 11.18 ~~to 325M.21~~ section 325M.16, subdivision 2, paragraph (g).

11.19 Sec. 3. Minnesota Statutes 2024, section 325M.16, subdivision 2, is amended to read:

11.20 Subd. 2. **Use of data.** (a) A controller must limit the collection of personal data to what  
 11.21 is adequate, relevant, and reasonably necessary in relation to the purposes for which the  
 11.22 data are processed, which must be disclosed to the consumer.

11.23 (b) Except as provided in sections 325M.10 to 325M.21, a controller may not process  
 11.24 personal data for purposes that are not reasonably necessary to, or compatible with, the  
 11.25 purposes for which the personal data are processed, as disclosed to the consumer, unless  
 11.26 the controller obtains the consumer's consent.

11.27 (c) A controller shall establish, implement, and maintain reasonable administrative,  
 11.28 technical, and physical data security practices to protect the confidentiality, integrity, and  
 11.29 accessibility of personal data, including the maintenance of an inventory of the data that  
 11.30 must be managed to exercise these responsibilities. The data security practices shall be  
 11.31 appropriate to the volume and nature of the personal data at issue.

11.32 (d) ~~Except as otherwise provided in sections 325M.10 to 325M.21,~~ A controller may  
 11.33 not process sensitive data concerning a consumer ~~without obtaining the consumer's consent,~~

12.3 (e) A controller may not share a consumer's sensitive data with any party other than the  
12.4 consumer except with the consumer's consent to the specified sharing.

12.5 (f) A consumer's consent to share sensitive data under paragraph (e) must be separate  
12.6 and distinct from a consumer's consent to process the consumer's health data under paragraph  
12.7 (d). A consent under this subdivision must be obtained prior to the processing or sharing,  
12.8 as applicable, of the sensitive data. Any request for consent under this subdivision must  
12.9 clearly and conspicuously disclose:

12.10 (1) the categories of sensitive data processed or shared, as applicable;

12.11 (2) the purpose of the processing or sharing, as applicable, of the sensitive data, including  
12.12 the specific ways in which it will be used;

12.13 (3) the categories of entities with which the sensitive data is shared; and

12.14 (4) how the consumer can withdraw consent from future processing or sharing of the  
12.15 consumer's sensitive data.

12.16 (g) A controller may not process personal data concerning a known child, without  
12.17 obtaining consent from the child's parent or lawful guardian, in accordance with the  
12.18 requirement of the Children's Online Privacy Protection Act, United States Code, title 15,  
12.19 sections 6501 to 6506, and its implementing regulations, rules, and exemptions.

12.20 ~~(e)~~ (h) A controller shall provide an effective mechanism for a consumer, or, in the case  
12.21 of the processing of personal data concerning a known child, the child's parent or lawful  
12.22 guardian, to revoke previously given consent under this subdivision. The mechanism provided  
12.23 shall be at least as easy as the mechanism by which the consent was previously given. Upon  
12.24 revocation of consent, a controller shall cease to process the applicable data as soon as  
12.25 practicable, but not later than 15 days after the receipt of the request.

12.26 ~~(f)~~ (i) A controller may not process the personal data of a consumer for purposes of  
12.27 targeted advertising, or sell the consumer's personal data, without the consumer's consent,  
12.28 under circumstances where the controller knows that the consumer is between the ages of  
12.29 13 and 16.

12.30 ~~(g)~~ (j) A controller may not retain personal data that is no longer relevant and reasonably  
12.31 necessary in relation to the purposes for which the data were collected and processed, unless  
12.32 retention of the data is otherwise required by law or permitted under section 325M.19.

13.1 **Sec. 4. [325M.175] REQUIREMENTS FOR THE SALE OF SENSITIVE DATA.**

13.2 **Subdivision 1. Scope; exclusions.** (a) Notwithstanding section 325M.12, subdivision  
13.3 1, a legal entity must comply with sections 325M.10 to 325M.21 as if it were a controller  
13.4 or processor if that legal entity:

13.5 (1) conducts business in Minnesota or produces products or services that are targeted to  
13.6 residents of Minnesota; and

13.7 (2) is a controller or processor of sensitive data.

13.8 (b) The requirements and restrictions specific to sensitive data in this section are in  
13.9 addition to the requirements and restrictions in sections 325M.10 to 325M.21 for personal  
13.10 data generally, including the requirements for sensitive data under section 325M.16,  
13.11 subdivision 2, paragraphs (d) to (f).

13.12 (c) The exclusions in section 325M.12, subdivision 2, apply to this section.

13.13 **Subd. 2. Requirements specific to the sale of sensitive data.** (a) It is unlawful for any  
13.14 person to sell or offer to sell a consumer's sensitive data without first obtaining valid  
13.15 authorization from the consumer. The sale of a consumer's sensitive data must be consistent  
13.16 with the valid authorization signed by the consumer. This authorization must be separate  
13.17 and distinct from a consent obtained by a controller to process or share sensitive data under  
13.18 section 325M.16, subdivision 2, paragraphs (d) to (f).

13.19 (b) A valid authorization to sell a consumer's sensitive data is a document consistent  
13.20 with this subdivision and must be written in plain language. A valid authorization to sell a  
13.21 consumer's sensitive data must contain the following:

13.22 (1) the specific sensitive data, concerning the specific consumer, that the person intends  
13.23 to sell;

13.24 (2) the name and contact information of the person collecting and selling the sensitive  
13.25 data;

13.26 (3) the name and contact information of the person purchasing the sensitive data from  
13.27 the seller identified in clause (2);

13.28 (4) a description of the purpose for the sale, including how the sensitive data will be  
13.29 gathered and how it will be used by the purchaser identified in clause (3) when sold;

13.30 (5) a statement that the provision of goods or services to the consumer may not be  
13.31 conditioned on the consumer signing the valid authorization;

14.1 (6) a statement that the consumer has a right to revoke the valid authorization at any  
 14.2 time and a description of how to submit a revocation of the valid authorization;

14.3 (7) a statement that the consumer's sensitive data sold pursuant to the valid authorization  
 14.4 may be subject to redisclosure by the purchaser and may no longer be protected by this  
 14.5 section;

14.6 (8) an expiration date for the valid authorization that expires one year from when the  
 14.7 consumer signs the valid authorization; and

14.8 (9) the signature of the consumer and date.

14.9 (c) An authorization is not valid if the document has any of the following defects:

14.10 (1) the expiration date has passed;

14.11 (2) the authorization does not contain all of the information required under this  
 14.12 subdivision;

14.13 (3) the authorization has been revoked by the consumer;

14.14 (4) the authorization has been combined with other documents to create a compound  
 14.15 authorization; or

14.16 (5) the provision of goods or services to the consumer is conditioned on the consumer  
 14.17 signing the authorization.

14.18 (d) A copy of the signed valid authorization must be provided to the consumer.

14.19 (e) The seller and purchaser of the sensitive data must retain a copy of all valid  
 14.20 authorizations for sale of sensitive data for six years from the date of its signature or the  
 14.21 date when it was last in effect, whichever is later.

14.22 **Sec. 5. [325M.178] GEOFENCE RESTRICTIONS.**

14.23 It is unlawful for any person to implement a geofence around an entity that provides  
 14.24 in-person health care services or supplies where the geofence is used to:

14.25 (1) identify or track a consumer seeking health care services or supplies;

14.26 (2) collect health data from a consumer; or

14.27 (3) send notifications, messages, or advertisements to a consumer related to the  
 14.28 consumer's health data or health care services or supplies.

15.1 Sec. 6. Minnesota Statutes 2024, section 325M.18, is amended to read:

15.2 **325M.18 DATA PRIVACY POLICIES; DATA PRIVACY AND PROTECTION**  
15.3 **ASSESSMENTS.**

15.4 (a) A controller must document and maintain a description of the policies and procedures  
15.5 the controller has adopted to comply with sections 325M.10 to 325M.21. The description  
15.6 must include, where applicable:

15.7 (1) the name and contact information for the controller's chief privacy officer or other  
15.8 individual with primary responsibility for directing the policies and procedures implemented  
15.9 to comply with the provisions of sections 325M.10 to 325M.21; and

15.10 (2) a description of the controller's data privacy policies and procedures which reflect  
15.11 the requirements in ~~section~~ sections 325M.16 and, where applicable, 325M.175, and any  
15.12 policies and procedures designed to:

15.13 (i) reflect the requirements of sections 325M.10 to 325M.21 in the design of the  
15.14 controller's systems;

15.15 (ii) identify and provide personal data to a consumer as required by sections 325M.10  
15.16 to 325M.21;

15.17 (iii) establish, implement, and maintain reasonable administrative, technical, and physical  
15.18 data security practices to protect the confidentiality, integrity, and accessibility of personal  
15.19 data, including the maintenance of an inventory of the data that must be managed to exercise  
15.20 the responsibilities under this item;

15.21 (iv) limit the collection of personal data to what is adequate, relevant, and reasonably  
15.22 necessary in relation to the purposes for which the data are processed;

15.23 (v) prevent the retention of personal data that is no longer relevant and reasonably  
15.24 necessary in relation to the purposes for which the data were collected and processed, unless  
15.25 retention of the data is otherwise required by law or permitted under section 325M.19; and

15.26 (vi) identify and remediate violations of sections 325M.10 to 325M.21.

15.27 (b) A controller must conduct and document a data privacy and protection assessment  
15.28 for each of the following processing activities involving personal data:

15.29 (1) the processing of personal data for purposes of targeted advertising;

15.30 (2) the sale of personal data;

15.31 (3) the processing, sharing, or sale of sensitive data;

16.1 (4) any processing activities involving personal data that present a heightened risk of  
16.2 harm to consumers; and

16.3 (5) the processing of personal data for purposes of profiling, where the profiling presents  
16.4 a reasonably foreseeable risk of:

16.5 (i) unfair or deceptive treatment of, or disparate impact on, consumers;

16.6 (ii) financial, physical, or reputational injury to consumers;

16.7 (iii) a physical or other intrusion upon the solitude or seclusion, or the private affairs or  
16.8 concerns, of consumers, where the intrusion would be offensive to a reasonable person; or

16.9 (iv) other substantial injury to consumers.

16.10 (c) A data privacy and protection assessment must take into account the type of personal  
16.11 data to be processed by the controller, including the extent to which the personal data are  
16.12 sensitive data, and the context in which the personal data are to be processed.

16.13 (d) A data privacy and protection assessment must identify and weigh the benefits that  
16.14 may flow directly and indirectly from the processing to the controller, consumer, other  
16.15 stakeholders, and the public against the potential risks to the rights of the consumer associated  
16.16 with the processing, as mitigated by safeguards that can be employed by the controller to  
16.17 reduce the potential risks. The use of deidentified data and the reasonable expectations of  
16.18 consumers, as well as the context of the processing and the relationship between the controller  
16.19 and the consumer whose personal data will be processed, must be factored into this  
16.20 assessment by the controller.

16.21 (e) A data privacy and protection assessment must include the description of policies  
16.22 and procedures required by paragraph (a).

16.23 (f) As part of a civil investigative demand, the attorney general may request, in writing,  
16.24 that a controller disclose any data privacy and protection assessment that is relevant to an  
16.25 investigation conducted by the attorney general. The controller must make a data privacy  
16.26 and protection assessment available to the attorney general upon a request made under this  
16.27 paragraph. The attorney general may evaluate the data privacy and protection assessments  
16.28 for compliance with sections 325M.10 to 325M.21. Data privacy and protection assessments  
16.29 are classified as nonpublic data, as defined by section 13.02, subdivision 9. The disclosure  
16.30 of a data privacy and protection assessment pursuant to a request from the attorney general  
16.31 under this paragraph does not constitute a waiver of the attorney-client privilege or work  
16.32 product protection with respect to the assessment and any information contained in the  
16.33 assessment.

17.1 (g) Data privacy and protection assessments or risk assessments conducted by a controller  
17.2 for the purpose of compliance with other laws or regulations may qualify under this section  
17.3 if the assessments have a similar scope and effect.

17.4 (h) A single data protection assessment may address multiple sets of comparable  
17.5 processing operations that include similar activities.

17.6 Sec. 7. Minnesota Statutes 2024, section 325M.20, is amended to read:

17.7 **325M.20 ATTORNEY GENERAL ENFORCEMENT.**

17.8 (a) In the event that a controller or processor violates sections 325M.10 to 325M.21, the  
17.9 attorney general, prior to filing an enforcement action under paragraph (b), must provide  
17.10 the controller or processor with a warning letter identifying the specific provisions of sections  
17.11 325M.10 to 325M.21 the attorney general alleges have been or are being violated. If, after  
17.12 30 days of issuance of the warning letter, the attorney general believes the controller or  
17.13 processor has failed to cure any alleged violation, the attorney general may bring an  
17.14 enforcement action under paragraph (b). This paragraph expires January 31, 2026.

17.15 (b) The attorney general may bring a civil action against a controller or processor to  
17.16 enforce a provision of sections 325M.10 to 325M.21 in accordance with section 8.31. If the  
17.17 state prevails in an action to enforce sections 325M.10 to 325M.21, the state may, in addition  
17.18 to penalties provided by paragraph (c) or other remedies provided by law, be allowed an  
17.19 amount determined by the court to be the reasonable value of all or part of the state's litigation  
17.20 expenses incurred.

17.21 (c) Any controller or processor that violates sections 325M.10 to 325M.21 is subject to  
17.22 an injunction and liable for a civil penalty of not more than \$7,500 for each violation.

17.23 (d) Nothing in sections 325M.10 to 325M.21 establishes a private right of action,  
17.24 including under section 8.31, subdivision 3a, for a violation of sections 325M.10 to 325M.21  
17.25 or any other law.

17.26 (e) A person that violates an applicable provision of sections 325M.10 to 325M.21, but  
17.27 that is not a controller or processor, is subject to enforcement by the attorney general under  
17.28 this section as if the person were a controller or processor.

17.29 Sec. 8. **REPEALER.**

17.30 Minnesota Statutes 2024, section 325M.17, is repealed.

18.1      **Sec. 9. EFFECTIVE DATE.**

18.2            This act is effective July 31, 2025, except that postsecondary institutions regulated by  
18.3 the Office of Higher Education are not required to comply with this act until July 31, 2029.

(a) A small business, as defined by the United States Small Business Administration under Code of Federal Regulations, title 13, part 121, that conducts business in Minnesota or produces products or services that are targeted to residents of Minnesota, must not sell a consumer's sensitive data without the consumer's prior consent.

(b) Penalties and attorney general enforcement procedures under section 325M.20 apply to a small business that violates this section.
