or using waivers or riders of any kind to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions beyond the waiting period established in clause (2).

(c) A limited long-term care insurance policy must not be delivered or issued for delivery in Minnesota if the policy conditions eligibility: (1) for any benefits, on a prior hospitalization requirement; (2) for benefits provided in an institutional care setting, on the receipt of a higher level of institutional care; or (3) for any benefits other than waiver of premium, post-confinement, post-acute care, or recuperative benefits, on a prior institutionalization requirement. A limited long-term care insurance policy, certificate, or rider is prohibited from conditioning eligibility for noninstitutional benefits on the prior or continuing receipt of skilled care services.

(d) The commissioner may adopt administrative rules that establish loss ratio standards for limited long-term care insurance policies if a specific reference to limited long-term care insurance policies is contained in the administrative rule.

(e) A limited long-term care insurance applicant has the right to: (1) return the policy, certificate, or rider to the company or the company's agent or insurance producer within 30 days of the date the policy, certificate, or rider is received; and (2) have the premium refunded

34.1 if, after examination of the policy, certificate, or rider, the applicant is not satisfied with the
34.2 policy, certificate, or rider for any reason.

34.3 (f) A limited long-term care insurance policy, certificate, or rider must have a notice
34.4 prominently printed on the first page or attached to the policy, certificate, or rider that
34.5 includes specific instructions for a limited long-term care insurance applicant to return a
34.6 policy, certificate, or rider under paragraph (e). The following statement or a substantially
34.7 similar statement must be included with the instructions:

34.8 "You have 30 days from the date you receive this policy, certificate, or rider to review
34.9 and return it to the company if you decide not to keep it. You do not have to tell the company
34.10 why you are returning it. If you decide to not keep the policy, certificate, or rider, simply
34.11 return it to the company at the company's administrative office, or you may return it to the
34.12 agent or insurance producer that you bought it from. You must return the policy, certificate,
34.13 or rider within 30 days of the date you first received it. The company must refund the full
34.14 amount of any premium paid within 30 days of the date the company receives the returned
34.15 policy, certificate, or rider. The premium refund is sent directly to the person who paid it.
34.16 A returned policy, certificate, or rider is void, as if it never was issued."

34.17 This paragraph does not apply to certificates issued pursuant to a policy issued to a group
34.18 defined in subdivision 2, paragraph (f), clause (1).

34.19 (g) A coverage outline must be delivered to a prospective applicant for limited long-term
34.20 care insurance at the time an initial solicitation is made, using a means that prominently
34.21 directs the recipient's attention to the coverage outline and the coverage outline's purpose.
34.22 The commissioner must prescribe: (1) a standard format, including style, arrangement, and
34.23 overall appearance; and (2) the content that must be contained on a coverage outline. With
34.24 respect to an agent solicitation, the agent must deliver the coverage outline before presenting
34.25 an application or enrollment form. With respect to a direct response solicitation, the coverage
34.26 outline must be provided in conjunction with an application or enrollment form. Delivery
34.27 of a coverage outline is not required for a policy issued to a group defined in subdivision
34.28 2, paragraph (f), clause (1), if the information described in paragraph (h) is contained in
34.29 other materials relating to enrollment. A copy of the other materials must be made available
34.30 to the commissioner upon request.

34.31 (h) The coverage outline provided under paragraph (g) must include:

34.32 (1) a description of the principal benefits and coverage provided in the policy;

34.33 (2) a description of the eligibility triggers for benefits and how the eligibility triggers
34.34 are met;

35.1 (3) a statement identifying the principal exclusions, reductions, and limitations contained
35.2 in the policy;

35.3 (4) a statement describing the terms under which the policy, certificate, or both may be
35.4 continued in force or discontinued, including any reservation in the policy of a right to
35.5 change premium. A continuation or conversion provision for group coverage must be
35.6 specifically described;

35.7 (5) a statement indicating that coverage outline is a summary only and not an insurance
35.8 contract, and that the policy or group master policy contains the governing contractual
35.9 provisions;

35.10 (6) a description of the terms under which the policy or certificate may be returned and
35.11 premium refunded;

35.12 (7) a brief description of the relationship between cost of care and benefits; and

35.13 (8) a statement that discloses to the policyholder or certificate holder that the policy is
35.14 not long-term care insurance.

35.15 (i) A certificate issued pursuant to a group limited long-term care insurance policy that
35.16 is delivered or issued for delivery in Minnesota must include:

35.17 (1) a description of the principal benefits and coverage provided in the policy;

35.18 (2) a statement identifying the principal exclusions, reductions, and limitations contained
35.19 in the policy; and

35.20 (3) a statement indicating that the group master policy determines governing contractual
35.21 provisions.

35.22 (j) If an application for a limited long-term care insurance contract or certificate is
35.23 approved, the issuer must deliver the contract or certificate of insurance to the applicant no
35.24 later than 30 days after the date the application is approved.

35.25 (k) If a claim under a limited long-term care insurance contract is denied, the issuer
35.26 must, within 60 days of the date the policyholder, certificate holder, or a representative of
35.27 the policyholder or certificate holder submits a written request:

35.28 (1) provide a written explanation detailing the reasons for the denial; and

35.29 (2) make available all information directly related to the denial.

35.30 (l) A disclosure, statement, or written information and explanation required in this section,
35.31 whether in print or electronic form, must accommodate the communication needs of

36.1 individuals with disabilities and persons with limited English proficiency, as required by
36.2 law.

36.3 Subd. 6. **Incontestability period.** (a) An insurer may (1) rescind a limited long-term
36.4 care insurance policy or certificate, or (2) deny an otherwise valid limited long-term care
36.5 insurance claim, for a policy or certificate that has been in force for less than six months
36.6 upon a showing of misrepresentation that is material to the coverage acceptance.

36.7 (b) An insurer may (1) rescind a limited long-term care insurance policy or certificate,
36.8 or (2) deny an otherwise valid limited long-term care insurance claim, for a policy or
36.9 certificate that has been in force for at least six months but less than two years upon a
36.10 showing of misrepresentation that is both material to the coverage acceptance and that
36.11 pertains to the condition for which benefits are sought.

36.12 (c) A policy or certificate that has been in force for two years is not contestable upon
36.13 the grounds of misrepresentation alone. A policy or certificate that has been in force for
36.14 two years may be contested only upon a showing that the insured knowingly and intentionally
36.15 misrepresented relevant facts relating to the insured individual's health.

36.16 (d) A limited long-term care insurance policy or certificate may be field issued if
36.17 compensation to the field issuer is not based on the number of policies or certificates issued.
36.18 For purposes of this paragraph, "field issued" means a policy or certificate issued by a
36.19 producer or a third-party administrator (1) pursuant to the underwriting authority granted
36.20 to the producer or third-party administrator by an insurer, and (2) using the insurer's
36.21 underwriting guidelines.

36.22 (e) If an insurer paid benefits under the limited long-term care insurance policy or
36.23 certificate, the benefit payments are not recoverable by the insurer if the policy or certificate
36.24 is rescinded.

36.25 Subd. 7. **Nonforfeiture benefits.** (a) A limited long-term care insurance policy may
36.26 offer the option to purchase a policy or certificate that includes a nonforfeiture benefit. A
36.27 nonforfeiture benefit may be offered in the form of a rider that is attached to the policy. If
36.28 the policyholder or certificate holder does not purchase the nonforfeiture benefit, the insurer
36.29 must provide a contingent benefit upon lapse that must be available for a specified period
36.30 of time after a substantial increase in premium rates, as determined by the commissioner
36.31 under paragraph (c).

36.32 (b) When a group limited long-term care insurance policy is issued, a nonforfeiture
36.33 benefit offer must be made to the group policyholder. If the policy is issued as group limited
36.34 long-term care insurance, as defined in subdivision 2, paragraph (f), clause (4), to an entity

other than a continuing care retirement community or other similar entity, a nonforfeiture benefit offer must be made to each proposed certificate holder.

(c) The commissioner must adopt administrative rules that specify: (1) the type or types of nonforfeiture benefits that must be offered as part of limited long-term care insurance policies and certificates; (2) the standards for nonforfeiture benefits; and (3) requirements regarding contingent benefit upon lapse, including determining the specified period of time during which a contingent benefit upon lapse is available and the substantial premium rate increase that triggers a contingent benefit upon lapse, as described in paragraph (a).

Subd. 8. **Administrative rulemaking.** (a) The commissioner must adopt reasonable administrative rules to: (1) promote premium adequacy; (2) protect a policyholder in the event of a substantial rate increase; and (3) establish minimum standards for producer education, marketing practices, producer compensation, producer testing, independent review of benefit determinations, penalties, and reporting practices for limited long-term care insurance.

(b) Administrative rules adopted under this section are subject to chapter 14.

Subd. 9. **Severability.** If any provision of this section or the application of the provision to any person or circumstance is held invalid for any reason, the remainder of the section and the application of the invalid provision to other persons or circumstances is not affected.

Subd. 10. **Penalties.** In addition to any other penalties provided by the laws of Minnesota, an insurer or producer that violates any requirement under this section or other law relating to the regulation of limited long-term care insurance or the marketing of limited long-term care insurance is subject to a fine of up to three times the amount of commissions paid for each policy involved in the violation or up to \$10,000, whichever is greater.

EFFECTIVE DATE. This section is effective January 1, 2026.

ARTICLE 4

MEDICARE SUPPLEMENT INSURANCE

Section 1. Minnesota Statutes 2024, section 62A.31, subdivision 1, is amended to read:

Subdivision 1. **Policy requirements.** No individual or group policy, certificate, subscriber contract issued by a health service plan corporation regulated under chapter 62C, or other evidence of accident and health insurance the effect or purpose of which is to supplement Medicare coverage, including to supplement coverage under Medicare Advantage plans established under Medicare Part C, issued or delivered in this state or offered to a resident

38.1 of this state shall be sold or issued to an individual covered by Medicare unless the
38.2 requirements in subdivisions 1a to ~~1w~~ 1v are met.

38.3 Sec. 2. Minnesota Statutes 2024, section 62A.31, subdivision 1f, is amended to read:

38.4 Subd. 1f. **Suspension based on entitlement to medical assistance.** (a) The policy or
38.5 certificate must provide that benefits and premiums under the policy or certificate shall be
38.6 suspended for any period that may be provided by federal regulation at the request of the
38.7 policyholder or certificate holder for the period, not to exceed 24 months, in which the
38.8 policyholder or certificate holder has applied for and is determined to be entitled to medical
38.9 assistance under title XIX of the Social Security Act, but only if the policyholder or certificate
38.10 holder notifies the issuer of the policy or certificate within 90 days after the date the
38.11 individual becomes entitled to this assistance.

38.12 (b) If suspension occurs and if the policyholder or certificate holder loses entitlement
38.13 to this medical assistance, the policy or certificate shall be automatically reinstated, effective
38.14 as of the date of termination of this entitlement, if the policyholder or certificate holder
38.15 provides notice of loss of the entitlement within 90 days after the date of the loss and pays
38.16 the premium attributable to the period, effective as of the date of termination of entitlement.

38.17 (c) The policy must provide that upon reinstatement (1) there is no additional waiting
38.18 period with respect to treatment of preexisting conditions, (2) coverage is provided which
38.19 is substantially equivalent to coverage in effect before the date of the suspension. If the
38.20 suspended policy provided coverage for outpatient prescription drugs, reinstitution of the
38.21 policy for Medicare Part D enrollees must be without coverage for outpatient prescription
38.22 drugs and must otherwise provide coverage substantially equivalent to the coverage in effect
38.23 before the date of suspension, and (3) premiums are classified on terms that are at least as
38.24 favorable to the policyholder or certificate holder as the premium classification terms that
38.25 would have applied to the policyholder or certificate holder had coverage not been suspended.

38.26 Sec. 3. Minnesota Statutes 2024, section 62A.31, subdivision 1h, is amended to read:

38.27 Subd. 1h. **Limitations on denials, conditions, and pricing of coverage.** No health
38.28 carrier issuing Medicare-related coverage in this state may impose preexisting condition
38.29 limitations or otherwise deny or condition the issuance or effectiveness of any such coverage
38.30 available for sale in this state, nor may it discriminate in the pricing of such coverage,
38.31 because of the health status, claims experience, receipt of health care, medical condition,
38.32 or age of an applicant where an application for such coverage is submitted: ~~(1)~~ prior to or
38.33 during the six-month period beginning with the first day of the month in which an individual

first enrolled for benefits under Medicare Part B; ~~or (2) during the open enrollment period.~~
This subdivision applies to each Medicare-related coverage offered by a health carrier regardless of whether the individual has attained the age of 65 years. If an individual who is enrolled in Medicare Part B due to disability status is involuntarily disenrolled due to loss of disability status, the individual is eligible for another six-month enrollment period provided under this subdivision beginning the first day of the month in which the individual later becomes eligible for and enrolls again in Medicare Part B ~~and during the open enrollment period.~~ An individual who is or was previously enrolled in Medicare Part B due to disability status is eligible for another six-month enrollment period under this subdivision beginning the first day of the month in which the individual has attained the age of 65 years and either maintains enrollment in, or enrolls again in, Medicare Part B ~~and during the open enrollment period.~~ If an individual enrolled in Medicare Part B voluntarily disenrolls from Medicare Part B because the individual becomes enrolled under an employee welfare benefit plan, the individual is eligible for another six-month enrollment period, as provided in this subdivision, beginning the first day of the month in which the individual later becomes eligible for and enrolls again in Medicare Part B ~~and during the open enrollment period.~~

Sec. 4. Minnesota Statutes 2024, section 62A.31, subdivision 1p, is amended to read:

Subd. 1p. **Renewal or continuation provisions.** Medicare supplement policies and certificates shall include a renewal or continuation provision. The language or specifications of the provision shall be consistent with the type of contract issued. The provision shall be appropriately captioned and shall appear on the first page of the policy or certificate, and shall include any reservation by the issuer of the right to change premiums. Except for riders or endorsements by which the issuer effectuates a request made in writing by the insured, exercises a specifically reserved right under a Medicare supplement policy or certificate, or is required to reduce or eliminate benefits to avoid duplication of Medicare benefits, all riders or endorsements added to a Medicare supplement policy or certificate after the date of issue or at reinstatement or renewal that reduce or eliminate benefits or coverage in the policy or certificate shall require a signed acceptance by the insured. After the date of policy or certificate issue, a rider or endorsement that increases benefits or coverage with a concomitant increase in premium during the policy or certificate term shall be agreed to in writing and signed by the insured, unless the benefits are required by the minimum standards for Medicare supplement policies or if the increased benefits or coverage is required by law. Where a separate additional premium is charged for benefits provided in connection with riders or endorsements, the premium charge shall be set forth in the policy, declaration page, or certificate. If a Medicare supplement policy or certificate contains limitations with

respect to preexisting conditions, the limitations shall appear as a separate paragraph of the policy or certificate and be labeled as "preexisting condition limitations."

Issuers of accident and sickness policies or certificates that provide hospital or medical expense coverage on an expense incurred or indemnity basis to persons eligible for Medicare shall provide to those applicants a "Guide to Health Insurance for People with Medicare" in the form developed by the Centers for Medicare and Medicaid Services and in a type size no smaller than 12-point type. Delivery of the guide must be made whether or not such policies or certificates are advertised, solicited, or issued as Medicare supplement policies or certificates as defined in this section and section 62A.3099. Except in the case of direct response issuers, delivery of the guide must be made to the applicant at the time of application, and acknowledgment of receipt of the guide must be obtained by the issuer. Direct response issuers shall deliver the guide to the applicant upon request, but no later than the time at which the policy is delivered.

Sec. 5. Minnesota Statutes 2024, section 62A.31, subdivision 1u, is amended to read:

Subd. 1u. **Guaranteed issue for eligible persons.** (a)(1) Eligible persons are those individuals described in paragraph (b) who seek to enroll under the policy during the period specified in paragraph (c) and who submit evidence of the date of termination or disenrollment described in paragraph (b), or of the date of Medicare Part D enrollment, with the application for a Medicare supplement policy.

(2) With respect to eligible persons, an issuer shall not: deny or condition the issuance or effectiveness of a Medicare supplement policy described in paragraph (c) that is offered and is available for issuance to new enrollees by the issuer; discriminate in the pricing of such a Medicare supplement policy because of health status, claims experience, receipt of health care, medical condition, or age; or impose an exclusion of benefits based upon a preexisting condition under such a Medicare supplement policy.

(b) An eligible person is an individual described in any of the following:

(1) the individual is enrolled under an employee welfare benefit plan that provides health benefits that supplement the benefits under Medicare; and the plan terminates, or the plan ceases to provide all such supplemental health benefits to the individual;

41.1 and there are circumstances similar to those described in this clause that would permit
41.2 discontinuance of the individual's enrollment with the provider if the individual were enrolled
41.3 in a Medicare Advantage plan:

41.4 (i) the organization's or plan's certification under Medicare Part C has been terminated
41.5 or the organization has terminated or otherwise discontinued providing the plan in the area
41.6 in which the individual resides;

41.7 (ii) the individual is no longer eligible to elect the plan because of a change in the
41.8 individual's place of residence or other change in circumstances specified by the secretary,
41.9 but not including termination of the individual's enrollment on the basis described in section
41.10 1851(g)(3)(B) of the federal Social Security Act, United States Code, title 42, section
41.11 1395w-21(g)(3)(b) (where the individual has not paid premiums on a timely basis or has
41.12 engaged in disruptive behavior as specified in standards under section 1856 of the federal
41.13 Social Security Act, United States Code, title 42, section 1395w-26), or the plan is terminated
41.14 for all individuals within a residence area;

41.15 (iii) the individual demonstrates, in accordance with guidelines established by the
41.16 Secretary, that:

41.17 (A) the organization offering the plan substantially violated a material provision of the
41.18 organization's contract in relation to the individual, including the failure to provide an
41.19 enrollee on a timely basis medically necessary care for which benefits are available under
41.20 the plan or the failure to provide such covered care in accordance with applicable quality
41.21 standards; or

41.22 (B) the organization, or agent or other entity acting on the organization's behalf, materially
41.23 misrepresented the plan's provisions in marketing the plan to the individual; or

41.24 (iv) the individual meets such other exceptional conditions as the secretary may provide;

41.25 (3)(i) the individual is enrolled with:

41.26 (A) an eligible organization under a contract under section 1876 of the federal Social

41.29 periods before April 1, 1999;

41.31 Security Act, United States Code, title 42, section 1395l(a)(1)(A) (health care prepayment
41.32 plan); or

42.1 (D) an organization under a Medicare Select policy under section 62A.318 or the similar
42.2 law of another state; and

42.3 (ii) the enrollment ceases under the same circumstances that would permit discontinuance
42.4 of an individual's election of coverage under clause (2);

42.5 (4) the individual is enrolled under a Medicare supplement policy, and the enrollment
42.6 ceases because:

42.7 (i)(A) of the insolvency of the issuer or bankruptcy of the nonissuer organization; or

42.8 (B) of other involuntary termination of coverage or enrollment under the policy;

42.9 (ii) the issuer of the policy substantially violated a material provision of the policy; or

42.10 (iii) the issuer, or an agent or other entity acting on the issuer's behalf, materially
42.11 misrepresented the policy's provisions in marketing the policy to the individual;

42.12 (5)(i) the individual was enrolled under a Medicare supplement policy and terminates
42.13 that enrollment and subsequently enrolls, for the first time, with any Medicare Advantage
42.14 organization under a Medicare Advantage plan under Medicare Part C; any eligible
42.15 organization under a contract under section 1876 of the federal Social Security Act, United
42.16 States Code, title 42, section 1395mm (Medicare cost); any similar organization operating
42.17 under demonstration project authority; any PACE provider under section 1894 of the federal
42.18 Social Security Act, or a Medicare Select policy under section 62A.318 or the similar law
42.19 of another state; and

42.20 (ii) the subsequent enrollment under item (i) is terminated by the enrollee during any

42.22 is permitted to terminate the subsequent enrollment under section 1851(e) of the federal
42.23 Social Security Act;

42.24 (6) the individual, upon first enrolling for benefits under Medicare Part B, enrolls in a
42.25 Medicare Advantage plan under Medicare Part C, or with a PACE provider under section
42.26 1894 of the federal Social Security Act, and disenrolls from the plan by not later than 12
42.27 months after the effective date of enrollment;

42.28 (7) the individual enrolls in a Medicare Part D plan during the initial Part D enrollment
42.29 period, as defined under United States Code, title 42, section 1395ss(v)(6)(D), and, at the
42.30 time of enrollment in Part D, was enrolled under a Medicare supplement policy that covers
42.31 outpatient prescription drugs and the individual terminates enrollment in the Medicare
42.32 supplement policy and submits evidence of enrollment in Medicare Part D along with the
42.33 application for a policy described in paragraph (e), clause (4); or

(8) the individual was enrolled in a state public program and is losing coverage due to the unwinding of the Medicaid continuous enrollment conditions, as provided by Code of Federal Regulations, title 45, section 155.420 (d)(9) and (d)(1), and Public Law 117-328, section 5131 (2022).

(c)(1) In the case of an individual described in paragraph (b), clause (1), the guaranteed issue period begins on the later of: (i) the date the individual receives a notice of termination or cessation of all supplemental health benefits or, if a notice is not received, notice that a claim has been denied because of a termination or cessation; or (ii) the date that the applicable coverage terminates or ceases; and ends 63 days after the later of those two dates.

(2) In the case of an individual described in paragraph (b), clause (2), (3), (5), or (6), whose enrollment is terminated involuntarily, the guaranteed issue period begins on the date that the individual receives a notice of termination and ends 63 days after the date the applicable coverage is terminated.

(3) In the case of an individual described in paragraph (b), clause (4), item (i), the guaranteed issue period begins on the earlier of: (i) the date that the individual receives a notice of termination, a notice of the issuer's bankruptcy or insolvency, or other such similar notice if any; and (ii) the date that the applicable coverage is terminated, and ends on the date that is 63 days after the date the coverage is terminated.

(4) In the case of an individual described in paragraph (b), clause (2), (4), (5), or (6), who disenrolls voluntarily, the guaranteed issue period begins on the date that is 60 days before the effective date of the disenrollment and ends on the date that is 63 days after the effective date.

(5) In the case of an individual described in paragraph (b), clause (7), the guaranteed issue period begins on the date the individual receives notice pursuant to section 1882(v)(2)(B) of the Social Security Act from the Medicare supplement issuer during the 60-day period immediately preceding the initial Part D enrollment period and ends on the date that is 63 days after the effective date of the individual's coverage under Medicare Part D.

(6) In the case of an individual described in paragraph (b) but not described in this paragraph, the guaranteed issue period begins on the effective date of disenrollment and ends on the date that is 63 days after the effective date.

~~(7) For all individuals described in paragraph (b), the open enrollment period is a guaranteed issue period.~~

(d)(1) In the case of an individual described in paragraph (b), clause (5), or deemed to be so described, pursuant to this paragraph, whose enrollment with an organization or provider described in paragraph (b), clause (5), item (i), is involuntarily terminated within the first 12 months of enrollment, and who, without an intervening enrollment, enrolls with another such organization or provider, the subsequent enrollment is deemed to be an initial enrollment described in paragraph (b), clause (5).

(2) In the case of an individual described in paragraph (b), clause (6), or deemed to be so described, pursuant to this paragraph, whose enrollment with a plan or in a program described in paragraph (b), clause (6), is involuntarily terminated within the first 12 months of enrollment, and who, without an intervening enrollment, enrolls in another such plan or program, the subsequent enrollment is deemed to be an initial enrollment described in paragraph (b), clause (6).

(3) For purposes of paragraph (b), clauses (5) and (6), no enrollment of an individual with an organization or provider described in paragraph (b), clause (5), item (i), or with a plan or in a program described in paragraph (b), clause (6), may be deemed to be an initial enrollment under this paragraph after the two-year period beginning on the date on which the individual first enrolled with the organization, provider, plan, or program.

(e) The Medicare supplement policy to which eligible persons are entitled under:

(1) paragraph (b), clauses (1) to (4), is any Medicare supplement policy that has a benefit package consisting of the basic Medicare supplement plan described in section 62A.316, paragraph (a), plus any combination of the three optional riders described in section 62A.316, paragraph (b), clauses (1) to (3), offered by any issuer;

(2) paragraph (b), clause (5), is the same Medicare supplement policy in which the individual was most recently previously enrolled, if available from the same issuer, or, if not so available, any policy described in clause (1) offered by any issuer, except that after December 31, 2005, if the individual was most recently enrolled in a Medicare supplement policy with an outpatient prescription drug benefit, a Medicare supplement policy to which the individual is entitled under paragraph (b), clause (5), is:

(i) the policy available from the same issuer but modified to remove outpatient prescription drug coverage; or

The issuer must permit the enrollee to retain all optional benefits contained in the enrollee's existing coverage, other than outpatient prescription drugs, subject to the provision that the coverage be offered and available for issuance to new enrollees by the same issuer.

(f)(1) At the time of an event described in paragraph (b), because of which an individual loses coverage or benefits due to the termination of a contract or agreement, policy, or plan, the organization that terminates the contract or agreement, the issuer terminating the policy, or the administrator of the plan being terminated, respectively, shall notify the individual of the individual's rights under this subdivision, and of the obligations of issuers of Medicare supplement policies under paragraph (a). The notice must be communicated contemporaneously with the notification of termination.

(2) At the time of an event described in paragraph (b), because of which an individual ceases enrollment under a contract or agreement, policy, or plan, the organization that offers the contract or agreement, regardless of the basis for the cessation of enrollment, the issuer offering the policy, or the administrator of the plan, respectively, shall notify the individual of the individual's rights under this subdivision, and of the obligations of issuers of Medicare supplement policies under paragraph (a). The notice must be communicated within ten working days of the issuer receiving notification of disenrollment.

(g) Reference in this subdivision to a situation in which, or to a basis upon which, an individual's coverage has been terminated does not provide authority under the laws of this state for the termination in that situation or upon that basis.

(h) An individual's rights under this subdivision are in addition to, and do not modify or limit, the individual's rights under subdivision 1h.

Sec. 6. Minnesota Statutes 2024, section 62A.31, subdivision 4, is amended to read:

Subd. 4. **Prohibited policy provisions.** (a) A Medicare supplement policy or certificate in force in the state shall not contain benefits that duplicate benefits provided by Medicare

(b) No Medicare supplement policy or certificate may use waivers to exclude, limit, or reduce coverage or benefits for specifically named or described preexisting diseases or physical conditions, except as permitted under subdivision 1b.

(3) You may be eligible for benefits under Medicaid and may not need a Medicare supplement policy or certificate.

(4) The benefits and premiums under your Medicare supplement policy or certificate can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your policy or certificate will be reinstated if requested within 90 days of losing Medicaid eligibility.

(5) Counseling services may be available in Minnesota to provide advice concerning medical assistance through state Medicaid, Qualified Medicare Beneficiaries (QMBs), and Specified Low-Income Medicare Beneficiaries (SLMBs).

To the best of your knowledge:

47.11 (1) List policies sold that are still in force.

47.12 (2) List policies sold in the past five years that are no longer in force.

47.13 (c) In the case of a direct response issuer, a copy of the application or supplemental
47.14 form, signed by the applicant, and acknowledged by the insurer, shall be returned to the
47.15 applicant by the insurer on delivery of the policy or certificate.

47.16 (d) Upon determining that a sale will involve replacement of Medicare supplement
47.17 coverage, any issuer, other than a direct response issuer, or its agent, shall furnish the
47.18 applicant, before issuance or delivery of the Medicare supplement policy or certificate, a
47.19 notice regarding replacement of Medicare supplement coverage. One copy of the notice
47.20 signed by the applicant and the agent, except where the coverage is sold without an agent,
47.21 shall be provided to the applicant and an additional signed copy shall be retained by the
47.22 issuer. A direct response issuer shall deliver to the applicant at the time of the issuance of
47.23 the policy or certificate the notice regarding replacement of Medicare supplement coverage.

47.24 (e) The notice required by paragraph (d) for an issuer shall be provided in substantially
47.25 the following form in no less than 12-point type:

47.26 "NOTICE TO APPLICANT REGARDING REPLACEMENT

47.27 OF MEDICARE SUPPLEMENT INSURANCE

47.28 (Insurance company's name and address)

47.29 SAVE THIS NOTICE! IT MAY BE IMPORTANT TO YOU IN THE FUTURE.

47.30 According to (your application) (information you have furnished), you intend to terminate
47.31 existing Medicare supplement insurance and replace it with a policy or certificate to be

issued by (Company Name) Insurance Company. Your new policy or certificate will provide 30 days within which you may decide without cost whether you desire to keep the policy or certificate.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision you should terminate your present Medicare supplement policy. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

STATEMENT TO APPLICANT BY ISSUER, AGENT, (BROKER OR OTHER REPRESENTATIVE): I have reviewed your current medical or health insurance coverage. To the best of my knowledge this Medicare supplement policy will not duplicate your existing Medicare supplement policy because you intend to terminate the existing Medicare supplement policy. The replacement policy or certificate is being purchased for the following reason(s) (check one):

..... Additional benefits

..... No change in benefits, but lower premiums

..... Fewer benefits and lower premiums

..... Other (please specify)

.....

.....

.....

(1) Health conditions which you may presently have (preexisting conditions) may not be immediately or fully covered under the new policy or certificate. This could result in denial or delay of a claim for benefits under the new policy or certificate, whereas a similar claim might have been payable under your present policy or certificate.

(2) State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods, or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent the time was spent (depleted) under the original policy or certificate.

(3) If you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material

49.1 medical information on an application may provide a basis for the company to deny any
 49.2 future claims and to refund your premium as though your policy or certificate had never
 49.3 been in force. After the application has been completed and before you sign it, review
 49.4 it carefully to be certain that all information has been properly recorded. (If the policy
 49.5 or certificate is guaranteed issue, this paragraph need not appear.)

49.6 Do not cancel your present policy or certificate until you have received your new policy
 49.7 or certificate and you are sure that you want to keep it.

49.27 Sections 1 to 8 are effective the day following final enactment.

ARTICLE 5

INSURANCE HOLDING COMPANY SYSTEMS

Section 1. Minnesota Statutes 2024, section 60D.09, is amended by adding a subdivision to read:

Subd. 5. **Other violations.** If the commissioner believes a person has committed a violation of section 60D.17 that prevents the full understanding of the enterprise risk to the insurer by affiliates or by the insurance holding company system, the violation may serve as an independent basis for disapproving dividends or distributions and for placing the insurer under an order of supervision under chapter 60B.

Sec. 2. Minnesota Statutes 2024, section 60D.15, subdivision 4, is amended to read:

Subd. 4. **Control.** The term "control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with, or corporate office held by, or court appointment of, the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in the manner provided by section 60D.19, subdivision 11, that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support ~~such~~ the determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.

Sec. 3. Minnesota Statutes 2024, section 60D.15, is amended by adding a subdivision to read:

Subd. 4c. **Group capital calculation instructions.** "Group capital calculation instructions" means the group capital calculation instructions adopted by the NAIC and as amended by the NAIC from time to time in accordance with procedures adopted by the NAIC.

Sec. 4. Minnesota Statutes 2024, section 60D.15, is amended by adding a subdivision to read:

Subd. 6b. **NAIC.** "NAIC" means the National Association of Insurance Commissioners.

51.1 Sec. 5. Minnesota Statutes 2024, section 60D.15, is amended by adding a subdivision to
51.2 read:

51.3 Subd. 6c. **NAIC liquidity stress test framework.** "NAIC liquidity stress test framework"
51.4 means an NAIC publication which includes a history of the NAIC's development of
51.5 regulatory liquidity stress testing, the scope criteria applicable for a specific data year, and
51.6 the liquidity stress test instructions and reporting templates for a specific data year, scope
51.7 criteria, instructions, and reporting template being adopted by the NAIC, and as amended
51.8 by the NAIC from time to time in accordance with the procedures adopted by the NAIC.

51.9 Sec. 6. Minnesota Statutes 2024, section 60D.15, subdivision 7, is amended to read:

51.10 Subd. 7. **Person.** A "person" is an individual, a corporation, a limited liability company,
51.11 a partnership, an association, a joint stock company, a trust, an unincorporated organization,
51.12 any similar entity or any combination of the foregoing acting in concert, but does not include
51.13 any joint venture partnership exclusively engaged in owning, managing, leasing, or
51.14 developing real or tangible personal property.

51.15 Sec. 7. Minnesota Statutes 2024, section 60D.15, is amended by adding a subdivision to
51.16 read:

51.17 Subd. 7a. **Scope criteria.** "Scope criteria," as detailed in the NAIC liquidity stress test
51.18 framework, means the designated exposure bases along with minimum magnitudes of the
51.19 designated exposure bases for the specified data year that are used to establish a preliminary
51.20 list of insurers considered scoped into the NAIC liquidity stress test framework for that data
51.21 year.

51.22 Sec. 8. Minnesota Statutes 2024, section 60D.16, subdivision 2, is amended to read:

51.23 Subd. 2. **Additional investment authority.** In addition to investments in common stock,
51.24 preferred stock, debt obligations, and other securities otherwise permitted under this chapter,
51.25 a domestic insurer may also:

51.26 (a) Invest, in common stock, preferred stock, debt obligations, and other securities of
51.27 one or more subsidiaries, amounts that do not exceed the lesser of ten percent of the insurer's
51.28 assets or 50 percent of the insurer's surplus as regards policyholders, provided that after the
51.29 investments, the insurer's surplus as regards policyholders ~~will be~~ is reasonable in relation
51.30 to the insurer's outstanding liabilities and adequate to its financial needs. In calculating the
51.31 amount of these investments, investments in domestic or foreign insurance subsidiaries and
51.32 health maintenance organizations must be excluded, and there must be included:

(1) total net money or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities; and

(2) all amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities; and all contributions to the capital or surplus, of a subsidiary subsequent to its acquisition or formation.

(b) Invest any amount in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries engaged or organized to engage exclusively in the ownership and management of assets authorized as investments for the insurer provided that the subsidiary agrees to limit its investments in any asset so that the investments ~~will~~ do not cause the amount of the total investment of the insurer to exceed any of the investment limitations specified in paragraph (a) or other statutes applicable to the insurer. For the purpose of this paragraph, "the total investment of the insurer" includes:

(1) any direct investment by the insurer in an asset; and

(2) the insurer's proportionate share of any investment in an asset by any subsidiary of the insurer, which must be calculated by multiplying the amount of the subsidiary's investment by the percentage of the ownership of the subsidiary.

(c) With the approval of the commissioner, invest any greater amount in common stock, preferred stock, debt obligations, or other securities of one or more subsidiaries, if after the investment the insurer's surplus as regards policyholders ~~will be~~ is reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

Sec. 9. Minnesota Statutes 2024, section 60D.17, subdivision 1, is amended to read:

Subdivision 1. **Filing requirements.** (a) No person other than the issuer shall: (1) make a tender offer for or a request or invitation for tenders of, or enter into any agreement to exchange securities ~~or for~~, seek to acquire, or acquire, in the open market or otherwise, any voting security of a domestic insurer if, after the consummation thereof, the person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of the insurer; or (2) enter into an agreement to merge with or otherwise to acquire control of a domestic insurer or any person controlling a domestic insurer unless, at the time the offer, request, or invitation is made or the agreement is entered into, or before the acquisition of the securities if no offer or agreement is involved, the person has filed with the commissioner and has sent to the insurer, a statement containing the information required

53.1 by this section and the offer, request, invitation, agreement, or acquisition has been approved
53.2 by the commissioner in the manner prescribed in this section.

53.3 (b) For purposes of this section, a controlling person of a domestic insurer seeking to
53.4 divest its controlling interest in the domestic insurer, in any manner, shall file with the
53.5 commissioner, with a copy to the insurer, confidential notice of its proposed divestiture at
53.6 least 30 days before the cessation of control. The commissioner shall determine those
53.7 instances in which the party or parties seeking to divest or to acquire a controlling interest
53.8 in an insurer will be required to file for and obtain approval of the transaction.

53.9 (c) With respect to a transaction subject to this section, the acquiring person must also
53.10 file a preacquisition notification with the commissioner, which must contain the information
53.11 set forth in section 60D.18, subdivision 3, paragraph (b). A failure to file the notification
53.12 may be subject to penalties specified in section 60D.18, subdivision 5.

53.13 (d) For purposes of this section, a domestic insurer includes a person controlling a
53.14 domestic insurer unless the person₂ as determined by the commissioner₂ is either directly
53.15 or through its affiliates primarily engaged in business other than the business of insurance.
53.16 For the purposes of this section, "person" does not include any securities broker holding,
53.17 in the usual and customary ~~brokers~~ broker's function, less than 20 percent of the voting
53.18 securities of an insurance company or of any person that controls an insurance company.

53.19 (e) The statement filed with the commissioner pursuant to subdivisions 1 and 2 must
53.20 remain confidential until the transaction is approved by the commissioner, except that all
53.21 attachments filed with the statement remain confidential after the approval unless the
53.22 commissioner, in the commissioner's discretion, determines that confidential treatment of
53.23 any of this information will interfere with enforcement of this section.

53.24 Sec. 10. Minnesota Statutes 2024, section 60D.18, subdivision 3, is amended to read:

53.25 Subd. 3. **Preacquisition notification; waiting period.** (a) An acquisition covered by
53.26 subdivision 2 may be subject to an order pursuant to subdivision ~~4~~ 5 unless the acquiring
53.27 person files a preacquisition notification and the waiting period has expired. The acquired
53.28 person may file a preacquisition notification. The commissioner shall give confidential
53.29 treatment to information submitted under this section in the same manner as provided in
53.30 section 60D.22.

53.31 (b) The preacquisition notification must be in the form and contain the information as
53.32 prescribed by the National Association of Insurance Commissioners relating to those markets
53.33 that, under subdivision 2, paragraph (b), clause ~~(5)~~ (4), cause the acquisition not to be

exempted from the provisions of this section. The commissioner may require the additional material and information as the commissioner deems necessary to determine whether the proposed acquisition, if consummated, would violate the competitive standard of subdivision 4. The required information may include an opinion of an economist as to the competitive impact of the acquisition in this state accompanied by a summary of the education and experience of the person indicating that person's ability to render an informed opinion.

(c) The waiting period required begins on the date of receipt of the commissioner of a preacquisition notification and ends on the earlier of the 30th day after the date of its receipt, or termination of the waiting period by the commissioner. Before the end of the waiting period, the commissioner on a onetime basis may require the submission of additional needed information relevant to the proposed acquisition, in which event the waiting period shall end on the earlier of the 30th day after receipt of the additional information by the commissioner or termination of the waiting period by the commissioner.

Sec. 11. Minnesota Statutes 2024, section 60D.19, subdivision 4, is amended to read:

Subd. 4. **Materiality.** No information need be disclosed on the registration statement filed pursuant to subdivision 2 if the information is not material for the purposes of this section. Unless the commissioner by rule or order provides otherwise; sales, purchases, exchanges, loans or extensions of credit, investments, or guarantees involving one-half of one percent or less of an insurer's admitted assets as of the 31st day of December next preceding shall not be deemed material for purposes of this section. The definition of materiality provided in this subdivision does not apply for purposes of the group capital calculation or the NAIC liquidity stress test framework.

Sec. 12. Minnesota Statutes 2024, section 60D.19, is amended by adding a subdivision to read:

Subd. 11b. **Group capital calculation.** (a) Except as otherwise provided in this paragraph, the ultimate controlling person of every insurer subject to registration must concurrently file with the registration an annual group capital calculation as directed by the commissioner. The report must be completed in accordance with the NAIC group capital calculation instructions, which may permit the commissioner to allow a controlling person that is not the ultimate controlling person to file the group capital calculation. The report must be filed with the commissioner, as determined by the commissioner in accordance with the procedures within the Financial Analysis Handbook adopted by the NAIC. The following insurance holding company systems are exempt from filing the group capital calculation:

55.1 (1) an insurance holding company system that (i) has only one insurer within the insurance
55.2 holding company system's holding company structure, (ii) only writes business and is only
55.3 licensed in the insurance holding company system's domestic state, and (iii) assumes no
55.4 business from any other insurer;

55.5 (2) an insurance holding company system that is required to perform a group capital
55.6 calculation specified by the United States Federal Reserve Board. The commissioner must
55.7 request the calculation from the Federal Reserve Board under the terms of information
55.8 sharing agreements in effect. If the Federal Reserve Board is unable to share the calculation
55.9 with the commissioner, the insurance holding company system is not exempt from the group
55.10 capital calculation filing;

55.11 (3) an insurance holding company system whose non-United States groupwide supervisor
55.12 is located within a reciprocal jurisdiction as described in section 60A.092, subdivision 10b,
55.13 that recognizes the United States state regulatory approach to group supervision and group
55.14 capital; or

55.15 (4) an insurance holding company system:

55.16 (i) that provides information to the commissioner that meets the requirements for
55.17 accreditation under the NAIC financial standards and accreditation program, either directly
55.18 or indirectly through the groupwide supervisor, that has determined the information is
55.19 satisfactory to allow the commissioner to comply with the NAIC group supervision approach,
55.20 as detailed in the NAIC Financial Analysis Handbook; and

55.21 (ii) whose non-United States groupwide supervisor that is not in a reciprocal jurisdiction
55.22 recognizes and accepts, as specified by the commissioner by rule, the group capital
55.23 calculation as the worldwide group capital assessment for United States insurance groups
55.24 that operate in that jurisdiction.

55.25 (b) Notwithstanding paragraph (a), clauses (3) and (4), a commissioner must require the
55.26 group capital calculation for the United States operations of any non-United States based
55.27 insurance holding company system where, after any necessary consultation with other
55.28 supervisors or officials, requiring the group capital calculation is deemed appropriate by
55.29 the commissioner for prudential oversight and solvency monitoring purposes or for ensuring
55.30 the competitiveness of the insurance marketplace.

55.31 (c) Notwithstanding the exemptions from filing the group capital calculation under
55.32 paragraph (a), the commissioner may exempt the ultimate controlling person from filing
55.33 the annual group capital calculation or accept a limited group capital filing or report in
55.34 accordance with criteria specified by the commissioner by rule.

(d) If the commissioner determines that an insurance holding company system no longer meets one or more of the requirements for an exemption from filing the group capital calculation under this subdivision, the insurance holding company system must file the group capital calculation at the next annual filing date unless given an extension by the commissioner based on reasonable grounds shown.

Sec. 13. Minnesota Statutes 2024, section 60D.19, is amended by adding a subdivision to read:

Subd. 11c. **Liquidity stress test.** (a) The ultimate controlling person of every insurer subject to registration and also scoped into the NAIC liquidity stress test framework must file the results of a specific year's liquidity stress test. The filing must be made to the commissioner, as determined by the procedures within the Financial Analysis Handbook adopted by the NAIC.

(b) The NAIC liquidity stress test framework includes scope criteria applicable to a specific data year. The scope criteria must be reviewed at least annually by the NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor. Any change made to the NAIC liquidity stress test framework or to the data year for which the scope criteria must be measured is effective January 1 of the year following the calendar year in which the change is adopted. An insurer meeting at least one threshold of the scope criteria is scoped into the NAIC liquidity stress test framework for the specified data year unless the commissioner, in consultation with the NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor, determines the insurer should not be scoped into the framework for that data year. An insurer that does not trigger at least one threshold of the scope criteria is scoped out of the NAIC liquidity stress test framework for the specified data year unless the commissioner, in consultation with the NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor, determines the insurer should be scoped into the framework for the specified data year.

(c) The commissioner and other state insurance commissioners must avoid scoping insurers in and out of the NAIC liquidity stress test framework on a frequent basis. The commissioner, in consultation with the NAIC Financial Stability Task Force or the NAIC Financial Stability Task Force's successor, must assess irregular scope status as part of an insurer's determination.

(d) The performance of and filing of the results from a specific year's liquidity stress test must comply with (1) the NAIC liquidity stress test framework's instructions and reporting templates for the specific year, and (2) any commissioner determinations, in

57.1 consultation with the NAIC Financial Stability Task Force or the NAIC Financial Stability
57.2 Task Force's successor, provided within the framework.

57.3 Sec. 14. **[60D.195] GROUP CAPITAL CALCULATION.**

57.4 Subdivision 1. **Annual group capital calculation; exemption permitted.** The
57.5 commissioner may exempt the ultimate controlling person from filing the annual group
57.6 capital calculation if the commissioner makes a determination that the insurance holding
57.7 company system meets the following criteria:

57.8 (1) has annual direct written and unaffiliated assumed premium, including international
57.9 direct and assumed premium but excluding premiums reinsured with the Federal Crop
57.10 Insurance Corporation and Federal Flood Program, of less than \$1,000,000,000;

57.11 (2) has no insurers within the insurance holding company's structure that are domiciled
57.12 outside of the United States or a United States territory;

57.13 (3) has no banking, depository, or other financial entity that is subject to an identified
57.14 regulatory capital framework within the insurance holding company's structure;

57.15 (4) attests that no material changes in the transactions between insurers and noninsurers
57.16 in the group have occurred since the last annual group capital filing; and

57.17 (5) the noninsurers within the holding company system do not pose a material financial
57.18 risk to the insurer's ability to honor policyholder obligations.

57.19 Subd. 2. **Limited group capital filing.** The commissioner may accept a limited group
57.20 capital filing in lieu of the group capital calculation if:

57.21 (1) the insurance holding company system has annual direct written and unaffiliated
57.22 assumed premium, including international direct and assumed premium but excluding
57.23 premiums reinsured with the Federal Crop Insurance Corporation and Federal Flood Program,
57.24 of less than \$1,000,000,000; and

57.25 (2) the insurance holding company system:

57.26 (i) has no insurers within the insurance holding company's structure that are domiciled
57.27 outside of the United States or a United States territory;

57.28 (ii) does not include a banking, depository, or other financial entity that is subject to an
57.29 identified regulatory capital framework; and

(iii) attests that no material changes in transactions between insurers and noninsurers in the group have occurred and the noninsurers within the holding company system do not pose a material financial risk to the insurer's ability to honor policyholder obligations.

Subd. 3. **Previous exemption; required filing.** For an insurance holding company that has previously met an exemption with respect to the group capital calculation under subdivision 1 or 2, the commissioner may at any time require the ultimate controlling person to file an annual group capital calculation, completed in accordance with the NAIC group capital calculation instructions, if:

(1) an insurer within the insurance holding company system is in a risk-based capital action level event under section 60A.62 or a similar standard for a non-United States insurer;

(2) an insurer within the insurance holding company system meets one or more of the standards of an insurer deemed to be in hazardous financial condition, as defined under section 60E.02, subdivision 5; or

(3) an insurer within the insurance holding company system otherwise exhibits qualities of a troubled insurer, as determined by the commissioner based on unique circumstances, including but not limited to the type and volume of business written, ownership and organizational structure, federal agency requests, and international supervisor requests.

Subd. 4. **Non-United States jurisdictions; recognition and acceptance.** A non-United States jurisdiction is deemed to recognize and accept the group capital calculation if the non-United States jurisdiction:

(1) with respect to section 60D.19, subdivision 11b, paragraph (a), clause (4):

(i) recognizes the United States state regulatory approach to group supervision and group capital by providing confirmation by a competent regulatory authority in the non-United States jurisdiction that insurers and insurance groups whose lead state is accredited by the NAIC under the NAIC accreditation program: (A) are subject only to worldwide prudential insurance group supervision, including worldwide group governance, solvency and capital, and reporting, as applicable, by the lead state; and (B) are not subject to group supervision, including worldwide group governance, solvency and capital, and reporting, at the level of the worldwide parent undertaking of the insurance or reinsurance group by the non-United States jurisdiction; or

(ii) if no United States insurance group operates in the non-United States jurisdiction, indicates formally in writing to the lead state with a copy to the International Association of Insurance Supervisors that the group capital calculation is an acceptable international

59.1 capital standard. The formal indication under this item serves as the documentation otherwise
59.2 required under item (i); and

59.3 (2) provides confirmation by a competent regulatory authority in the non-United States
59.4 jurisdiction that information regarding an insurer and the insurer's parent, subsidiary, or
59.5 affiliated entities, if applicable, must be provided to the commissioner in accordance with
59.6 a memorandum of understanding or similar document between the commissioner and the
59.7 non-United States jurisdiction, including but not limited to the International Association of
59.8 Insurance Supervisors Multilateral Memorandum of Understanding or other multilateral
59.9 memoranda of understanding coordinated by the NAIC. The commissioner must determine,
59.10 in consultation with the NAIC committee process, if the information sharing agreement
59.11 requirements are effective.

59.12 Subd. 5. **Non-United States jurisdiction; publication.** (a) A list of non-United States
59.13 jurisdictions that recognize and accept the group capital calculation under section 60D.19,
59.14 subdivision 11b, paragraph (a), clause (4), must be published through the NAIC committee
59.15 process to assist the commissioner determine what insurers must file an annual group capital
59.16 calculation. The list must clarify the situations in which a jurisdiction is exempt from filing
59.17 under section 60D.19, subdivision 11b, paragraph (a), clause (4). To assist with a
59.18 determination under section 60D.19, subdivision 11b, paragraph (b), the list must also
59.19 identify whether a jurisdiction that is exempt under section 60D.19, subdivision 11b,
59.20 paragraph (a), clause (3) or (4), requires a group capital filing for any United States insurance
59.21 group's operations in the non-United States jurisdiction.

59.22 (b) For a non-United States jurisdiction where no United States insurance group operates,
59.23 the confirmation provided to comply with subdivision 4, clause (1), item (ii), serves as
59.24 support for a recommendation to be published that the non-United States jurisdiction is a
59.25 jurisdiction that recognizes and accepts the group capital calculation pursuant to the NAIC
59.26 committee process.

59.27 (c) If the commissioner makes a determination pursuant to section 60D.19, subdivision
59.28 11b, that differs from the NAIC list, the commissioner must provide thoroughly documented
59.29 justification to the NAIC and other states.

59.30 (d) Upon a determination by the commissioner that a non-United States jurisdiction no
59.31 longer meets one or more of the requirements to recognize and accept the group capital
59.32 calculation, the commissioner may provide a recommendation to the NAIC that the
59.33 non-United States jurisdiction be removed from the list of jurisdictions that recognize and
59.34 accept the group capital calculation.

60.1 Sec. 15. Minnesota Statutes 2024, section 60D.20, subdivision 1, is amended to read:

60.2 Subdivision 1. **Transactions within an insurance holding company system.** (a)

60.3 Transactions within an insurance holding company system to which an insurer subject to
60.4 registration is a party are subject to the following standards:

60.6 (2) agreements for cost-sharing services and management shall include the provisions
60.7 required by rule issued by the commissioner;

60.9 (4) expenses incurred and payment received shall be allocated to the insurer in conformity
60.10 with customary insurance accounting practices consistently applied;

60.11 (5) the books, accounts, and records of each party to all such transactions shall be so
60.12 maintained as to clearly and accurately disclose the nature and details of the transactions
60.13 including this accounting information as is necessary to support the reasonableness of the
60.14 charges or fees to the respective parties; ~~and~~

60.15 (6) the insurer's surplus as regards policyholders following any dividends or distributions
60.16 to shareholder affiliates shall be reasonable in relation to the insurer's outstanding liabilities
60.17 and adequate to its financial needs;

60.18 (7) if the commissioner determines an insurer subject to this chapter is in a hazardous
60.19 financial condition, as defined under section 60E.02, subdivision 5, or a condition that would
60.20 be grounds for supervision, conservation, or a delinquency proceeding, the commissioner
60.21 may require the insurer to secure and maintain either a deposit, held by the commissioner,
60.22 or a bond, as determined by the insurer at the insurer's discretion, to protect the insurer for
60.23 the duration of the contract, agreement, or the existence of the condition for which the
60.24 commissioner required the deposit or bond. When determining whether a deposit or bond
60.25 is required, the commissioner must consider whether concerns exist with respect to the
60.26 affiliated person's ability to fulfill the contract or agreement if the insurer entered into
60.27 liquidation. Once the insurer is deemed to be in a hazardous financial condition or a condition
60.28 that would be grounds for supervision, conservation, or a delinquency proceeding, and a
60.29 deposit or bond is necessary, the commissioner may determine the amount of the deposit
60.30 or bond, not to exceed the value of the contract or agreement in any one year, and whether
60.31 the deposit or bond is required for a single contract, multiple contracts, or a contract only
60.32 with a specific person or persons;

61.1 (8) all of an insurer's records and data held by an affiliate are and remain the property
61.2 of the insurer, are subject to control of the insurer, are identifiable, and are segregated or
61.3 readily capable of segregation, at no additional cost to the insurer, from all other persons'
61.4 records and data. For purposes of this clause, records and data include all records and data
61.5 that are otherwise the property of the insurer in whatever form maintained, including but
61.6 not limited to claims and claim files, policyholder lists, application files, litigation files,
61.7 premium records, rate books, underwriting manuals, personnel records, financial records,
61.8 or similar records within the affiliate's possession, custody, or control. At the request of the
61.9 insurer, the affiliate must provide that the receiver may (i) obtain a complete set of all records
61.10 of any type that pertain to the insurer's business, (ii) obtain access to the operating systems
61.11 on which the data are maintained, (iii) obtain the software that runs the operating systems
61.12 either through assumption of licensing agreements or otherwise, and (iv) restrict the use of
61.13 the data by the affiliate if the affiliate is not operating the insurer's business. The affiliate
61.14 must provide a waiver of any landlord lien or other encumbrance to provide the insurer
61.15 access to all records and data in the event the affiliate defaults under a lease or other
61.16 agreement; and

61.17 (9) premiums or other funds belonging to the insurer that are collected or held by an
61.18 affiliate are the exclusive property of the insurer and are subject to the control of the insurer.
61.19 Any right of offset in the event an insurer is placed into receivership is subject to chapter
61.20 576.

61.21 (b) The following transactions involving a domestic insurer and any person in its
61.22 insurance holding company system, including amendments or modifications of affiliate
61.23 agreements previously filed pursuant to this section, which are subject to any materiality
61.24 standards contained in clauses (1) to (7), may not be entered into unless the insurer has
61.25 notified the commissioner in writing of its intention to enter into the transaction at least 30
61.26 days prior thereto, or a shorter period the commissioner permits, and the commissioner has
61.27 not disapproved it within this period. The notice for amendments or modifications must
61.28 include the reasons for the change and the financial impact on the domestic insurer. Informal
61.29 notice must be reported, within 30 days after a termination of a previously filed agreement,
61.30 to the commissioner for determination of the type of filing required, if any:

61.31 (1) sales, purchases, exchanges, loans or extensions of credit, guarantees, or investments
61.32 provided the transactions are equal to or exceed: (i) with respect to nonlife insurers, the
61.33 lesser of three percent of the insurer's admitted assets, or 25 percent of surplus as regards
61.34 policyholders; (ii) with respect to life insurers, three percent of the insurer's admitted assets;
61.35 each as of the 31st day of December next preceding;

62.1 (2) loans or extensions of credit to any person who is not an affiliate, where the insurer
62.2 makes the loans or extensions of credit with the agreement or understanding that the proceeds
62.3 of the transactions, in whole or in substantial part, are to be used to make loans or extensions
62.4 of credit to, to purchase assets of, or to make investments in, any affiliate of the insurer
62.5 making such loans or extensions of credit provided the transactions are equal to or exceed:
62.6 (i) with respect to nonlife insurers, the lesser of three percent of the insurer's admitted assets
62.7 or 25 percent of surplus as regards policyholders; (ii) with respect to life insurers, three
62.8 percent of the insurer's admitted assets; each as of the 31st day of December next preceding;

62.9 (3) reinsurance agreements or modifications to those agreements, including: (i) all
62.10 reinsurance pooling agreements; and (ii) agreements in which the reinsurance premium or
62.11 a change in the insurer's liabilities, or the projected reinsurance premium or a change in the
62.12 insurer's liabilities in any of the next three years, equals or exceeds five percent of the
62.13 insurer's surplus as regards policyholders, as of the 31st day of December next preceding,
62.14 including those agreements which may require as consideration the transfer of assets from
62.15 an insurer to a nonaffiliate, if an agreement or understanding exists between the insurer and
62.16 nonaffiliate that any portion of ~~such~~ the assets will be transferred to one or more affiliates
62.17 of the insurer;

62.18 (4) all management agreements, service contracts, tax allocation agreements, guarantees,
62.19 and all cost-sharing arrangements;

62.20 (5) guarantees when made by a domestic insurer; provided, however, that a guarantee
62.21 which is quantifiable as to amount is not subject to the notice requirements of this paragraph
62.22 unless it exceeds the lesser of one-half of one percent of the insurer's admitted assets or ten
62.23 percent of surplus as regards policyholders as of the 31st day of December next preceding.
62.24 Further, all guarantees which are not quantifiable as to amount are subject to the notice
62.25 requirements of this paragraph;

62.26 (6) direct or indirect acquisitions or investments in a person that controls the insurer or
62.27 in an affiliate of the insurer in an amount which, together with its present holdings in the
62.28 investments, exceeds 2-1/2 percent of the insurer's surplus to policyholders. Direct or indirect
62.29 acquisitions or investments in subsidiaries acquired pursuant to section 60D.16, as otherwise
62.30 authorized under this chapter, or in nonsubsidiary insurance affiliates that are subject to the
62.31 provisions of sections 60D.15 to 60D.29, are exempt from this requirement; and

62.32 (7) any material transactions, specified by regulation, which the commissioner determines
62.33 may adversely affect the interests of the insurer's policyholders.

Nothing contained in this section authorizes or permits any transactions that, in the case of an insurer not a member of the same insurance holding company system, would be otherwise contrary to law.

(c) A domestic insurer may not enter into transactions which are part of a plan or series of like transactions with persons within the insurance holding company system if the purpose of those separate transactions is to avoid the statutory threshold amount and thus avoid the review that would occur otherwise. If the commissioner determines that the separate transactions were entered into over any 12-month period for the purpose, the commissioner may exercise the authority under section 60D.25.

(d) The commissioner, in reviewing transactions pursuant to paragraph (b), shall consider whether the transactions comply with the standards set forth in paragraph (a), and whether they may adversely affect the interests of policyholders.

(e) The commissioner shall be notified within 30 days of any investment of the domestic insurer in any one corporation if the total investment in the corporation by the insurance holding company system exceeds ten percent of the corporation's voting securities.

(f) An affiliate that is party to an agreement or contract with a domestic insurer that is subject to paragraph (b), clause (4), is subject to the jurisdiction of any supervision, seizure, conservatorship, or receivership proceedings against the insurer and to the authority of a supervisor, conservator, rehabilitator, or liquidator for the insurer appointed pursuant to chapters 60B and 576 for the purpose of interpreting, enforcing, and overseeing the affiliate's obligations under the agreement or contract to perform services for the insurer that are: (1) an integral part of the insurer's operations, including but not limited to management, administrative, accounting, data processing, marketing, underwriting, claims handling, investment, or any other similar functions; or (2) essential to the insurer's ability to fulfill the insurer's obligations under insurance policies. The commissioner may require that an agreement or contract pursuant to paragraph (b), clause (4), to provide the services described in clauses (1) and (2) must specify that the affiliate consents to the jurisdiction as provided under this paragraph.

Sec. 16. Minnesota Statutes 2024, section 60D.217, is amended to read:

60D.217 GROUPWIDE SUPERVISION OF INTERNATIONALLY ACTIVE INSURANCE GROUPS.

(a) The commissioner is authorized to act as the groupwide supervisor for any internationally active insurance group in accordance with the provisions of this section.

64.1 However, the commissioner may otherwise acknowledge another regulatory official as the
64.2 groupwide supervisor where the internationally active insurance group:

64.3 (1) does not have substantial insurance operations in the United States;

64.4 (2) has substantial insurance operations in the United States, but not in this state; or

64.5 (3) has substantial insurance operations in the United States and this state, but the
64.6 commissioner has determined pursuant to the factors set forth in ~~subsections~~ paragraphs (b)
64.7 and (f) that the other regulatory official is the appropriate groupwide supervisor.

64.8 An insurance holding company system that does not otherwise qualify as an internationally
64.9 active insurance group may request that the commissioner make a determination or
64.10 acknowledgment as to a groupwide supervisor pursuant to this section.

64.11 (b) In cooperation with other state, federal, and international regulatory agencies, the
64.12 commissioner ~~will~~ must identify a single groupwide supervisor for an internationally active
64.13 insurance group. The commissioner may determine that the commissioner is the appropriate
64.14 groupwide supervisor for an internationally active insurance group that conducts substantial
64.15 insurance operations concentrated in this state. However, the commissioner may acknowledge
64.16 that a regulatory official from another jurisdiction is the appropriate groupwide supervisor
64.17 for the internationally active insurance group. The commissioner shall consider the following
64.18 factors when making a determination or acknowledgment under this ~~subsection~~ paragraph:

64.19 (1) the place of domicile of the insurers within the internationally active insurance group
64.20 that hold the largest share of the group's written premiums, assets, or liabilities;

64.21 (2) the place of domicile of the top-tiered ~~insurer(s)~~ insurer or insurers in the insurance
64.22 holding company system of the internationally active insurance group;

64.23 (3) the location of the executive offices or largest operational offices of the internationally
64.24 active insurance group;

64.25 (4) whether another regulatory official is acting or is seeking to act as the groupwide
64.26 supervisor under a regulatory system that the commissioner determines to be:

64.27 (i) substantially similar to the system of regulation provided under the laws of this state;
64.28 or

64.29 (ii) otherwise sufficient in terms of providing for groupwide supervision, enterprise risk
64.30 analysis, and cooperation with other regulatory officials; and

64.31 (5) whether another regulatory official acting or seeking to act as the groupwide
64.32 supervisor provides the commissioner with reasonably reciprocal recognition and cooperation.

However, a commissioner identified under this section as the groupwide supervisor may determine that it is appropriate to acknowledge another supervisor to serve as the groupwide supervisor. The acknowledgment of the groupwide supervisor shall be made after consideration of the factors listed in clauses (1) to (5), and shall be made in cooperation with and subject to the acknowledgment of other regulatory officials involved with supervision of members of the internationally active insurance group, and in consultation with the internationally active insurance group.

(c) Notwithstanding any other provision of law, when another regulatory official is acting as the groupwide supervisor of an internationally active insurance group, the commissioner shall acknowledge that regulatory official as the groupwide supervisor. However, in the event of a material change in the internationally active insurance group that results in:

(1) the internationally active insurance group's insurers domiciled in this state holding the largest share of the group's premiums, assets, or liabilities; or

(2) this state being the place of domicile of the top-tiered ~~insurer(s)~~ insurer or insurers in the insurance holding company system of the internationally active insurance group, the commissioner shall make a determination or acknowledgment as to the appropriate groupwide supervisor for such an internationally active insurance group pursuant to ~~subsection~~ paragraph (b).

(d) Pursuant to section 60D.21, the commissioner is authorized to collect from any insurer registered pursuant to section 60D.19 all information necessary to determine whether the commissioner may act as the groupwide supervisor of an internationally active insurance group or if the commissioner may acknowledge another regulatory official to act as the groupwide supervisor. Prior to issuing a determination that an internationally active insurance group is subject to groupwide supervision by the commissioner, the commissioner shall notify the insurer registered pursuant to section 60D.19 and the ultimate controlling person within the internationally active insurance group. The internationally active insurance group shall have not less than 30 days to provide the commissioner with additional information pertinent to the pending determination. The commissioner shall publish in the State Register and on the department's website the identity of internationally active insurance groups that the commissioner has determined are subject to groupwide supervision by the commissioner.

(e) If the commissioner is the groupwide supervisor for an internationally active insurance group, the commissioner is authorized to engage in any of the following groupwide supervision activities:

66.1 (1) assess the enterprise risks within the internationally active insurance group to ensure
66.2 that:

66.3 (i) the material financial condition and liquidity risks to the members of the internationally
66.4 active insurance group that are engaged in the business of insurance are identified by
66.5 management; and

66.6 (ii) reasonable and effective mitigation measures are in place; or

66.7 (2) request, from any member of an internationally active insurance group subject to the
66.8 commissioner's supervision, information necessary and appropriate to assess enterprise risk,
66.9 including but not limited to information about the members of the internationally active
66.10 insurance group regarding:

66.11 (i) governance, risk assessment, and management;

66.12 (ii) capital adequacy; and

66.13 (iii) material intercompany transactions;

66.14 (3) coordinate and, through the authority of the regulatory officials of the jurisdictions
66.15 where members of the internationally active insurance group are domiciled, compel
66.16 development and implementation of reasonable measures designed to ensure that the
66.17 internationally active insurance group is able to timely recognize and mitigate enterprise
66.18 risks to members of ~~such~~ the internationally active insurance group that are engaged in the
66.19 business of insurance;

66.20 (4) communicate with other state, federal and international regulatory agencies for
66.21 members within the internationally active insurance group and share relevant information
66.22 subject to the confidentiality provisions of section 60D.22, through supervisory colleges as
66.23 set forth in section 60D.215 or otherwise;

66.24 (5) enter into agreements with or obtain documentation from any insurer registered under
66.25 section 60D.19, any member of the internationally active insurance group, and any other
66.26 state, federal, and international regulatory agencies for members of the internationally active
66.27 insurance group, providing the basis for or otherwise clarifying the commissioner's role as
66.28 groupwide supervisor, including provisions for resolving disputes with other regulatory
66.29 officials. ~~Such~~ Agreements or documentation under this clause shall not serve as evidence
66.30 in any proceeding that any insurer or person within an insurance holding company system
66.31 not domiciled or incorporated in this state is doing business in this state or is otherwise
66.32 subject to jurisdiction in this state; and

(6) other groupwide supervision activities, consistent with the authorities and purposes enumerated above, as considered necessary by the commissioner.

(f) If the commissioner acknowledges that another regulatory official from a jurisdiction that is not accredited by the NAIC is the groupwide supervisor, the commissioner is authorized to reasonably cooperate, through supervisory colleges or otherwise, with groupwide supervision undertaken by the groupwide supervisor, provided that:

(1) the commissioner's cooperation is in compliance with the laws of this state; and

(2) the regulatory official acknowledged as the groupwide supervisor also recognizes and cooperates with the commissioner's activities as a groupwide supervisor for other internationally active insurance groups where applicable. Where ~~such~~ recognition and cooperation by the groupwide supervisor is not reasonably reciprocal, the commissioner is authorized to refuse recognition and cooperation.

(g) The commissioner is authorized to enter into agreements with or obtain documentation from any insurer registered under section 60D.19, any affiliate of the insurer, and other state, federal, and international regulatory agencies for members of the internationally active insurance group, that provide the basis for or otherwise clarify a regulatory official's role as groupwide supervisor.

(h) A registered insurer subject to this section shall be liable for and shall pay the reasonable expenses of the commissioner's participation in the administration of this section, including the engagement of attorneys, actuaries, and any other professionals and all reasonable travel expenses.

Sec. 17. Minnesota Statutes 2024, section 60D.22, subdivision 1, is amended to read:

Subdivision 1. **Classification protection and use of information by commissioner.** (a) Documents, materials, or other information in the possession or control of the department that are obtained by or disclosed to the commissioner or any other person in the course of an examination or investigation made pursuant to section 60D.21 and all information reported pursuant to sections 60D.17, except as provided in section 60D.17, subdivision 1, paragraph (e); 60D.18; 60D.19; ~~and~~ 60D.20; and 60D.217, are classified as confidential or protected nonpublic or both, are not subject to subpoena, and are not subject to discovery or admissible in evidence in a private civil action. However, the commissioner may use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the commissioner's official duties. The commissioner shall not otherwise make the documents, materials, or other information public without the prior written consent of

the insurer to which it pertains unless the commissioner, after giving the insurer and its affiliates who would be affected by this action notice and opportunity to be heard, determines that the interest of policyholders, shareholders, or the public ~~will be~~ is served by the publication of it, in which event the commissioner may publish all or any part in the manner the commissioner deems appropriate.

(b) For purposes of the information reported and provided to the department pursuant to section 60D.19, subdivision 11b, the commissioner must maintain the confidentiality of the group capital calculation and group capital ratio produced within the calculation and any group capital information received from an insurance holding company supervised by the Federal Reserve Board or any United States groupwide supervisor.

(c) For purposes of the information reported and provided to the department pursuant to section 60D.19, subdivision 11c, the commissioner must maintain the confidentiality of the liquidity stress test results and supporting disclosures and any liquidity stress test information received from an insurance holding company supervised by the Federal Reserve Board and non-United States groupwide supervisors.

Sec. 18. Minnesota Statutes 2024, section 60D.22, subdivision 3, is amended to read:

Subd. 3. **Sharing of information.** In order to assist in the performance of the commissioner's duties, the commissioner:

(1) may share documents, materials, or other information, including the confidential, protected nonpublic, and privileged documents, materials, or information subject to this section, including proprietary and trade secret documents and materials, with: (i) other state, federal, and international regulatory agencies, ~~with;~~ (ii) the NAIC and its affiliates and subsidiaries; (iii) any third-party consultants designated by the commissioner; and ~~with~~ (iv) state, federal, and international law enforcement authorities, including members of any supervisory college described in section 60D.215, provided that the recipient agrees in writing to maintain the confidentiality and privileged status of the document, material, or other information, and has verified in writing the legal authority to maintain confidentiality;

(4) shall enter into written agreements with the NAIC and a third-party consultant designated by the commissioner governing sharing and use of information provided pursuant to sections 60D.15 to 60D.29 consistent with this clause that shall:

(i) specify procedures and protocols regarding the confidentiality and security of information shared with the NAIC ~~and its affiliates and subsidiaries~~ or a third-party consultant designated by the commissioner pursuant to sections 60D.15 to 60D.29, including procedures and protocols for sharing by the NAIC with other state, federal, or international regulators. The agreement must provide that the recipient agrees in writing to maintain the confidentiality and privileged status of the documents, materials, or other information, and has verified in writing the legal authority to maintain confidentiality;

(ii) specify that ownership of information shared with the NAIC ~~and its affiliates and subsidiaries~~ or a third-party consultant pursuant to sections 60D.15 to 60D.29 remains with the commissioner and the NAIC's or a third-party consultant's, as designated by the commissioner, use of the information is subject to the direction of the commissioner;

(iii) excluding documents, material, or information reported pursuant to section 60D.19, subdivision 11c, prohibit the NAIC or a third-party consultant designated by the commissioner from storing the information shared pursuant to sections 60D.15 to 60D.29 in a permanent database after the underlying analysis is completed;

~~(iii)~~ (iv) require prompt notice to be given to an insurer whose confidential or protected nonpublic information in the possession of the NAIC or a third-party consultant designated by the commissioner pursuant to sections 60D.15 to 60D.29 is subject to a request or subpoena to the NAIC or a third-party consultant designated by the commissioner for disclosure or production; ~~and~~

70.2 sections 60D.15 to 60D.29; and

70.3 (vi) for documents, material, or information reported pursuant to section 60D.19,
70.4 subdivision 11c, in the case of an agreement involving a third-party consultant, provide for
70.5 notification of the identity of the consultant to the applicable insurers.

70.6 Sec. 19. Minnesota Statutes 2024, section 60D.22, subdivision 6, is amended to read:

70.7 Subd. 6. **Classification protection and use by others.** Documents, materials, or other
70.8 information in the possession or control of the NAIC or a third-party consultant designated
70.9 by the commissioner pursuant to sections 60D.15 to 60D.29 are confidential, protected
70.10 nonpublic, or privileged, are not subject to subpoena, and are not subject to discovery or
70.11 admissible in evidence in a private civil action.

70.12 Sec. 20. Minnesota Statutes 2024, section 60D.22, is amended by adding a subdivision to
70.13 read:

70.14 Subd. 7. **Certain disclosures or publication prohibited.** (a) The group capital calculation
70.15 and resulting group capital ratio required under section 60D.19, subdivision 11b, and the
70.16 liquidity stress test along with the liquidity stress test's results and supporting disclosures
70.17 required under section 60D.19, subdivision 11c, are regulatory tools to assess group risks
70.18 and capital adequacy and group liquidity risks, respectively, and are not intended as a means
70.19 to rank insurers or insurance holding company systems generally.

70.20 (b) Except as otherwise required under sections 60D.09 to 60D.29, making, publishing,
70.21 disseminating, circulating, or placing before the public, or causing directly or indirectly to

70.23 magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster,
70.24 or over any radio, television station, or any electronic means of communication available

70.30 is prohibited.

70.31 (c) Notwithstanding paragraph (b), an insurer may publish an announcement in a written
70.32 publication if any materially false statement with respect to the group capital calculation,

ARTICLE 6

MINNESOTA BUSINESS CORPORATIONS ACT

Section 1. Minnesota Statutes 2024, section 302A.011, subdivision 41, is amended to read:

Subd. 41. **Beneficial owner; beneficial ownership.** (a) "Beneficial owner," when used with respect to shares or other securities, includes, but is not limited to, any person who, directly or indirectly through any written or oral agreement, arrangement, relationship, understanding, or otherwise, has or shares the power to vote, or direct the voting of, the shares or securities or has or shares the power to dispose of, or direct the disposition of, the shares or securities, except that:

77.2 to read:

77.3 Subd. 23a. **Emergency powers.** (a) During an emergency, unless emergency bylaws
77.4 provide otherwise:

77.5 (1) notice of a meeting of the board must be given only to the directors that are practicable
77.6 to reach and may, if ordinary notice is impracticable or inadvisable due to the emergency,
77.7 be given in any practicable manner; and

77.8 (2) the officers designated on a list approved by the board of directors before the
77.9 emergency, in the priority order and subject to conditions as may be provided in the board
77.10 resolution approving the list, must, to the extent required to provide a quorum at any meeting
77.11 of the board, be deemed directors for the meeting.

77.12 (b) During an emergency that makes it impracticable to convene a meeting of shareholders
77.13 in accordance with this chapter, the articles, the bylaws, or as specified in a notice for the
77.14 meeting previously given, unless emergency bylaws provide otherwise, the board may
77.15 postpone a meeting of shareholders for which notice has been given or authorize shareholders
77.16 to participate in a meeting by any means of remote communication that conforms with
77.17 section 302A.436. The corporation must give notice to shareholders, by the means and with
77.18 shorter advance notice as are reasonable in the circumstances, of a postponement, including
77.19 any new date, time, or place, and describe any means of remote communication to be used.
77.20 The notice to shareholders by a publicly held corporation may be given solely by means of
77.21 a document publicly filed by the corporation with the Securities and Exchange Commission
77.22 pursuant to the rules and regulations under the Securities Exchange Act of 1934, United
77.23 States Code, title 15, section 78a, et seq.

77.24 (c) A corporate action taken in good faith under this subdivision during an emergency
77.25 to further the business and affairs of the corporation binds the corporation.

77.26 Sec. 12. **[302A.166] DEFECTIVE CORPORATE ACTS AND SHARES;**
77.27 **RATIFICATION.**

77.28 Subdivision 1. **Effect of ratification or validation.** Subject to subdivision 7, a defective
77.29 corporate act or putative share is not void or voidable solely as a result of a failure of
77.30 authorization if the defective corporate act or putative share is ratified under this section or
77.31 validated by a court in a proceeding brought under section 302A.167.

78.1 Subd. 2. **Board approval; generally.** (a) In order to ratify one or more defective corporate
78.2 acts under this section other than ratifying an election of the first board under subdivision
78.3 3, the board must adopt resolutions stating:

78.4 (1) the defective corporate act or acts to be ratified;

78.5 (2) the date of each defective corporate act or acts;

78.6 (3) if the defective corporate act or acts involved the issuance of putative shares, the
78.7 number and type of putative shares issued and the date or dates upon which the putative
78.8 shares were purported to have been issued;

78.9 (4) the nature of the failure of authorization in respect of each defective corporate act
78.10 to be ratified; and

78.11 (5) that the board approves ratification of the defective corporate act or acts.

78.12 (b) The resolutions also may provide that, at any time before the validation effective
78.13 time in respect of a defective corporate act set forth in the resolutions, notwithstanding the
78.14 approval of the ratification of the defective corporate act by shareholders, the board may
78.15 abandon the ratification of the defective corporate act without further action of the
78.16 shareholders.

78.17 (c) The quorum and voting requirements that apply to the board's ratification of any
78.18 defective corporate act must be the quorum and voting requirements applicable to the type
78.19 of defective corporate act proposed to be ratified at the time the board adopts the resolutions
78.20 ratifying the defective corporate act. If the articles or bylaws, any plan or agreement to
78.21 which the corporation was a party, or any provision of this chapter, in each case as in effect
78.22 as of the time of the defective corporate act, require a larger number or portion of directors
78.23 or of specified directors for a quorum to be present or to approve the defective corporate
78.24 act, the larger number or portion of the directors or the specified directors must be required
78.25 for a quorum to be present or to adopt the resolutions to ratify the defective corporate act,
78.26 as applicable; except that the presence or approval of a director elected, appointed, or
78.27 nominated by holders of any class or series of which no shares are outstanding at the time
78.28 the board adopts the resolutions ratifying the defective corporate act, or by any person that
78.29 is no longer a shareholder at the time the board adopts the resolutions ratifying the defective
78.30 corporate act, is not required.

78.31 Subd. 3. **Board approval; election of first board.** To ratify a defective corporate act
78.32 in respect of the election of the first board under section 302A.201, subdivision 1, a majority
78.33 of the persons who, at the time the resolutions required by this subdivision are adopted, are

79.1 exercising the powers of directors under claim and color of an election or appointment as
79.2 such may adopt resolutions stating:

79.3 (1) the name of the person or persons who first took action in the name of the corporation
79.4 as the first board;

79.5 (2) the earlier of the date on which the persons first took the action or were purported
79.6 to have been elected as the first board; and

79.7 (3) that the ratification of the election of the person or persons as the first board is
79.8 approved.

79.9 Subd. 4. **Shareholder approval; when required.** A defective corporate act ratified
79.10 under subdivision 2 must be submitted to shareholders for approval under subdivision 5,
79.11 unless:

79.12 (1)(i) no other provision of this chapter, and no provision of the articles or bylaws, or
79.13 of any plan or agreement to which the corporation is a party, requires shareholder approval
79.14 of the defective corporate act to be ratified, either at the time of the defective corporate act
79.15 or at the time the board adopts the resolutions ratifying the defective corporate act under
79.16 subdivision 2, and (ii) the defective corporate act did not result from a failure to comply
79.17 with section 302A.673; or

79.18 (2) as of the adoption of the resolutions of the board under subdivision 2, there are no
79.19 valid shares outstanding and entitled to vote thereon, regardless of whether there then exist
79.20 any putative shares.

79.21 Subd. 5. **Shareholder approval; process.** (a) If the ratification of a defective corporate
79.22 act must be submitted to shareholders for approval under subdivision 4, notice of the meeting
79.23 must be given in the manner set forth in section 302A.435 to each holder of valid shares
79.24 and putative shares, whether voting or nonvoting.

79.25 (b) The notice under this subdivision must be given as follows:

79.26 (1) in the case of a defective corporate act that did not involve the establishment of a
79.27 record date for notice of or voting at any meeting of shareholders, for written action of
79.28 shareholders in lieu of a meeting, or for any other purpose, to the shareholders of valid
79.29 shares and putative shares, whether voting or nonvoting, as of the time of the defective
79.30 corporate act, other than holders whose identities or addresses cannot be determined from
79.31 the corporation's records; or

79.32 (2) in the case of a defective corporate act that involved the establishment of a record
79.33 date for notice of or voting at any meeting of shareholders, for written action of shareholders

80.1 in lieu of a meeting, or for any other purpose, to the shareholders of valid shares and putative
80.2 shares, whether voting or nonvoting, as of the record date for notice of or voting at the
80.3 meeting, the record date for written action, or the record date for the other action, as the
80.4 case may be, other than holders whose identities or addresses cannot be determined from
80.5 the corporation's records.

80.6 (c) The notice must contain a copy of the resolutions adopted by the board under
80.7 subdivision 2 or the information required by subdivision 2, paragraph (a), clauses (1) to (5).
80.8 The notice must include a statement that any claim that the defective corporate act or putative
80.9 shares ratified under this section is void or voidable due to the failure of authorization, or
80.10 that a court should declare in the court's discretion that a ratification in accordance with this
80.11 section is not effective or is effective only on certain conditions, must be brought within
80.12 120 days from the applicable validation effective time.

80.13 (d) At the meeting, the quorum and voting requirements that apply to ratification of the
80.14 defective corporate act must be the same quorum and voting requirements that apply to the
80.15 type of defective corporate act proposed to be ratified at the time of the approval of the
80.16 ratification, except that:

80.17 (1) if the articles or bylaws, a plan or agreement to which the corporation was a party,
80.18 or a provision under this chapter in effect as of the time of the defective corporate act requires
80.19 a larger number or portion of shares or of any class or series thereof or of specified
80.20 shareholders for a quorum to be present or to approve the defective corporate act, the presence
80.21 or approval of the larger number or portion of stock or of the class or series thereof or of
80.22 the specified shareholders must be required for a quorum to be present or to approve the
80.23 ratification of the defective corporate act, as applicable; except that the presence or approval
80.24 of shares of any class or series of which no shares are outstanding at the time of the approval
80.25 of the ratification, or of any person that is no longer a shareholder at the time of the approval
80.26 of the ratification, is not required; and

80.27 (2) the approval by shareholders of the ratification of a director's election requires the
80.28 affirmative vote of a plurality of shares present at the meeting and entitled to vote on the
80.29 election of the director in the manner set forth in section 302A.215, except that, if the articles
80.30 or bylaws then in effect or in effect at the time of the defective election require or required
80.31 a larger number or portion of shares or of any class or series thereof or of specified
80.32 shareholders to elect the director, the affirmative vote of the larger number or portion of
80.33 shares or of any class or series thereof or of the specified shareholders must be required to
80.34 ratify the election of the director; except that the presence or approval of shares of any class
80.35 or series of which no shares are outstanding at the time of the approval of the ratification,

81.1 or of any person that is no longer a shareholder at the time of the approval of the ratification,
81.2 is not required.

81.3 (e) Putative shares, measured as of the adoption by the board of resolutions under
81.4 subdivision 2 and without giving effect to any ratification that becomes effective after the
81.5 adoption, are neither entitled to vote nor counted for quorum purposes in a vote to ratify a
81.6 defective corporate act.

81.7 Subd. 6. **Certificate of validation.** (a) If a defective corporate act ratified under this
81.8 section requires under any other section of this chapter a certificate to be filed with the
81.9 secretary of state, and either (1) the certificate requires any change to give effect to the
81.10 defective corporate act in accordance with this section, including a change to the date and
81.11 time of the effectiveness of the certificate, or (2) a certificate was not previously filed with
81.12 respect to the defective corporate act, the corporation must file with the secretary of state
81.13 a certificate of validation with respect to the defective corporate act in lieu of filing the
81.14 certificate otherwise required by this chapter.

81.15 (b) A separate certificate of validation is required for each defective corporate act that
81.16 requires the filing of a certificate of validation under this section, except that (1) two or
81.17 more defective corporate acts may be included in a single certificate of validation if the
81.18 corporation filed with the secretary of state, or to comply with this chapter would have filed
81.19 with the secretary of state, a single certificate under another provision of this chapter to
81.20 effect the acts, and (2) two or more overissues of shares, or of any class or series of shares,
81.21 may be included in a single certificate of validation; provided that the increase in the number
81.22 of authorized shares, or of each class or series, set forth in the certificate of validation is
81.23 effective on the date of the first overissue.

81.24 (c) The certificate of validation must set forth:

81.25 (1) that the corporation has ratified one or more defective corporate acts that would have
81.26 required filing with the secretary of state of a certificate under this chapter;

81.27 (2) that each defective corporate act has been ratified in accordance with this section;
81.28 and

81.29 (3) the following information:

81.30 (i) if a certificate was previously filed with the secretary of state under this chapter with
81.31 respect to the defective corporate act and the certificate requires any change to give effect
81.32 to the defective corporate act in accordance with this section, including a change to the date
81.33 and time of the effectiveness of the certificate, the certificate of validation must set forth:

82.1 (A) the name, title, and filing date of the certificate previously filed and any certificate
82.2 of correction to the certificate previously filed;

82.3 (B) a statement that a certificate containing all of the information that must be included
82.4 under the applicable section or sections of this chapter to give effect to the defective corporate
82.5 act is attached as an exhibit to the certificate of validation; and

82.6 (C) the date and time that the certificate is deemed effective pursuant to this section; or

82.7 (ii) if a certificate was not previously filed with the secretary of state under this chapter
82.8 in respect of the defective corporate act and the defective corporate act ratified pursuant to
82.9 this section would have required under any other section of this chapter the filing with the
82.10 secretary of state of a certificate, the certificate of validation shall set forth:

82.11 (A) a statement that a certificate containing all of the information required to be included
82.12 under the applicable section or sections of this chapter to give effect to the defective corporate
82.13 act is attached as an exhibit to the certificate of validation; and

82.14 (B) the date and time that the certificate shall be deemed to have become effective
82.15 pursuant to this section.

82.16 (d) A certificate attached to a certificate of validation need not be separately executed
82.17 and acknowledged and need not include a statement required by another section under this
82.18 chapter that the instrument has been approved and adopted in accordance with the provisions
82.19 of the other section under this chapter.

82.20 Subd. 7. **Retroactive effect.** From and after the validation effective time, unless otherwise
82.21 determined in an action brought pursuant to section 302A.167, subject to subdivision 5,
82.22 paragraph (e):

82.23 (1) each defective corporate act ratified in accordance with this section is no longer
82.24 deemed void or voidable as a result of the failure of authorization described in the resolutions
82.25 adopted under subdivision 2, effective retroactively from the time of the defective corporate
82.26 act; and

82.27 (2) each share or fraction of a share of putative shares issued or purportedly issued
82.28 pursuant to the defective corporate act is no longer deemed void or voidable, and is deemed
82.29 to be an identical outstanding share or fraction of an outstanding share as of the time the
82.30 share or fraction of a share was purportedly issued.

82.31 Subd. 8. **Postratification notice.** (a) Except as provided under paragraph (b), with respect
82.32 to each defective corporate act ratified by the board under subdivision 2 or subdivision 3,
82.33 prompt notice of the ratification must be given to all shareholders of valid shares and putative

83.1 shares, whether voting or nonvoting, as of the date the board adopts the resolutions approving
83.2 the defective corporate act, or as of a date within 60 days after the date of adoption, as
83.3 established by the board. The notice must be sent to the address of the holder as the address
83.4 appears or most recently appeared, as appropriate, on the corporation's records. The notice
83.5 must be given to the shareholders of valid shares and putative shares, whether voting or
83.6 nonvoting, as of the time of the defective corporate act, other than holders whose identities
83.7 or addresses cannot be determined from the records of the corporation. The notice must
83.8 contain a copy of the resolutions adopted under subdivision 2 or the information specified
83.9 under subdivision 2, paragraph (a), clauses (1) to (5), or subdivision 3, clauses (1) to (3),
83.10 as applicable, and a statement that any claim that the defective corporate act or putative
83.11 shares ratified under this section is void or voidable due to the failure of authorization, or
83.12 that a court should declare in the court's discretion that a ratification in accordance with this
83.13 section is not effective or is effective only on certain conditions, must be brought within
83.14 120 days from the latter of the validation effective time or the time at which the notice
83.15 required by this subdivision is given.

83.16 (b) Notice is not required if notice of the ratification of the defective corporate act is
83.17 given in accordance with subdivision 5 and, in the case of a corporation that has a class of
83.18 shares listed on a national securities exchange, the notice required by this subdivision and
83.19 subdivision 5 may be deemed given if disclosed in a document publicly filed by the
83.20 corporation with the Securities and Exchange Commission pursuant to section 13, 14, or
83.21 15(d) of the Securities Exchange Act of 1934, as amended, United States Code, title 15,
83.22 section 78a, et seq., and rules and regulations promulgated under the Securities Exchange
83.23 Act of 1934, as amended, or the corresponding provisions of any subsequent United States
83.24 securities laws, rules, or regulations.

83.25 (c) If a defective corporate act has been approved by shareholders acting pursuant to
83.26 section 302A.441, the notice required by this subdivision may be included in a notice
83.27 required under section 302A.441, subdivision 3. If the notice is given under section
83.28 302A.441, the notice must be sent to the shareholders entitled to the notice under section
83.29 302A.441, subdivision 3, and to all holders of valid shares and putative shares to whom
83.30 notice is required under this subdivision if the defective corporate act had been approved
83.31 at a meeting and the record date for determining the shareholders entitled to notice of the
83.32 meeting had been the date for determining the shareholders entitled to notice under paragraph
83.33 (a) other than any shareholder who approved the written action in lieu of a meeting under
83.34 section 302A.441 or any holder of putative shares who otherwise consented thereto in
83.35 writing.

(d) For purposes of this subdivision and subdivision 5 only, notice to holders of putative shares, and notice to holders of valid shares and putative shares as of the time of the defective corporate act, is treated as notice to holders of valid shares for purposes of sections 302A.435 and 302A.441.

Sec. 13. [302A.167] VALIDITY OF DEFECTIVE CORPORATE ACTS AND SHARES; PROCEEDINGS.

Subdivision 1. When permitted. Subject to subdivision 5, upon application by the corporation, a successor entity to the corporation, a member of the board, a shareholder or beneficial owner of valid shares or putative shares, a shareholder or beneficial owner of valid shares or putative shares as of the time of a defective corporate act ratified pursuant to section 302A.166, or other person claiming to be substantially and adversely affected by a ratification pursuant to section 302A.166, a court may:

(1) determine the validity and effectiveness of any defective corporate act ratified pursuant to section 302A.166;

(2) determine the validity and effectiveness of the ratification of any defective corporate act pursuant to section 302A.166;

(3) determine the validity and effectiveness of any defective corporate act not ratified or not ratified effectively pursuant to section 302A.166;

(4) determine the validity of any corporate act or transaction and any shares or rights to purchase; and

(5) modify or waive any of the procedures set forth in section 302A.166 to ratify a defective corporate act.

Subd. 2. Remedies. In connection with an action under this section, a court may:

(1) declare that a ratification under section 302A.166 is not effective or is only effective at a time or upon conditions established by the court;

(2) validate and declare effective a defective corporate act or putative shares and impose conditions upon the court's validation;

(3) require measures to remedy or avoid harm to a person substantially and adversely affected by a ratification under section 302A.166 or from a court order pursuant to this section, excluding harm that would have resulted if the defective corporate act had been valid when approved or effectuated;

85.1 (4) order the secretary of state to accept an instrument for filing with an effective time
85.2 specified by the court, which may be before or after the time of the order, provided that the
85.3 filing date of the instrument must be determined in accordance with section 302A.011,
85.4 subdivision 11;

85.5 (5) approve a share register for the corporation that includes any shares ratified or
85.6 validated in accordance with this section or section 302A.166;

85.7 (6) declare that putative shares are valid shares or require a corporation to issue and
85.8 deliver valid shares in place of any putative shares;

85.9 (7) order a meeting of holders of valid shares or putative shares and determine the right
85.10 and power of persons claiming to hold valid shares or putative shares to vote at the ordered
85.11 meeting;

85.12 (8) declare that a defective corporate act validated by a court is effective as of the time
85.13 of the defective corporate act or at another time the court may determine;

85.14 (9) declare that putative shares validated by a court shall be deemed to be an identical
85.15 share or fraction of a valid share as of the time originally issued or purportedly issued or at
85.16 such other time as the court may determine; and

85.17 (10) make other orders regarding matters as the court deems proper under the
85.18 circumstances.

85.19 Subd. 3. **Service.** Service of the application under subdivision 1 upon the registered
85.20 agent of the corporation is deemed to be service upon the corporation, and no other party
85.21 needs to be joined in order for a court to adjudicate the matter. In an action filed by the
85.22 corporation, a court may require notice of the action be provided to other persons specified
85.23 by the court and permit the other persons to intervene in the action.

85.24 Subd. 4. **Considerations.** In connection with resolving matters pursuant to subdivisions
85.25 1 and 2, a court may consider the following:

85.26 (1) whether the defective corporate act was originally approved or effectuated with the
85.27 good faith belief that the approval or effectuation was in compliance with the provisions of
85.28 this chapter, the articles, or the bylaws;

85.29 (2) whether the corporation and board have treated the defective corporate act as a valid
85.30 act or transaction and whether a person has acted in reliance on the public record that the
85.31 defective corporate act was valid;

(3) whether any person may be or was harmed by the ratification or validation of the defective corporate act, excluding harm that would have resulted if the defective corporate act had been valid when approved or effectuated;

(4) whether any person is harmed by the failure to ratify or validate the defective corporate act; and

(5) any other factors or considerations the court deems just and equitable.

Subd. 5. Statute of limitations. An action asserting that (1) a defective corporate act or putative shares ratified in accordance with section 302A.166 is void or voidable due to a failure of authorization identified in the resolution adopted in accordance with section 302A.166, subdivision 2 or 3, or (2) a court should declare in its discretion that a ratification in accordance with section 302A.166 not be effective or be effective only on certain conditions, is prohibited from being brought after the expiration of 120 days from the later of the validation effective time and the time notice, if any, that is required to be given pursuant to section 302A.166, subdivision 8, is given with respect to the ratification; except that this subdivision does not apply to an action asserting that a ratification was not accomplished in accordance with section 302A.166 or to any person to whom notice of the ratification was required to have been given pursuant to 302A.166, subdivision 5 or 8, but to whom the notice was not given.

Sec. 14. Minnesota Statutes 2024, section 302A.181, is amended by adding a subdivision to read:

Subd. 4. Emergency bylaws. (a) Unless the articles provide otherwise, bylaws may contain provisions that are effective only during an emergency. The emergency bylaws may contain provisions necessary to manage the corporation during the emergency, including:

(1) procedures for calling a meeting of the board;

(2) quorum requirements for the meeting;

(3) designation of additional or substitute directors; and

(4) procedures for the board to determine the duration of an emergency.

(b) All provisions of the regular bylaws that are not inconsistent with the emergency bylaws remain effective during the emergency.

(c) Corporate action taken in good faith in accordance with the emergency bylaws binds the corporation.

87.1 Sec. 15. Minnesota Statutes 2024, section 302A.201, subdivision 1, is amended to read:

87.2 Subdivision 1. **Board to manage.** The business and affairs of a corporation shall be
87.3 managed by or under the direction of a board, subject to the provisions of subdivision 2 and
87.4 section 302A.457, and except as may be otherwise provided in the articles. If a provision
87.5 is made in the articles: (1) the powers and duties conferred or imposed upon the board of
87.6 directors by this chapter must be exercised or performed to the extent and by the natural
87.7 persons provided in the articles, (2) the directors have no duties, liabilities, or responsibilities
87.8 as directors under this chapter with respect to or arising from the exercise or performance
87.9 of, or from the failure to exercise or perform, the conferred or imposed powers and duties
87.10 by the other persons, and (3) the other persons have all of the duties, liabilities, and
87.11 responsibilities of directors under this chapter with respect to and arising from the exercise
87.12 or performance of, or the failure to exercise or perform, the conferred or imposed powers
87.13 and duties. The members of the first board may be named in the articles or elected by the
87.14 incorporators pursuant to section 302A.171 or by the shareholders.

87.15 Sec. 16. Minnesota Statutes 2024, section 302A.237, is amended by adding a subdivision
87.16 to read:

87.17 Subd. 3. **Agreements and other instruments; authorization.** When this chapter requires
87.18 the board to approve or to take other action with respect to an agreement, instrument, plan,
87.19 or document, the agreement, instrument, plan, or document may be approved by the board
87.20 in final form or in substantially final form. If the board acts to approve or take other action
87.21 with respect to an agreement, instrument, plan, or document that this chapter requires to be
87.22 filed with the secretary of state or referenced in any certificate filed, the board may, at any
87.23 time after providing the approval or taking other action and prior to the effectiveness of the
87.24 filing with the secretary of state, adopt a resolution ratifying the agreement, instrument,
87.25 plan, or document. The ratification under this subdivision is effective as of the time of the
87.26 original approval or other action by the board and to satisfy any requirement under this
87.27 chapter that the board approve or take other action with respect to the agreement, instrument,
87.28 plan, or document in a specific manner or sequence.

87.29 Sec. 17. Minnesota Statutes 2024, section 302A.361, is amended to read:

87.31 Subdivision 1. **Standard; liability.** An officer shall discharge the duties of an office in
87.32 good faith, in a manner the officer reasonably believes to be in the best interests of the
87.33 corporation, and with the care an ordinarily prudent person in a like position would exercise

88.1 under similar circumstances. A person who so performs those duties is not liable by reason
88.2 of being or having been an officer of the corporation. A person exercising the principal
88.3 functions of an office or to whom some or all of the duties and powers of an office are
88.4 delegated pursuant to section 302A.351 is deemed an officer for purposes of this section

88.7 that an officer's personal liability to the shareholders for monetary damages for breach,
88.8 during the time the corporation is a publicly held corporation, of fiduciary duty as an officer
88.9 may be eliminated or limited. The articles must not eliminate or limit the liability of an
88.10 officer:

88.11 (1) for any breach of the officer's duty of loyalty to the corporation or the corporation's
88.12 shareholders;

88.13 (2) for acts or omissions not in good faith or that involve intentional misconduct or a
88.14 knowing violation of law;

88.15 (3) under section 80A.76;

88.16 (4) for any transaction from which the officer derived an improper personal benefit;

88.17 (5) in any action by or in the right of the corporation; or

88.18 (6) for any act or omission occurring prior to the date when the provision in the articles
88.19 eliminating or limiting liability becomes effective.

88.20 Sec. 18. Minnesota Statutes 2024, section 302A.461, subdivision 4, is amended to read:

88.21 Subd. 4. **Right to inspect.** (a) A shareholder, beneficial owner, or a holder of a voting
88.22 trust certificate of a corporation that is not a publicly held corporation has an absolute right,

88.24 reasonable time, and the corporation shall make available within ten days after receipt by
88.25 an officer of the corporation of the written demand:

88.26 (1) the share register; and

88.27 (2) all documents referred to in subdivision 2.

88.28 (b) A shareholder, beneficial owner, or a holder of a voting trust certificate of a
88.29 corporation that is not a publicly held corporation has a right, upon written demand, to
88.30 examine and copy, in person or by a legal representative, other corporate records at any
88.31 reasonable time only if the shareholder, beneficial owner, or holder of a voting trust certificate
88.32 demonstrates a proper purpose for the examination.

(c) A shareholder, beneficial owner, or a holder of a voting trust certificate of a publicly held corporation has, upon written demand stating the purpose and acknowledged or verified in the manner provided in chapter 358, a right at any reasonable time to examine and copy the corporation's share register and other corporate records reasonably related to the stated purpose and described with reasonable particularity in the written demand upon demonstrating the stated purpose to be a proper purpose. The acknowledged or verified demand must be directed to the corporation at its registered office in this state or at its principal place of business.

(d) For purposes of this section, a "proper purpose" is one reasonably related to the person's interest as a shareholder, beneficial owner, or holder of a voting trust certificate of the corporation.

(e) If a corporation or an officer or director of the corporation violates this section, a court in Minnesota may, in an action brought by a shareholder, beneficial owner, or a holder of a voting trust certificate of the corporation, specifically enforce this section and award expenses, including attorney fees and disbursements, to the shareholder, beneficial owner, or a holder of a voting trust certificate.

Sec. 19. Minnesota Statutes 2024, section 302A.471, subdivision 1, is amended to read:

(1) alters or abolishes a preferential right of the shares;

(2) creates, alters, or abolishes a right in respect of the redemption of the shares, including a provision respecting a sinking fund for the redemption or repurchase of the shares;

(3) alters or abolishes a preemptive right of the holder of the shares to acquire shares, securities other than shares, or rights to purchase shares or securities other than shares;

(4) excludes or limits the right of a shareholder to vote on a matter, or to cumulate votes, except as the right may be excluded or limited through the authorization or issuance of securities of an existing or new class or series with similar or different voting rights; except that an amendment to the articles of an issuing public corporation that provides that section

90.1 302A.671 does not apply to a control share acquisition does not give rise to the right to
90.2 obtain payment under this section; ~~or~~

90.3 (5) eliminates the right to obtain payment under this subdivision; or

90.7 that requires shareholder approval under section 302A.661, subdivision 2, but not including
90.8 a disposition in dissolution described in section 302A.725, subdivision 2, or a disposition
90.9 pursuant to an order of a court, or a disposition for cash on terms requiring that all or
90.10 substantially all of the net proceeds of disposition be distributed to the shareholders in

90.19 (f) an amendment of the articles in connection with a combination of a class or series
90.20 under section 302A.402 that reduces the number of shares of the class or series owned by
90.21 the shareholder to a fraction of a share if the corporation exercises its right to repurchase
90.22 the fractional share so created under section 302A.423; or

90.23 (g) any other corporate action taken pursuant to a shareholder vote with respect to which
90.24 the articles, the bylaws, or a resolution approved by the board directs that dissenting
90.25 shareholders may obtain payment for their shares.

90.26 Sec. 20. Minnesota Statutes 2024, section 302A.471, subdivision 3, is amended to read:

90.27 Subd. 3. **Rights not to apply.** (a) Unless the articles, the bylaws, or a resolution approved
90.28 by the board otherwise provide, the right to obtain payment under this section does not
90.29 apply to a shareholder of (1) the surviving corporation in a merger with respect to shares
90.30 of the shareholder that are not entitled to be voted on the merger and are not canceled or
90.31 exchanged in the merger or (2) the corporation whose shares will be acquired by the acquiring

91.1 organization in a plan of exchange with respect to shares of the shareholder that are not
91.2 entitled to be voted on the plan of exchange and are not exchanged in the plan of exchange.

91.3 (b) If a date is fixed according to section 302A.445, subdivision 1, for the determination
91.4 of shareholders entitled to receive notice of and to vote on an action described in subdivision
91.5 1, only shareholders as of the date fixed, and beneficial owners as of the date fixed who
91.6 hold through shareholders, as provided in subdivision 2, may exercise dissenters' rights.

91.25 shares anything other than shares, or cash in lieu of fractional shares, of any class or any
91.26 series of shares of a domestic or foreign corporation, or any other ownership interest of any

DEFINITIONS

~~"EARNINGS": For the purpose of execution, "earnings" means compensation paid or payable to an employee for personal services or compensation paid or payable to the producer for the sale of agricultural products; milk or milk products; or fruit or other horticultural products produced when the producer is operating a family farm, a family farm corporation, or an authorized farm corporation, as defined in section 500.24, subdivision 2, whether denominated as wages, salary, commission, bonus, or otherwise, and includes periodic payments pursuant to a pension or retirement.~~

~~"DISPOSABLE EARNINGS": Means that part of the earnings of an individual remaining after the deduction from those earnings of amounts required by law to be withheld. (Amounts required by law to be withheld do not include items such as health insurance, charitable contributions, or other voluntary wage deductions.)~~

112.7 14 days after the date of this letter some or all of your money may be turned over to the

112.19 creditor has ~~six~~ 6 business days to object (disagree) and ask the court to hold a hearing. You

112.21 The ~~financial institution will hold~~ bank holds the money until a court decides ~~whether~~

112.23 ~~not~~ didn't send copies of your bank statements or other proof of the benefits you ~~received~~
112.24 got. Be sure to include these when you send your exemption form.

112.25 You may want to talk to a lawyer for advice about this process. If you are low income

118.22 **IMPORTANT NOTICE**

118.23 ~~**YOUR FUNDS HAVE BEEN LEVIED**~~

118.24 **Money in Your Account Has Been Frozen**

118.25 The creditor has frozen money in your account at your ~~financial institution~~ bank.

118.26 **Your account balance is \$.....**

118.27 **The amount being held is \$.....**

118.28 The amount being held ~~will be~~ is frozen for 14 days from the date of this notice.

118.29 **Some of your money in your account may be protected (the legal word is exempt). You**
118.30 **may be able to get it sooner than 14 days if you act quickly and follow the instructions**
118.31 **on the next page.**

118.32 The attached exemption form lists some different ~~sources of~~ ways money in your account
118.33 ~~that~~ may be protected. If your money is ~~from one or more of these sources,~~ place a check

119.1 ~~on the line on the form next to the sources of your money. If it is from one of these sources,~~
119.2 ~~the Creditor cannot take it~~ comes from a benefit on this list, put a check on the line next to
119.3 it. The creditor can't take it.

119.4 BUT, if you want the bank to unfreeze your money, you must follow the instructions and
119.5 return the exemption form and with copies of your bank statements from the last 60
119.6 days to have the bank unfreeze your money. Instructions and the form are attached. If you
119.7 ~~do not~~ don't follow the instructions, your ~~financial institution will give~~ bank gives the money
119.8 to ~~the~~ your creditor. If your creditor gets an order from the court or writ of execution, your
119.9 bank gives the money to them. If that happens and ~~if~~ your money is protected, you can still
119.10 get it back from the creditor later, ~~but that is not as easy to do as filling in the form now.~~
119.11 But filling out the form now is easiest.

119.12 ~~See next pages for instructions and the exemption form.~~

119.13 Sec. 8. Minnesota Statutes 2024, section 551.05, subdivision 1c, is amended to read:

119.14 Subd. 1c. **Form of instructions.** The instructions required must be in a separate form
119.15 and must be substantially in the following form:

119.19 ~~If you check one of the lines, you should also give proof that shows that some or all of~~
119.20 ~~the money in your account is from one or more of the protected sources. Creditors~~
119.21 ~~may ask for a hearing if they question your exemptions. To avoid a hearing:~~

119.22 ~~Case numbers should be added to the form. Copies of documents should be sent~~
119.23 ~~with the form.~~

119.24 If you check one of the lines, you should also give proof. Use proof that shows that some
119.25 or all of the money in your account is from one or more of the protected sources. This might
119.26 be letters or account statements. Creditors may ask for a hearing if they question your
119.27 exemptions.

119.28 To avoid a hearing:

119.29 (i) Case numbers should be added to the form.

119.30 (ii) Copies of documents should be sent with the form.

~~Notice: YOU MUST SEND TO THE CREDITOR'S ATTORNEY (OR TO THE CREDITOR, IF NO ATTORNEY) COPIES OF YOUR BANK STATEMENTS FOR THE PAST 60 DAYS BEFORE THE LEVY. Keep a copy of your bank statements in case there are questions about your claim. If you do not send to the creditor's attorney (or to the creditor, if no attorney) bank statements with your exemption claim, the financial institution may release your money to the creditor.~~

Notice: You must send copies of your bank statements for the past 60 days before the garnishment. Send them to the creditor (or to the creditor's lawyer). Keep a copy of your bank statements in case there are questions about your claim. They would do this once the creditor gives them a court order saying they have to turn over the funds.

How The Process Works

If You ~~Do Not~~ Don't Send in the Exemption Form and Bank Statements:

14 days after the date of this letter some or all of your money may be turned over to the creditor ~~pursuant to Minnesota statute.~~ This happens once they get an order from the court telling the bank to do this.

121.1 **If You Do Send in the Exemption Form and Bank Statements:**

121.2 Any money that is NOT protected can be turned over to the creditor once they get an order
121.3 from the court.

121.4 **If the Creditor Does Not Object to Your Claimed Exemptions:**

121.5 ~~The financial institution will unfreeze your money six business days after the institution~~
121.6 ~~gets your completed form.~~ The bank should unfreeze your money 6 business days after they
121.7 get your completed form. If they don't, ask the creditor or the creditor's lawyer to send a
121.8 release letter to the bank.

121.9 **If the Creditor Objects to Your Claimed Exemptions:**

121.10 The money you ~~have~~ said is protected on the form ~~will be~~ is held by the bank. The creditor
121.11 has ~~six~~ 6 business days to object (disagree) and ask the court to hold a hearing. You ~~will~~
121.12 ~~receive~~ get a Notice of Objection and a Notice of Hearing.

121.13 ~~The financial institution will hold~~ bank holds the money until a court decides ~~whether if~~
121.14 your money is protected or not. Some reasons a creditor may object are because you ~~did~~
121.15 ~~not~~ didn't send copies of your bank statements or other proof of the benefits you ~~received~~
121.16 got. Be sure to include these when you send your exemption form.

121.17 You may want to talk to a lawyer for advice about this process. If you are low income you
121.18 can call Legal Aid statewide at 1(877) 696-6529.

121.19 **~~PENALTIES~~ Warnings and Fines:**

121.20 If you claim that your money is protected and a court decides you made that claim in bad
121.21 faith, ~~the court~~ they can order you to pay costs, actual damages, ~~attorney~~ lawyer fees, and
121.22 ~~an additional amount of a fine~~ up to \$100. Bad faith is when someone does something wrong
121.23 on purpose. For example, it may be bad faith if you claim you ~~receive~~ get government
121.24 benefits ~~that you do not receive~~ and you don't.

121.25 If the creditor made a bad faith objection to your claim that your money is protected, the
121.26 court can order them to pay costs, actual damages, ~~attorney~~ lawyer fees, and ~~an additional~~
121.27 ~~amount of a fine~~ up to \$100.

Important Notice

~~**YOUR FUNDS HAVE BEEN GARNISHED**~~

Money in Your Account Has Been Frozen

The Creditor has frozen money in your account at your ~~financial institution~~ bank.

Your account balance is \$.....

The amount being held is \$.....

The amount being held ~~will be~~ is frozen for 14 days from the date of this notice.

Some of your money in your account may be protected (the legal word is exempt).

You may be able to get it sooner than 14 days if you act quickly and follow the instructions on the next page.

The attached exemption form lists some different ~~sources of~~ ways money in your account ~~that~~ may be protected. If your money ~~is~~ comes from ~~one or more of these sources,~~ place a

170.1 ~~benefit on the list, put a check on the line on the form next to the sources of your money.~~

170.2 ~~If it is from one of these sources, next to it.~~ The creditor ~~cannot~~ can't take it.

170.3 BUT, if you want the bank to unfreeze your money, you must follow the instructions
170.4 and return the exemption form and with copies of your bank statements from the last
170.5 60 days to have the bank unfreeze your money. Instructions and the form are attached. If
170.6 you ~~do not~~ don't follow the instructions ~~or your Creditor gets an order from the court or writ~~
170.7 ~~of execution, your financial institution will give~~ bank gives the money to your creditor. If
170.8 your creditor gets an order from the court or writ of execution, your bank gives the money
170.9 to them. If that happens and ~~if~~ your money is protected, you can still get it back from the
170.10 creditor later. ~~But that is not as easy to do as filling in~~ out the form now is easiest.

170.11 See next pages for instructions and the exemption form.

170.12 Subd. 2. **Form of instructions.** The instructions required must be in a separate form
170.13 and must be substantially in the following form:

170.14 **Instructions**

170.15 **Note:** The creditor is who you owe the money to. You are the debtor.

170.16 1. Fill out **both** of the attached exemption forms in this packet.

170.17 If you check one of the lines, you should also give proof. Use proof that shows show
170.18 that some or all of the money in your account is from one or more of the protected sources.
170.19 This might be letters or account statements. Creditors may ask for a hearing if they question
170.20 your exemptions.

170.21 **To avoid a hearing:**

170.22 (i) Case numbers should be added to the form.

170.23 (ii) Copies of documents should be sent with the form.

170.24 **Notice:** You must send ~~to the creditor's attorney (or to the creditor, if no attorney)~~ copies
170.25 of your bank statements for the past 60 days before the garnishment. Send them to the
170.26 creditor (or to the creditor's lawyer). Keep a copy of your bank statements in case there are
170.27 questions about your claim. If you ~~do not~~ don't send bank statements to the ~~creditor's attorney~~
170.28 ~~(or to the creditor, if no attorney)~~ bank statements creditor (or to the creditor's lawyer) along
170.29 with your exemption claim, the financial institution may ~~release~~ give your money to the
170.30 creditor. They would do this once the creditor gives ~~the financial institution~~ them a court
170.31 order ~~directing it~~ saying they have to turn over the funds.

170.32 2. **Sign** the exemption forms. **Make one a copy to keep for yourself.**

171.1 **3. Mail or deliver** the other copies of the form by (insert date).

171.2 Both Copies Must Be Mailed or Delivered the Same Day.

171.24 How The Process Works

171.25 **If You Do Not Don't Send in the Exemption Form and Bank Statements:**

171.26 14 days after the date of this letter some or all of your money may be turned over to the
171.27 creditor. This happens once they get an order from the court telling the ~~financial institution~~
171.28 bank to do this.

171.29 If You Do Send in the Exemption Form and Bank Statements:

171.30 Any money that is NOT protected can be turned over to the creditor once they get an
171.31 order from the court.

171.32 If the Creditor Does Not Object to Your Claimed Exemptions:

172.1 The ~~financial institution will~~ bank should unfreeze your money ~~six~~ 6 business days after
 172.2 ~~the institution gets~~ they get your completed form. If they don't, ask the creditor or the
 172.3 creditor's lawyer to send a release letter to the bank.

172.4 **If the Creditor Objects to Your Claimed Exemptions:**

172.5 The money you ~~have~~ said is protected on the form ~~will be~~ is held by the bank. The
 172.6 creditor has ~~six~~ 6 business days to object (disagree) and ask the court to hold a hearing. You
 172.7 ~~will receive~~ get a Notice of Objection and a Notice of Hearing.

172.8 The ~~financial institution will hold~~ bank holds the money until a court decides ~~whether~~
 172.9 if your money is protected or not. Some reasons a creditor may object are because you ~~did~~
 172.10 ~~not~~ didn't send copies of your bank statements or other proof of the benefits you ~~received~~
 172.11 got. Be sure to include these when you send your exemption form.

172.12 You may want to talk to a lawyer for advice about this process. If you are low income
 172.13 you can call Legal Aid statewide at 1(877) 696-6529.

172.14 **PENALTIES:**

172.15 **Warnings and Fines**

172.16 If you claim that your money is protected and a court decides you made that claim in
 172.17 bad faith, ~~the court~~ they can order you to pay costs, actual damages, ~~attorney~~ lawyer fees,
 172.18 ~~and an additional amount of a fine~~ up to \$100. Bad faith is when someone does something
 172.19 wrong on purpose. For example, it may be bad faith if you claim you ~~receive~~ get government
 172.20 benefits ~~that you do not receive~~ and you don't.

172.21 If the creditor made a bad faith objection to your claim that your money is protected,
 172.22 the court can order them to pay costs, actual damages, ~~attorney~~ lawyer fees, and ~~an additional~~
 172.23 ~~amount of a fine~~ up to \$100.

194.1 Sec. 2. Minnesota Statutes 2024, section 45.027, subdivision 1, is amended to read:

194.2 Subdivision 1. **General powers.** (a) In connection with the duties and responsibilities
194.3 entrusted to the commissioner, and Laws 1993, chapter 361, section 2, the commissioner
194.4 of commerce may:

194.5 (1) make public or private investigations within or without this state as the commissioner
194.6 considers necessary to determine whether any person has violated or is about to violate any
194.7 law, rule, or order related to the duties and responsibilities entrusted to the commissioner;

194.8 (2) require or permit any person to file a statement in writing, under oath or otherwise
194.9 as the commissioner determines, as to all the facts and circumstances concerning the matter

194.15 (5) examine the books, accounts, records, and files of every licensee, and of every person
194.16 who is engaged in any activity regulated; the commissioner or a designated representative
194.17 shall have free access during normal business hours to the offices and places of business of
194.18 the person, and to all books, accounts, papers, records, files, safes, and vaults maintained

194.23 days after the commissioner has ordered the report. The report is accessible only to the
194.24 respondent and other governmental agencies unless otherwise ordered by a court of competent
194.25 jurisdiction; ~~and~~

194.26 (8) assess a natural person or entity subject to the jurisdiction of the commissioner the
194.27 necessary expenses of the investigation performed by the department when an investigation
194.28 is made by order of the commissioner. The cost of the investigation shall be determined by
194.29 the commissioner and is based on the salary cost of investigators or assistants and at an
194.30 average rate per day or fraction thereof so as to provide for the total cost of the investigation.
194.31 All money collected must be deposited into the general fund. A natural person or entity
194.32 licensed under chapter 60K, 82, or 82B shall not be charged costs of an investigation if the
194.33 investigation results in no finding of a violation. This clause does not apply to a natural

195.1 person or entity already subject to the assessment provisions of sections 60A.03 and

195.6 jurisdiction to provide data or other information within a reasonable time period
195.7 commensurate with the volume and nature of the data required to be collected in the data
195.8 call for a specific, targeted regulatory oversight purpose. A data call is not market analysis,

195.11 Sec. 3. Minnesota Statutes 2024, section 45.027, is amended by adding a subdivision to
195.12 read:

195.16 the commissioner may make the results available for public inspection in an aggregated
195.17 format and in such a manner as to not disclose the identity of a specific natural person or
195.18 entity, including the name of any natural person or entity who responded to the data call.
195.19 Prior to making the aggregated results of a data call available for public inspection, the
195.20 commissioner must provide all natural persons and entities that responded to the data call
195.21 15 days' notice of the information to be publicly released. Nothing in this subdivision requires
195.22 the commissioner to publicly release aggregated results from a data call. The results of a
195.23 data call that requests data for the National Association of Insurance Commissioners' Market
195.24 Conduct Annual Statement is subject to confidential treatment as provided under section
195.25 60A.031, subdivision 4, paragraph (f).

195.26 (b) The commissioner may grant access to data submitted by insurers in response to a
195.27 data call issued by the commissioner with other state, federal, and international regulatory
195.28 agencies; with the National Association of Insurance Commissioners and its affiliates and
195.29 subsidiaries; and with state, federal, and international law enforcement authorities, provided
195.30 that the recipient agrees in writing to maintain the data as nonpublic data and has the legal
195.31 authority to maintain the data as nonpublic data.

196.1 Sec. 4. Minnesota Statutes 2024, section 45.027, subdivision 2, is amended to read:

196.2 Subd. 2. **Power to compel production of evidence.** For the purpose of any investigation,
196.3 hearing, proceeding, or inquiry related to the duties and responsibilities entrusted to the
196.4 commissioner, the commissioner or a designated representative may issue data calls,
196.5 administer oaths and affirmations, subpoena witnesses, compel their attendance, take
196.6 evidence, and require the production of books, papers, correspondence, memoranda,
196.7 agreements, or other documents or records that the commissioner considers relevant or
196.8 material to the inquiry.

196.9 A subpoena issued pursuant to this subdivision must state that the person to whom the
196.10 subpoena is directed may not disclose the fact that the subpoena was issued or the fact that
196.11 the requested records have been given to law enforcement personnel except:

196.12 (1) insofar as the disclosure is necessary to find and disclose the records; or

196.13 (2) pursuant to court order.

196.14 Sec. 5. Minnesota Statutes 2024, section 45.24, is amended to read:

196.15 **45.24 LICENSE TECHNOLOGY FEES.**

196.16 (a) The commissioner may establish and maintain an electronic licensing database system
196.17 for license origination, renewal, and tracking the completion of continuing education
196.18 requirements by individual licensees who have continuing education requirements, and
196.19 other related purposes.

196.20 (b) The commissioner shall pay for the cost of operating and maintaining the electronic
196.21 database system described in paragraph (a) through a technology surcharge imposed upon
196.22 the fee for license origination and renewal, for individual licenses that require continuing
196.23 education.

196.24 (c) The surcharge permitted under paragraph (b) shall be up to \$40 for each two-year
196.25 licensing period, except as otherwise provided in paragraph (f), and shall be payable at the
196.26 time of license origination and renewal.

196.27 (d) The Commerce Department technology account is hereby created as an account in
196.28 the special revenue fund.

196.29 (e) The commissioner shall deposit the surcharge permitted under this section in the
196.30 account created in paragraph (d), and funds in the account are appropriated to the
196.31 commissioner in the amounts needed for purposes of this section. The commissioner of
196.32 management and budget shall transfer an amount determined by the commissioner of

197.1 commerce from the account to the statewide electronic licensing system account under
197.2 section 16E.22 for the costs of the statewide licensing system attributable to the inclusion
197.3 of licenses subject to this section.

197.4 (f) The commissioner ~~shall~~ may temporarily reduce or suspend the surcharge as necessary
197.5 if the balance in the account created in paragraph (d) exceeds \$2,000,000 as of the end of
197.6 June in any calendar year and shall must annually review the anticipated costs under
197.7 paragraph (b) to determine the amount to increase or decrease the surcharge ~~as necessary~~
197.8 to keep the fund balance at an adequate level but not in excess of \$2,000,000.

200.13 Sec. 7. Minnesota Statutes 2024, section 80E.12, is amended to read:

200.14 **80E.12 UNLAWFUL ACTS BY MANUFACTURERS, DISTRIBUTORS, OR**
200.15 **FACTORY BRANCHES.**

200.16 It shall be unlawful for any manufacturer, distributor, or factory branch to require a new
200.17 motor vehicle dealer to do any of the following:

200.18 (a) order or accept delivery of any new motor vehicle, part or accessory thereof,
200.19 equipment, or any other commodity not required by law which has not been voluntarily
200.20 ordered by the new motor vehicle dealer, provided that this paragraph does not modify or
200.21 supersede reasonable provisions of the franchise requiring the dealer to market a
200.22 representative line of the new motor vehicles the manufacturer or distributor is publicly
200.23 advertising;

200.24 (b) order or accept delivery of any new motor vehicle, part or accessory thereof,
200.25 equipment, or any other commodity not required by law in order for the dealer to obtain
200.26 delivery of any other motor vehicle ordered by the dealer;

200.27 (c) order or accept delivery of any new motor vehicle with special features, accessories,
200.28 or equipment not included in the list price of the motor vehicles as publicly advertised by
200.29 the manufacturer or distributor;

200.30 (d) participate monetarily in an advertising campaign or contest, or to purchase any
200.31 promotional materials, showroom, or other display decorations or materials at the expense
200.32 of the new motor vehicle dealer;

201.1 (e) enter into any agreement with the manufacturer or to do any other act prejudicial to
201.2 the new motor vehicle dealer by threatening to cancel a franchise or any contractual
201.3 agreement existing between the dealer and the manufacturer. Notice in good faith to any
201.4 dealer of the dealer's violation of any terms of the franchise agreement shall not constitute
201.5 a violation of sections 80E.01 to 80E.17;

201.6 (f) change the capital structure of the new motor vehicle dealer or the means by or
201.7 through which the dealer finances the operation of the dealership; provided, that the new
201.8 motor vehicle dealer at all times meets any reasonable capital standards agreed to by the
201.9 dealer; and also provided, that no change in the capital structure shall cause a change in the
201.10 principal management or have the effect of a sale of the franchise without the consent of
201.11 the manufacturer or distributor as provided in section 80E.13, paragraph (j);

201.12 (g) prevent or attempt to prevent, by contract or otherwise, any motor vehicle dealer
201.13 from changing the executive management control of the new motor vehicle dealer unless
201.14 the franchisor proves that the change of executive management will result in executive
201.15 management control by a person who is not of good moral character or who does not meet
201.16 the franchisor's existing reasonable capital standards and, with consideration given to the
201.17 volume of sales and services of the new motor vehicle dealer, uniformly applied minimum
201.18 business experience standards in the market area; provided, that where the manufacturer,
201.19 distributor, or factory branch rejects a proposed change in executive management control,
201.20 the manufacturer, distributor, or factory branch shall give written notice of its reasons to
201.21 the dealer;

201.22 (h) refrain from participation in the management of, investment in, or the acquisition
201.23 of, any other line of new motor vehicle or related products or establishment of another make
201.24 or line of new motor vehicles in the same dealership facilities as those of the manufacturer;
201.25 provided, however, that this clause does not apply unless the new motor vehicle dealer
201.26 maintains a reasonable line of credit for each make or line of new motor vehicle, and that
201.27 the new motor vehicle dealer remains in substantial compliance with the terms and conditions
201.28 of the franchise and with any reasonable facilities requirements of the manufacturer and
201.29 that the acquisition or addition is not unreasonable in light of all existing circumstances;
201.30 provided further that if a manufacturer determines to deny a dealer's request for a change
201.31 described in this paragraph, such denial must be in writing, must offer an analysis of the
201.32 grounds for the denial addressing the criteria contained in this paragraph, and must be
201.33 delivered to the new motor vehicle dealer within 60 days after the manufacturer receives
201.34 the completed application or documents customarily used by the manufacturer for dealer
201.35 actions described in this paragraph. If a denial that meets the requirements of this paragraph

202.1 is not sent within this period, the manufacturer shall be deemed to have given its consent
202.2 to the proposed change.

202.3 For purposes of this section and sections 80E.07, subdivision 1, paragraph (c), and 80E.14,
202.4 subdivision 4, reasonable facilities requirements shall not include a requirement that a dealer
202.5 establish or maintain exclusive facilities for the manufacturer of a line make unless
202.6 determined to be reasonable in light of all existing circumstances or the dealer and the
202.7 manufacturer voluntarily agree to such a requirement and separate and adequate consideration
202.8 was offered and accepted;

202.9 (i) during the course of the agreement, change the location of the new motor vehicle
202.10 dealership or make any substantial alterations to the dealership premises during the course
202.11 of the agreement, when to do so would be unreasonable or if the manufacturer fails to
